An additional five pounds of sugar for canning is to be allowed each person who to date has only received five pounds, according to an OPA announcement. There is a maximum of 15 pounds per family, if it numbers more than three. All applicants need do is make a written request to the rationing board for the added allotment. The catch, however, is to find the sugar after coupons have been issued. In most stores, the sugar barrell is empty.

Land described as commencing at a point in the West line of Pearl Street (formerly called Currier Street) at the Southeast corner of land owned and occupied on April 4, 1917 by Alonza Marshall, running thence Westerly on the South line of said Marshall land about 100 feet to the East line of land now (or formerly) owned by Ella Tate, thence Southerly along the East line of said Tate land 62 feet to the North line of land now (or formerly) owned by John Finch, thence Easterly along the North line of said Finch land about 100 feet to the West line of Pearl Street, thence Northerly on the West line of Pearl Street 70 feet, to the place of beginning, said land being also known and described as Village Lot No. 24 on Assessor's Plat Number 2 of said Village of Clinton.

Also all that part of Lot 25 of Assessor's Plat Number 2 of the Village of Clinton, Lenawee County, Michigan, described as commencing at the Southeast corner of said Lot 25 and running thence Southwesterly along the South line of said Lot 25, 22.6 feet, thence Northeasterly at right angles to Currier Street 22.4 feet to a point in the Westerly line of Currier Street located 3 feet Northerly of the Southeast corner of said Lot 25, thence Southeasterly along the Westerly line of said Currier Street 3 feet to the place of beginning.

Also the East 30 feet of the South 49.7 feet (measured along the Easterly line) of Lot 28, Assessor's Plat Number 2 of Clinton Village, Lenawee County, Michigan, more particularly described as beginning at a point in the Easterly line of Lot 28, Assessor's Plat Number 2, Clinton, Village, at a point located 21.5 feet Southeasterly from the Northeast corner of said Lot 28 running thence Southeasterly along the Easterly line of said Lot 28, 49.7 feet to the Southeast corner of said Lot 28, thence Southwesterly along the Southerly line of Lot 28, 30 feet, thence Northwesterly parallel with the first course 48.5 feet, thence Northeasterly at right angles to Currier Street 30 feet to the place of beginning, excepting from the above described land all that part of Lot 24 Assessor's Plat Number 2 of Clinton Village, Lenawee County, Michigan, described as commencing at a point in the Northerly line of Lot 24 Assessor's Plat Number 2 of Clinton Village, Lenawee County, Michigan, located 22.6 feet Southwesterly from the Northeast corner thereof and running Southwesterly along the Northerly line of said Lot 24, thence 77.4 feet more or less, to the Northwest corner of said Lot 24, thence Southerly along the Westerly line of said Lot 24, 10.5 feet, thence Northeasterly at right angles to Currier Street 76.5 feet more or less to the place of beginning.

JOHN R. ZEIGLER,
Attorney for Plaintiffs,
Business Address:
Oct. 4 Tecumseh, Michigan.

STATE OF MICHIGAN, County of Lenawee, ss. Probate Court for said County.

At a session of the probate court for the county of Lenawee, holden at the probate office in the city of Adrian on the 24th day of August in the year one thousand nine hundred and forty-five.

Present, HON. MAURICE E. TRIPP, Judge of Probate.

In the matter of the estate of MATILDA A. ROGERS, Deceased.

On reading and filing the petition of Lester C. Rogers, executor upon the estate of said deceased, alleging that the funeral expenses and debts of said deceased, and the expenses of administration thus far incurred, have been fully paid, and praying that his final administration account may be allowed and for such other order and decree as to this court shall seem proper.

It is ordered, That Monday, the 17th day of September next, at nine o'clock in the forenoon, Central War Time, be assigned for the hearing of said petition.

And it is further ordered, That a copy of this order be published in The Tecumseh Herald, a news paper printed and circulating in said county of Lenawee, for three consecutive weeks, previous to said day of hearing.

The Finance Committee reported favorably on bills as read. Moved and supported that report of Finance Committee be accepted and orders be drawn for several amounts.

Ayes: Kerby, Truesdale, Rohweder, Smith.

Nays: None. Motion carried.

Motion made and supported that Village Treasurer's warrant for collection of taxes be extended to October 1, 1945.

Motion carried.

Moved and supported that report of officers be accepted and placed on file. Motion carried.

Motion made and supported that Village Attorney be instructed to prepare contracts as outlined for construction of water and sewer mains on North Union street from Brown street to Village Limits, and Village President and Clerk be authorized to sign contracts.

Ayes: TurnBull, Kerby, Truesdale, Rohweder, Smith.

Absent: VanVleet. Motion carried.

The following Resolution was offered by Councilman TurnBull and supported by Councilman Smith.

Whereas, for the best interest of the Village of, and the inhabitants thereof, that a concrete and /or cement curb and gutter be constructed on the following streets in the Village of Tecumseh, Michigan, to-wit: The east and west sides of Ottawa Street from the north line of Chicago Boulevard to and including the north line of Shawnee Street; the north and south sides of Logan Street from Ottawa Street to and including the west line of Pearl Street; the east and west sides of Pearl Street from Logan Street to and including the north line of Chicago Boulevard;

BE IT HEREBY RESOLVED, that the Common Council of the Village of Tecumseh, Michigan, now lawfully assembled, does hereby determine that it is a public necessity and of general public benefit that concrete and/or cement curb and gutter be constructed on the portion of the streets as above set forth in accordance with plats, diagrams, plans and specifications, and estimates of the expense thereof, now on file in the office of the Clerk of said Village; that Fifty (50%) per cent of the cost to the Village of such construction of curb and gutter shall be paid from the general highway fund or other available funds of said Village, and that Fifty (50%) per cent of the cost to the Village of such curb and gutter and not to exceed One and 25/100 ($1.25) Dollars per lineal foot be defrayed from special assessment upon the lots and/or premises abutting upon such improvement in proportion to their number of front feet upon said portion of said streets and that a special assessment district for the purpose of the assessment and levy of a tax to meet such portion of said cost shall be lawfully created hereafter; and,

BE IT FURTHER RESOLVED, that notice thereof and of the proposed improvement or work and of the district to be assessed, shall be given by publication of this resolution for two weeks in the Tecumseh Herald, a newspaper published and circulated in said Village, and that the Common Council will meet and consider any objections thereto at the Council chambers in said Village of Tecumseh, on the 1st day of October, A. D. 1945, at 7:30 o'clock in the evening of said day.

This Resolution was adopted by the following vote: Ayes: TurnBull, Kerby, Truesdale, Rohweder, Smith.

Absent: VanVleet.

On motion, Council adjourned.

J. Floyd Elliott, President.
Wade L. Jones, Clerk.

Indians To Meet Milan On Friday

FIRST FOOTBALL GAME OF SEASON TO BE PLAYED HERE UNDER THE LIGHTS

Preparing for the gridiron again, Coach Fred Raizk has rapidly been shaping up his Tecumseh high school Indians for their non-league war with the Milan eleven under the Tecumseh lights at Recreation Center, tomorrow evening at 8 o'clock. With over 40 candidates contesting for berths on that important first string, and with eight of these letbermen, Coach Raizk has had an excellent opportunity to pick his starters from the best of several tryouts for each position.

Spearheading the drives of the veteran backfield is co-captain Bob Baker, a senior halfback who was the chief ground gainer in his last year's role. At quarterback, heading the psychology department, is John Murdoch, who also returned to his former position. Dermont Poley, Marvin Barber, and Earl Baldwin, all hard driving veterans with excellent prospects, head the list for the remaining backs.

On the line, the weight averages fairly well, with Ben Hammack returning to his center berth, and co-Captain Tom Judd and Bill Brown, also probably beginning again at their guard positions. At tackles, Bob Dinse and Roger Williams are continuing the solid front wall together with Ted Sisson and Bill Hayden who form the anchors to the line. All of these have a good deal of valuable experience and most of them are holders of a football "T," but nevertheless, many are being given very keen competition. If these boys will pull through with playing they are capable of mastering, another football trophy will stand in T. H. S. this fall.

After the first team there is not only a second string but a freshman group which will make up the future players for the Orange and Black. New uniforms and equipment enable these young gridders to dress for games, too.

Following the Milan contest, the Braves will buck up against the Hudson squad September 28 on the Tecumseh field. The Indians then travel to Adrian or another non-league contest on October 5. The rival Clinton team will report at Tepee Town for their annual battle October 12, and Winchester, who robbed Tecumseh or a tie for championship last season, will come into town October 26. The last two encounters on the schedule are away with Morenci, November 2, and Blissfield, November 9.

Burtsel Claus, 67, Dies; Is Buried at Tipton

Burtsel Claus, aged 67 years, died Friday afternoon at 1:30 in Tecumseh hospital, where he had been a patient for four days, following a paralytic stroke at his home near Tipton. Mr. Claus was born May 8, 1878 at Cedar Springs, Ontario, and was married August 22, 1916 to Eleanor E. Norcross of Adrian, who survives; also two daughters, Mrs. Alice Louise Stevens of Lansing, and Mrs. Helen Carter of Tipton; one grandson Richard E. Carter; two sisters, Mrs. Beatrice Douglas of Chatham, Ontario, and a twin sister, Mrs. Bertha Ruesink of Tipton, and one brother George of Detroit. Four brothers and three sisters preceded him in death.

The funeral was held Monday afternon in the Tipton Community ity church with Rev. B. O. Bashore officiating, assisted by Dr. S. N. Oliver of Muskegon, and Dr. Ray Wilson of Cairo, Michigan. Burial was in the Tipton cemetery. The bearers were Harold Blair and Don Cook of Jackson, Ned Ruesink and Ralph Ruesink of Tipton, Edgar Claus of Manchester and Nicholas McGuigan of Belemheim, Ontario.

Friends and relatives attended from Adrian, Jackson, Manchester, Toledo, Ontario, Clinton and Tecumseh.

MONDAY CLUB TO MEET

The first meeting of the Monday Club, for this year, will be held Monday, October 1, at the home of Mrs. Mertie Waring. A potluck dinner will be served at noon.

This is Sunshine Day for the club, and any member with a portable sewing machine is asked to bring it to the meeting, as sewing will be done for the Red Cross. Mrs. Geo. Green is chairman.

$2,000 Damage On Tuesday In Fire At Bruce Foundry

CUPLOA COMPLETELY DESTROYED BY BLAZE; ORIGIN OF FIRE UNKNOWN

Fire, the origin of which has not been determined, did approximately $2,000 worth of damage at the Bruce Foundry & Manufacturing Co.'s plant here, late Tuesday afternoon. Firemen fought the blaze for nearly an hour before it was brought under control.

The fire started in the cuploa of the foundry, a building about 30 by 30, and this was completely destroyed. It was a frame structure. How the fire started, W. J. Bruce, head of the company, said no one was able to determine. Foundrymen were at work nearby at the time of the fire.

Mr. Bruce said that plans would go forward immediately to replace the building with a fireproof structure and that he hoped there would be little or no interruption in the work schedule of the plant.

"The firemen did an excellent job in controlling the blaze and I would like to extend our appreciation for their efforts," Bruce said regarding the activities of the department. The new rural fire truck received its first "work out" at the foundry blaze and according to Mayor J. Floyd Elliott it functioned perfectly.

Choir at Macon Has Anniversary

TO PRESENT SPECIAL PROGRAM AT MARTHA-MARY CHAPEL NEXT SUNDAY

On Sunday, September 23, at 10 a.m., the Community Chapel Choir of the Martha-Mary Chapel at Macon will observe its fourth anniversary.

The choir is made up entirely of a voluntary group of people who meet each Thursday evening for practice at the chapel at 7 o'clock.

Every Sunday morning a person from a neighboring town or some one in the community is asked to sing, read or lead.

In observance of their fourth anniversary the choir is presenting the following program. Visitors are welcome: leader, Donald M. Currie; chapel choir, "The Heart Tepee Town for their annual battle October 12, and Winchester, who robbed Tecumseh or a tie for championship last season, will come into town October 26. The last two encounters on the schedule are away with Morenci, November 2, and Blissfield, November 9.

MISS IRIS JONES IS BRIDE OF PFC. JOHN SLICK

A pretty wedding service took place in the Nazarene church at Ridgeway, Tuesday evening at 8 o'clock, when Miss Iris Jones, daughter of Mrs. Belle Jones, became the bride of Pfc. John Slick of Ann Arbor, who is home on a 30-day furlough after more than three years in the European theatre.

The service was read by the Rev. W. E. Weaver, a former pastor of the church, assisted by the Rev. A. E. Kimball, the present pastor. The church was beautifully decorated with palms and flowers. Mrs. Foster Hardesty played the wedding march accompanied by Gale Hall on the violin, and Miss Elsie Jones, sister of the bride, sang two numbers. Miss Jones was given in marriage by her grandfather, James Goldstein of Detroit. The attendants were Mr. and Mrs. Loren Avery of Macon and Brenda Hall of Ridgeway was the flower girl.

Immediately following the ceremony a reception was held at the home of the bride's mother, attended by about 150 persons.

Pfc. and Mrs. Slick left on a two weeks' wedding trip, after which he will report to an Army base for further orders. Mrs. Slick is on a leave of absence from her teaching duties in the Miller school district, near Ridgeway.

PLAN FOR LUNCHEONS

Mrs. George Green assisted by Mrs. Guy E. Belding entertained the W.S.C.S. of the Methodist church, Thursday afternoon. The devotions were led by Mrs. Bert Warren, and Mrs. A. H. Brown gave an interesting talk on "Health Around the World."

Plans were made for two cafeteria luncheons and a tea to be given by the society; the first luncheon to be given in the church Wednesday noon, September 26.

OLD FAIR TICKET

If someone is stranded for the price of a Lenawee County Fair ticket this year they might do well to see S. J. Petty of W. Chicago boulevard. He has a fair ticket, dated 1869, when the admission was 25c. He found the ticket in a bureau drawer.

Army Training Gets Approval

DISTRICT LEGION MEETING HERE VOTES IN FAVOR OF PLAN FOR FUTURE

Compulsory military training for the youth of the future was given 100 per cent endorsement by committee members of the American Legion, meeting in district convention at the Legion Hall here, Sunday. Representatives were present from Monroe, Jackson, Blissfield, Morenci, Metamora and Adrian.

The conference was called by Aubrey Goldsmith of Temperance, district commander, and the main address was delivered by Carl Matheney of Detroit, Michigan commander. Mr. Matheney discussed the G. I. Bill of Rights.

The state commander also called attention to the campaign, now under way, to enroll the newly-eligible 12,000,000 fighting men and women in the armed forces as members of the American Legion. The week of September 16 to 22 has been set aside by Edward N. Scheiberling, national commander, as "national American Legion membership acceleration week."

Eligibility of members of the armed forces for immediate membership in the Legion dates from the signing of the surrender terms of the Japanese government. Membership in the organization may be taken out by the veteran himself or by parents of service men and women, whether the parents are members of the Legion or not.

Mrs. E. D. Brown Hostess To Opening Meet of D.A.R.

The opening meeting of Abi Evans chapter, Daughters of the American Revolution, was held on Friday evening at the home of Mrs. E. D. Brown.

Mrs. J. H. Smith, regent, conducted the business session and a short memorial service was held for Mrs. Lewis Lent and Mrs. Cleveland Dustin. Mrs. Blair Bashore read Tennyson's poem, "Crossing the Bar."

Mrs. R. S. Moore will continue the study of American music this year and the program consisted of a piano solo, "Shepherd's Tale," by Ethelbert Nevin, played by Mrs. Kenton Hunt and a vocal solo, "Charity," Oley Speaks, by Mrs. Moore.

Miss Ethelyn Garlinghouse, leader, gave a talk on the American Red Cross and Mrs. Frank Bates, whose daughter Miss Betty Bates is in Red Cross work overseas, read a paper, "The Red Cross Overseas." Miss Clara Waldron, executive secretary for Lenawee county, gave a talk on "The Red Cross at Home."

Mrs. Arthur H. Brown reported sending a box of clothing valued at $150 to the D.A.R. school at Crossnor, N. C.

Refreshments were served by the hostess assisted by Mrs. Frederick H. Terry, Mrs. Frank Turner and Mrs. Lavern Russell.

MISCELLANEOUS SHOWER

A miscellaneous shower was given Friday evening, for Miss Roberta Johnston, by Mrs. Gerald Carey of Ypsilanti and Mrs. Hamilton Moore in the latter's home. Contests and games were played; the prizes being canned fruits and jellies and were in turn presented to the bride-to-be. Refreshments were served to the guests seated at small tables, a feature being a large decorated shower cake. Among the guests were Mrs. Guy Moover, Mrs. Jack Hull, Mrs. Ernest Graeb and Mrs. Robert Alonzo of Clinton. The guest of honor received a shower of beautiful gifts which were hidden about the house and alarm clocks ringing led Miss Johnston to the gifts.

PRESBYTERIAN LEAGUE

The Presbyterian League met for its first meeting of the year at the home of Mrs. Percy Heidenreich and daughter, Miss Betty, Tuesday evening. A potluck supper was served to 21 members and six guests. The hostesses were the new officers for this year. Marie Koernig led the devotions and Elizabeth Seger had charge of the program. The League voted to have a baked goods booth at the annual church fair to be held in October, instead of a candy booth. The next meeting, October 2, will be at the home of Helen Hendershot, with Marie Koernig as leader.

PYTHIAN SISTERS MEET

Pythian Sisters resumed their meetings last week after the summer recess. A review of the first half of the year was given and plans were made for the last half. Final arrangements were made for the fair, to be held November 2.

RUMMAGE SALE—October 5 6, by Methodist Guild in church basement, O-4

It's Fine To Be Smart, But Not Too Smart, Is U. M. Doctor's Warning

INTELLIGENCE BEYOND A CERTAIN LEVEL IS OF NO VALUE, SURVEY SHOWS

Intelligence up to a certain point is quite all right but beyond that level—and there is one—it's the fellow who knows how to do the important thing, the fellow with a bit of color who really lands the worthwhile jobs, Dr. T. Luther Purdham, director of the placement division of the University of Michigan, told members of the Rotary Club here, Tuesday evening. He addressed the club following dinner at Brees House.

The "handy man," the fellow who can pinch hit, the chap who can always be depended upon to lead the singing, do the cooking, wash the dishes or make a speech, seldom gets places in the business world, and why; too many folk just take his talents for granted. It's the fellow who keeps his eye on the ball, who takes care of his business, does the important thing at the opportune moment, sometimes a bit spectacular, that really gets ahead.

"And above all," Dr. Purdham warned, "know your boss's weaknesses and his strong points. That is mighty important if you are to win promotions."

And more important than most of these things, the University doctor declared, is one's ability to make himself known to others. "If no one knows you, how can you expect to succeed? Who would say that good word about you even though they were asked?"

Dr. Purdham told many interesting stories to illustrate his remarks—true stories from the files of the placement department of the University.

Dr. Purdham was accompanied to Tecumseh by Ira Smith, registrar of the University. Both men were the guests of Wade L. Jones, chairman of the program committee.

Grange To Observe Booster Night, Sept. 27

The regular meeting of Tecumseh Grange was held Thursday evening, in the Grange hall. At the business session a check for $500 was received for labor, by the Grange members on the Dynamic Kernels project.

The program included two vocal solos, by F. C. Dickinson, accompanied by Mrs. Dickinson at the piano; and an interesting talk by William Muckenstrum on Australia and New Guinea.

The next meeting will be held Thursday, September 27, and Booster night will be observed, preceded by a potluck supper served by Mr. and Mrs. E. G. Harris, Mr. and Mrs. Robert Gillespie, Mr. and Mrs. Clay Croll and Mr. and Mrs. Frank Hoagland. The reception committee consists of Mr. and Mrs. Fred Sheldon, Mr. and Mrs. M. G. Partridge, Mr. and Mrs. P. G. Ash and Mr. and Mrs. Lawrence Hoagland. This will be an open meeting and members are to bring guests.

P.T.A. RECEPTION IS PLANNED FOR TEACHERS

Mrs. Robert H. Moore, president of the Parent-Teacher Association here, announced today that there would be a reception for the faculty of the public schools on Thursday evening, September 27, at 8 o'clock, in the gymnasium of the high school. Mr. and Mrs. Vincent Haight are in charge of the program and Mr. and Mrs. Robert Gillespie of refreshments. The public, especially parents of students in the schools, are urged to attend.

HARMONY HOME MAKERS

A special meeting of the Harmony Home Makers will be held Wednesday, September 26, at 1 o'clock at the home of Mary Cleveland. All the ladies are urged to attend this meeting, as they will sew for the Red Cross. Every lady is to take her own thimble, needles and sissors.

METHODIST GUILD

The Methodist Guild was entertained last week at the home of Mrs. Ray Krempel. Devotions were led by Mrs. Kenton Hunt. The Guild voted to hold a rummage sale October 5 and 6 in the church basement. Refreshments were served after the meeting by the hostesses.

R. N. A. TO MEET

The Royal Neighbors will meet Monday evening at the home of Mrs. Harry Tuckey for a potluck supper at 6:30, followed by the monthly meeting.

SCOUTS TO MEET

Brownie Scouts will hold their first meeting Tuesday afternoon, from 4 until 5 o'clock, with Mrs. Leo Alderdyce in charge. The meeting will be held in the basement of the Library.

Hillsdale Fair Opens Sept. 23

GREATEST EXPOSITION SINCE BEFORE THE WAR IS PROMISED BY OFFICIALS

The Hillsdale county fair, offering many added and improved features this year, will open Sunday afternoon, September 23, with a religious program sponsored by the Hillsdale County Council of Churches. Dr. Leon Fram of Detroit, Rabbi of Temple Israel, has been secured for the address Sunday at 3 p.m. His talk will be preceded by a half-hour concert of the Hillsdale high school band, directed by Robert Lint. Dr. Fram will speak on "One Nation Indivisible."

End of hostilities in the Pacific has enabled Harry B. Kelley, fair secretary, not only to enhance the quality of entertainment to be presented the week of the 23rd but to provide conveniences and comforts which would not have been possible two months ago. No longer hampered by gasoline rationing, crowds in record numbers are expected to pour into the Hillsdale fairgrounds for the first peacetime fair in four years. They will not be bothered by insects for the first time in the 95 year history of the fair, because DDT, the famous army bug killer, will be sprayed over the grounds by DDT Distributing Company, Decatur, Michigan. Dust has been reduced to a minimum by the completion this year of the blacktopping of the fairgrounds roads and paths. More parking space for automobiles has been added by filling in the swamp land in the southeast section of the grounds. The interior of the race-track grandstand and several buildings have been repainted. Also adding greatly to the physical appearance of the grounds is the completion of the new all-steel fencing.

With the war no longer a handicap in securing top entertainment features, the Hillsdale fair this year has booked through Barnes-Carruthers of Chicago one of the finest stage productions ever offered. Some of the acts have been entertaining U. S. Soldiers on major USO circuits in recent months. Lifting of the transportation ban will increase the field of trotters and pacers attracted to the Hillsdale fair for five days of racing with horses boosted this year to a total of $6,000. All winners will be decided by "photo finish" equipment.

Sport events also will include the world's champion heavyweight and lightweight horse pulling contests. The heavyweight event will take place Tuesday morning, September 25, at 9:30 o'clock, with the lightweight event run off Wednesday morning at 9:30. An eight team baseball tournament with finals Saturday, September 29, and horseshoe pitching will round out the sports program.

All available exhibition space has been reserved, including a new and enlarged location for farm machinery at the rear of the grand stand. Over $9,000 in cash premiums will be awarded. Michigan State fair exhibits of Tamworth swine, Suffolk, Dorset, Corriedale and Cheviot sheep are also being shown at the Hillsdale fair this year.

Of interest to many fair goers, including service men, will be the exhibit of war equipment which has been returned to this county after use in Europe. All service men and women in uniform will be admitted free throughout fair week.

Other features of the fair include the Women's Congress programs, the mighty livestock cavalcade, a public auction on Friday of 4-H livestock, Saturday's "calf scramble" and concerts by the Jonesville, Quincy, and Hillsdale high school bands.

Tuesday is school children's day. Thursday is set aside as everybody's homecoming, while Saturday will be Soldiers' and Sailors' day.

Two-Year-Old Child Is Fatally Burned

Diane Kay Brockway, 2-year-old daughter of Mr. and Mrs. Frank Brockway of Blissfield, died Thursday in the Bixby hospital as a result of scalding burns she received two days before. Diane was the neice of Mrs. Leon Johnston of Tecumseh. Her father, Watertender 3/c is serving in the navy, and at the present is in Japan.

The funeral was held in the home of her grandmother, Mrs. Bangerter, Sunday afternoon, with burial in Blissfield.

HONORED ON BIRTHDAY

Mr. and Mrs. Carl Kennel of Ann Arbor entertained Thursday evening at a birthday dinner for Mrs. Kennel's brother, Jim Osburn, who was celebrating his 18th birthday. Other guests were Mrs. Purnell Osburn and daughter Jean, Mrs. Jack Osburn and son Michael and Miss Mildred Bennett of Adrian.

Schools In 2-Day Recess For Lenawee County Fair

The Tecumseh public schools were closed today and will remain closed on Friday permitting the students to attend the Lenawee County Fair at Adrian. The two-day vacation was decided upon Tuesday evening by the board of education, in regular session, W. L. Berkhof, announced.

The Tecumseh high school band appears at the fair this afternoon and again tomorrow, in the band parade, Mr. Berkhof said. The fact that the band members would of necessity be absent from classes caused the board to order the two-day recess. This is the first time in many years that the schools here have closed down for two days for the fair.

There was little other business before the board, except for routine work. The enrollment has grown but little during the past week, the superintendent said, probably due to the fact that the local school was approximately one week late in opening. The total enrollment here now stands at about 700.

Lieut. G. C. Hendershot Helps To Take Japs Over

WITH TRANSPORT DIVISION 60 IN TOKYO BAY (Delayed)—Lt. (jg) G. C. Hendershot, Tecumseh, participated in the landing of the first occupation troops on the conquered soil of Japan.

From battle stations aboard the USS GRIMES, flagship of the transport division, the crew watched the Marines go ashore at Futtsu Saki, on the eastern shore of Tokyo Bay, August 30 (Tokyo time) for the initial operation of Japan. The landing preceded by a few hours general of the Army Douglas MacArthur's triumphant arrival at Atsugi airfield.

In addition to training many new amphibious units early in 1945, Transport Division 60 has taken several large convoys into the forward areas, including the operations at Okinawa and Ie Shima. With Japan's surrender, the division was placed in charge of a convoy which effected a rendezvous with the 3rd Fleet off Japan.

Classes In Instruction Planned By Catholics

A series of classes dealing with the official worship of the Catholic church, the mass, will be conducted in the basement of St. Elizabeth's church here, each Monday evening at 8 o'clock, beginning September 24. The classes last for one hour.

The purpose of the program is to give a deeper insight into the significance of the mass for Catholics and also as a form of instruction for converts and others outside the church who would like to learn more of its teachings. Soldiers sailors and marines have witnessed the offering of mass by their chaplains in war-torn buildings, on the back end of superdreadnoughts, and on jeeps. Many of these servicemen have described the mass to their friends back home.

People such as these who want to attend the classes are entirely welcome. Kenneth McEnroe will be secretary for the class and will handle enrollment and the discussion books. While the classes are for Catholics they are open to all who desire to learn more about the Catholic mass.

KRING IS ASSIGNED TO A NEW SHIP

Newport, R. I.—Silas N. Kring, Jr., 18, seaman, second class, USNR, of Pottawatamie, Tecumseh, Michigan, at the Atlantic Fleet's Naval Training Station here, has been assigned to duty aboard the USS FORT MARION, a new landing ship dock soon to be commissioned.

The young sailor, who entered the Navy in February, 1945, is the son of Mr. and Mrs. Silas N. Kring.

He received recruit training at the Naval Training Station, Sampson, N. Y., and is a graduate of Tecumseh high school.

His sister, Bertha Mae, is serving with the WAC.

TECUMSEH O. E. S. TO VISIT ADDISON

Tecumseh Chapter No. 51, O. E. S. officers will be guests of the Addison chapter and assist in conferring the degree, Wednesday, September 26. Anyone desiring transportation may call Mrs. Lynn Harris or Mrs. Dwight Hodges.

Reservations for the Golden Anniversary of the Cambridge chapter at Onsted, must be given to Mrs. Harris before October 1.

Anyone knowing the whereabouts of the "traveling garment" in Tecumseh is asked to notify Mrs. Hoyt Raymond at once.

Robert J. Wilson, 18, son of Mr. and Mrs. Sidney J. Wilson, 17 Brown St., Tecumseh, Mich., is receiving his initial Naval indoctrination at the U. S. Naval Training Center, Great Lakes, Illinois.

Wheat Tithe To Go To Hospital

AMOUNTS TO $734.54, HAYDEN ANNOUNCES; FAIR BOARD AIDS 6TH PLANTING

The Tecumseh Friends Church tithe in the fifth crop of Perry Hayden's Dynamic Kernels of Wheat has been fixed at $734.54 and a check for that amount has been sent to the church, Mr. Hayden announced today when he let it be known that the church intends to donate the entire amount to The Tecumseh Hospital.

"Undoubtedly, the officers of the church will meet with the hospital board and decide what should be done with the money, but I believe it will go for some piece of equipment, probably something made right here in Tecumseh, such as a deep freeze unit or a refrigerator," Mr. Hayden said.

The program for the planting of the sixth crop of Dynamic Kernels is progressing smoothly, Hayden declared, when he announced that the Lenawee County Fair Association had decided to plant the center of the race track at the fair grounds, to Dynamic Kernels Wheat.

"The seed will be contributed for this eight-acre project by the Hayden Flour Mills, Inc.," Hayden said, "and the fertilizer and the work of fitting the soil and the planting, as well as the harvesting next year, will be done through other contributions. At harvest time in 1946, the tithe will be divided between the Gideons and the Salvation Army and the remaining nine-tenths of the crop will go to the 4-H Club of the county, to aid its building program at the fair."

Sale of the seed wheat, more than 5,000 bushels of it harvested this year on the Ford Farms near Macon, is moving rapidly, Hayden said. Already, more than two-thirds of the seed has been sold and it is believed that next week will finish the sale. Thus far, the sponsor said, 80 churches have been named to share in the 1946 tithe by more than 200 farmers from both Michigan and Ohio.

Under the program being advanced for the sixth and final planting of the crop, the seed wheat is sold to farmers at $1 per bushel, the farmers agreeing to give one-tenth of their crop to the church of their choice. Seed may be purchased in Tecumseh, either from Hayden or at the Hayden Flour Mills.

"Interest now seems to be running much higher in the planting of the crop for next year," Hayden declared. "We are receiving many inquiries about the program, and I understand that Secretary of Agriculture Henry A. Wallace at Washington is inquiring about it. I hope that next year, when the grain is cut on the many farms in this area, to have Mr. Wallace or a representative of his office present."

Jeanne C. Allen Is Bride of Marine Corporal

Mr. and Mrs. Charles W. Allen are announcing the marriage of their daughter, Pfc. Jeanne C. Allen of the M.C.W.R. and Cpl. J. T. Callahan, U.S.M.C.R., son of Mr. and Mrs. H. C. Callahan, of Ewington, Ohio. The ceremony took place in the Presbyterian manse in Bethesda, Md., on September 8 at 6 p.m. They were attended by Pfc. Elizabeth Diedrich, who entered the service with Pfc. Allen, and Cpl. Wheeler H. Rhinehart.

The bride is a graduate of the Tecumseh high school and Michigan State Normal College at Ypsilanti. She taught home economics in the high school at Brimley, Mich., and was teaching in the Monroe high school when she enlisted in the Marine Corps and left for Camp Legeunne, North Carolina. Cpl. Callahan has been in the Marine Corps for four years, and recently returned from 27 months duty in the Pacific area. He expects to be discharged from the service soon. Both are at present stationed at Quantico, Virginia.

MRS. WILSON HOSTESS

Mrs. George Wilson entertained her corps of officers for the Eastern Star, Thursday evening. A two-course luncheon was served, the guests being seated at tables decorated with the Eastern Star emblem and colors.

Mrs. Lee Shumway and Mrs. Mary King were out of town guests.

C. E. MEETING TONIGHT

The Christian Endeavor Society of the Friends church will hold a business meeting and wiener roast at the church this evening (Thursday). Charles Manley, Billy and Martha Ann Hayden are in charge of the entertainment. The president, Elizabeth M. Escolme, will have charge of the meeting.

LEST WE FORGET

The war has ended, but it did not bring a cleancut victory for the United Nations.

The avowed objective of freedom from political oppression for which the war was fought, is less in evidence today than at any previous time, not excluding the era of Hitler. The United States now stands alone as the champion of individual enterprise and the exponent of government as the servant rather than the master of the people. Over most of the world peoples numbed by suffering, seem anxious to become charges of masterful governments.

The United States remains the one great nation with production and distribution under the ownership and management of private citizens. Thanks to this system, our farmers and factories, our retailers and workers, millions of them, can make a living independent of government. As long as they can do that they need never fear political oppression. The privilege of earning a living unsupported by government handouts and resultant political "persuasion," is the key to freedom. Don't forget it! The people of Europe have thrown away this key. Even in England and France, the key is being turned over to government.

Let's not throw away the key to freedom in our own country. Private enterprise, which socialism destroys, may have its drawbacks. But its shortcomings can always be corrected. Private enterprise is the source of independent jobs, for employer and employee alike. As long as private enterprise exists, government payrolls can be kept to a healthy minimum, and we can tell officialism to go to blazes, without fear of the consequences.

Detroit's Labor Troubles Halt Speedy Reconversion of Plants

By Gene Alleman

DETROIT, Sept. 20—This Michigan metropolis of more than 1,500,000 inhabitants is still the world's automobile center and is still having labor troubles.

A vocal minority in the newly-organized automobile industry is chiefly responsible for the current plague of strikes. Oddly enough, the labor conflict is occurring just at a time when labor leaders are yelling the loudest at Washington about the rise of unemployment during reconversion and the resultant need of more unemployment compensation for jobless workers.

Governor Kelly is asked to call a special session of the state legislature. Michigan unemployment benefits, among the highest in the nation, would be boosted to $30 per week.

Dynamic Detroit astounded the world with its output of munitions. Perhaps it is inevitable that labor should try to hold onto its wartime boom earnings.

Overtime beyond the 40-hour week, plus double time for Sundays and holidays, fattened the Detroit war workers' purse to a degree unknown in pre-war days.

The sight of negro workers flocking into ritzy Detroit style shops and paying inflated prices for every-day garments was commonplace here during the war. In constant need of more workers to fulfill bumper government contracts, manufacturers welcomed the arrival of Negroes and whites from the Middle South and the Deep South. An abundance of labor contributed in part to the success of Detroit industry in meeting Washington's demands for more and more tanks, more and more airplanes and more and more of everything else essential to Victory.

Now that the war is over, and with it the bonanza of overtime earnings has come to an end, labor is fighting to retain its recently-won benefits. Workers are resisting the inevitable adjustments to peace-time production.

The viewpoint of management in the September strikes is expressed by Henry Ford II, executive vice-president of the Ford Motor company. He said recently:

"They talk about 66,000,000 jobs. How can there be that many jobs when the worker quits before reconversion gets under way? Perhaps the labor unions have no responsibilities—or refuse to accept them. The fact about strikes now, however, is that the average worker fails to realize the consequences of the strike. It not only cuts his own throat, strikes are now a serious impediment in the reconversion effort."

The strike situation is a paradox to the demand of the U.A.W.-C.I.O. for full employment by private enterprise or full employment by government subsidy and deficit financing.

Victor G. Reuther, official of the U.A.W., served notice on Michigan newspaper editors at Ann Arbor, nearly one year ago, that he was willing to scrap the system which has given Americans the highest living standards on earth if private enterprise failed to create 60,000,000 jobs after the war.

Just as the government footed the bill during the war, so the government should make possible a continuance of war prosperity during the peace-time.

This, in brief, is the viewpoint of R. J. Thomas, president of the U.A.W.-C.I.O. who recently advocated that the government pay a bonus of $1,000 to each war worker at the time of severance from employment.

Some U.A.W.-C.I.O. union leaders are campaigning for an outright federal subsidy covering peace-time wages. Each worker then would receive 48 hours' pay for 30 hours' work. The economic fact that the taxpayers would be paying for 18 hours of unproductiveness and hence that the workers themselves would ultimately have to help foot the bill, if governmental bankruptcy was to be averted, had apparently not occurred to the labor leaders.

Secretary of Labor Schwellenbach in his Labor Day address, cautioned organized labor to execute greater responsibility for the public good or risk restrictive action by the federal government. A quotation: "We cannot have full employment unless we have full production of goods and services. And we cannot have full production unless we have full consumption. And we cannot have any of these—full employment, full production, and full consumption—if our productive machine is stalled and our power to consume diminished as a result of chaotic industrial relations."

Detroit's labor relations today are just that—"chaotic."

Irresponsible labor leadership, such as that of Mr. Thomas, is one of the deplorable handicaps in the path of full employment here.

State Will Hospitalize Tuberculosis Veterans

Any honorably discharged Michigan war veteran may be provided hospitalization and sanatorium care for tuberculosis at the expense of the State of Michigan in the sanatorium nearest his home.

Persons honorably discharged from the military service and not otherwise hospitalized are deemed to be residents of the state at large and the expense of their treatment and hospitalization, with the approval of the commissioner of health, shall be paid by the state, according to an Act of the 1945 Michigan legislature which just became effective on September 5.

Proper equipment for dental examination and treatment and service by a dentist shall also be provided by the hospital or sanatorium.

Facilities for roentgenography and fluoroscopy, adequate for thoracic visualization shall also be provided under the act.

The act further provides for proper facilities for collapse therapy, including thoracic surgery, for patients needing this treatment. Complete clinical records are kept which include results of all examinations, laboratory findings and treatments given.

The official application form K-64 must be submitted and in the case of veterans, the portion pertaining to residents of the state at large should be given particular attention. These applications are available from the Michigan Department of Health, the Office of Veterans' Affairs and at all Counseling Centers.

RESOLUTION

The following Resolution was offered by Councilman TurnBull and supported by Councilman Smith:

Whereas, for the best interest of the Village of, and the inhabitants thereof, that a concrete and/or cement curb and gutter be constructed on the following streets in the Village of Tecumseh, Michigan, to-wit: The east and west sides of Ottawa Street from the north line of Chicago Boulevard to and including the north line of Shawnee Street; the north and south sides of Logan Street from Ottawa Street to and including the west line of Pearl Street; the east and west sides of Pearl Street from Logan Street to and including the north line of Chicago Boulevard;

BE IT HEREBY RESOLVED, that the Common Council of the Village of Tecumseh, Michigan, now lawfully assembled, does hereby determine that it is a public necessity and of general public benefit that concrete and/or cement curb and gutter be constructed on the portion of the streets set forth in accordance with plats, diagrams, plans and specifications, and estimates of the expense thereof, now on file in the Office of the Clerk of said Village; that Fifty (50%) per cent of the cost to the Village of such construction of curb and gutter shall be paid from the general highway fund or other available funds of said Village, and that Fifty (50%) per cent of the cost to the Village of such curb and gutter and not to exceed One and 25/100 ($1.25) Dollars per lineal foot be defrayed from special assessment upon the lots and/or premises abutting upon such improvement in proportion to their number of front feet upon said portion of said streets and that a special assessment district for the purpose of the assessments and levy of a tax to meet such portion of said cost shall be lawfully created hereafter; and,

BE IT FURTHER RESOLVED, that notice thereof and of the proposed improvement or work and of the district to be assessed, shall be given by publication of this resolution for two weeks in The Tecumseh Herald, a newspaper published and circulated in said Village, and that the Common Council of said Village will meet and consider any objection thereto at the Council Chambers in said Village of Tecumseh, on the 1st day of October, A. D. 1945, at 7:30 o'clock in the evening of said day.

The Resolution was adopted by the following vote::

Ayes: Councilmen TurnBull, Kerby, Truesdale, Rohweder, Smith.

Absent: Van Vleet.

Motion carried.

MACON

50th Wedding Anniversary

Mr. and Mrs. Edward Miller will celebrate their 50th wedding anniversary, Sunday, September 30, with open house from 3 o'clock to 6 o'clock. No gifts, please, is the request.

Woman's Club Meets

The first meeting of the Woman's Club after the summer's recess was held September 12 at the home of the new president, Mrs. Effie Gibson, with fifteen members present. Mrs. Milla Swick and Mrs. Mabel Gibson were appointed to a committee to plan for the Red Cross activities. Mrs. Ruby Bigelow was the leader of a program occasioning much fun as the members one by one related some of their summer activities. The next meeting will be held at the home of Mrs. Leanna Coller.

Russell Collins, Jr., Signal Man 2/c, USN, returned to Brooklyn, N. Y., Sunday, following a two day leave spent with his parents, Mr. and Mrs. Russell Collins.

Mr. and Mrs. Eric Halladay and family of Detroit spent Sunday with his parents, Mr. and Mrs. R. A. Halladay.

Mr. and Mrs. Donald VanHook and family of Wayne have moved into the house across the road from the Mr. and Mrs. Ray Gilmore home.

Mr. and Mrs. Ralph Halladay and Mrs. Jerome Travis attended the funeral of Mrs. Helene Proctor which was held at the Collins Funeral Home in Tecumseh, Wednesday, September 12.

Mrs. Hattie Sage, Mrs. Ella Pennington, and Mrs. Lilah Howell were in Ridgeway, Saturday, and attended the funeral services of C. S. Foote which were held at his late home with burial in the Ridgeway cemetery.

Will Camburn has been a patient in Tecumseh hospital with blood poisoning in his arm.

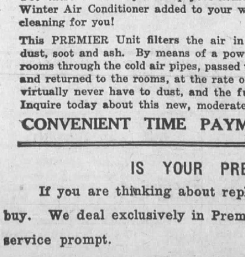
Recent guests of Mr. and Mrs. Clare Gillespie were, Mr. and Mrs. Mac McPhail of Monroe.

HOME FROM ITALY

MIAMI, FLA.—Flown here from overseas as part of the "Green Project" which calls for the Air Transport Command's Caribbean Division to fly 30,000 returnees from Europe to Miami Army Air Field each month, T/5 Guy J. Allison of Tecumseh is back in the states from Italy. Many of the planes are manned by veteran pilots and crews from the Troop Carrier Command.

In less than 24 hours they left for Camp Blanding, Fla., by rail. From there he will go to a reception center nearer home for separation from the service or furlough prior to reassignment.

Herald Advertised Bargains Save You Money



NO WONDER A WOMAN'S WORK IS NEVER DONE!

Sweep and dust! Mop and scrub! It's certainly discouraging to try to keep a home clean, with soot and dirt continually settling on walls, draperies, furniture and rugs.

Yet there IS a way to keep your home clean . . . and without all that drudgery! Have a PREMIER Winter Air Conditioner added to your warm air furnace, and your heating plant will do most of your cleaning for you!

This PREMIER Unit filters the air in your home, removing countless particles of dust, soot and ash. By means of a powerful, quiet blower, the air is drawn from the rooms through the cold air pipes, passed through the large, efficient filters, then warmed and returned to the rooms, at the rate of 4 to 7 complete air changes per hour! You virtually never have to dust, and the fuel saving soon equal your entire investment. Inquire today about this new, moderately priced PREMIER Add-on Conditioner.

THE TECUMSEH HERALD

NINETY-FIFTH YEAR—NUMBER FIFTY-TWO | TECUMSEH, MICHIGAN, THURSDAY, SEPTEMBER 27, 1945 | FIVE CENTS PER COPY

Community Fund Quota Is $5,000

DRIVE HERE DURING OCTOBER ALSO WILL RAISE FUNDS FOR PATRIOTIC YEAGUE

Tecumseh's Community Fund quota for the year 1945-46 has been fixed at $5,000 and this sum will be raised here during the month of October, it was announced Tuesday evening, following a meeting of the board of directors of the organization and a group of interested citizens.

Sharing in the fund will be:

The Wolverine Council, Boy Scouts of America, of which Tecumseh Scouts are members. The Girl Scouts, the Campfire Girls, the Child Study Club, the Lenawee County Patroitic League and funds for emergency welfare. Budgets for the several groups already have been set up, and payments to the several groups and organizations will be made after the drive is over.

The Community Fund board decided that this year, instead of operating a separate campaign for the Lenawee County Patriotic League in Tecumseh, the money needed to meet the League's quota would be taken from the local fund, eliminating the necessity for two campaigns.

The League quota this year for Lenawee county is $44,071 but this amount has been reduced to $7,000 because of a surplus in the League's treasury. Of the $7,000 quota, Tecumseh's share is $770. Other quotas in this area for the League are as follows: Clinton, $168; Franklin township, $96.60; Macon, $96.60; Raisin, $86.10; Ridgeway, $96.60.

The League's drive will be launched in the county on October 1 and will continue through the 15th.

"We will not operate a separate campaign this year for the League because it will not be necessary," John R. Thompson, president of the Tecumseh Community Fund, said. "When our Cmomunity Fund drive is over we will send the League a check for the local quota, $770, and all other money raised in the Tecumseh drive will remain in Tecumseh for our own needs."

The Fund board said that it would announce within a week the name of the chairman of the drive and other committees.

"We hope to be able to make the campaign for funds a brief and successful one," Mr. Thompson said. "The amount that we are seeking is less than was raised here last year, when all of the funds went to the Patriotic League. The Community Fund did not operate a campaign in Tecumseh last year, and it now becomes necessary to raise funds if we are to continue to operate successfully and meet the needs of the several participating organizations."

At an election of directors, held at the meeting on Tuesday, Mr. Thompson, Geo. H. Adamson and the Rev. Edward Escolme were named to the board for three-year terms, Perry C. Satterthwaite and Robert H. Moore for two-year terms, and Lyman Curtis and Robert G. Fuller for one-year terms. The Rev. Mr. Escolme is secretary-treasurer of the board.

Otis Sisson Is Buried In Brookside Cemetery

Ottis Sisson, aged 72 years, died suddenly at 1:15 p.m., Thursday, in his home two and a half miles west of Tecumseh. On April 4, 1894 he married Mary Tilton, who survives; also one daughter, Mrs. Vera Osburn of Hudson, four grandchildren and one great-grandson. Also a sister, Mrs. Alice Harding of Tecumseh and several neices and nephews.

Mr. Sisson had lived on the farm for 49 years and with his wife had celebrated their golden wedding anniversary two years ago.

The funeral was held Monday afternoon in the Collins Funeral Home and burial was in Brookside cemetery.

Rev. Edward Escolme officiated.

The bearers, all nephews of Mr. Sisson, were: Harold and Sam Sisson of Tecumseh, John McKendry of Adrian, George McKendry, George Tilton and Charles Tilton of Wyandotte. Friends and relatives attended from Adrian, Toledo, Ann Arbor, Ypsilanti, Hudson, Clawson, Wyandotte, Clinton, Holloway and Corpus Christi, Texas.

WED IN CALIFORNIA

Friends are receiving announcements of the marriage of Miss Katherine Anthes and Thomas Willcutt of the U. S. Marine Corps which took place August 10 in Berkeley, California.

PRESBYTERIAN LEAGUE

The Presbyterian League will meet next Tuesday evening, October 2, with Mrs. Wade Hendershot. Anyone desiring transportation may call Mrs. W. L. Berkhof or Mrs. John H. Smith.

Reception For Teachers Tonight at High School

The annual reception for teachers in the Tecumseh public schools will be held at 8 o'clock tonight in the gymnasium of the high school, under the sponsorship of the Parent-Teacher Association. This also is the first meeting of the association.

Mrs. Robert H. Moore, president, has announced these committees in charge: Entertainment, Mr. and Mrs. Vincent Haight, chairman, assisted by Mr. and Mrs. Paul Keyser, Mr. and Mrs. Leo Alderdyce, Mr. and Mrs. Lawrence Bater; refreshments, Mr. and Mrs. Thos. Miss Roberta Johnston Weds Willard Wedemeyer

The Macon Methodist church was the scene of a beautiful wedding, Saturday evening at 8 o'clock, when Miss Roberta A. Johnston, daughter of Robert Johnston of Macon, and Willard W. Wedemeyer, son of Mr. and Mrs. Aaron Wedemeyer of Saline, were united in marriage by the Rev. C. E. Foltz of Clinton. The single ring service was read by candlelight before an altar of palms, candelabra and hampers of white gladiolas, mums and agematum.

Mrs. Carlyle Brand of Wayne, who had taught with Miss Johnston in the Dryden schools, played a quarter hour program of wedding music before the ceremony, and accompanied her husband, Lt. Carlyle Brand who sang "Because" and "The Lord's Prayer."

Miss Johnston who was given in marriage by her father, wore a princess fashioned gown of white jersey and a fingertip veil of net edged with shadow lace and held in place by a pearl beaded tiara. She carried a white Bible with an orchid and a shower of white satin ribbon and fern and wore a single strand of pearls, a gift of the groom.

Mrs. Mildred Milhan of Saline, sister of the groom, acted as matron of honor and wore a gown of black and white with sequen trim and carried an arm bouquet of white gladiolas and red roses and wore a white feather headdress. The bridesmaids were Miss Eileen Johnston, a cousin from Detroit, and Mrs. Ronald Johnston of Clinton, sister-in-law of the bride. They wore identical gowns of white jersey with short sleeves and sequen trim with long fuschia gloves and feather headdress to match. Their bouquets were cream colored glads and roses tied with fuschia ribbon. The flower girls, neices of the bride, Vickie and Joanne Johnston, wore white dresses with pleated skirts, and carried tiny baskets filled with garden flowers in pastel shades with bows of matching ribbons. The ring bearer, Richard Johnston, nephew of the bride, wore a white gabradine suit and carried the ring on a satin pillow.

Mr. Wedemeyer was attended by Ronald Johnston, brother of the bride and the ushers were Stanley Gall, and Norman Wiedmayer of Saline, cousins of the groom.

Mrs. Wedemeyer chose for her son's wedding a black and fuschia dress and her corsage was of white pom pom mums.

A reception followed immediately in the basement of the church for the 200 guests. The bride's table was covered by a linen cloth and centered by the four-tiered wedding cake, with lighted tapers at either end. The guests were served by Mrs. Mildred Moore, Mrs. Dorothy Boussum of Lansing, Mrs. Melba Carey of Ypsilanti, Mrs. Wilma Frost, Mrs. Lucille Williams of Lansing, Mrs. Ruth Hoover, and the Misses Ruth and Mary Beth Hendershot.

Guests attended from Detroit, Chicago, Plymouth, Brooklyn, Howell, Ann Arbor, Saline, Lansing, Wayne and Waltham Mass.

AYERS—TAYLOR

The marriage of Virginia Hoag, daughter of Mr. and Mrs. Glenn Taylor, of Milan, and Marie Ayers took place Wednesday, September 19, at Napoleon, Ohio. The double ring ceremony was read by Dallas Young, justice of the peace. The bride wore a two-piece grey dress and a corsage of pink roses. The couple were attended by Mrs. Edna Wight and Walter Booker.

DEPENDABLE CLASS

The Temple Dependable Class of the Methodist church was entertained Wednesday in the home of Mrs. Burch. The occasion was the birthday of her mother, Mrs. Page. Mrs. Burch served refreshments and Mrs. Page was presented with a gift from the class.

Village Asks State Refund

SEEKS AID ON POST-WAR PLANNING; KERBY QUITS COUNCIL, ADAMSON NAMED

The village council moved to recover a portion of its post-war planning expense when, by resolution, it asked the State Administration board to reimburse the village in the amount of $2,091.03, or 75 percent of the amount spent by Tecumseh on after-the-war engineering plans. The action was taken at a special meeting of the council, last week.

Tecumseh already has engineering plans and specifications for the laying of new sewers, a sewage disposal plant, street extensions, etc., which are being held in readiness for post-war expansion. Under an agreement with the state many months ago, the village is to receive a grant for the work. The total cost was $2,688.05.

The council accepted the resignation of Yale Kerby as a trustee and Mayor J. Floyd Elliott named Geo. H. Adamson to succeed him. Mr. Kerby, owner of Kerby's Hamburger Shop, has leased his business to M. H. Thielan and L. E. Seidel for one year. The Kerby's also have sold their home on W. Chicago boulevard to Capt. and Mrs. Ralph Heiserman. Mr. Kerby and his wife plan to travel for about a year, after a few weeks' visit with relatives in Pontiac.

Lieut. Don K. Carlson Discharged With Honors

SANTA ANA, CALIF.—1st Lt. Donald K. Carlson, son of Mr. and Mrs. Louis A. Carlson, 905 Pleasant St., Oak Park, Ill., formerly of Tecumseh, Mich., has been honorably discharged from the separation base maintained here by the Army Air Forces.

Lt. Carlson is a veteran of 31 months of service in the Army Air Forces. He served in Italy with the 15th AF as a bombadier on B-17s.

The AAF has awarded him the Distinguished Flying Cross, the Air Medal with two clusters, and the European ribbon with five battle stars.

Brigadier General Arthur E. Easterbrook, commanding general of the SAAAB, declared:

"The fact that a man has served honorably with the AAF marks him among the cream of the crop. We think many of tomorrow's leaders will spring from the outstanding young men who have made up the victorious Army Air Forces."

Before entering the service Lt. Carlson was a student at the University of Michigan.

Sgt. Kenneth Will Weds Miss Patsy Ruth Cooper

Miss Patsy Ruth Cooper, daughter of Mr. and Mrs. Victor Cooper of Palos Park, Illinois, and S/Sgt. Kenneth Will, Jr., son of Mr. and Mrs. Keneth Will of Tecumseh, were married Wednesday evening, September 12, at 8 o'clock at the Graham-Taylor Chapel at the University of Chicago. The double ring ceremony was read by the Rev. Reese. The bride's dress was of white satin and had a yoke of white lace, her veil was floor length and she carried an arm bouquet of white roses. Mrs. David McIntosh attended her sister as matron of honor, and wore a light blue floor length taffeta dress with gloves of the same material. She wore a small blusher crowned with yellow gladiolas and her bouquet was of yellow gladiolas. The bridesmaids, the Misses Elda Marcb of Chicago, Nancy Leland, and Betty Johnson of Palos Heights wore dresses fashioned the same as that of the matron of honor, but in shades of rose and green, and their blushers were of the same color as their dresses. They carried yellow gladiolas.

T/Sgt. Stephen Wells of Nashville, Tenn., who came from the South Pacific with the groom, was best man. David McIntosh MM 2/c, William Crooks and Irving Herman of Palos Park, served as ushers.

The reception was held in the Rose Room of the Southmoor Hotel. The groom has just returned from 15 months duty in the South Pacific with the First Marine Airwing.

Mr. and Mrs. Will are visiting his parents here for a short time before he returns to the Marine Air Base at Cherry Point, N. C.

Change Clocks At 12 M. Sunday

VILLAGE, WITH THE REST OF THE STATE, WILL ABANDON EASTERN WAR TIME

Effective at midnight, Sunday, Eastern Standard Time will be the official time in the village of Tecumseh.

Announcement of the time change was made today by Mayor J. Floyd Elliott when he requested that residents set their clocks back one hour Sunday night, in keeping with the uniform time schedule for the state of Michigan. The City of Detroit also will return to the slow time, as will other cities and towns in this area where War Time has been the official time.

Jackson and many cities and towns to the west and north of that place have been operating on Eastern Standard Time throughout the summer and in those instances no change will be made, it has been announced. Upper Peninsula cities and towns, too, have been operating on slow time for many months.

The City of Adrian will set its clocks back at 2 a.m., Sunday morning, it was announced by the mayor there. Adrian had adopted a "slow time" ordinance for the winter months and a "fast time" schedule for the summer, this has been repealed. Whether Adrian or any other sections of the county will return to the so-called "daylight saving time" next summer remains to be seen.

W. L. Berkhof, superintendent of schools here, said today that the public schools would operate on the "slow" time beginning Monday morning.

"We will go along with the village and the rest of the state, of course," Mr. Berkhof said. When the village operated on War Time the school schedule was set ahead for an hour at this season of the year, school calling at 9 a.m., instead of 8:15. This permitted children to go to school in the morning in the daylight. "With clocks being turned back," Berkhof said, "there will be no occasion this year to change the school's schedule of hours and it will be maintained throughout the year."

Legion Auxiliary Will Install Officers, Oct. 1

The American Legion Auxiliary will entertain at a dinner in the Legion rooms Monday, October 1 at 6:30 for the newly elected officers. Mrs. Dorothy Roe, second district president-elect of Ypsilanti, will install the officers.

RUSSELL COLLINS WEDS BALTIMORE, MD., GIRL

Mr. and Mrs. Russell Collins of Macon, announce the marriage of their son, Russell B. Collins SM 2/c, U.S.N., to Miss Evelyn Leigh, of Baltimore, Md. The wedding took place on September 19.

Russell Jr. entered the service on November 28, 1942 and had his training at Great Lakes. He then went to Farragot, Idaho for signal-man training. He was stationed at San Francisco before he went overseas on July 25, 1943; and also spent six months in Cuba and traveled to England, North Africa, Figi Islands and Australia.

Mr. and Mrs. Russell Collins, Jr., expect to visit his parents soon.

TALKS TO ROTARIANS

Capt. John R. Frost of St. Louis, Mo., for 13 months overseas in the European theatre with the paratroops, was the speaker at the regular dinner meeting of the Rotary Club on Tuesday evening at Brees House. He was the guest of Dr. Lewis G. Hodge, with whom he served in the paratroops at Ft. Benning, Ga. Capt. Frost, in civilian life, is a practicing dentist.

The returned officer told many interesting experiences of the paratroops in France and declared that the Army is doing an excellent job of returning the troops from overseas. He believes that the program will be speeded up materially as time goes on.

POSTHUMOUS AWARD

Mrs. Neoma Wilson of Tipton, received the Soldier's Medal, at a public presentation in Detroit, last week. The award was made posthumously to her husband, Sgt. Raynor M. Wilson who was killed in action in France, July 14, 1944.

Raynor was the son of Ralph Wilson also of Tipton.

TO SAIL FOR N. Y.

Mr. Furgason is survived by his wife, Lila, and six daughters, Mrs. Verna Cramer of Prattville, Vivian, Mary, Josephine, Shirley and Ruth at home, three sons, Pfc. Glenn Furgason at Camp Blanding, Fla., Seaman Gaylon Furgason at Great Lakes and John at home. Also, by one brother, Leonard, and his father, Edward, both of Tecumseh.

Tecumseh Loses Opener To Milan

WILL MEET HUDSON HERE FRIDAY EVENING IN FIRST LEAGUE GAME OF SEASON

By Jim Sisson

In their opening grid game of the '45 season, the Tecumseh High School Indians bowed to the Milan eleven in a hard fought game on their home field at Recreation Center, Friday evening. Even though Milan is not in the county league, it was an especially tough contest to drop. Tecumseh had the game almost in the bag 'till the last play in official time when Milan passed for their second and winning touchdown. The game ended 13-7 in favor of the visitors.

The Braves managed to hold the score to 0-0 through the first stanza but early in the second period an opponent back sped 51 yards for Milan's' first touchdown. The conversion attempt failed and the Redskins trailed 6-0.

Seemingly refreshed after the half, the Teepee Boys resumed the struggle with atomic vigor. After a pass from Murdoch to Hayden for 32 yards, fullback Dermont Poley handled the ball on successive line plunges 'till he shoved it over the goal. Co-Capt. Bab Baker then drove through for the extra point to place the Orange and Black in the lead 7-6.

The pigskin was then handled by both squads with neither able to score until the final two seconds when Milan passed 22 yards for the winning margin. The conversion was good this time to leave the final score Tecumseh 7, Milan 13.

Although each team registered six first downs, the Indians were outgained in field running and passing; but the Milan eleven was penalized 60 yards to Tecumseh's 10. Quarterback John Murdoch received the passing yardage for the Braves while Poley and Baker were the chief ground gainers.

Tomorrow (Friday) evening at 8:15 the Indians will meet the Hudson high team under the lights at Recreation Center for the first of the county league games. It will be Hudson's first attempt in the league, too, and a battle royal is expected.

The Tecumseh-Milan game attracted a crowd estimated at nearly 1,000. The crowd for tomorrow's game is likely to be larger.

PEARSON TO PREACH AT ST. PETER'S CHURCH

The Rev. Lawrence Pearson of Ann Arbor will conduct the 11:15 a.m. service of morning prayer and preach at St. Peter's Episcopal church on Sunday. The Rev. Pearson is protestant chaplain and director of the newly formed Institute of Pastoral Care at the University Hospital. He formerly taught in Japan and the Philippine Islands.

The Rev. John R. Scarlett, rector of St. Peter's, will be at Sand Lake on Sunday conducting a retreat for St. Peter's vestry.

The usual 8 a.m. holy communion will not be celebrated on this Sunday.

CALL FOR YOUR MAIL

Milburn Brooks, mail carrier at the postoffice, will be on vacation from October 1 to 13, and because P. A. Bowen, postmaster, has been unable to secure a substitute, he is requesting that residents on the east side of the village, call at the general delivery window for their mail during that period. The business district delivery will be made as usual.

BUYS FOLK BUILDING

Geo. H. Adamson has announced the purchase of the building owned by Bert Folk on N. Evans street, immediately south of the Seitz Plumbing Shop. The building is being remodeled and a new front is being installed.

BARACA CLASS

The Baraca Class of the Baptist Sunday school will meet Friday evening at the church for their regular class meeting instead of tonight (Thursday) as planned.

Sunday Likely To Be Gasless

FILLING STATIONS RUNNING LOW, SOME ARE OUT OF FUEL ENTIRELY

If you have gasoline in your car, use it with care.

That seemed to be the sensible warning today as many local gasoline filling stations began rationing five gallons or less of the fuel to a customer, while other stations reported that they were out of gas entirely, and that prospects for a "refill" were in doubt.

The trouble is the strike of truck drivers for the large refineries.

Two or three local filling stations reported yesterday that they were entirely out of gasoline and that prospects were not bright for any more supplies until something happened to change the strike picture. Almost every other station said that stocks were dwindling rapidly. They are using every precaution to make existing supplies go as far as possible. Some stations are selling $1 worth to a customer, others five gallons is the maximum.

Wade L. Jones, village clerk, said that the local government had taken steps to assure a supply of fuel for fire trucks, police cars, and other essential vehicles. He said that a sufficient amount of gasoline had been tied up for these purposes to run the village about a month.

The strike is very keenly felt in Detroit, Toledo and other metropolitan areas and both essential driving and deliveries have been curtailed to a minimum. In Detroit, doctors, nurses, morticians and others have been assured gasoline for needed driving.

From all parts of Lenawee county, gas stocks were reported to be dwindling and the prospects are, unless the strike picture changes, that traffic on the highways Sunday will be reduced to a minimum.

MRS. LOUIS PRICE DIES IN U. OF M. HOSPITAL

Funeral services were held Saturday in Blissfield for Mrs. Louis Price, aged 37 years, of Britton, who died in the University hospital at Ann Arbor, after an extended illness. She is survived by her husband, two sons Lynford and Gerald, two daughters, Donna and Dorothy, all at home, her parents, Mr. and Mrs. Henry Meyer of Okalona, Ohio, three brothers and four sisters. Mrs. Price was a member of St. Paul's Lutheran church.

BIRTHDAYS HONORED BY BAPTIST CLASSES

The World Wide Guild and the True Blue class of the Baptist Sunday School met Monday evening at the home of Priscilla Sisson. Jennie Bird was in charge of devotions and program. It was decided to pack an overseas Christmas box and the group will meet at the home of Mrs. Mrytle Gillespie Monday, October 8, for the summer Christmas party. Later refreshments were served by the hostess and the birthdays of Kathleen Powell and Priscilla Sisson were recognized by a gift and cake for each.

POTLUCK DINNER TO OPEN NEW CLASS ROOM

The Reliable Class of the Methodist church has redecorated its class room and is having a formal opening Sunday after the morning church service. The congregation is invited to attend the potluck dinner which will be served at noon; each family bringing their own table service, sandwiches, a dish to pass, and sugar. Desert and coffee will be furnished.

GARDEN CLUB MEETS

The Garden Club was entertained Friday afternoon in the home of Mrs. C. C. Ruppel with Miss Agnes McWilliams and Mrs. George Green as assistant hostesses. Each member took a flower arrangement to be judged and criticized by Mrs. Bert Ousterhout, who made suggestions as to types of vases to be used for different flowers and color combinations. Refreshments were served by the hostesses.

MUSIC CLUB MEETS

The Music Club met Tuesday evening with Mrs. W. G. Waldron for its first meeting of the season. A short business meeting preceded an Ethelbert Nevin program. Mrs. R. S. Moore gave the life of Ethelbert Nevin and then a musical program followed.

Refreshments were served by the hostess, assisted by Mrs. John A. Wilson.

O. E. S. POTLUCK

The Past Matrons of the Order of Eastern Star will hold a potluck at the home of Mrs. Fred Dickinson, Friday evening at 6:30.

WORLD WAR NO. 3

There are those who already are discussing the possibility of World War No. 3. Should it come, what will happen.

The casualty figures released by the British Commonwealth Empire recently should furnish food for thought. British casualties amounted to 1,427,643 killed, wounded, missing or prisoner of war. These figures included 522,233 dead or missing. Civilian casualties totaled 60,585 killed and 86,175 wounded.

Remember, these figures were released before the atomic bomb. Had Germany been able to use the bomb, London would have been a barren waste and New York a city of skelton skyscrapers.

The agencies of destruction prefected in World War No. 2, to turn loose upon the world, indicate that if another war is permitted, it will be the civilian populations that are wiped out.

It is no worse for a civilian to be killed or wounded in war than for a soldier; death is as final for either. But it brings war closer to home to the people and impresses on them the fact that they are responsible for government, its officials and its policies.

Therefore, it is up to the people themselves to prevent such a catastrophe. Prevention should not start in laboratories and industrial plants in the U. S. It should start at the ballot box, through the election of men who put salesmanship above personal greed.

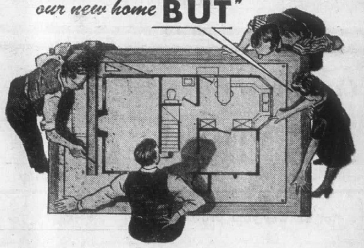
"Gentlemen I like your plans for our new home BUT"


. . ."I'm concerned most about the welfare of my family. I want comfort, convenience and economy *built into* my home. It must include a modern, labor-saving, time-saving electric kitchen; a laundry that is light, airy and equipped with an electric ironer, clothes dryer and water heater. For greater comfort it will include better light for better sight, germicidal lamps in the bedrooms and bath and, if possible, an electric air conditioner.

"Of course, there will be ample electric outlets in every room to allow for the many new electric appliances that will be on the market soon that will cut hours of work and drudgery from my daily routine. Without these modern aids to better living, a home, it seems to me, is nothing more than a shell or a place that is commonly referred to as a roof over your head. So far as I am concerned there can be no real happiness without these health-saving, time-saving, inexpensive electric aids to better, happier living."

Roddy Says. "If you plan to build or remodel, provide adequate wiring and plenty of convenient outlets. Your new home will be only as modern as its electrical wiring."

Cramping The Souls

Too Much Emphasis Upon the Material World Means the Cramping of the Soul

The man who has to have cream for his coffee cannot travel where cream is not to be had.

The woman who has to have social honors cannot enter into fields of activity that her social set does not approve. The man who is a member of the Chamber of Commerce and anxious for such honors as that organization may offer will find himself curtailed as to his opinions on economic subjects.

The man who is a member of the labor union and chiefly anxious for office, will find it quite necessary to shackle his speech on certain occasions when something in him clamors to break loose.

The preacher who cannot be happy without ecclesiastical preferments, will find it impossible to journey where his logic and his own experience of spiritual reality would lead him.

There is no freedom for the man who is afraid for his job or his office, for his honors or his friendships or even of persecution or death.

A man may go on through the world doing a lot of nice things that need no renunciation, but unless he is crucified and dead to the world's scorn and abuse, he will never render the service he ought and for which in after years, the world will be glad.

"If you were brave, if you were kind, if you had faith sufficient,
If you believed the things you say,
and died to make them true,
I should not need to come again
returning and returning
Through all the lonely centuries
and Golgothas for you."

Young Lives Are On Their Way To School

- DRIVE SLOWLY
- DRIVE CAREFULLY
- STOP AT ALL CROSSINGS

Once again thousands of bright-eyed kiddies are jaunting merrily over streets and highways on their way to school. Yes, thousands of Johnnies and Marys are in your hands, Mr. Car Driver. Laughing, joking, playing games, they should—forgetting most of the pedestrian safety rules they have been taught. It's up to us "at the wheel" to watch out for them. So let caution be the watchword. Keep your car under control. Keep always on the alert! Drive slowly and carefully. Only by doing this can you avoid tragedy. Don't be responsible for some parent's heartbreak because of your carelessness.

And then there's our special job and the job of the parents—jobs that are just as important to life's safety as traffic control.

The parent's job is proper nourishment of these young children; seeing to it that they get just the right kind of food to make them healthy and strong.

It's our job to furnish this quality food to the parents, at proper prices. That job we have been doing for many, many years—in fact we are now serving the second generation.

If you are not one of our customers, we invite you to join our "family." We sell only quality foods, produce and meats. Always feel free to visit our store or send the children, if you are too busy.

Overcoat Weather is not Too Far Away!

Perhaps you've noticed, too, that the chill of winter is in the evening air, that overcoat weather is just around the proverbial corner.

Is your overcoat ready? Did you have it dry cleaned and pressed last Spring before you hung it away? How about the children's clothing?

If you haven't already checked up on these important things, DO IT NOW! Don't delay longer!

One of these mornings soon it will be time for overcoats for every member of the family. Be sure that yours is ready by sending it to us for proper cleaning and pressing.

OF 80 ACRES
Tuesday, Oct. 2, at 2 p. m.

A Farm Home! Palatial & Superb

CONSISTING OF 80 ACRES of Practically level (sloping gently to south) black silt loam soil, well drained and specially adapted to general crop, corn, alfalfa, potatoes, soy-beans and grain farming (can't plant it wrong). Land all tillable except about 8 acre wood-lot (some good marketable timber) Basswood, Elm, Ash and Maple; is known as the Old Swartz farm, always a leader for production.

This is one of the best and most productive farms in Adrian Township, located 7 MILES NORTHWEST of ADRIAN, MICHIGAN on the TIPTON ROAD, and being 3 miles south of Tipton; 8 miles southeast from Onstead and 9 miles west from Tecumseh, Michigan.

A beautiful home and select farm; improvements consist of a 2 story frame house, very nice basement in 3 parts, 5 rooms down and 3 up, pantry and plenty of closets, splendid hot-air furnace, large 100 barrel cistern, fine porches, is amidst setting of fine maples, nice lawn, flowers and shrubbery.

Barn is 36x60, hip roof with shed 18x36, granary inside, all concrete floors. Good buildings for corn and grain storage, 2 story and separate from barn; poultry house; garage; graveled drive.

Ten minutes drive to county seat (Adrian), daily markets, industrial advantages. Be sure to make personal inspection here before buying and be on time day of sale. Because of failing health of Mr. Burkholder, they are reluctantly selling this fine farm and home—hence your opportunity.

TERMS OF SALE: are 25% cash day of sale, and balance to be paid in cash on or before March 1st, 1946, possibly sooner if required, when possession, warranty deed and abstract of title is given.

THE TECUMSEH HERALD

NINETY-SIXTH YEAR—NUMBER ONE | TECUMSEH, MICHIGAN, THURSDAY, OCTOBER 4, 1945 | FIVE CENTS PER COPY

Fund Drive To Begin October 8

MRS. ROBERT H. MOORE NAMED CHAIRMAN OF $5,000 LOCAL CAMPAIGN

Mrs. Robert H. Moore has been named as chairman of the Tecumseh Community Fund Campaign and the active drive to raise $5,000 during the month of October for this village's Fund needs during the year 1945-46 will begin next Monday, October 8, John R. Thompson, president of the organization, announced today.

Of the $5,000 to be raised in Tecumseh, Mr. Thompson said, all of the money except $770 will be kept in Tecumseh for local needs. The $770 amount represents Tecumseh's share of the county quota of the Lenawee County Patriotic League. A check for this amount will be forwarded to the League offices in Adrian as soon as the drive is ended.

"We will not operate a separate campaign this year for the League because it will not be necessary," Mr. Thompson said. "We believe it best to operate the Fund Campaign and the League Campaign simultaneously and when the drive is over we will simply give the League a check for its quota and retain the rest of the money for Tecumseh's own needs."

Sharing in the local Fund are such organizations as the Boy and Girl Scouts, the Camp Fire Girls, the Child Study club and the Tecumseh Recreation Center, which annually, each summer, sponsors a summer playground program for both adults and youth. Money raised in addition to what may be needed to meet the demands of the several participating organizations will be kept in the Fund's treasury and used to meet emergency welfare conditions as they arise.

It is expected that Mrs. Moore will meet with committees this week and outline the program that will be used next week when the active campaign to raise funds begins. The program probably will follow closely the style used by the League and the Red Cross in previous drives.

"We want to make this drive brief and very active," Mr. Thompson said. "Our quota this year is smaller than it was a year ago when we raised money for the League alone and the local Fund was not included. I believe that we will be successful in the campaign, because everyone realizes the need for money to operate the worthwhile local organizations."

Baptist Rally Day To Be Observed, Sunday

Rally Day will be observed on Sunday, October 7, at the Baptist church.

After the regular morning service a cooperative dinner will be held in the church parlors. The young people will serve and each family is asked to bring their own table service and sugar. At 1:30 the Rev. Fitch of the Brotherhood Tabernacle in Adrian will speak. Rev. and Mrs. Fitch will also sing some special numbers. The public is invited to attend.

PRESBYTERIAN LEAGUE

The Presbyterian League met Tuesday evening at the home of Mrs. Wade Hendershot, with Mrs. Harold Wilson and Mrs. Mervyn Boltz as assistant hostesses. Mrs. W. L. Berkhof led the devotions and Miss Marie Koernig had charge of the program on Missions. The hostesses served refreshments. The next meeting will be held October 16, with Mrs. John Saling.

P.T.A. BOX SOCIAL

The Culbertson P.T.A. will hold a box social tomorrow (Friday) evening, at the school house. Mr. and Mrs. Francis Stone and Mr. and Mrs. Ellsworth Robison will be hostesses. Mr. and Mrs. Irving Boltz and Mrs. John Brooks, teacher, are to have charge of the program. Coffee will be served by the committee.

FELLOWSHIP CLUB MEETS

The Baptist Fellowship Group met Sunday evening at the church with Kathleen Powell in charge. The group visited Mrs. Carrie Bryan, who is confined to her bed, in the home of Mr. and Mrs. Floyd Bryan. They held a short devotional service there. Later the group went to the home of Rev. and Mrs. B. O. Bashore where refreshments were served.

Tecumseh Is "Attacked" And "Defended" By Troops

Simulating warfare, Michigan State Troops, two companies of them from Adrian, Monday evening staged an attack and defense program in downtown Tecumseh that, in many ways, must have resembled similar scenes in Europe.

One of the companies made an "attack" upon the town shortly before 9 o'clock by throwing up a smoke screen in two or three sections of the downtown area, halting cars and firing sub-machine guns, pistols, rifles, etc., much to the surprise of pedestrians and motorists. The second company soon came to the defense of the town, driving the invaders out.

Of course, it was all prearranged. Mayor J. Floyd Elliott had given the troops permission to play the game, which lasted less than 30 minutes. The only folk surprised were those who were in the downtown area when the sham battle took place.

W. E. Wilson, 82, Dies At Gaylord

FORMER LOCAL RESIDENT SUFFERS PARALYTIC STROKE; FUNERAL YESTERDAY

William E. Wilson passed away in his home at Gaylord, Michigan, Monday morning at 1 o'clock at the age of 82 years. He had been in failing health for the past two years, but death followed a stroke of paralysis which he suffered about a month ago and from which he never recovered.

Mr. Wilson was born at Holloway, August 20, 1864, and had been a farmer the most of his life, retiring thirteen years ago, when he moved to Gaylord and was engaged in tourist business with his son, Leon S. Wilson.

He was a life member of the Masonic Lodge, No. 69, and also of the O. E. S., at Gaylord.

He is survived by his wife, Jennie, and two sons, Loen of Gaylord and George S., of Tecumseh. Three grandchildren and two great grandchildren.

The funeral services were held yesterday afternoon at 4:30 in the Collins Funeral Home with Rev. Alvin Brazee officiating. Burial was in the family lot in Ridgeway

Monday Club Holds First Meeting Of Year

The opening meeting of the Tecumseh Monday Club was held Monday at the home of Mrs. Mertie Waring, with a potluck luncheon served at noon. Sunshine Day was observed with Mrs. Geo. Green as chairman. Red Cross sewing was done and nine shirts were completed.

Mrs. Fay Whelan, who is beginning her second year as president of the club, presided at the business meeting. The next meeting will be held October 15, at the home of Mrs. Earl Woods at Wamplers Lake, with Mrs. Truman Rentschler as chairman. The subject will be the San Francisco conference.

HOSPITAL AUXILIARY

The Hospital Auxiliary will meet Tuesday evening, October 9, at the home of Mrs. J. Mulvaney at 8 o'clock.

O. E. S. WILL ELECT

The O. E. S. will meet tonight (Thursday) for annual election of officers. This year's officers are to meet at 7:30 in the hall to have their pictures taken. The traveling garment has not been turned in yet and the money which is to be used for the Ida-Hubbard fund should be turned in at this meet-

COUNCIL MEETS

The regular monthly meeting of the village council was held Monday evening. Except for current bills, reports of department heads and chairmen of committees, there was but little other business. A new sidewalk was ordered laid on the east side of Adrian street, between Chicago boulevard and Pottawatamie street, and an easement across land owned by Wm. Barnes, for the purpose of laying sewer pipe, was taken at a cost of $100.

R. N. A. CONVENTION

Royal Neighbors tri-county convention will be held in Ypsilanti on Thursday, October 11. All members planning to attend are to meet at Mrs. Harry Tuckey's home at 8:45.

Mr. and Mrs. Edward Miller Observe 50th Anniversary

MACON COUPLE HOLD OPEN HOUSE IN OBSERVANCE OF WEDDING DATE

Mr. and Mrs. Edward Miller entertained at a family dinner and open house, Sunday, September 30, in the home of Miss Addie Crittenden, sister of Mrs. Miller as hostess, observing their 50th wedding anniversary.

The dining room was made cheerful with candle lights and a four tier wedding cake topped by a golden bell, and with the gifts were beautiful bouquets and baskets of flowers furnissed by friends and neighbors and a gorgeous basket of flowers given by the Ford Martha and Mary chapel.

Among the 102 guests from Indianapolis, Detroit, Clinton, Brooklyn, Tecumseh, Saline, St. Louis, Manitou Beach, Ypsilanti Ann Arbor and Plymouth were two couples who had passed the 50th year anniversary Mr. and Mrs. Revilo Sage and Mr. and Mrs. Percy Morgan.

September 19, 1895, Edward Miller and Miss Nettie Crittenden were married at the home of the bride in Saline township. The couple have always been very active in church work and are members of the Methodist church here.

To them three children have been born, two sons, Howard of Indianapolis and Russell of Detroit, and one daughter, Mrs. H. C. Briggs of Detroit; there are six grandchildren and one great grand son, four generations, all present except Corporal Harold Briggs, in the army and grandaughter, Mrs. Horace Rikin of Flint.

The following program was given: Wedding March by Bruce Briggs of Detroit; "O Promise Me," sung by Mrs. Howard Miller of Indianapolis; piano selection by three grandchildren, Dick, Don, David Miller of Detroit; vocal selections, by Mrs. Dow Bibby of Tecumseh; reading by Mrs. Wm. Briggs of Detroit; piano solo, by Mrs. Ralph Halladay of Macon. The program closed by all singing "Auld Lang Syne." Bruce Briggs, accompanist, followed by lunch, music and visiting.

PRESENTS PUPILS IN A PIANO RECITAL

Mrs. Margaretta Brisbin presented her piano pupils in a recital Saturday evening at 8 o'clock in the Presbyterian church parlors. Those taking part were, Mary Jane Dermyer, Lorissa Peotter, Wanita Cleveland, Joyce Gray, Jason Woodcox, Barbrna Hall, Robert Murdoch, Joanne Pfaus, Owen Campbell, Joan Lewis, Duane Haight, Nancy Wilson, Nita Spangler, Jeannette Ehinger, Pauline Bagshaw, Margaret Lanning, Vivian Clark, Marlon Gilman, Lois Clark, Lenore Mohr, Joe Springer, Martha Jane Kempf and Margaret Lanning.

W. S. C. S. TO MEET

The W. S. C. S. will meet October 10 with Mrs. Hammond Ford. Mrs. Guy Belding will conduct the devotionals. The topic for discussion will be "Women in the Working World," led by Mrs. Truman Rentschler. Roll call will be answered by giving names of famous women.

Potluck supper is to be served at 6 o'clock with the men of the church as guests. Anyone desiring transportation is to call Miss Snedicor or Mrs. Green.

CHILD STUDY CLUB

The October meeting of the Child Study club will be held October 8, with Mrs. Marian Tucker. The co-hostesses will be Lelah Oliphant and Beulah McCombs. The subject of the program will be, "Home and School Co-Operation" with W. L. Berkhof giving the teachers' viewpoint.

NEIGHBORHOOD CLUB

The Comfort Neighborhood Club will meet Thursday, October 11, with Mrs. Harold McNair. A co-operative dinner will be served at noon. The afternoon will be spent packing boxes for boys overseas.

All-Girl Symphony To Present Concert Here

Bohumir Kryl and his all-girl symphony orchestra of Chicago will present a concert on Saturday afternoon, October 13, at 2:30 o'clock in the auditorium of the Tecumseh High School, it was announced today by the Tecumseh Band Parents Club, under whose auspices the concert is being given.

Mr. Kryl, well-known Czech conductor, toured the United States for 38 years prior to 1942 with his symphony band. When Uncle Sam called many of the personnel to the colors, Mr. Kryl began the organization of an all-girl symphony, which at once became a sensation.

The all-girl symphony has recently completed a tour of army camps, as well as appearances at scores of colleges. The reception given to the orchestra has been enthusiastic and spontaneous.

Several outstanding soloists will be presented by the director during the local program, it was announced.

THREE LOCAL FLYERS GET PILOT LICENSES

Robert Miller, Frank Robinette, both residents of Tecumseh, and Hugh Hoyt of Clinton were awarded private pilot licenses Sunday by Flight Examiner Elwyn Alder. The flight tests were made from the Tecumseh airport in a two-place monoplane. They are the first in the county to receive their licenses under the new government ruling, whereby examinations may be given from local airports.

DIES IN ANN ARBOR

The body of Miss Katherine M. Smith, sister of Mrs. Carrie Tate and Miss Elizabeth Smith of Clinton, was brought to Clinton Monday morning for burial. Miss Smith died in Ann Arbor at the home of another sister, Mrs. Anna Oakes.

The first real frost of the season occurred Tuesday night with the temperature dropping to the 30 mark. In some instances, farmers reported that water in chicken dishes was frozen.

Says Prisoners Pay Their Way

ARMY CAPTAIN DEFENDS AMERICA'S POLICY OF POW CAMP OPERATION

Prisoners of war in America, despite some commentators' charges to the contrary, are paying their way financially and the fruit of their labors mean the saving of millions of dollars worth of foodstuffs for the nation's tables, Capt. Richard Beamont, commander of the Blissfield Prisoner of War Camp, (German), declared when he addressed the regular dinner meeting of the Tecumseh Rotary Club, Tuesday evening at Brees House.

"I am not trying to sell you men a bill of goods," Capt. Beamont declared. "I am just giving you facts and figures. I believe that the American Army's treatment of its prisoners has been fair and I believe that it has paid dividends in many ways."

Prisoners of war, he said, have returned to the U. S. treasury more than $100,000 in cash as a result of their work. They are paid the going wage for whatever work they do. They receive no actual cash for their labor, only "camp money" which is good only in the POW canteen. This "money" is issued to the amount of 80 cents for every day's work, and the difference between the 80 cents and what they are paid by the civilian employer goes into the treasury. In the canteen, he said, there is nothing offered for sale that is rationed to citizens. Further, he declared that POW's are never worked in competition with free labor.

"The hundred million dollars that the prisoners have returned to the treasury through work is only half the picture," the officer said. "The foodstuffs that they saved and process as the result of their work has another $100,000,000 value. Many food processing companies that I could name would have been forced to close had not POW's processed would have been wasted for use on American tables."

As a result of the fair but stern treatment accorded the prisoners, the captain said, Americans captured by the Germans during the war benefited. All Germany knows how fairly their men were handled in America, he said, and it paid dividends when Yanks were captured.

Recently, at the Blissfield camp, prisoners have been picking tomatoes. Free labor was not available, even though it was possible for men to earn $14 daily. Untold thousands of bushels of tomatoes have been harvested in this manner that otherwise would have rotted, he said.

Escapes from POW camps have been less than from federal prisons, the captain declared.

"It's my job to try to sell these prisoners on American democracy so that when they return to their homeland after the duration they can spread the gospel of freedom. I believe that the men are catching the spirit of democracy. If we can sell them on the American way of life we may be able to avert a third world war. And remember," he concluded, "these very men are the possible seeds for a third war, should one come."

BRIDE-TO-BE HONORED AT TWO SHOWERS HERE

Mrs. Carl Thompson and Mrs. Russell Thurlby, Sr., entertained twenty young women in the former's home Friday evening at a bridal shower honoring Miss Eleanor D. Jones whose marriage to Cleve L. Horine, of Bloomington, Ill., will be an event of October 19.

A desert luncheon was served, after which games were played. Prizes were won by Mrs. Neil Jones, Miss Mertie Kempf and Ruth Leighton, who in turn presented them to the bride-to-be.

The same hostesses entertained thirty ladies at an afternoon tea Saturday in the Thurlby home for Miss Jones. The honored guest received many lovely gifts at each party.

FIRE PREVENTION WEEK

The week of October 7 to 13, has been proclaimed as National Fire Prevention Week by Gov. Harry Kelly. He urged "every patriotic citizen and public authority to emphasize the grave dangers attendant upon uncontrolled fire in the home, on the farm and in industry and business; and he directed appropriate agencies of the state to cooperate in these objectives."

The official proclamation has been received here by Mayor J. Floyd Elliott.

FELLOWSHIP SUPPER

There is to be a Fellowship supper at the Presbyterian church, Wednesday, October 10 at 6:30. Everyone interested in the church is cordially invited to attend.

New Class Room Is Dedicated By Methodists

The Reliable Class of the Methodist church had a formal opening of their newly re-decorated Sunday School room, Sunday, September 30. A potluck dinner was served following the morning services to 80 members and guests. Mr. and Mrs. S. L. Wyman of Ann Arbor and Mrs. Floyd Smith of Adrian were the out of town guests.

After dinner a program was given as follows: Mrs. Ellsworth Collins gave the welcome; Wilfred Waldron gave the history of the church; a piano duet was played by Winona and Joyce Waldron; Mrs. Wyman gave two readings; Dr. Truman Rentschler told briefly of the work that had been done to re-model and decorate the class room, and Mrs. Kenton Hunt ended the program by playing a piano solo.

Indians Lose To Hudson, 6-0

STORM-SOAKED FIELD MAKES PLAY DIFFICULT; TO MEET ADRIAN, FRIDAY

By Jim Sisson

The second football game of the season for Tecumseh high school ended in another loss for the Indians as the Hudson high Tigers squeezed out a 6-0 victory, under the lights at Recreation Center, Friday evening. This being the first league contest for both squads, each was out driving for a win in the pouring rain, which made running and ball-handling very difficult.

Few spectators braved the storm to sit on the drenched bleachers while others looked on from cars parked on the bank of the Tecumseh Recreation field. Neither team jumped to any great advantage in the whole first half, although the Indians were slowly pushing back Hudson on several well placed punts by Dermont Poley, Tecumseh fullback.

The second half showed no change in the weather as the two opposing elevens shushed out to resume play. The third stanza showed the Braves plunging towards the Tiger goal but the drive came to a halt when the ball was fumbled and a first down was not gained.

After switching ends of the field for the final period, Tecumseh held the ball again. In a desperate effort to beat out a tie ball game the Teepee Boys turned from running to several passes. The break for Hudson came as in most ball games some team receives an unexpected opening. Hazen, Tiger quarterback, intercepted a pass from Poley which was intended for Ted Sisson, Indian end, but slipped due to the driving rain. With a wide open field before him Hazen sped the 55 yards for the only score. The conversion kick failed, and Hudson led throughout the final minutes, 6-0.

Tomorrow, the Indians travel to Adrian to play the class B team at the Island Park for more non-league competition. The Maple Leaf eleven's record displays a loss to Albion in their opener in a close contest, 7-6. Last Friday, playing Sylvania in the rain, Adrian came out on top 14-0. These contests not only point out that Adrian has speed but plenty of power, too, which will prove to be another tough encounter for the Indians.

Wm. LaBounty Is Buried Here

WELL-KNOWN TECUMSEH TOWNSHIP FARMER SUCCUMBS AT AGE OF 84 YEARS

William La Bounty, aged 64 years, died Sunday morning at 10:30 in his home southeast of town. He had been in failing health for the last three months. He had been a farmer in Tecumseh township for the past 50 years.

Mr. La Bounty was born September 21, 1861 at Metamora, Ohio, and with his wife they celebrated their golden wedding April 2, 1945.

Survivors are the widow, one son, Ted La Bounty of Tecumseh, and one daughter, Mrs. Clifford Graham of Monroe. Six grandchildren and three great grandchildren. Two sons, Cassius and Earl, preceded him in death.

The funral services were held Wednesday afternoon at 2:30 at the Collins Funeral Home with Rev. James C. Murdoch officiating. Burial was in Brookside cemetery.

HAPPY HOME BUILDERS

The Happy Home Builders class of the Baptist church will meet at the home of Mr. and Mrs. Lewellyn Sisson, Thursday evening, with a potluck supper at 6 o'clock.

Blood Bank To Visit Tecumseh

DATES SET ARE OCT. 18-19 IN TECUMSEH; IS ENTIRELY LOCAL PROJECT

A blood donor clinic, for the benefit of the Lenawee County hospitals, will be held October 18 to 19 at the Methodist Episcopal Church in Tecumseh. October 15 to 17 the clinic will be in Adrian.

Under the auspices of the Red Cross, in cooperation with the Michigan Department of Health, this service is for the purpose of replenishing the local supply of blood plasma.

The vital importance of this Blood Bank should be obvious to every citizen—many lives have been saved by its use and many more will be in the future. Families who have already benefited should be especially eager to do their part.

All blood donated is processed by the Department of Health and returned to Lenawee county.

Those who wish to have a part in the worthwhile public service should register for the Tecumseh clinic by telephoning to Tecumseh Hospital and leaving their name and address. They will be advised as to the time to report. In Adrian, registrations are taken at the Red Cross Chapter House, N. Broad street. The blood bank will first visit Adrian, the dates there being October 15 through 17.

Miss Gertrude Spaulding, superintendent of Tecumseh hospital, said today that two-thirds of all of the blood given in Lenawee county during the past year and made into plasma had been used in Tecumseh hospital.

"It is used, of course, only in emergency cases, but I am positive that it saved more than one life right here in Tecumseh," Miss Spaulding declared.

Last year, when the clinic visited Tecumseh, 125 persons responded to the call as blood donors.

"Put a pint in the Blood Bank, you may need it later," is the slogan.

At present the civilian plasma program is supplying all plasma needed by 133 hospitals serving 75 Michigan counties, according to Dr. William DeKleine, commissioner of health. The Michigan Department of Health Laboratories are distributing over 900 units of plasma per month for use in the treatment of about 400 patients a month. This plasma is free to any physician in the state for any patient who needs it.

During the fiscal year ending June 30, 1945, there were 54 units of plasma sent to Lenawee county. During the same period 21 patients were treated with plasma.

Since the program opened in September 1943, more than 27,000 persons in the state have registered at the clinics to donate one pint of blood.

"Donating blood for plasma is like taking out life insurance," the commissioner stated. "The donor has the assurance that in any emergency plasma is available free for him or his family."

For the procurement of blood the Michigan Department of Health operates a mobile clinic with facilities for handling from 80 to 120 volunteer blood donors a day. At the end of each day the blood is brought to Lansing where it is processed into plasma at the Bureau of Laboratories.

Booster Night Program Is Enjoyed By Grange

The Tecumseh Grange held a booster meeting Thursday in their hall, with a potluck supper preceding the program. A letter was read by Ernest Harris from the national master, Albert C. Goss, and the following program was given:

Reading, by Eleanor Cadmus; vocal duet by Glenn Driscoll and Ray Waters with Mrs. Waters accompanying them. A play, "Aunt Betty at the Ration Board," given by Mrs. Clarence Hunt, Mrs. Wm. Grigg and Eleanor Cadmus; remarks were given by the Rev. Blair O. Bashore; songs by the K. of P. quartet; remarks by James Marr of the Pomona Grange Master; vocal solo by Mrs. Robert Gillespie, accompanied by Mrs. Grigg, and a talk by Mr. Beal of Britton.

The rest of the evening was spent in dancing, music was furnished by the Driscolls. The next meeting has been postponed until October 18, because of the Pomona Grange meeting at Fruit Ridge.

A PATRONAGE LAW

Politicians at Lansing have just enacted another patronage law—something that will enable them to give their friends a few more sugar plums—at the expense of the aviation industry.

The new code, known as Public Act No. 327 of the Public Acts of 1945, provides among other things:

The yearly registration of airmen's certificates for a fee.

The yearly registration and regulation of commercial flying, for a fee.

Yearly registration of airport managers, for a fee.

Yearly registration of airports, landing fields and aviation facilities, for a fee.

Police powers to "patronage employees" for free access to planes and hangers, and the right to ground planes, close airports, etc., without hearing. The only redress is an appeal through the courts.

Aviation enthusiasts, many of whom believe that flying machines after World War II will play an important part in the reconstruction program, look upon the law as a direct slap at the entire Michigan industry.

At the present, the industry is controlled by federal law. The state law requires many duplications of reports, etc., and in addition, the payment of fees if pilots and airports are to continue to operate.

Obviously, the law was enacted to furnish the state another source of revenue or, shall we say, it furnishes the solons a greater opportunity for the employment of their friends.

Certainly, the law was drafted without a thought as to the future of Michigan aviation which, instead of receiving a kick in the pants, is entitled to some genuine cooperation on the part of the law-making body.

"Michigan and the Old Northwest"—Glaciers & Mastodons

Our story starts over a million years ago when the climate turned cold.

Covering Michigan, the great ice sheet extended to the Ohio and Mississippi.

Warmer weather caused the ice sheet to recede. At its base mastodons roamed.

Michigan's discoveries include tusks and bones found near Cass City.

Nip Prisoners Fear Filipinos

MOST OF THEM GLAD TO BE TAKEN BY AMERICANS, PUFFER WRITES FOLKS

American soldiers on Luzon do not have to worry about the escape of their Nip prisoners, St. Sgt. Warren Puffer, who is stationed there, told his parents, Mr. and Mrs. Ray Puffer, in a letter written on September 7 and just received. "They (the Nips) are glad to be here alive," the sergeant writes, "but you have to watch the Filipinos very closely, they would like to get in and kill all of them.

The sergeant's letter follows in part:

San Jose Nueva Ecya
Luzon P. I.

"I received your letters of August 23 and 26 which was the first mail I have received in several days so it is very welcome.

You probably have already heard that censureship has been lifted and we are now allowed to write just about what we please. You can see from the above where we are. It is a small town about 100 miles north of Manila.

"There is not much left of the town as it was bombed and shelled until there is nothing left. Our camp is about three or four miles outside the town in a pretty good area except when it rains it is awful muddy.

"At present we are transporting prisoners from here to the big prison at Manila. They are brought out of the mountains to our camp here where we question them and process them, then they are sent on to the prisoncamp at Manila. At first it was interesting work but that soon wore off and now it is just routine. One thing we do not have to worry about the Nips trying to escape. They are very glad to be here alive. You have to watch the Filipinos very closely as they would like to get in and kill all of them.

"Nips, for the most part, are a ragged, half-starved, insensible lot and filthy beyond description, the odor from them is terrific, and its no pleasure to be around them.

"It's really surprising the number of them that can speak good English and have lived in the States and are graduates of numerous universities.

"As you know we were in this campaign from the beginning to the end. We landed at Lengoyen Gulf on D-10, came north through San Jose, Belete Pass and the Cayagian Valley. As you have read, the toughest point was Belete Pass and it really was. The Nips paid a very high price for that pass and we paid our price also. There is a lot of American boys who lost their lives there. McArthur says it was one of the most bitterly fought campaigns in American history. The Nips were well dug in and had tunnels running through the mountains so it was a tough job getting them out. Once we got through it was fairly easy going through the Cayagian Valley. We were 60 miles below Aparvia when the war ended.

"Well, Dad, I sure would like to be with you deer hunting this year but it does not look as tho they are going to turn me loose quite that quick. We are sending men home from time to time so guess I will have to wait my turn perhaps by the first of the year or about. The boys are waiting for me to fill in a bridge game so will close hoping this finds all well as it leaves me.

"Your son, Warren."

Michigan Is Facing Diphtheria Epidemic

Michigan faces a diphtheria epidemic unless a statewide immunization program is carried out immediately, according to Dr. William DeKleine, state commissioner of health. Four cases were reported in Lenawee from January 1 to September 27.

The 30 deaths from diphtheria reported through August in 1945 represent an 87 per cent increase over the same period last year, he stated. Diphtheria cases have more than doubled during the first nine months of 1945 with 413 cases reported through September 27 as compared with 204 cases for the same period in 1944.

The disease is more widespread than usual, with cases reported in 42 counties as compared to 22 last year. "With cases in twice as many counties and the inevitable increase in carriers, diphtheria can get completely out of hand in the approaching months," Doctor DeKleine warned. The months ahead look still darker, he explained, because the regular diphtheria season occurs in the late fall and early winter months.

Many parents cannot remember the diphtheria epidemics Michigan once suffered, or they would make certain that their children were protected. When diphtheria is so widespread there is little chance of avoiding contact with the germs, he said. The only safeguard is immunization.

Children should be given the first dose of diphtheria toxoid at nine months of age, followed by a second dose a month later. At school age a third dose of toxoid is needed. This is referred to as a "booster dose" since it boosts the child's immunity. This third dose can be given at any time up to twelve years of age. Children over twelve should be Schick tested and then immunized if this test shows that they are susceptible to diphtheria.

ENJOY FRENCH RIVIERA

Corporal Duane T. Gillin, son of Mr. and Mrs. M. B. Gillin, 601 Cummings street, Tecumseh, dental technician with 104th Reinforced Battalion, recently spent a seven day rest furlough in the U. S. Riviera Recreational Area at Nice.

Corporal Gillin has been overseas for 14 months. He earned two battle participation stars on his European Theater Ribbon for campaigns in the Ardennes and the Rhineland, and a Good Conduct Medal.

Before the war he worked for the Quaker Oats CoCmpany, at Tecumseh.

GOOD TELEPHONE SERVICE BEGINS WITH YOU

You can help to keep the quality of telephone service high by following these simple rules:

1. Consult your telephone directory before asking "Information" for a number.
2. Keep your calls brief so that your line can handle its full amount of traffic.
3. Be sure your telephone is hung up properly so that you will be able to receive all of your calls.
4. Be quick in answering your calls . . . and when calling give the other party ample time to answer.

New Officers Are Installed

The American Legion Auxiliary held its regular meeting and installation Monday evening with a 7 o'clock dinner served to the forty members and guests preceding the program, at Legion Hall. An interesting report of Girls' State, held in Ann Arbor, was given by Mardi Gene Duncan, who represented the Auxiliary this year.

The district officers and other guests were introduced by Mrs. Marvin Watkins. They included Mrs. Dorothy Roe, district president, and Mrs. Althea Eddings, district secretary of Ypsilanti, Mrs. Tema Moehn, district treasurer, of Saline, Mrs. Glenn Driscoll, president of the Service Mothers Club, Mrs. Oscar Snyder, Miss Clara Gillespie, Mrs. Jack Gooding, Mrs. Harry Duncan and Mrs. Easton of Saline.

The Auxiliary will take up the project of taking magazine subscriptions again, to purchase a hospital bed for use in the community.

Mrs. Roe assisted by Mrs. Eddings installed the follpwing officers: president, Mrs. Helen Mix; first vice president, Elizabeth Hammell; second vice president, Madge Lewis; secretary, Jessie Sluyter; treasurer, Irene Wilson; historian, Alice Schneider; chaplain, Ethelinda Church; sergeant-at-arms, Ella Banaske; junior past president, Goldie Watkins.

Mrs. Roe then gave a few interesting remarks on the year's work.

Local Man Watched Japs As Peace Terms Drew Near

WITH THE 24TH INFANTRY (VICTORY) DIVISION ON MINDANAO—Under an armed truce, hills of Mindanao with a boundry line drawn between them and each agreed to stay in its own backyard until final surrender terms could be negotiated.

Staff Sergeant Willard L. Pawson, of Tecumseh, Michigan, and his buddies from "B" Company of this Victory Division's 34th Infantry were among those representing the Americans in the Lasang River valley.

A lieutenant colonel in command of Japanese troops asked that his men be permitted to move freely about on their side of the line. He also requested that they be allowed to harvest crops which they had planted and needed for food. The crops were in an area close to where Pawson and his partners were camped.

Notes were being exchanged by messengers on a business like basis and no hostile outbreaks were reported.

Pawson is the husband of Mrs. Doris Pawson, who lives at 605 W. Pottawatamie St., Tecumseh. He joined the 34th at New Guinea before taking part in the Hollandia, Biak, Leyte, Luzon, Corregidor, and Mindanao campaigns.

Domesticated Vestrymen Plan St. Peter's Program

Certain wives will want to take advantage of this information. Put a man on the spot, and he will exhibit many hidden talents. Take the Rev. John R. Scarlett, George McCombs and Orville Laidlaw. Between them they demonstrated they can cook up a pretty decent meal on demand. And they know too how to lay a neat table and clean up the dishes and debris afterward. When the winds blow and the mercury drops, woodchopper, Glenn Driscoll, and fireman, Cy Curtiss, are handy men to have around. If you don't care to flirt with pneumonia, Larry Larsen has proved he is not the man to tuck you in at night. But that is to be expected of a refrigeration expert.

Wives can verify these observations with Fred Raizk, Lester Rogers and Perry Satterthwaite, who also participated in the weekend Vestry Conference of St. Peter's church held at Glenn Driscoll's cottage at Sand Lake last Saturday and Sunday. The business of the conference was to formulate a long term parish program which will give answers to the questions, "How can member interest be aroused in the parish?" and "Interest having been aroused, how can it be increased and retained?" These questions were considered in terms of worship, fellowship, education and work as they apply to men, women, young people and young children.

The conference brought forth so great a quantity of material for a parish program that time was too brief over the weekend to discuss and organize the material fully. Therefore, the same men plan to meet again at the home of Mr. Larsen on Wednesday evening, October 10.

There's Genuine Satisfaction in **QUALITY FOODS!**

How often have you said to yourself after you finished a meal, "that food was genuinely delicious."

To make the food delicious, two things were necessary. First, the food, fresh or prepared, had to be OF GOOD QUALITY when it entered the kitchen and, second, the cook had to know how to prepare and serve it to you.

But remember. It is impossible for a good cook to use inferior quality foods and make them delicious.

That is why we have made it a rule to sell only QUALITY FOODS. We know how disgusted good cooks can get when they attempt to prepare tempting meals with inferior foods.

If you are interested in quality foods that will tempt every member of your family, we invite you to shop with us.

Don't Store Summer Clothes Until They are Cleaned!

This is the season of the year when summer clothes go into storage chests and closets and are replaced by warmer garments.

Don't store your summer suits and dresses until they have been thoroughly cleaned.

The reason we advise cleaning of clothes before storage is the fact that moths delight in feeding on garments that contain grease spots. If you store uncleaned clothes and they are damaged by moths, blame no one but yourself.

Then too, if garments are cleaned and pressed before you hang them away they are instantly ready for service next Spring—a fact in which there is genuine satisfaction.

Give Generously to Tecumseh's Community Fund

How many boys do you know who are counting the days—the hours—until they will be home with their loved ones?

How many boys who have returned from service "over there" have told you that they wouldn't give "good old Tecumseh" for all of Europe?

What makes them love their home town so much? Why do they long to return? What's it all about?

It's just this: Tecumseh is a great town. It's spirit of loyalty, friendliness, good-fellowship just can't be beaten. We've prided ourselves on the fact that during the war we never failed to carry our load in any patriotic drive. We exceeded all of our quotas—War Bonds, Red Cross and the rest.

Now, Tecumseh's Community Fund is asking for your continued support. What is it asking for? Only $5,000 from the entire community and all of this money, except for $770, to remain right here in Tecumseh. The $770 is Tecumseh's quota to the Lenawee County Patriotic League. Last year we gave this organization over $5,000.

For what will this money be used? It will be used for the Patriotic League, for the Boy and Girl Scouts, for the Camp Fire Girls, for the Child Study Club (furnishing milk to underprivileged children) and for necessary emergency welfare work.

When YOU GIVE ONCE, YOU GIVE TO ALL!

Let's give generously.

Community Fund Drive Under Way

HOPE IS EXPRESSED THAT $5,000 QUOTA WILL BE EXCEEDED BY END OF MONTH

Tecumseh's Community Fund drive for $5,000, a major portion of the amount to remain here to care for the needs of worthy civic organizations, was officially launched this week and will continue throughout the month.

Mrs. R. H. Moore, general chairman of the drive, said today that she had named solicitors for the several sections of the village, and that Le Roy Tiley had been chosen as chairman of the soliciting group in the township outside the village.

"We are making every effort to make the campaign a speedy one, inasmuch as our quota this year is much smaller than it was a year ago," Mrs. Moore said. "We hope that a major portion of the fund will be raised by the end of next week, assuring us of success before the first of November."

Solicitors will be sent to all of the industrial plants here, Mrs. Moore said, as well as the house-to-house canvass of the residential district. Lester Rogers, she said, has been chosen as chairman of the solicitaion in the business area.

The Tecumseh Community Fund is entirely a Tecumseh organization, is incorporated as a non-profit group, having as its purpose the welfare of local civic groups. Participating in the fund this year will be the Lenawee County Patriotic League, the Boy and Girl Scouts, the Camp Fire Girls, the Child Study Club, the Tecumseh Recreation Center and emergency welfare.

"The plan of the campaign this year," John R. Thompson, president of the Fund, said, " is to keep all of the money raised in the drive in Tecumseh, except for $770 which is Tecumseh's share of the Lenawee County Patriotic League quota. We plan, when the campaign is ended, to send the League a check for the $770 and the remaining money will be administered by the Fund's officers here."

Last year, the Community Fund here did not operate a campaign. A drive, however, was conducted by the Patriotic League and more than $5,000 was contributed to that organization by the village and township. This year, the committee decided, instead of operating a drive for the League the Fund would take over and combine the efforts of the two organizations, making it possible to give only once, but to the several participating organizations.

"We are meeting with a cheerful response from the folk generally," was Mrs. Moore's comment. "People are glad to give when they realize that they will be solicited only once for all of the organizations. All of the participating groups are very, very worthy, and I feel certain that Tecumseh will do its share in this drive, as it has in all others since the war started."

PRESBYTERIANS ORGANIZE TWO FELLOWSHIP GROUPS

Presbyterian young people met Sunday evening and formed two fellowship groups.

A Senior-Hi Fellowship group will meet every Sunday evening at the church at 6.30. The following officers were elected: Lucille Murdoch, president; Louise Bowen, vice president; Norma Kendrich, treasurer.

The Junior-Hi Fellowship group will meet every Sunday evening at 5:45 for lunch at church followed by the regular meeting.

The following officers were elected: Owen Campbell, president; Joan Hart, vice president; Gordon Keyser, secretary; Betty Jo Hanna, treasurer.

CULBERTSON P. T. A.

The Culbertson Parent-Teacher Association enjoyed a box social at the schoolhouse, Friday evening. The program was in charge of Mr. and Mrs. I. W. Boltz and Mrs. John Brooks, and consisted of songs and recitations by the pupils. November 2, at the school house, the program will be in charge of Mr. and Mrs. Clark Goodacre and Mrs. Dena Wallace. Mr. and Mrs. John Quigley and Mr. and Mrs. Elmer House will act as hosts and hostesses.

MISSION GUILD

The Florence Weld Mission Guild will meet next Monday evening at the home of Mrs. K. D. Hall with Mrs. Edith Smith as assistant hostess. Devotions will be led by Mrs. T. Hamilton. The subject to be discussed will be "The Cross over Africa," with Mrs. Wade Hendershot as leader.

To Give Concert Here Saturday

KRYL WOMENS SYMPHONY ORCHESTRA of Chicago

A heavy advance ticket sale has been reported for the concert to be given here Saturday afternoon, October 13, at 2:30 o'clock in the high school auditorium by the Kryl All-Girl Symphony Orchestra, under the sponsorship of the Tecumseh Band Parents Club.

Bohumir Karl, Czech conductor, will direct the orchestra, and several outstanding soloists will appear on the program.

For 38 years prior to the war, Mr. Kryl toured the country with his symphony band and orchestra. At the outbreak of hostilities, many of the members of the band joined the armed forces, and it was then that the conductor decided to inaugurate an innovation, an all-girl symphony. The girl orchestra has played with success in many cities, before college and university groups, and at army camps.

Smith;; secretary, Mrs. Lynn Harris; treasurer, Mrs. Vera Driffil; conductress, Mrs. Hoyt Raymond; assiciate conductress, Mrs. LaRue Hart.

Mrs. H. H. Loveland was given a life certificate.

Each committee gave its annual report. Plans were completed for the Grand Chapter meeting to be held in Grand Rapids, October 9, 10 and 11. Several officers from the local chapter plan to attend.

The installation of officers is to be held November 18, and will be semi-public.

George A. Ingram, 92, Buried In Manchester

George A. Ingraham, aged 92 years, died Friday afternoon in the Will nursing home, where he had been a patient for about six months.

He is survived by one daughter, Mrs. Myra Mangus of Tecumseh, and two sons, Myron and Clarence Ingraham, both of Brooklyn.

The funeral services were held Monday afternoon at 2 o'clock in the Belding Funeral Home, with the Rev. Edward Escolme officiating. The burial was in the Manchester cemetery. Bearers were Harry VanTuyle of Brooklyn, Maynard Ingraham of Clinton, Judson Marr of Wamplers Lake, and Earl Russell of Onsted.

Among those attending the services from away were, Mr. and Mrs. Vern Mansfield of Cadillac, Mr. and Mrs. Bert Antcliff of Owosso, Mr. and Mrs. Bert Antcliff, Jr. and Mr. and Mrs. Fred Antcliff of Howell. There were also friends from Brooklyn, Norville, Adrian, Tipton, Blissfield, Manchester and Jackson.

D. A. R. WILL MEET HERE FRIDAY EVENING

Mrs. Joseph H. Smith will entertain the Abi Evans chapter, Daughters of the American Revolution, Friday evening, October 12 at 8 o'clock in the home of Mr. and Mrs. Ellsworth Collins. The co-hostesses will be Mrs. W. H. Wehr, Mrs. Athol Brainard, Mrs. E. T. Armstrong of Adrian, Mrs. Blair Bashore and Mrs. Don Hunt. Mrs. Armstrong will read a paper on "Women of the Revolution."

Members are asked to bring old eye glasses to be turned in to the Red Cross.

PLAN WORK PROJECTS

The young people of the Baptist church are beginning a series of projects for the fall and winter months.

Work will begin on a new servicemen's postor for the church in the near future. Anyone with recent pictures of Baptist servicemen or discharged veterans are to give them to Kathleen Powell or Mrs. B. O. Bashore as soon as possible.

NURSES TO MEET

The Lenawee District Nurses' Association will meet Tuesday, October 16, at 6:30 at the Grange hall for a dinner meeting. An interesting program has been arranged. All reservations must be in by Saturday noon at the Tecumseh hospital office.

Girl Scouts Elect Officers For New Year

Troop No. 2, Girl Scouts of America, met yesterday afternoon at St. Peter's parish house. The recently elected troop officers are: leader, Jennie May Bird; scribe, Lenore McKenzie; treasurer, Sally Brown. The troop meets each Wednesday under the leadership of Miss Elizabeth Dckinson. They plan an interesting program of activities for the year, based on the needs and wishes of Tecumseh Girl Scouts.

Troop members in good standing include Bonnie Beasley, Jennie May Bird, Sally Brown, Joan Buehrer, Sherry Fielder, Mary Glancy, Jo Ann Johnston, Lenore McKenzie, Patty Patton, Shirley Teske, Yvonne Drouillard.

Harvest Home Service Sunday

TWELFTH ANNUAL PROGRAM PLANNED BY THE TECUMSEH FRIENDS CHURCH

The twelfth annual harvest-home day of the Tecumseh Friends church will be held on Sunday, October 14, and it will be observed by two special services. the morning meeting at 10 a.m., with the Rev. Worthy A. Spring, president of Cleveland Bible College as the speaker; and the evening meeting at 7:30 p.m. with Mrs. Worthy A. Spring as the speaker. Miss Jeanette Moore, the director of music at the college will present special vocal numbers at both of these services.

As in previous years, the church will be decorated with flowers, fruit, vegetables, and canned goods. This year, all the contributions of farm and garden produce will be given to Cleveland Bible College. The motto of these harvest home services is: "No offering too small—no offering too large."'

All desiring to make a contribution are asked to bring it to the church as early as possible on Saturday, so that it may be used in the decorations. The public is invited to attend these services.

BAPTIST FELLOWSHIP HOLDS REGULAR MEET

The Baptist Youth Fellowship met Sunday evening at the church with Dorothy Schumm in charge. The history of several hymns was given and the hymns were sung. Kathleen Powell assisted at the piano. Jane Hoekstra, representative of the Tecumseh B. Y. F. and the Rev. B. O. Bashore attended the meeting of the associational B. Y. F. nominating committee in Adrian Sunday afternoon. Donald Everhart was re-nominated for vice-president.

Next Sunday the group will be guests of the Temperance B. Y. F. The St. Cecilia choir will sing some special numbers, and the Rev. Mr. Bashore will be the guest speaker at the evening service.

DEDICATION OF TEACHERS AT St. PETER'S CHURCH

A special service of dedication of church school teachers and officers will be conducted in St. Peter's church at 11:15 a.m., Sunday.

The officers of the enlarged school faculty this fall are Lester Rogers, general superintendent; Miss Margaret Roberts, nursery and primary superintendent; Mrs. Lella Thurlby, secretary. Teachers are Fred Raizk and Mr. Orville Laidlaw, senior department; Mrs. Lynn Hubbard and Glenn Driscoll, junior department; Misses Lois and Vivian Clark and Lillian Tripp, nursery and primary departments; and Mrs. Paul Lewis, substitute.

Baptist Rally Day Observed

PROMOTIONS ANNOUNCED IN SUNDAY SCHOOL; COOPERATIVE DINNER SERVED

Rally Day services were held at the Baptist church Sunday, October 7. During the regular morning church services, the children of the Sunday school primary and junior departments received promotions from Donald Everhart, superintendent.

The following were promoted from the primary to the junior department and presented with Bibles: Janet Bashore, Grace Moore, Roger Butler, Dale Tingley, and Bruce Hoekstra. Kaye McClure was promoted to the primary department; Joanne Wing, Dennis Schumm, Earl Bilby, Phyllis LePor and Judy Bird received promotions to the Beginners department. The others were promoted to their next year's work in he primary class.

The Senior choir under the direction of Mrs. R. S. Moore sang "O For a Closer Walk with God" and the Rev. B. O. Bashore based his sermon on "Essentials for the Mariner." The congregation then participated in the Worldwide Communion Service.

A cooperative dinner served in the church parlor following the morning service was attended by 85 persons. Following the dinner Rev. Fitch of the Brotherhood Tabernacle of Adrian delivered an address on "The Musts of Religion." Rev. and Mrs. Fitch also sang several special numbers.

Moore & Son Co., Is Named As Quonset Distributors

Quonset buildings such as those adapted by the "Cucumber Commandos" in farming Pacific Islands for our fighting forces now are available to agriculturists in this area.

The Great Lakes Steel Corporation Stran-Steel Division, manufacturer of Quonset for the Navy, announces the appointment of R. S. Moore & Son Co., Tecumseh, as its distributor in Lenawee, Monroe, Washtenaw and Wayne counties in the peacetime program for the buildings which the war made famous.

"Cucumber Commandos" operated under joint Navy and Foreign Economic Administration direction to supply fresh food to Americans as they hammered on the doors of Japan. The fire-resistant, rot-and-termite proof, round-roofed Stran-Steel structures were used principally for feed and implement storage, dairy barn and residential purposes.

Quonsets are built of arch-ribbed Stran-Steel framework into which nails are driven. The framework is assembled quickly with bolts and screws, and the buildings can be dismantled and re-erected at will. Cost of erection and maintenance is less than for similar-sized structures of other types, according to the manufacturer.

Production of the packaged buildings will continue for farm, industrial and aviation purposes in the sizes most used by the Navy. Retail prices are about $900 for the basic "Quonset 20," a 20 by 48-foot structure, and about $3,000 for the "Quonset 40," a 40 by 100-foot general purpose building. Shorter or longer Quonsets in those widths and wider multi-arch structures may be purchased at proportionate price differences.

BAND POTLUCK

The Band Parents Club will meet Wednesday evening in the high school gym. A planned potluck supper will be served at 6:30. Members of the band are invited.

Major Edwin Williamson Speaks To Rotary Club

The duties of a flight surgeon, assigned to the American air forces overseas were explained to members of the Tecumseh Rotary Club when Major Edwin Williamson, home from Europe on a 45-day leave, addressed members of the Tecumseh Rotary Club, Tuesday evening at Brees House. Major Williamson, a doctor of medicine and psychiatrist, taught in Army schools prior to the war, later to be assigned to the European theatre, where he spent nearly three years.

"Every man has his breaking point, he can stand only so much," the Major declared. "It was our job to determine when our airmen should be grounded and what should be done to return them to health. I have seen strong, healthy men crack up because they could no longer stand the sight of death and destruction. Such crack ups necessitated their assignment to hospitals and rest camps, sometimes their return home."

Major Williamson is the son of Mrs. Charles Williamson, West Chicago boulevard. He was the guest of Perry Satterthwaite at the Rotary meeting, as was his cousin, Major Leon Williamson, son of Leon P. Williamson of Tecumseh. Major Leon Williamson is a member of the Marine Air Corps and recently returned from Pearl Harbor. Tomorrow he will leave for Cherry Pointe, N. C., for a new assignment.

Mother of Mrs. C. F. Sage Buried In Big Rapids

Mrs. Margaret Jane Mooney, aged 77 years, died Thursday evening at 7 o'clock in the home of her daughter, Mrs. C. F. Sage, on South Union street.

Mrs. Mooney was born December 7, 1864 in Kent county, Michigan, the daughter of Mr. and Mrs. James Hargrow. She had been in failing health for the past five weeks.

Mrs. Mooney was a member of St. Mary's Catholic church at Big Rapids, Michigan, she was also a member of the Alter Society in the same church.

Surviving are her daughters, Mrs. Jack Cameron of Detroit, Mrs. Sage; one son, Leo Mooney of Detroit. Three sisters, Mrs. Gurd Madison of Cut Bank, Montana, Mrs. Arthur Smith of Columbia, South Dakota, Mrs. Alicia Cavanaugh, of Aberdeen, South Dakota; four brothers, George Hargrow of Gorton, South Dakota, William Hargrow of California, Charles Hargrow of Fair Mont, Minnesota, and Chepas Hargrow of Wisconsin; seven grandchildren and one great granddaughter.

Funeral services were held Monday morning at 9 o'clock in St. Mary's church at Big Rapids, with burial in St. Mary's cemetery.

BARACA CLASS TO BE HOST TO MEN'S CLASSES

The Baraca Men's Class of the Baptist church will be hosts to the different groups of men's classes in the various churches of Tecumseh, on Thrusday evening, October 18, at 8 o'clock at the church.

A good speaker will be present and his subject will be of interest to all. Further particulars will be announced later.

PAST CHIEFS' NIGHT

The Pythian Sisters are observing Past Chiefs' night, October 24, with past chiefs filling the chairs. Annual roll call will be given with each member requested to respond in person or by card.

Final plans will be announced for the fair, which will be held November second. Extra attractions will be free card games in the afternoon. Cafeteria supper will be followed by games. An auction sale will conclude the evening's entertainment.

TB Is On Downslide Throughout Michigan

A major public health victory is what Dr. William DeKleine, state commissioner of health, terms Michigan's continued downward trend of tuberculosis during the war years. Tuberculosis has increased in every other war and in Europe during this war.

Tuberculosis deaths in Michigan in 1944 were 54 less than in 1943 and 127 fewer new cases were reported. There were 1,748 deaths and 6,419 new cases in 1944 according to the health department records.

Ralph Oliver Dies Suddenly

FUNERAL SERVICES TO BE HELD SUNDAY FOR WELL-KNOWN LOCAL MERCHANT

Funeral services will be held on Sunday afternoon at 2:30 from the Collins Funeral Home for Ralph Oliver, aged 48 years, who died suddenly about 11:30 Monday night in his apartments above the Nation-wide store, which he had owned and operated for about 10 years. The Rev. O. E. Priest of Clinton will officiate, assisted by the Rev. James Cameron Murdoch, pastor of the Presbyterian church, Tecumseh. The burial will be in the family lot at Ridgeway, with committal services in charge of the Masonic lodge and the American Legion.

Mr. Oliver had been about his store on Monday, had bowled on Monday evening and retired afterward to his apartment. He apparently died as he was preparing for bed. The body was found by Roger Linger, a clerk in the store, who went to the apartment to get change, preparatory to opening the store, Tuesday morning. Mrs. Oliver was not at home. She was at East Branch, in the Oliver cabin with Mrs. Earl Pennington, on a brief vacation. She arrived here, late Tuesday afternoon.

Acting as coroner, Justice F. C. Hanna decided that death was the result of a heart attack. There will be no inquest.

Mr. Oliver was born April 16, 1897, in Ridgeway township, the son of Mr. and Mrs. Ernest Oliver. He was a member of Tecumseh Lodge No. 69, F. & A. M., of the Underwood-Orr Post, American Legion, of which he was a past-commander, president of the Tecumseh Fire Department, and a former member of the Tecumseh Rotary Club.

Surviving is the wife, Helen, a son, MM 3/c Ernest Oliver with the SeaBees in Japan, a daughter, Mrs. Lenora Settle of San Diego, Calif., his father, Ernest Oliver of Britton, five sisters, Mrs. Nina Taylor of Britton, Mrs. Leta Chase of Tecumseh, Mrs. Mabel Nelson of Phenix, Arizona, Mrs. Gladys Philipp of Detroit, and Miss Mary Oliver at home; three brothers, Raynor Oliver of Tecumseh, Clyde of Detroit and T/3 LaVern Oliver of somewhere in the China area. His mother died January 6, 1945, and a brother, Wilford, died in May, 1944. Several aunts, uncles and cousins also survive.

Visual Aid Program Is Explained To League

The Lyster Junior Service League of St. Peter's church met last Wednesday evening with Mrs. John R. Scarlett.

Receipts of over one hundred dollars were reported from the recent rummage sale held jointly with the Daughters of St. Peter.

Plans were laid to send Christmas boxes of clothing to Europe. The league will sponsor an old time and modern dance at the high school on October 25. Material is being gathered for a booth at the Parish Bazaar in November.

In a demonstration of the use of projected visual aids for religious education the Rev. John R. Scarlett, chairman of the Diocese of Michigan committee on visual aids, showed two sets of slides, one of the consecration of the Rev. Donald B. Aldrich as Bishop Coadjutor of Michigan, the other "The Christmas Story" in color.

The league will next meet with Mrs. Thomas O'Hara on Wednesday evening, October 17.

NEW REPRESENTATIVE

Appointment of Ray S. Noble as district representative of the American Gas Service Co. in the Tecumseh district has been announced by H. L. Tucker, manager, of Sandusky, Ohio.

Indians Humble Adrian Eleven

TO PLAY CLINTON HERE TOMORROW NIGHT; GAME EXPECTED TO BE CLOSE

By Jim Sisson

Finally proving themselves the strong team of the Redskin reputation, the Tecumseh High School Indians came through with a 6-0 victory over the Class B Adrian eleven last Friday on the Maples' field. After suffering two defeats in the earlier portion of their schedule, one of which is technically Tecumseh's win, the Braves displayed their passing power and brilliant defensive play by both line and backfield.

The beginning half of the game was about a draw between the struggling squads. Near the time for the gun in the first stanzas the Maples completed their only successful pass in a drive deep into the Tecumseh territory, but the offensive came to a halt with the half.

In the final minutes of the third period the Teepee Boys opened their aerial attack, led by the hurling of Dermont Poley who did most of the passing in the absence of John Murdock who was injured in the former games. Twice the Redskins passed to within five yards of their non-league opponents goal, but were foiled in their attempt to hit pay dirt.

Then, in the early minutes of the final quarter, Poley dropped a pass into Bill Hayden's hands in the end zone for the only score. Bob Baker's attempt at the conversion kick was wide and the margin remained at 6-0. Tecumseh held more than their own in the third moments and kept the speedy Maple backs in their places to gain 6 first downs to Adrian's 2.

The entire Indian line were in cutting down their opponent's offensives with Hayden curbing in the Maples from his end and Hammack and Baker stopping many drives just behind the forward wall. Poley's quick kicks served very well for the Tecumseh cause also by pushing Adrian back on several occasions.

Coach Fred Raizk now is preparing his team for revenge over the rival Clinton eleven who defeated the Indians last season 26-0. Clinton lost only four of their last years main team and are without a defeat as yet on this schedule. All these facts go to make up the top battle of the season as the annual clash takes place tomorrow on the Recreation Field at 8:15.

Blood Clinic Needs Donors

REGISTRATIONS MUST "PER UP" IF BANK IS TO EQUAL THAT OF A YEAR AGO

Registration of blood donors for the clinic to be held at the Methodist church here, October 18 and 19, must "pep up" if Tecumseh is to meet the figure established a year ago, when the people of this village contributed some 125 pints of blood to the Michigan bank, Miss Gertrude Spaulding, superintenden of Tecumseh Hospital, said today.

"We have a small list of donors at this time," Miss Spaulding said, "but I am sure that there are many, many more who would be willing to contribute blood to this worthy cause. Perhaps they have just forgotten to call and say that they would like to put a pint of blood in the bank for future use, and they will do it now, when they are again reminded of the need."

The clinic is sponsored by the American Red Cross and its first stop in the county will be in Adrian on October 15-17, coming to Tecumseh on Thursday and Friday of next week. The clinic is conducted by the Michigan Department of Health, and it has as its sole purpose, the replenishing of the supply of blood plasma used in Lenawee County.

Miss Spaulding pointed out that two-thirds of all of the blood given in Lenawee county last year and made into plasma was used in Tecumseh hospital.

ALUMNI HOMECOMING

Alumni of Michigan State Normal College will hold their first homecoming since the war during the week-end of October 12-13. Homecoming regularly an annual affair, has been delayed for the last two years because of the war, but the students and faculty are combining their efforts to make this a homecoming long remembered. The homecoming committee is composed of James "Bingo" Brown, Dean of Men; Susan B. Hill, Dean of Women; E. R. Isbell, Dean of Administration; Mary Ann Melick, president of the Women's League; Dick Ross, president of the Men's Union; and Jean Black, editor of the NORMAL NEWS.

A GREAT STABILIZER

Civilization, like liberty, must be worked for. White crosses the world over mark the graves of those who fought to preserve what men have striven and died for through the centuries. We cannot honor too highly the sacrifices of our young men to bring peace to the world and good will among nations.

Of all the guides to a better civilization, the oldest is the Bible. For ages it has stimulated, comforted and inspired those who have turned to it. It is common knowledge that men who have long neglected church and the teachings of the Bible, found solace in it under the most trying conditions of war. Resort to the Bible must become more general.

With a sound peace yet to be built,, we should all seek a stabilizing influence for guidance. This year should be outstanding for National Bible Week, to be observed from October 15 to 21.

Pay Bills by Check and Get a Receipt!

* * *

There can be no argument about the payment of a bill when it is paid by check.

Why is this true? Your cancelled check is a receipt—positive proof of the time that you paid your creditor; his endorsement on the back of the check acknowledges the receipt of the money.

Why don't you open a checking account in our bank this week and pay your bills "the business-like" way. If you haven't time to call on your creditors personally, you can mail your check and there is no danger of loss.

You'll wonder, after you have had a checking account for a few weeks, how you got along without it.

Blood Clinic

(Continued from Page 1)

"It was used only in emergency cases, such as accident and shock," she declared. "I know that it saved more than one life."

The slogan used for the clinic this year is, "Put a pint in the Blood Bank, you may need it later." The Tecumseh Health Education Committee is backing the program and members of that group who are soliciting in the village for the Community Fund are also asking residents to act as blood donors at the clinic.

"I am very hopeful," Miss Spaulding said, "that when the reports come in from the solicitors we will be able to equal or exceed the number of donors we had at last year's clinic."

Persons who are not personally solicited and who desire to participate in the program may call Tecumseh Hospital. They will be registered and will be called to the clinic at a convenient time. The giving of the blood requires only a few minutes.

Captures 6 Jap Troops With Aid of a Wrench

Corp. Donald Brosamer, son of Joseph Brosamer of Britton, has been awarded four bronze stars during his two-and-a-half years of overseas service, but it has not yet been determined what kind of a star he will receive for latest haul of six Japs, all of them captured without the aid of a gun.

"The Dozer Blade," a mimeographed paper published by the 110th Engineers on Okinawa, tells this story.

On August 5, Corp. Brosamer and another "cat" driver were operating their bulldozers preparatory to building a new depot. As the bulldozer dug deeper into the cain fields six Nip soldiers were routed. Brosamer and his companion, Pfc. Jackson, were amazed. They had no weapons. Brosamer picked up a wrench and gave chase. After a quarter of a mile he caugh his first prisoner. Jackson and some other troops who came to the rescue succeeded in taking the other five men prisoners in a period of 20 minutes.

The captives were all well dressed, had extra clothes, rice, C rations, cigarettes and hand grenades.

Dorothy Jean Gittus Is Bride of Harrison Bailey

A pretty wedding was solemnized at 6 o'clock Friday evening in the home of Mr. and Mrs. John Foote, when Dorothy Jean Gittus became the bride of Mrs. Foote's son, Harrison Bailey. They spoke their vows in a double ring ceremony, performed by the Rev. Norman Mac Naughton of Adrian. Arrangements of gladilis and chrysanthemums decorated the living room.

The bride wore a street length dress of happy blue crepe and a small black hat and black accessories. Her corsage was of orchids. Mrs. Frederick Hill of Baltimore, Md., attended her niece as matron of honr and wore a brown crepe of honor and wore a brown crepe dress and brown hat to match. Her corsage was of yellow roses.

Albert Bailey attended his brother as best man.

Immediately following the ceremony a two course wedding dinner was served to the guests by Douglas Hintz and Miss Cleo Versham of Britton. Seated at the bride's table with the bridal party were Mr. and Mrs. Foote, Mr. and Mrs. Warren Benham with whom Mrs. Bailey had made her home, and the Rev. and Mrs. MacNaughton. A low bouquet of white chrysanthemums was used as a centerpiece with double lighted tapers. A four tiered wedding cake was served. The remaining guests were seated at five small tables centered with bud vases of crystal.

Mrs. Foote chose for her sons wedding a two piece navy blue dress and her corsage was of pink roses and white mums. Mrs. Benham wore a black dress with sequin trim and a corsage of red roses and white pom poms.

Early in the evening the couple left on a wedding trip through the southern states. On their return they will reside in Tecumseh.

Guests attended from Britton, Tecumseh, Hudson, Adrian and Baltimore, Md.

Youth To Participate In $3,600 Plan Contest

A new and unusual educational contest for farm youth groups has been launched in Insulite Division of the Minnesota and Ontario Paper Company. Designed to give participants practical information about farm building construction, it is the sponsor's aim that, through the increased knowledge of today's farm youth, the general level of postwar farm building will be raised.

A total of $3,600 in awards will be made. Thirty-nine prizes totaling $600 in cash of war bonds per state will be awarded. The program will be conducted in six states—Minnesota, Indiana, Iowa, Michigan, Ohio and Wisconsin.

All boys and girls in the six states who are between the ages of 14 and 25 and who are members of farm youth groups are eligible. The contest closes April 30, 1946.

Contest folders are to be distributed by local club leaders and by Insulite, either of whom will also furnish additional information regarding the details of the contest. Judging committee, to be made up of a group of agricultural leaders, will be announced later.

There's Real Satisfaction
In Wearing
Freshly Pressed Clothes

You know, there's no use of us trying to tell you, the amount of genuine satisfaction there is in slipping into a freshly pressed suit or dress. It just makes you feel different—all dressed up, in fact.

And that's especially true when you slip into a garment that has been cleaned and pressed at our shop. We endeavor, sincerely, to make the clothes we clean and press look and feel as much like new as possible.

If you are not now one of our customers, we'd like to be of service to you.

"Our *NEW HOME* will not be a mansion, but it will be . . . the *Most Comfortable, Most Livable, Most Enjoyable Home In the World"*

And HERE'S WHY . . .

Aside from taking advantage of the latest designs and modern materials it will, in my opinion, incorporate the most important items of all. Those things that make a home more comfortable, more livable, more healthful, more economical, those time-saving, drudgery-releasing electric appliances. The highways to better living will be built into our home by providing ample adequate wiring to enable us to take advantage of *all* the new wonderful electric home equipment that is available now and those that will be perfected in the future. Here are a few that spell happier, better living for all. Germicidal lamps that help to prevent colds and sickness. A time-saving All-electric Kitchen with its electric dishwasher, garbage grinder, range and refrigerator. And for the laundry, the washer, ironer, water heater and built-in electric clothes dryer. Air conditioner, home freezer, television and many more that will change a house from a place in which to live to a home where you can really enjoy living.

If you plan to build or remodel, provide adequate wiring and plenty of convenient outlets. Your new home will be only as modern as its electrical wiring.

Stran-Steel construction represents the new, improved method of producing fire-safe, durable buildings for farm and industrial use. Its efficiency and economy have been proved in more than one hundred and fifty thousand Stran-Steel "Quonsets" produced by Great Lakes Steel Corporation to serve on military bases throughout the world. All-steel, economical to buy and maintain, Stran-Steel "Quonset" buildings are rot-proof, warp-proof, termite-proof and weather-resistant. They go up faster, stay up longer, and maintain fine appearance with a minimum of attention.

The backbone of Stran-Steel buildings is the simple, easy-to-erect Stran-Steel framing system. It consists of lightweight steel members, fabricated to required lengths and shapes, and providing a *patented nailing groove* in joists, arch ribs and purlins for attaching materials. Siding and roofing are simply *nailed on* by ordinary hammer-and-nail methods. Insulating materials can be attached to the interior just as simply, when required.

The appointment of a dealer for Stran-Steel "Quonset" buildings in this area marks an important step in providing better value in buildings suitable for a variety of farm and industrial requirements. Now available are the Stran-Steel "Quonset 40"—a many-purpose building 40′ wide by any desired length in increments of 20′ . . . and the Stran-Steel "Quonset 20"—a smaller many-purpose building 20′ wide by any desired length in increments of 12′. Ask your Stran-Steel dealer for complete details on these famous "Quonset" buildings. He will be glad to advise you in selecting the right building for your particular needs.

Let's talk over your farm building needs NOW!

Statement of ownership, management, etc., required by the Acts of Congress of August 24, 1912, and March 3, 1933, of The Tecumseh Herald, published every Thursday at Tecumseh, Michigan, for October 1, 1945.

State of Michigan, County of Lenawee, ss: Before me, a notary public, in and for the state and county aforesaid, personally appeared Earl L. Wickwire, who, having been duly sworn according to law, deposes and says that he is the owner and publisher of The Tecumseh Herald, and that the following is to the best of his knowledge and belief, a true statement of ownership, management, etc., of the aforesaid publication for the date shown in the above caption, required by the Act of August 24, 1912, as amended by the Act of March 3, 1933, embodied in Section 537, postal laws and regulations, to-wit: The names and addresses of the publisher, editor, managing editor and business manager are: Earl L. Wickwire, Tecumseh, Michigan.

That the owner is Earl L. Wickwire, Tecumseh, Michigan.

That the known bondholders, mortgagees and other security holders owning or holding 1 per cent or more of the total amount of bonds, mortgages or other securities are F. W. Prentice, Adrian, Michigan.

That the two paragraphs above, giving the names of the owners, stockholders and security holders, if any, contain not only the list of stockholders and security holders, as they appear upon the books of the company but also, in cases where the stockholders or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting, is given; also that the said two paragraphs contain statements embracing affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owner; and this affiant has no reason to believe that any other person, association or corporation has any interest direct or indirect in the said stock, bonds, or other securities than so stated by him.

(Signed Earl L. Wickwire.

Subscribed and sworn to before me, this 29th day of September, 1945. L. Edna Staulter.

(My commission expires June 23, 1949).

THE TECUMSEH HERALD

NINETY-SIXTH YEAR—NUMBER THREE | TECUMSEH, MICHIGAN, THURSDAY, OCTOBER 18, 1945 | FIVE CENTS PER COPY

Community Fund Drive Lagging

ONLY ABOUT $1,300 OF QUOTA OF $5,000 HAS BEEN SUBSCRIBED HERE

Tecumseh's Community Fund drive is lagging and unless something can be done to speed up and increase the amount of contributions this village faces the possibility of failing to meet its quota for the first time since the war started, it was learned today. Heretofore, Tecumseh has always boasted of exceeding its quota in any patriotic drive, whether it be Red Cross, War Bonds, Community Fund or Patriotic League.

Tecumseh's quota in the present campaign is $5,000, including $770 as this community's share of the Lenawee County Patriotic League's county quota. As quickly as the campaign is ended, a check for $770 will be forwarded to the League and the remaining contributions will be kept here for the benefit of local organizations.

Participating in the Fund this year, aside from the League, are the Boy Scouts, the Girl Scouts, the Camp Fire Girls, the Tecumseh Recreation Center, and the Child Study Club. In addition, funds are required for emergency welfare work and the drain on this fund is expected to increase as the months go by.

"Of course, we still have to hear from many of the industries and several of our house-to-house canvassers have not yet reported, but it is certain that the drive is moving very slowly," was the comment of Mrs. Robert H. Moore, general chairman. "The end of the campaign is November 1 and I am hopeful that we will reach our goal, but we cannot do it unless the ize of the gifts are increased materially," Mrs. Moore declared.

Solicitors at work on the drive are: Lester Rogers, business district; Geo. McCombs, Bruce Foundry; Wm. Beardsley, Hayden Mills; Don Nixon, Quaker Oats; Mrs. Bruce Hoffman, Meyers Aircraft; LeRoy Titley, Tecumseh township.

Mrs. Richard Preston is chairman of the drive in the northeast and southeast sections of the village and is assisted by Mrs. George Elliott, Mrs LaRue Hart, Mrs. Harold Sisson, Mrs. Lester Reed, Mrs. Wallace Rutherford, Mrs. David Mack, Mrs. Ira Ashley, Mrs. James Hartsell, Mrs. Irene Russell, Mrs. Roland Mohr, Mrs. Lawrence Bater, Mrs. Geo. River Raisin Riders Club Organized Here

The Raisin River Riders Club was formed recently at a dinner meeting at Maves banquet room. Riding enthusiasts were well represented in a turnout that was beyond the expectations of those who have long been anxious to form such a club.

The officers elected were president, Mrs. Alice Irelan; vice president, Charles Albert; secretary, Mrs. Ted LaBounty; treasurer, Mrs. Florence Fuller. Meetings will be held the second Tuesday of each month in the banquet room of Maves' restaurant.

For practice riding, training and social outdoor club affairs Mr. Maves has donated a plot of ground to the club just south of his farm home property, enabling those who care to ride to do so at any time.

For information regarding membership, the committee appointed was Paul Bowen, Percy Bowen, Dr. Wm. Britton, Raymond Puffer and Lee Irelan.

Indians Blank Clinton Eleven

NEXT LEAGUE GAME HERE ON OCTOBER 26 WITH MANCHESTER DUTCHMEN

by Jim Sisson

With a powerful blow for revenge, Fred Raizk's Tecumseh High School Indians trampled their rival opponent, Clinton, 19-0 last Friday night on the Tecumseh gridiron at Recreation Center. Having been defeated last year by the Clinton eleven the Tecumseh boys put in a mighty stroke to even the score.

Showing their true power and ability, the Indians opened up quickly with their offense from the kickoff. Twice, pressing very close to the Clinton goal in the first minutes, the Indian drives bogged down without a score. But in the second period, after a series of plunges in their opponent's territory, the Braves scored with Co-captain Bob Baker carrying the ball over. Dermont Poley's kick was low and the half ended in Tecumseh's favor 6-0.

The third stanza brought six more markers for the Teepee Boys as Poley plowed over for the second score. The extra point failed and the margin stood at Tecumseh 12, Clinton 0.

In the final quarter Baker, after picking up 151 of Tecumseh's 276 yards by rushing, completed a pass in the end zone to Ted Sisson, Indian end, for the final touchdown, Poley converted and raised the score to 19-0.

Completely outplaying their adversaries, the Braves piled up 19 first downs to Clinton's 6, and with the help of excellent blocking by the entire line gathered 276 yards in running to 88 for Clinton. The passing, too, was all on Tecumseh's side.

This week the Braves have an open date but October 26 they entertain the Manchester Dutchmen for another game of vengence. Last season the Dutchmen robbed the Indians of a tie for the L. C. A. A. championship by holding their contest to a tie 13-13. Although the Manchester team hasn't exactly a winning reputation, the Braves promise to put everything they've got into the battle.

Nine Are Hurt In Car Crash

FOUR HIGH SCHOOL STUDENTS INVOLVED IN ACCIDENT NEAR BILLINGTON'S

Five persons were hurt, including four Tecumseh high school students, as the result of an accident at Billington's Corners, three miles west of here, at 7:15 a. m., Monday.

According to state police, a car carrying Rufus West and George Dunlop, both of Detroit, crashed into the side of a car owned by Leslie Whelan of Tipton, and driven by his son, Howard, 15. Passengers in the Whelan car were Rosemond Allen, 13, Bernita Withrow, 15, and Beulah Withrow, 14. The students and West were treated for cuts and bruises at Tecumseh Hospital. Dunlop was not hurt.

Dunlop, who, according to state police, was driving the car, failed to halt at the M-50 highway as he attempted to cross from the north. His car struck the Whelan car, traveling east, squarely in the side. Both cars were badly wrecked.

In Justice F. C. Hanna's court Monday, Dunlop pleaded guilty to a reckless driving charge and paid a fine and costs of $28.35 and was released.

Removed to Ann Arbor

Two Clinton sailors and two girls were seriously hurt, about 11 p.m., Sunday night, on US-112 near the entrance of Hayes State Park, when the car in which they were riding struck a heavy truck. The vehicles were moving in opposite directions.

The car was driven by Leon Richardson, 20, of near Clinton, home on furlough. The passengers were Bruce Calloway, 19, of near Clinton, also a sailor, and Grace Blecher, 21, of Lincoln Park, and Lois Kemp, 21, Lincoln Park. The truck was driven by W. G. Hartzler of Fulton, Ind.

Calloway, according to state police who investigated, lost one eye and was otherwise seriously hurt, as were all of the others in his car. They were removed to the University Hospital, Ann Arbor, for treatment.

Funeral Services Held For Ralph Oliver, Sunday

Funeral services for Ralph Oliver, aged 48 years, prominent local merchant who died suddenly last week, were held Sunday afternoon at 2:30 o'clock from the Collins Funeral Home. The Rev. O. E. Priest of Clinton, assisted by the Rev. James Cameron Murdoch, pastor of the Presbyterian church, Tecumseh, officiated. The bearers were B. B. Moon, Lee Purkey, Russell Liddell, Clifford Deaner, Chas. Howe and Lyman Curtiss.

Burial, in the Oliver family lot at Ridgeway cemetery, was in charge of the Tecumseh Masonic Lodge, of which he was a member, and the Underwood-Orr Post, American Legion, of which he was a past commander.

Relatives and friends from away who attended the services were from San Diego, Calif., Denver, Colo., Toledo, Detroit, Jackson, Britton, Macon, Clinton, Adrian, Tipton, Ridgeway, Britton, Saline, and Chelsea.

BAPTIST FELLOWSHIP GUESTS AT TEMPERANCE

The Baptist Youth Fellowship group were guests Sunday evening of the Temperance B.Y.F. After the young people's meeting, an evening service was held at which the Rev. B. O. Bashore was the guest speaker. He chose for his topic, "Do You Know the Way?" The St. Cecilia choir, under the direction of Mrs. Robert Gillespie sang "Loud from the Mountaintop" and Kathleen Powell and Priscilla Sisson sang a duet, "Rock of Ages."

After the service a fellowship meeting was enjoyed with games and refreshments.

W. S. C. S. MEETS

The W. S. C. S. met Wednesday, October 10, at the home of Mrs. H. P. Ford. Mrs. Guy Belding had charge of devotions and Mrs. Truman Rentschler gave a talk on "Women in the Working World." A discussion followed. Roll call was answered by a name of some famous woman. Plans were made to have a "thank offering" tea November 7, in the church parlors.

Thrift and Gift Shop To Open Here, Oct. 26

The Gift and Thrift Shop, operated and sponsored by the Tecumseh Hospital Auxiliary, will have its formal opening in rooms on the second floor of the Ford Garage Building next week Friday, October 26, it was announced today. Money realized from the sale of merchandise will be used toward the maintenance and improvement of the hospital laboratory.

The gift shop is an innovation and will offer for sale only handmade articles of clothing and toys. Included will be infants' and children's dresses, aprons, pillow cases, other linens, knitted sweaters and mittens and many, many other articles. The committee in charge stressed the fact that all merchandise is new and has been carefully made by hand.

The shop will be open daily from 1 to 5 o'clock in the afternoon and on Saturday evenings. Late in November, it is planned to operate a rummage sale in connection with the shop.

"We hope to be successful with the shop and we believe that we will inasmuch as folk will find articles suitable for Christmas gifts," one member of the Auxiliary said. She also stressed the fact that thus far the Auxiliary has raised more than $2,000 for the benefit of the laboratory but that funds still are needed to complete its equipment.

Mrs. Dorothea Schneider Is Buried In Brookside

Mrs. Dorothea Barr Schneider, wife of Lieut. (j.g.) Louis Schneider, died early Thursday morning in Tecumseh Hospital, after giving birth to a daughter, Connie Lee, late Wednesday.

Mrs. Schneider was 20 years old and graduated from the Dundee high school in 1943. She was a member of the Methodist church in Dundee. On June 24, 1944 she was married to Lieut. Schneider at Annapolis, where they lived until he was sent to the Aleutians in March, 1945.

Besides her husband and daughter, she is survived by one sister, Yeoman 3/c Arlene Barr of Washington, D. C., and a brother, E. V. Barr of Dundee.

Funeral services were held Sunday afternoon at 3:30 in the Fisher Funeral Home in Dundee. The Rev. John R. Scarlett officiated. A short prayer service was held Wednesday at 2:30 in the Funeral Home, with burial in Brookside cemetery, Tecumseh.

Mrs. Sarah Ann Lowery Is Buried In Brookside

The body of Mrs. Sarah Ann Lowery who died in Detroit, October 2, at the age of 86 years, last week was brought to Tecumseh for burial in the Brookside cemetery.

Mrs. Lowery is survived by three daughters, Mrs. Florence Conklin and Mrs. Wade Wilson of Detroit, and Mrs. Anna Rentschler of Marshall, Michigan. One son, Ronald, preceded his mother in death. She also leaves six grandchildren and eight great-grandchildren.

Mrs. Lowery was a former resident of Tecumseh having settled here on arrival from England with her parents, William and Jane Cox, when she was 14 years of age. She had resided in Detroit and Jackson for the past 30 years, and had several nephews and nieces in Lenawee county.

Funeral services were held at the Rigley Funeral Parlors in Detroit.

PRAISES RED CROSS FOR AIDING PRISONERS

The American Red Cross won loud words of praise from Sgt. Maj. Jack Bishop of Morenci, for nearly four years a prisoner of war in a Japanese camp, when he spoke at the regular dinner meeting of the Tecumseh Rotary Club, Tuesday evening at Brees House. He was the guest of Dr. Ferris G. Hodge as was Dr. Hodge's brother, Edward, also of Morenci.

Sgt. Bishop, one of the first prisoners to be taken by the Japanese, told of the work that the Red Cross is doing in the prisoner of war camps, and many other interesting things that occurred in the camp where he was located.

"I'm happy to be back and I'm proud to be an American and a member of the Marine Corps. Any person who wears Uncle Sam's uniform can be proud, too. After you have seen life in other parts of the world you soon learn that the American way of life is something to cherish," he declared.

GRANGE TO ELECT

The Tecumseh Grange will meet tonight (Thursday) for election of officers. A potluck supper will precede the business meeting, with Mr. and Mrs. Willis Palmer, Mr. and Mrs. Lloyd Wagner, Mr. and Mrs. I. W. Boltz and Mr. and Mrs. Ted Zarnow, the committee in charge.

Heart Ailment Fatal To Hunter

TWO OTHER MEN SUFFER INJURIES WHILE HUNTING BIRDS IN THIS VICINITY

The small game and bird hunting season, which opened in this locality Monday morning, already has cost the life of one hunter and serious injury to at least two others, a check-up of police and hospital records shows.

Hosea Arthur Stretch, 34, of Ann Arbor, died suddenly Monday shortly after noon at the home of his mother, Mrs. Maude Stretch in Raisin township, where he and a party of friends, including a former Army doctor, had been hunting. Death was the result of a heart ailment.

According to reports, the party had hunted on the Stretch farm during the morning, had stopped for lunch and was returning to the fields when Mr. Stretch was stricken.

Mr. Stretch is survived by his wife, Delight, one daughter, Carol, and a son, Thomas; two brothers, Jess at home and Pfc. Carlton in the Philippines; one sister, Mrs. Marian St. John of Ypsilanti.

Funeral services will be held this afternoon at 2 o'clock from the Belding Funeral Home here. The Rev. James C. Murdoch will officiate and burial will be in the Raisin Valley cemetery.

Melvin Compton, 33, of Detroit, suffered a painful gunshot wound in one of his thighs about 10 o'clock Monday morning, while hunting with Kenneth Harper, 32, of Adrian, on the William House farm, east of Tecumseh. State police say that the accident happened because of a defective gun which Harper was carrying.

Compton was treated at Tecumseh Hospital and then was released.

H. B. Cadmus of Kalamazoo, suffered gunshot wounds in his face and neck, Monday, as a result of a hunting accident in the Britton vicinity. He was treated at the office of Dr. M. R. Blanden and was able to return to his home.

Farm Prices Must Jump If Wages Are Increased

LANSING, Oct. 18—Echoes of the labor movement to get 30 per cent more pay included:

Directors of the Michigan State Farm bureau declare farm prices must be boosted 30 per cent, if organized labor gets a similar boost in pay.

Quoting the bureau statement: "Some wage adjustments undoubtedly are called for, but a general increase will surely force generally higher commodity prices and a degree of inflation that might become disastrous."

White House analysis insist that overtime elimination has cut manufacturing costs 5.5 per cent on the average, while an end of upgrading and fringe increases has cut costs another 4.5 per cent. Thus 11 per cent wage increases could be absorbed by most industries without need for price increase, they say.

However, a 30 per cent pay jump would lead, the analysts add, tb a 22 per cent rise in war material prices, and a 12.4 per cent rise in finished-goods prices. Thus, an inflation spiral resulting in higher prices for everyone.

Rankin Peck, executive director of the Retail Gasoline Dealers' Association, has notified the OPA that if the government grants a relief to distributors in wholesale prices, the local dealers should have a similar boost in retail prices. "The dealers cannot operate if the margin is reduced further in any way," cautioned Peck.

BRITTON SCHOOL HEAD WILL SPEAK TO MEN

The Baraca Men's Class of the Baptist church will entertain the men from the other churches this (Thursday) evening at the church. The guest speaker will be the superintendent of the public schools of Britton. He will speak on "Adult Education." This will be an important meeting and all men are urged to attend.

LEAGUE ENTERTAINED

The Lyster Junior League was entertained last evening in the home of Mrs. Thos. O'Hara. The group packed three boxes for overseas for children and infants. Final plans were made for the dance to be given October 25 in the high school gym. The league is sponsoring the party and Driscoll's orchestra will furnish the music.

LADIES LEAGUE MEETS

The Ladies Jr. League of the Baptist Sunday School met Tuesday evening at the home of Mrs. Paul Sheldon. Mrs. L. Sisson was in charge of the program and Mrs. G. Fisher led the devotions.

Lenawee Nurses Meet For Dinner and Program

The Lenawee District Nurses' Association met Tuesday evening at the Grange hall. Dinner was served to 40 members and guests. During the business session reports of the institute that was held in Lansing last week were given by the following officers: president, Mrs. Doris Hoffman of Palmyra; vice president, Miss Wilma Senour of Adrian; treasurer, Mrs. Hilda Will of Tecumseh, and secretary, Mrs. Virginia Pety of Adrian.

A musical concert was given under the direction of Clare Camburn, with Ruth, Jeanette, Ronald and Charles Goodacre, accompanied by their mother, Mrs. Clark Goodacre. Among the numbers was "Tecumseh Echoes" written by Mr. Camburn.

The place for the November meeting has not been decided upon but the speaker will be Mrs. Thelma Brewington, executive secretary of the Michigan state association. A dinner will precede the meeting.

Blood Bank Will Come Here Today

IS PRACTICALLY CERTAIN OF 150 DONORS FOR THIS AFTERNOON, FRIDAY

The American Red Cross-sponsored Blood Bank, operated by the Michigan Department of Health, will set up shop in the parlors of the Methodist church here this afternoon and today and tomorrow is expected to receive blood from 150 donors, Miss Gertrude Spaulding, superintendent of Tecumseh Hospital, said this morning.

"We have between 120 and 150 registered donors in Tecumseh, a sufficient number to warrant the operation of the bank here,' Miss Spaulding said. "Unfortunately, the City of Adrian was unable to operate the bank on Monday, Tuesday and Wednesday, because of a lack of contributors, but we have been assured that some 30 folk from Adrian will come here today or tomorrow. If they do come, it will swell Tecumseh's gift of blood just that much more."

The bank will operate in the church from 1 to 3 o'clock this afternoon and from 7 to 9 o'clock this (Thursday) evening. On Friday the hours will be from 9 to 11 o'clock in the morning and from 1 to 3 o'clock in the afternoon. The evenings hours were set to accommodate many who found it impossible to come to the bank during the daytime.

The clinic has as its sole purpose the replenishing of the supply of blood plasma used in hospitals in Lenawee county. Last year, Miss Spaulding declared, of all of the plasma sent to Lenawee by the state, two-thirds of the amount was used in Tecumseh Hospital. The blood is never used except in cases of emergency, such as accident and shock, and the superintendent said that it was a proven fact that more than one life was saved here as the result of its use.

The last time the blood bank visited here, Tecumseh had 150 donors.

Monday Club Meets With Mrs. Earl Wood

The regular meeting of the Tecumseh Monday Club was held Monday at the home of Mrs. Earl Wood, near Wamplers Lake. Fifteen members and three guests were present.

In the absence of the president, Mrs. Fay A. Whelan, the vice president, Mrs. Perry Hayden, conducted the business meeting, at which two new members were accepted and one other name was proposed for membership. Mrs. Truman Rentschler, leader of the day's program, conducted a round table discussion on the international conference at San Francisco, in which she was assisted by Mrs. Herbert Temple, Mrs. Claire Beland, Mrs. William Barnes, and Mrs. Robert Fuller.

The guests were Mrs. Dunn of Grand Rapids, Mich., guest of Mrs. Floyd Waring; Mrs. J. C. Harrower of Ridgewood, N. J.; and Mrs. R. C. Peacock, of Barrington, Illinois, who were guests of Mrs. Guy Pocklington.

Cakes and tea were served by the hostesses, Mrs. Wood and Mrs. E. J. Aebersold.

The next meeting will be held October 29 at the home of Mrs. Guy Belding, at which Miss Edith Ingersoll will give a book review. Those wishing transportation may call Mrs. Hoyt E. Whelan.

P. E. O. TO MEET

Chapter AJ., P.E.O. will meet next Tuesday with Mrs. Louise Lott. The luncheon dessert will precede the regular meeting which will include the exemplification of the ritual.

50 Million Fund Is Eyed By Vets

MICHIGAN LEGISLATURE LIKELY TO FIND POST-WAR PROBLEMS REAL HEADACHE

By Gene Alleman
(Special to The Herald)

LANSING, Oct. 18.—How Michigan should spend its $50,000,000 veterans' reserve fund, already $1,000,000 richer because of accumulated interest, is one of several issues which will confront the State Legislature in special session early in 1946.

Michigan's 629,000 veterans, of whom approximately 500,000 are still in the service, are interested chiefly in the decision.

Other legislative problems include these:

Revision of the state's $20,000,000 building program. Rising labor and material costs have already exceeded the appropriation.

Veterans' education and housing at state educational institutions such as the University of Michigan and Michigan State College. No housing is available for veterans and their wives (plus children for some) at college dormitories.

Construction of 15 harbors of refuge for small boats on the Great Lakes, a benefit to the tourist industry.

Revision of the state juvenile institute commission and possible reforms and improvements at the Boys' Vocational School, Lansing.

The veterans' multiple problems are not easy to solve. In the first place, there are five times more Michigan veterans today than 25 years ago, after World War I.

To divide $51,000,000 equally among the 629,000 veterans—a number likely to grow larger before the sum is expended—would put less than $80 in the hands of each veteran. The average bonus for World War I veterans was $210, computed individually at the rate of $15 per month of service. The federal mustering out pay varies from $100 to $300, well eclipsing an $80 Michgan payment.

To equal the state bonus of the last war, the legislature would have to appropriate $350,000,000 more for the veterans' reserve fund. This isn't likely to happen, other needs being what they are.

The first state bonus cost taxpayers $53,454,668.49, of which the veterans received $21,395,006 and the bond owners the balance of $22,000,000 plus.

Recommendations of how the $51,000,000 fund might be used to benefit Michigan veterans are to be submitted to Governor Harry F. Kelly by the Office of Veteran Affairs sometime between Thanksgiving and Christmas. Col. Philip C. Pack, director, says the report will not be made public as it will be for the personal use of the governor.

At present the OVA is a service agency, created by the legislature and a model for other state governments, which is likely to continue for some years if the $51,000,000 fund is used for veterans' service and not doled out immediately in dribbling sums.

The OVA cooperates with the State Board of Vocational Control in operating a veterans' vocational training center at Pine Lake, north of Kalamazoo. The state pays $15,000 annually from a state administration board appropriation of $1,000,000 and the vocational board chips in $118,000 a year from its federal aid kitty.

Another veteran service is likely to be a neurosis center operated by the University of Michigan, Ann Arbor.

Michigan veterans are returning home at the rate now of 30,000 a month. The 1946 peak will come in June when 50,000 are due back. At least 350,000 veterans will be back home in Michigan by next summer—a fact politicians are already weighing.

The Kelly administration, faced with the possibility of labor unrest and widespread unemployment one year from today, is going to give careful and thoughtful consideration to all veterans' needs. Governor Kelly, a dedisabled veteran of World War I, has a personal interest in this field that transcends political ambitions.

O. E. S. TO INSTALL NEW OFFICERS TONIGHT

Mrs. George Wilson, Mrs. John H. Smith, Mrs. Dwight Hodges, Mrs. Hoyt Raymond and Mrs. Lynn Harris, officers of the Tecumseh chapter of the Order of Eastern Star, were in Grand Rapids, Tuesday, Wednesday and Thursday, to attend the Grand Chapter of the O. E. S. The following past officers also attended, Mr. and Mrs. Kenton Hunt, Mrs. LaVern Russell and Mrs. Edward Beal.

Mrs. Wilson, worthy matron, acted as special grand guardian at the Blue Water session. The new officers of the local chapter will be installed this evening and the program will be semi-public.

A STEADY VACATION

The new and better life we are all promised in our postwar world may be costly entertainment. The plan to pay $25 maximum unemployment benefits for 26 weeks might better be called the National Vacation Measure.

What would happen at the end of 26 weeks when the vacation was over? Would there be a new bill for the next year, on the theory that unless it was passed there would be unemployment? Naturally, the higher the benefits and the longer the period each year for which they are paid, the more difficult it will be to recruit help. Retail stores, garages, and many other trades find workers unwilling to accept work, even when thousands are being laid off from war industries. Farm help is almost impossible to get at any price the farmer can pay, to raise food to sell at a figure demanded by the government.

Sooner or later we are all going to have to get down to earth and work and save, or we will starve. All of the hot air to the contrary, government can't take money away from the people in taxes to furnish the handouts now proposed.

Legalized loafing on the government payroll will break any nation untimately.

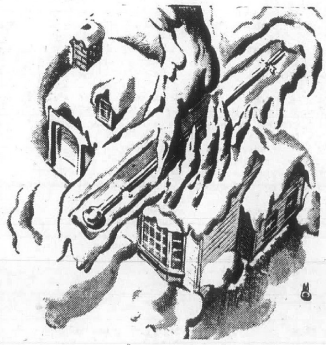
Winterproof YOUR HOME BEFORE COLD WEATHER



ROOF
STORM
SASH
INSULATION
ARE IMPMRTANT
TO COMFORT

With winter's chill already in the air, it is important that you act immediately top rotect your home against rain and wind, snow and sleet.

Start with the roof! Does it leak, or should a new one be installed? If your answer is yes, see us for quality shingles, including Johns-Manville and other composition, fire-resisting shingles.

The next step toward comfort is insulation, storm sash and storm doors. This work can still be done before the snows arrive.

Don't take our word for it, ask the residents who are enjoying storm sash and insulation in their homes. They'll tell you that these improvements pay for themselves in a very few seasons.

Better Schools is Farmers' Aim

RURAL RESIDENTS DEMANDING BETTER EDUCATIONAL OPPORTUNITIES FOR CHILDREN

An increasing number of Michigan farm families are demanding for their children educational opportunities as good as those offered to youngsters living in graded districts.

This is the contention of Dr. John F. Thaden, associate professor of sociology at Michigan State College. Proof, he said, lies in the fact that schools are closed in more than a thousand rural school districts of the state, parents in these districts usually sending their children to graded schools in town rather than to nearby rural schools.

Closing up of county schools is not the direct result of the current teacher shortage but is something that has been going on for decades, the sociologist declared, pointing out that closed schools in Michigan numbered 181 in 1923, 372 in 1930, and 737 in 1942.

Many a youngster in a rural school finds himself the only pupil in his class—sometimes almost the only one in the school, Dr. Thaden said. Two years ago there were 250 schools in Michigan with eight pupils or less, of which eight had only three pupils each and two had only two pupils each. Educational cost per pupil in such schools is high despite the low salaries country school teachers are commonly paid, according to Dr. Thaden.

Reorganizing of school districts seems a more satisfactory and democratic way of equalizing educational opportunities than closing schools and maintaining functionless districts and school boards, Professor Thaden believes. "As a rule," he said, "the most satisfactory method of reorganization is the union of the various school districts in a natural community into one graded district, with a senior high school, one or more junior high schools, and a number of elementary schools with flexible attendance areas distributed throughout the community. A community school district is one taxing unit and one administrative unit, with one school board."

A member of the Michigan Public Education Study Commission, Dr. Thaden has been studying the problem of school district reorganization for several years.

Whooping Cough Shots Important For Infants

October completes the sixth year that whooping cough vaccine has been produced by the Michigan Department of Health Laboratories and distributed free to Michigan physicians. During this time 1,084,294 doses have been sent out, according to Dr. William DeKleine, state commissioner of health.

Whooping cough vaccine should be given to children between the ages of six and nine months. Then when children are old enough to start to school a booster dose of vaccine is needed.

GARDEN CLUB, FRIDAY

The Tecumseh Garden Club will meet Friday, October 19, at 2 o'clock at the home of Mrs. L. W. Larsen instead of with Mrs. Al Helzerman as previously announced. Mrs. John Thompson and Mrs. R. S. Moore will be assisting hostesses. There will be a musical program and election of officers.

SOFT CORN IS DANGEROUS

Do not let the feeding of soft, immature corn lower the resistance of your fattening hogs. It is the opinion of some people that the feeding of soft corn causes Hog Cholera. But due to the low feeding value of the soft corn, the resistance of your fattening hogs is lowered to the point where they are more "susceptible" to diseases such as Hog Cholera.

In order to guard against this condition, when feeding soft corn be sure that you are feeding the proper amount of

ALWAYS Satisfy Customers

In our many, many years of experience in the grocery business, we have found that there is no better way to satisfy a customer than to sell him QUALITY foodstuffs.

That is why, in peace or war, we refuse to sacrifice the quality of our merchandise simply to make a sale. We believe that, in the long run, it's quality that every food customer desires.

We pride ourselves on carrying nationally advertised brands—brands that are guaranteed not only by the makers but by ourselves.

If it's quality foods you're looking for, we invite your patronage.

Let Us Repair Your Brakes
the LEMCO Way

If your brakes are not holding properly, if your car fails to respond to the pressure of the foot pedal, it's time that you saw us for service.

We repair brakes the LEMCO way. By that we mean that not only do we install new linings but we also "true up" the brake drum; remove the cuts and scratches that wear out linings prematurely.

Ours is the only LEMCO machine in Tecumseh. In our opinion it's the only correct way to do a brake job that is entirely satisfactory.

Come in and let us explain the service to you. It's not expensive, but it is entirely satisfactory

Are Your Winter Clothes
Ready to Give You Service?

"The frost is on the pumpkin" these cool Fall mornings and evenings and it's time now that you should be checking up on the family's wardrobe to determine whether or not winter garments are ready for service.

If they need cleaning and pressing, send them to us at once. We'll do them for you in the shortest time possible and return them to you fresh and crisp, plus that store-new appearance.

Check over the children's garments, too. Sweaters, skirts, coats and suits sometimes find their way into storage closets before they were cleaned and pressed.

Woman's Club Meets

Mrs. Lewis W. Coller entertained the Woman's Club at her home last Thursday. A co-operative dinner which was served to forty members and guests was followed by the business session conducted by the president, Mrs. William Gibson. The meeting was opened by the group singing "When Johnny Comes Marching Home" with Mrs. R. A. Halladay at the piano. Devotions were in charge of Mrs. Ruby Bigelow. Reports were given by the secretary, Mrs. Claude Bailey, and treasurer, Mrs. Mills Swick. Committee on Red Cross work handed out samples of "scuffs" for which materials and work were to be furnished by volunteer members and the finished articles handed in at the next meeting. It was also decided to hold the club's annual banquet the evening of November 8 at the home of Mr. and Mrs. Mills Swick. The program presented by Mrs. Carl McClue included a reading by Mrs. Jerome Travis, a group of two songs by Mrs. Dow Bilby, accompanied by Mrs. Carl Thomas at the piano, and a couple of contests with Mrs. Travis and Mrs. Herbert Gilmore the winners.

The Woman's Society of Christian Servce will meet on Thursday, October 25, in the home of Mr. and Mrs. Charles Bigelow.

SUPERHEATERS
A Revelation In Modern Oil Heating

This new radiator-like stove heater radiates heat across the floor without deflectors or fans.

This heater is so constructed that distillate is converted into "oil-gas" by superheated air, offering unusual economy through the whirling "Sirocco" burner.

You must see this new oil burning stove to fully appreciate it. Just the right size for office, gasoline service station, or small home. Has the capacity for heating more than 5,000 cubic feet of floor space comfortably regardless of outside temperature.

If it's economy that you are seeking, see this stove. There are no wicks to clean, feed cannot clog. It is quiet and odorless.

You'll like the low price, too, of only $79.00.

A NEW AGE IN FARM BUILDINGS BEGINS RIGHT HERE!

THE "Quonset 40"

Framed with steel and covered with steel—proof against sagging, warping, rotting and termites—the forty-foot-wide "Quonset 40" gives you the finest, most durable building ever produced for farm use. Yet, with all its obvious advantages of strength, permanence and fire-safety, this quality steel building *costs no more* than a wooden building of comparable size.

The answer to the low cost of the "Quonset 40" lies in the *efficiency and economy* of the Stran-Steel arch-rib framing system, with its patented *nailing groove* in studs and joists that permits siding and roofing to be *nailed on* speedily and permanently. Stran-Steel construction has been tested and proved in tens of thousands of military "Quonsets" produced by Great Lakes Steel Corporation for the armed forces. It provides you with a building that is "better from the ground up"—sturdier, longer-lasting, easier to erect, use and maintain.

The standard "Quonset 40" is a clear-span building 40′ wide and as long as you want it—40′, 60′, 80′, 100′, etc.—with a free-rolling 12′x12′ door, and four windows and ventilating louvers in each end-panel. Through the adaptability of the Stran-Steel framing system, it is a simple matter to provide additional windows on the sides, ventilating equipment or interior insulation.

If you are planning on a new building for your farm, you can get *more value* for your money in a uniform-quality, uniform-strength "Quonset 40." Let us give you complete information on this great Stran-Steel building now.

"Quonset" buildings and Stran-Steel framing are products of Great Lakes Steel Corporation, a unit of National Steel Corporation

ALSO AVAILABLE!

THE "Quonset 20"

Same quality features of construction and materials in a 20′-wide Stran-Steel arch-rib building. Length to meet requirements—24′, 36′, 48′, 60′, etc. Walk-door and two windows in each end-panel—additional windows in sides if required. Fire-safe, sturdy, adaptable to scores of farm uses.

MINUTES OF THE BOARD OF EDUCATION
October 9, 1945

The meeting was called to order by the President, Mr. Touborg. Members present were Mr. Touborg, Dr. Brown, Mr. Satterthwaite, Mr. Lindsley, and Mr. Spafford.

The minutes of the last meeting were read and approved.

Upon motion made by Mr. Lindsley and seconded by Mr. Satterthwaite, the bills as incorporated into the minutes amounting to $1768.23 were approved and ordered paid.

It was moved by Dr. Brown and seconded by Mr. Satterthwaite that the replacement of the gas carburator at the Central building be authorized and that the proposal of the American Heating and Lighting Company to replace the present unit which is no longer serviceable at a cost of approximately $200.00 be accepted. The motion was carried.

It was moved by Mr. Lindsley and seconded by Mr. Spafford that the cost of insuring players on school athletic teams be paid for out of the receipts which are received at the games. Also, that the local Recreation Board be requested to assume the cost of insuring members of the football squad as one of the regular expenses of the game. The motion was carried.

A motion was made by Mr. Satterthwaite, seconded by Mr. Lindsley and carried that Mr. Spafford be appointed to succeed Mr. Touborg as a member of the local Recreation Board, representing the Board of Education.

Upon motion made by Mr. Satterthwaite and seconded by Mr. Lindsley, the meeting was adjourned.

P. C. Satterthwaite, Secretary.

Youth is The Future of America!

Tecumseh Children are Looking to You For Support

Give Once—Give To All

Contribute Generously to the Community Fund

Yes. Youth is the future!

That glorious tomorrow for which lives and billions of dollars are being sacrificed now—belongs to our boys and girls.

How well they will fulfill that tomorrrow depends on what we do to guide them.

One of the wisest forms of help any person can give is a sense of responsibility to society—learning how to play together, how to live together, how to share together.

That responsibility is what the Boy Scouts, the Girl Scouts, the Camp Fire Girls teach to Tecumseh's youth. That is why Tecumseh's Community Fund is eager to support these organizations.

A part of the $5,000 Tecumseh will contribute to its Community Fund this month will be used to finance these worth-while organizations. Other of the fund will go to the Child Study Club, which group ooks after public health and underprivileged children, and the balance will REMAIN RIGHT HERE IN TECUMSEH for emergency welfare work, except for $770 which will go to the Lenawee County Patriotic League—Tecumseh's share of the county quota.

These funds are administered by local men for local needs. Every dollar you invest in this fund goes to help your own community. Give generously—the boys and girls are looking to you for assistance.

Let's oversubscribe this quota as we have all other quotas since the war started.

CARD OF THANKS

We wish to express our sincere thanks for the many acts of kindness shown us during the sudden loss of our loved one.
The family of Ralph Oliver.

We wish to express our sincere thanks to the Rev. Edward Escolme for his comforting words and to our relatives and friends for their beautiful floral offerings and the kindness extended to us during our recent bereavement.
Mrs. Mary Sisson and family.

I wish to thank my friends for remembering me with cards, flowers and kindnesses during my stay in the Tecumseh Hospital, and during my convalescence; especially the ladies class of the Friends church and the Rebekah lodge.
Mrs. Anna Wilkins.

IN MEMORY OF MRS. NELLIE QUACKENBUSH

Mrs. Nellie Quackenbush passed away Aug. 29, 1845. She had been in failing health for some time and was suffering with a broken hip. About two miles south of Tecumseh she was born to the late Joseph and Sarah Gray, June 7, 1863. On the way to church the day before her last year in high school she was injured when the horse became frightened and ran away. These injuries she never entirely overcame. Her entire life, centering about her home, was spent in Tecumseh. Dec. 15, 1886 she was married to Robert Quackenbush and to this union two children were born, Grace S. of Colorado, and Raynor of Detroit. Her survivors are her husband, two children, three grandchildren and two great grandchildren. She was laid to rest in Brookside cemetery.

NINETY-SIXTH YEAR—NUMBER FOUR | TECUMSEH, MICHIGAN, THURSDAY, OCTOBER 25, 1945 | FIVE CENTS PER COPY

Parade, Party On Halloween

CASH PRIZES WILL BE GIVEN FOR BEST COSTUMES, PLUS A FREE SHOW

Cash prizes for top-ranking costumes plus a free theatre party at the Strand will be Tecumseh's gift to its younger generation on Halloween, next Wednesday, October 31, it was decided Tuesday evening by members of th Rotary Club. The party, although Rotary sponsored, is being financed with the assistance of the Community Fund and the village council.

The Rev. Blair O. Bashore has been named as general chairman of the Spooks' Party and he will be assisted by a committee of Rotarians as follows: Paul Maves, W. L. Berkhof, Clyde A. Barber, Lester Rogers, LeRoy Tidey, E. M. Campbell, Bruce Hoffman and Leslie Becker.

The program calls for the formation of the masked paraders on North Pearl street, between Chicago boulevard and Logan street, at 7 o'clock, Wednesday evening. The parade will move past the judges' stand on the four corners, east to Ottawa street, and then counter-march back to the Strand Theatre. The high school band will lead the parade.

Cash prizes of $2 each will be given to the youngest boy and the youngest girl in costume, the most comically dressed boy and girl, and the most cleverly dressed boy and girl. The prizes will be awarded at the theatre party.

Every boy and girl of school age in Tecumseh is welcome to attend the theatre party. This includes not only public school children but children of the Ford school, also. A special program is being arranged at the theatre, including movies with stars that particularly appeal to the younger generation.

"The purpose of the party," the Rev. Mr. Bashore pointed out, "is to eliminate vandalism and the destruction of property in Tecumseh on Halloween. Similar parties are given each year by the business men of Tecumseh, and the youngsters here cooperate by refraining from window soaping and other destruction. I am certain that again this year the party will be a success and that, as a result, there will again be no destruction."

Thomas J. Rixom Dies; Funeral To Be Saturday

Thomas J. Rixom, 62, died suddenly Tuesday morning at his home southeast of Britton.

Mr. Rixom was a well known and prominent stock buyer and cattle feeder. He was born January 23, 1883, in Ridgeway township and spent all of his life in that vicinity.

Surviving is the widow, Mrs. Rixom, one daughter, Mrs. Lillian Rogers of near Britton, and an aunt, Mrs. Martha Packard of Tecumseh.

Funeral services will be held Saturday afternoon at 2 o'clock from the Niblack Funeral Home, Britton. Burial will be in the Ridgeway cemetery.

TELLS OF TRIP WEST

M. L. Dannells, sr., who recently returned from a month's trip in the western United States, was an interesting speaker at the regular weekly dinner meeting of the Rotary Club, Tuesday evening at Brees House. Mr. Dannells spoke especially of the Grand Canyon, the petrified forest, Indian reservations and the country's beauty, generally. "You don't need to go to Europe to find beauty," he declared. "We have it at home in abundance."

George E. Green, jr., a member of the club and who has been discharged from the Navy after more than three year's service, attended the meeting. Guests included O. W. Laidlaw, John Larson, Jon Young, home on leave after three years service in the Army in Europe, and Lieut. Robert Robison of Clinton.

HALLOWEEN PARTY

Troop 2, of the Girl Scouts of America held a Halloween party Wednesday evening at the St. Peter's parish house. A potluck supper was served at 6:15. Committees in charge were: decorations, Joan Buehrer and Mary Glancy; supper, Joan Johnston and Bonnie Beasley; games, Sally Brown and Patty Patton.

You'll find plenty of Christmas gifts at the Thrift & Gift Shop, 2nd floor, Ford bldg. Handmade dresses, linens, sweaters, mittens, toys. Opens tomorrow. Daily 1 to 5 p.m. Saturday evenings, 7 to 9. Sponsorship of Tecumseh Hospital Auxiliary.—adv.

New Ford Car To Be Displayed Here, Friday

The new 1946 model Ford car will be on display at the Butler Motor Sales here on Friday, October 26, Charles O. Butler said today. The sales room is being completely remodeled and redecorated to accommodate the new car, the first one to be shown since 1942.

"We have seen the new car and it really is an excellent example of engineering," Mr. Butler declared. "Despite the war and reconversion, the company has made many improvements over the last pre-war model—improvements that must be seen to be appreciated."

As to prices of the car and how quickly delivery can be made, Mr. Butler said that dealers would be advised by the company, probably on the day of the showing.

OES Officers Are Installed

NEARLY 200 PERSONS WITNESS CEREMONY HELD HERE LAST THURSDAY NIGHT

Installation of officers for the Order of Eastern Star, was held Thursday evening with 180 members and guests present. The installing officer was Mrs. La Vern Russell; installing marshall, La Vern Russell; installing chaplain, Mrs. John Lott; installing organist, Mrs. Ford Exelby and the soloist was Mrs. Edward Beal.

Officers installed were: worthy matron and worthy patron, Mr. and Mrs. Dwight Hodges; associate matron and patron, Mr. and Mrs. John H. Smith; secretary, Mrs. Lynn Harris; treasurer, Mrs. Chas. Driffell; conductress, Mrs. Hoyt Raymond; associate conductress, Mrs. La Rue Hart; chaplain, Mrs. Ed. Leighton; organist, Mrs. Glenn Driscoll; Adah, Mrs. James Barton; Ruth, Mrs. Gerald Baker; Esther, Mrs. Naomi Wilson; Martha, Mrs. James Elliott; Electa, Mrs. Warren Benham. Warden and sentinel, Mr. and Mrs. Chester Beach.

The worthy matron was escorted to the East by her mother, Mrs. Edward Leighton, and the past officers and past matrons formed a heart. The worthy patron was escorted to the East by his mother, Mrs. Jennie Hodges, and the men of the chapter formed a square and compass.

The five points were escorted to their places by Barbara Harris, Joan Lott, Jeanette Ehinger, Jacquline Gillespie, and Shirley Moore, each one carrying a white satin star pillow, with flowers attached for the points. Gifts were presented to Mrs. Hodges by the chapter and friends, and Mrs. George Wilson was presented with a past matron's jewel from the chapter and later was accepted as a member of the past matrons club. Mrs. Wilson presented each retiring officer with a gift. Mrs. Hodges was presented with a white ritual, from the past matron's club.

John H. Smith, who had been sentinal for the past 30 years, and who has retired, received a gift from the chapter. Mrs. R. H. Moore sang a solo.

Mrs. Earl Lindsley and her committee served refreshments, at the close of the ceremony. Guests were present from Detroit and Fairfield.

Youth Sunday Observed At St. Peter's Church

The Anglican Communion throughout the world observed last Sunday as Youth Sunday. Locally, the day was observed at St. Peter's Episcopal church by a service in which young people took a large part.

Ministering in the service were James Sisson, Psalm leader; Robert Laidlaw, A.S., lesson reader; David Van Tuyle, crucifer; Russell Hubbard, national flag bearer; Robert Kash, church flag bearer; Dale Lewis, server; Robert Randall and Lee Clark, ushers; Jack Tonneberger, organist; Bonnie Beasley, Sally Brown, Mary Glancy, Jo Ann Johnston and Marilyn Lindsley, choristers.

The rector, the Rev. John R. Scarlett, preached to the young people from the text from St. Paul's Epistle to the Ephesians, "Put on the whole armour of God."

Sunday afternoon the Rev. Mr. Scarlett and Lester Rogers transported a number of young people to St. Paul's Cathedral in Detroit to attend the youth service of the Diocese of Michigan at which the Rev. William Crittenden of New York, executive secretary for the Episcopal church's division of youth, preached to over seven hundred young people and their adult sponsors. Those attending from St. Peter's were Maxine and Arvilla Covell, Sally Brown, Marilyn Lindsley, Shirley and Robert Kash, Patsy Wilson and Jack Tonneberger.

Cafeteria supper, High School, October 31, starting at 6:30, sponsored by Athletic Club mothers.

Community Fund Total Hits $1,900

MORE THAN $3,000 IS NEEDED IF TECUMSEH IS TO MEET ITS QUOTA

More than $3,000 is still needed if Tecumseh is to meet its $5,000 quota in the Community Fund campaign, officially scheduled to come to a close November 1. To date, Mrs. R. H. Moore, general chairman of the drive, said, a little more than $1,900 has been contributed.

"Of course, we still must hear from some of the industries here regarding company contributions, and some of the downtown district still is to report, as well as several block chairman in the residential district, but we are a long, long way from our goal," was Mrs. Moore's comment. "Unless contributions come in more freely and more rapidly than they have in the past 10 days or two weeks, I fear that Tecumseh will not meet its quota," the chairman concluded.

The money raised by the Community Fund goes for the operation of worth-while local enterprises. of the amount raised, $770 goes in one check as this community's share of the county quota to the Lenawee County Patriotic League. Last year, Tecumseh subscribed more than $5,000 to this one organization.

Other organizations participating in the fund are the Boy Scouts, the Girl Scouts, the Camp Fire Girls and the Child Study Club and the Tecumseh Recreation Center.

"All of the money given in this campaign remains right here in Tecumseh, to be administered by the Community Fund, except for the $770 which goes to the Patriotic League," John R. Thompson, president of the Community Fund, declared. "Funds contributed remain Tecumseh's property, and will be used to finance worthwhile local organizations."

An effort is to be made by solicitors and others in charge of the campaign to greatly increase the amount of contributions before the drive is officially ended next week Wednesday.

Claire Elaine Harwood Weds Pvt. Kennard Wise

Claire Eline Harwood, daughter of Mr. and Mrs. Paul Harwood of Alma, and Pvt. Kennard Lowell Wise, son of Mr. and Mrs. Kennard Wise, were united in marriage Monday evening at 8 o'clock in the Presbyterian church in a candlelight service. The double ring ceremony was read by the Rev. James C. Murdoch, before an altar of palms, candelabra and baskets of fall flowers.

The bride, who was given in marriage by her father, wore a gown of net over white satin, with long train and a finger-tip veil, held in place by a seed pearl tiera. She carried an arm bouquet of white roes. Miss Crystal Wise, sister of the bridegroom, was maid of honor and wore a gown of yellow taffeta. Her flowers were yellow and white chrysanthemums, tied with silver and gold ribbon. Max Brandt attended Pvt. Wise as best man. The ushers were Duane Hunt of Tecumseh and W. M. Hagans of Manchester.

Mrs. Fred Dickinson played a program of wedding music before the ceremony, and the wedding march as the bridal party entered the church.

A reception was held in the church parlors for the 100 guests. Refreshments were served from a linen covered table. The cloth was an heirloom, belonging to the groom's grandmother and was used on his parents wedding table. Mr. and Mrs. Warren Finkbeiner were in charge of serving the guests by the Misses Norieene Glancy of Tested, Lois Francis and Doris Kruger.

Pvt. and Mrs. Wise left on a short trip, and he will report Thursday at Los Vages, Nevada, from where he will leave for overseas duty. Mrs. Wise will make her home with her parents in Alma. Both graduated from Tecumseh high school in 1944.

Guests were present from Alma, Pontiac, Detroit, Clinton, Saline, Adrian, Manchester, Onsted, Jackson, Ann Arbor, Brighton and Britton.

HARVEST HOME SUNDAY

Harvest Home Sunday will be observed at the Baptist church Sunday morning. The men's choir will sing a special number. Those who can are asked to contribute, and the offering will be given to a needy family.

Ted's Appliance Shop To Be Opened Here Soon

Ted Ehinger, formerly an employee of Tecumseh Products Company, has announced that he will open in the near future a new store here to be known as Ted's Appliance Shop. It will be located in the building which before the war housed the Red & White Store, on W. Chicago boulevard.

Mr. Ehringer holds the dealership for several nationally known electrical appliances, including ranges, refrigerators, washing machines, home freezers, water heaters, etc. In addition, he will sell radios, stokers and many other needs for both city and farm homes.

The store is now being remodeled and redecorated to suit the needs of the new occupant and the shop will be opened as quickly as the work is completed.

Grange Elects New Officers

ERNEST HARRIS NAMED AS MASTER; NEXT REGULAR MEETING THIS EVENING

A regular meeting of the Tecumseh Grange was held Thursday evening, at the hall. A potluck supper preceded the meeting, and the election of officers was as follows: master, Ernest Harris; overseer, Charles Patterson; lecturer, Mrs. Charles Patterson; steward, Lloyd Wagner; assistant steward, Mills Swick; chaplain, Mrs. William Grigg; treasurer, Norman McConnell; secretary, Mrs. Clarence Hunt; gatekeeper, Clayton Bigelow; Ceres, Mildred Netcher; Flora, Frances Pennington; Pomona, Beatrice Papworth; lady assistant steward, Mrs. Mills Swick; member of executive committee, Mrs. Percy Cadmus.

The next meeting will be held tonight (Thursday), with Mr. and Mrs. Charles Patterson, Mr. and Mrs. Leland Bush, Mr. and Mrs. Mills Swick and Mr. and Mrs. John Taylor in charge of refreshments.

The Halloween party and box social, which was to have been held this Saturday evening, has been postponed until the following Saturday, November 3.

Capt. Ralph Helzerman Gets Medical Discharge

Capt. Ralph F. Helzerman, practicing physician and surgeon here for several years following his graduation from the University of Michigan School of Medicine, has received his medical discharge from Percy Jones General Hospital, Battle Creek, after three and a half years of service with the Army Air Forces.

Capt. Helzerman reported to Selfridge Field and later was transferred to Pendleton, Oregon, where he served on the surgery staff for a year. He was then sent to the School of Aviation Medicine at San Antonio, Texas, and Santa Ana, Calif., and served at Oklahoma City and San Antonio, Tex., at the Army Air Fields there.

He went overseas to the Pacific last fall with the 20th Air Force and suffered a spinal injury for which he was operated a year ago. He returned to the states in January and has spent the past months in Percy Jones Hospital.

Capt. Helzerman is now on terminal leave with his wife and family in their new home on West Chicago Boulevard. After completing his leave, Capt. Helzerman will resume a limited type of practice at his old office address.

Announcement of the opening of his offices will be made later.

P. T. A. MEMBERSHIP DRIVE IS UNDER WAY

A membership drive is under way by the Tecumseh Parent-Teacher Association and is meeting with considerable success, according to Mrs. R. H. Moore, president. The membership is being solicited by the children, a fee of 25 cents paying a year's membership for a family, regardless of the number of children in school.

The room obtaining the greatest number of memberships will receive a prize, Mrs. Moore said, and this is creating a considerable amount of activity among the children solicitors.

Victory Bonds On Sale Oct. 29

TECUMSEH'S QUOTA IS $163,700 OF WHICH AMOUNT $47,200 IS IN "E"S"

The nation-wide Victory Bond drive will be launched next Monday, October 29, and Tecumseh's share of the total amounts to $163,700 of which $47,200 is in "E" bonds—bonds of small denomination.

John R. Thompson, co-chairman of the Tecumseh War Finance Committee, of which W. L. Berkhof is the chairman, announced the quota. He said that a definite campaign would be launched next week in an effort to put Tecumseh over the top as quickly as possible.

"Tecumseh made a grand showing in the purchase of 'E' bonds in the last War Bond drive," Mr. Thompson said, "and I sincerely hope that she will do so again. In the last drive, we nearly doubled our quota of E's which, I believe, was a record in Michigan."

"Tecumseh's quota is somewhat smaller in the Victory drive than it was in any of the campaigns during the active warfare," Mr. Berkhof commented, "but we still have a large amount of bonds to sell and it is going to take the cooperation of everyone. I sincerely trust that Tecumseh will meet its quota in this drive as it has in every other drive since the war began."

The quota for the county in the Victory Drive is $2,243,000. Quotas in other communities in this area are: Ridgeway, $400; Macon, $2,300. Clinton, $82,900. Britton, $6,200. Blissfield, $146,000. Hudson, $156,500.

Miss Eleanor F. Jones Weds Cleve LaMar Horine

The Martha-Mary chapel at Macon, was the scene of a pretty wedding Friday afternoon at 4 o'clock, when Miss Eleanor Dorothea Jones daughter of Mr. and Mrs. Charles F. Jones and Cleve LaMar Horine, son of Mr. and Mrs. Harry Horine of Bloomington, Ill., spoke nuptial vows before an altar of palms and fall flowers. The double ring ceremony was performed by the Rev. O. E. Priest of Clinton.

The bride, who was given in marriage by her father, wore a gown of white slipper satin with net, made princess style, with a finger-tip veil of net and lace. She carried a white Bible, with pom poms and a shower of white satin ribbon and fern. Mrs. Harold Lebon of Bloomington, sister of the groom, was the matron of honor, and wore a gown of blue and white taffeta and carried yellow and bronze chrysanthemums. The bridesmaid, Miss Ola Gates of Ann Arbor, cousin of the bride, wore a gown of fushia and wine taffeta with velvet trim, and carried pink and white chrysanthemums. Mary Lue Alderdyce, the flower girl, wore a floor length gown of blue satin. Nancy Lee Randall, acted as ring bearer and wore a floor length gown of pink satin, and carried the rings on a white satin pillow.

Mrs. Jones wore purple for her daughter's wedding and her corsage was of yellow roses and pom poms. The bridegroom's mother wore black and her corsage was of red roses and white pom poms. Mrs. M. Brumme, his grandmother of Bloomington, also wore black and her flowers were orchid and white pom poms.

A reception was held in the parlors of the chapel, for the 60 guests which included Professor and Mrs. Wilbur Humphreys, Mrs. Helen Barnard and Mrs. M. G. Gates of Ann Arbor. Later dinner was served to the immediate families at Brees House.

The bride is a graduate of the Tecumseh high school and attended the University of Michigan for two years. She also was a receptionist at the U. of M. hospital for two years. Mr. Horine is a graduate of Cooksville high school and the School of Aeronautcs at Los Angeles. He served four years with the AAF, and was overseas two and a half years. Mr. and Mrs. Horine left on a two weeks trip through the southern states and upon their return will make their home in Bloomington.

Seek To Reorganize Local Chapter, R. A. M.

Plans are being made to re-organize the Chapter 42, R. A. M., with L. W. Larsen, Lester Rogers, George Rathbun and Willard Boyd as the committee in charge.

There will be a meeting Monday evening, November 5, in the Masonic hall with a banquet preceding the election of officers. The grand high priest of Detroit and other officers of the Grand Chapter will be present to help with the reorganization.

The local chapter disbanded about four years ago.

New Home Store Will Open Here

BUTLER HOME & APPLIANCE SHOP WILL OCCUPY PART OF FORD BUILDING

The opening of a new shop, the Butler Home & Appliance Store, on Saturday, November 10, was announced today by Charles O. Butler, owner of Butler Motor Sales. The new store will occupy a part of the Ford Garage Building and will be managed by Robert Manchester, until recently employed at Tecumseh Products Company.

The new store will be the home of the Firestone Store, formerly housed in Butler Motor Sales, and in addition the shop will carry other lines of nationally advertised household and electrical appliances.

"The new building is being completely remodeled and redecorated to suit the needs of the new business and when we reopen in November we will be able to offer the public a far more complete line of merchandise than we carried when the Firestone Store was in its former location," Mr. Butler said. "The store will be separate and apart from the Butler Motor Sales, and Mr. Manchester will be in charge as the manager."

The store that will house the new enterprise formerly was occupied by Geo. H. Adamson, manufacturer of navigational time instruments. Mr. Adamson, a few weeks ago, purchased the Folk building on N. Evans street, which has been remodeled, and he has moved his offices and factory to that location.

Miss Mildred Bennett Bride of James Osburn

The Christ Epscopal church in Adrian, was the scene of a pretty wedding last Wednesday evening, when Miss Mildred Bennett, daughter of Mrs. August Woerner, and James Osburn, son of Mrs. Purnell Osburn, were united in marriage by the Rev. Gilbert A. Runkel.

The bride, who was given in marriage by her stepfather, August Woerner, wore a street length dress of beige wool jersey, with brown accessories. Her corsage was of white roses and bronze chrysanthemums. Miss Jean Osburn, sister of the groom, attended the bride and wore a tailored suit of royal blue, with white accessories. Her corsage was of white pom-pom chrysanthemums. Mr. Osburn was attended by his brother-in-law, Carl Kennel of Ann Arbor.

The bride is a graduate of the Adrian high school with the class of 1945, the groom graduated last June, from the Tecumseh high school. At present they are making their home here with his mother, Mrs. Purnell Osburn. He is employed at Hart's Market in the A. & P. store.

Wit and Wisdom Club Enjoys Carlton Program

The Wit and Wisdom Club met Monday evening, October 22, at the home of Mr. and Mrs. W. G. Waldron with Mr. and Mrs. Fred Sheldon assisting. After a brief business meeting, conducted by the president, Fay VanValkenburg, a program followed, and was announced by Mrs. Sheldon. Assembly singing by the club; "The Life of Will Carlton" by Mrs. H. H. Loveland; Mrs. Norman Hagadorn of Adrian, sang a group of songs, "At the Close of Day," "If God Left Only You" and "The Alice Blue Gown." A reading, "The Lightening Rod Dispenser" by Mrs. Blair Bashore; solo, "Thy Sentinel Am I" by Glenn Van Denburg; reading, "Farmer Stebbins on Wheels," by Mrs. Hoyt Whelan; two piano duets, "Love Song" and "Good-night" played by Mrs. W. G. Waldron and daughter Winona. This program was given in honor of Will Carlton's 100th birthday anniversary which was October 21. The hostesses served refreshments.

GAME SUPPER

The Eagles and members of their families will meet in their hall Friday evening, October 26, for a game supper. An entertainment has been planned and the remainder of the evening will be spent in dancing.

Tecumseh Meets Dutchmen Friday

INDIANS STILL HAVE CHANCE TO WIN OR TIE FOR COUNTY LEAGUE TITLE

STANDINGS

	W	L	T	Pct.
Morenci	2	0	0	1.000
Clinton	2	1	0	.667
Hudson	2	1	0	.667
TECUMSEH	1	1	0	.500
Manchester	0	1	1	.000
Blissfield	0	3	1	.000

by Jim Sisson

After winning one league game, and losing one, the Tecumseh football eleven still holds a chance for first place in the Lenawee County Athletic Association.

The Braves dropped their opening contest in the conference standings to Hudson who nipped them 6-0 on a wet and slippery field. But the Teepee Boys came back and walloped Clinton 19-0 to mark themselves with a .500 average. Clinton, in turn, set back Hudson last Friday with a 20-0 defeat while Tecumseh remained idle.

Now Morenci, the dark horse in the race, pulls ahead with two victories in league play. But the Bulldogs have not yet met the power teams of their schedule and will have to stand up to Clinton, Tecumseh, and Hudson in succession. With these coming battles anything can happen—there may be a three-way tie for championship among any of these teams or some squad may pull out on top by itself.

At 8:15 tomorrow night the Indians meet the Manchester Dutchmen at the Athletic Center for Tecumseh's third league encounter. The Dutchmen have yet to win a conference contest but have shown considerable power in their previous contests. The Manchester eleven held Blissfield to a scoreless tie and were downed by Morenci but their appearance against Dexter showed much improvement. After being robbed last season of a tie for championship by being held to a 13-13 tie by the Dutchmen, the Indians have a year-old grudge to settle. And with Manchester out after their first league victory, the battle promises to be very interesting.

Not much in the spotlight are the Tecumseh Reserve eleven who have played three contests in the season so far. Losing their opener to Dundee, the Indians came back to whip the same squad 19-7. And a week ago Wednesday they also trampled the Morenci Seconds 26-0. The next encounter for the B eleven will be played with Milan, at 10 a.m., on Saturday, October 27.

Mrs. L. W. Larsen Is New Garden Club Head

Mrs. L. W. Larsen entertained the Garden Club in her home, Friday afternoon, with Mrs. John R. Thompson and Mrs. R. S. Moore assisting. This was the last meeting for the year, and officers for the next year were elected as follows: president, Mrs. L. W. Larsen; vice president, Mrs. Thomas O'Hara; recording secretary, Mrs. Geo. Green, Sr.; corresponding secretary, Mrs. C. C. Ruppel; treasurer, Miss Agnes McWilliams.

Reports of the regional convention which was held in Monroe, were given by the five members who attended, Mrs. Larsen, Mrs. Ruppel, Mrs. O'Hara, Mrs. R. S. Moore and Mrs. Charles Kempf. It was decided to hold a Christmas tea in December at the home of Mrs. O'Hara. No date was set. Mrs. Bees, of Monroe, read a paper on "Christmas Greens." Mrs. Neil Pearson had samples of chrysanthemums that she had raised and gave their names and history of the different varieties. The hostesses served tea to the 25 guests.

MUSIC CLUB MEETS

Mrs. Harley McConnell entertained the Music Club in her home, Tuesday evening, with Mrs. Lyle Grigg assisting. The program was in charge of Mrs. McConnell and was of modern music.

In conclusion refreshments were served by the hostesse. The next meeting is to be held November 27, with Mrs. R. S. Moore in charge. The theme will be "Indian Music."

HONOR BRIDE-TO-BE

Mrs. E. J. Aebersold and daughter Mrs. Hope Smith, entertained Saturday evening at a 6:30 dinner and kitchen shower for Miss Jeanie O'Pravil, whose marriage to George Hanasack is to take place in the near future. The evening was spent socially and the honored guest received a shower of useful gifts.

THERE'S STILL TIME

One thing that American people might as well face is the fact that while responsible officials of our government are giving lip service to the idea that free enterprise should be encouraged in order to perpetuate liberty and independence, they are also seeking to establish political programs in the U. S. which, by their very nature, will hamstring the successful functioning of private enterprise.

Both England and France had to be saved from Hitler's national socialism, and yet both of them are deliberately turning to his political philosophy under which the people become wards of the state —that is, they become dependent on the state for their jobs, their housing, their very lives.

We cannot object to England and France adopting socialism if that is their desire, but when they ask us to help finance it, and when leaders in our own government try to lead the American people along similar lines, American citizens have a right to object while they still have the privilege.

Let's keep America American until we see how one of the new socialistic dictatorships turns out. Just because they are not of German origin won't make them any sweeter in the long run than under Hitler.

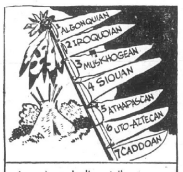
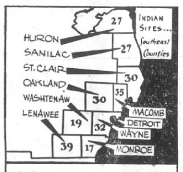
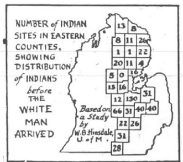
Michigan and the Old Northwest—"Our Indian Population"



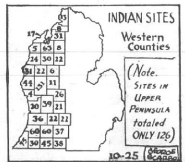
American Indian tribes may be grouped, as their speech differed by locality.



Before white men arrived Indians usually lived where food was most at hand.



Their food included meats, corn, beans, wild rice, pumpkins and berries.



Where soil was not fertile they were fewer; they moved as seasons changed.

Are You Saving NOW for Your Future Needs?

* * *

Are you thinking about tomorrow? The time when you may need additional money because of sickness, accidents, unexpected emergencies?

The way to plan for that "tomorrow" is to save regularly a part of your earnings by placing the money in a savings account in this bank.

Open an account this week or next pay-day. **All** that you need is a small amount to start. Then, each week or each pay-day, add to the account.

You'll be surprised how rapidly your account will grow. And, you'll also be surprised how much genuine satisfaction there is in having such an account.

Do it this week! Don't delay longer.

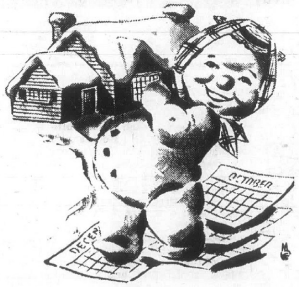
COLD MONTHS COMING



Is Your Roof Ready for Winter?

First protection against winter's cold blasts is to see that your roof is in tip-top condition. A leaky roof, a roof that will not withstand rain, ice and snow will not protect the investment that you have in your property, to say nothing of the discomfort and inconvenience.

We are in a position to furnish you with fire-resisting asbestos and composition shingles or, if you prefer, we have high quality wood shingles.

Don't delay longer. Now is the time to repair your roof, or lay a new one, before winter sets in.

Gambling kept him poor!

Canada Bill Jones was known as the cleverest three-card monte operator on the river, back in the heyday of the Mississippi's floating palaces.

But he stayed poor, because his passion for gambling was too great.

Marooned in a Louisiana village, Canada Bill found a faro game in a barber shop. After a few plays, his partner warned him the game was crooked. "I know it," Canada Bill replied, "but it's the only game in town."

Like Canada Bill Jones, you'll find the cards stacked against you, too, if you gamble your car against the weather. When the temperature drops suddenly, driving even a few miles without proper winter-conditioning can cause costly damage.

Right now is none too soon to prepare your car for cold weather. Your Standard Oil Dealer is trained to do the job right. Drive in *now*, for your Standard Oil Dealer's 10 Star Fall Tune-up.

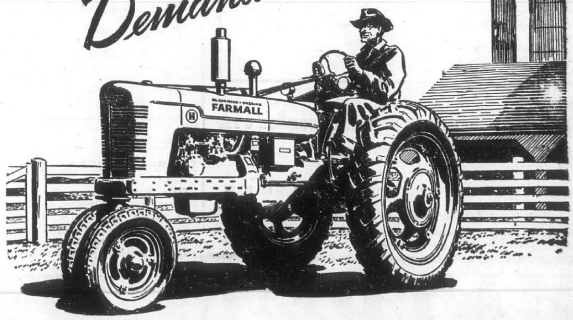
Postwar Agriculture Demands



THE RIGHT TRACTOR FOR THE PARTICULAR JOB

THE proverbial Jack-of-all-trades was master of none. The modern world of science and technology passed him by.

The same principle applies to farm tractors. The tractor that does a wide variety of jobs unsatisfactorily can't possibly produce the greatest results at the least cost in any job.

But that's what the farmer—particularly the small operator—has got to do to meet postwar competition: he's got to *produce the most food possible with the least effort and, consequently, at the lowest cost.*

The farmer with 10 acres in truck crops needs one kind of tractor. The farmer with 100 acres in wheat alone needs another kind—or, as is usually the case, two or more different tractors. The tractor which does a good job on the Great Plains may be useless in the rice territory. And so it goes.

Conditions of climate, the lay of the land, and the character of soils in the different parts of this vast country, together with wide variations in the nature of crops and the size of operations, combine to produce wide differences in the requirements for tractors. Harvester's policy is to meet *all* these requirements.

That is why Harvester's postwar line includes a great variety of Farmalls and other specialized tractors and attachments rather than a single tractor with a single system of tools. Every tractor in the line was developed after scientific research and testing under actual operating conditions showed the specifications needed for *efficiency* and *economy.*

Every *Harvester-built* tractor is the *right* machine for its *particular* job.

"For the last time, America, buy extra bonds."
"They finished Their Job. Let's Finish Ours."

These and other catch phrases have been dinned into your mind at work, at play and at home by a mighty barrage of advertising and promotional devices.

How well you have responded only you can truly answer. The drive totals, national and local published in today's editions, reveal your record. Your future personal well-being is most affected by how many extra Victory Bonds you have purchased.

But is your bond buying job done even if you have gone the limit of your present income and resources? The job of investing new savings wisely is never finished. Thrift is just as vital in peace as in war. Keep buying your government's savings bonds.

THE "Quonset 20"

Here is a 20'-wide steel building, available in various lengths to meet your needs, that gives you *steel construction at its best.* The sturdy, adaptable "Quonset 20" is fire-safe, rot-proof, sag-proof, termite-proof and age-resistant—"better from the ground up"—*yet it costs no more* than an ordinary building of comparable size.

We ask you to inspect the "Quonset 20" foot by foot and feature by feature, and see how much more value it offers for the money. The interior is clear-span, permitting full use of every inch of space. The framing is sturdy, efficient Stran-Steel arch-rib construction—uniform in quality and strength—with its patented *nailing groove* that permits exterior covering and interior fixtures to be *nailed directly* to the framing members, simply and permanently. The siding and roofing are high-quality sheet steel, proof against wind, weather, fire and dry-rot . . . easy and economical to maintain.

Safeguard your farm profits and property with these stronger, longer-lasting, fire-safe buildings. *Tested and proved* in the tens of thousands of military "Quonsets" produced by Great Lakes Steel Corporation for the armed forces, the "Quonset 20" and the larger "Quonset 40" are available now to meet your building requirements . . . let us give you complete information on them.

"Quonset" buildings and Stran-Steel framing are products of Great Lakes Steel Corporation, a unit of National Steel Corporation

IF YOU NEED A LARGER BUILDING . . . THE "Quonset 40"

40' wide and in lengths to meet requirements; clear-span interior through Stran-Steel arch-rib construction; four windows, ventilating louvers and 12'x12' free-rolling door in each end-panel; sheet steel exterior. Additional windows can be accommodated simply on sides—standard insulating board can be nailed directly to the interior of Stran-Steel arch ribs. Fire-safe, low-cost; low maintenance, ready to erect.

SOFT CORN IS DANGEROUS

Do not let the feeding of soft, immature corn lower the resistance of your fattening hogs. It is the opinion of some people that the feeding of soft corn causes Hog Cholera. But due to the low feeding value of the soft corn, the resistance of your fattening hogs is lowered to the point where they are more "susceptible" to diseases such as Hog Cholera.

In order to guard against this condition, when feeding soft corn be sure that you are feeding the proper amount of

HAYDEN'S HOG BALANCER

Hayden's Hog Balancer is fortified with the proper elements to keep up their resistance. With this Balancer added to your soft corn your pigs will keep on producing profitable pounds of pork.

Your Wheel Alignment is Vital to Tire Wear—

The mileage that you get out of your tires is, in a large measure, dependant upon the alignment of the front wheels of your car.

When wheels are out of alignment, tires wear unnecessarily. They do not wear evenly. One side or the other of the tire tread wears off much faster than the other.

Inspect your tires. If they show uneven wear bring your car to us for a correction.

FAULTY BRAKES WEAR OUT TIRES, TOO!

Yes, brakes that grab also wear out tires much faster than brakes that hold evenly. Let us repair your brakes the LEMCO way. We'll install new linings that will wear and wear and give you guaranteed satisfaction.

CINDERELLA GOES TO THE GOLD BRAID BALL
(1945 EDITION)

Cinderella was a miss
Of face and form most classy;
Soldiers, sailors and marines
Called her their pin-up lassie--
Cinderella charmed them so
Weekly at the U.S.O.

But Cindy's cruel stepma frowned
On such a social whirl;
One night at dinner she announced:
"No further dates, my girl--
There's housework to be done, and you
Will stay at home until it's through!"

"But Mom--tonight's the Gold Braid Ball!"
Poor Cinderella cried;
"Three cheers! More admirals for us!"
Her stepsisters replied,
"We'll dance away our rationed soles
Before the stroke of midnight tolls!"

They left--and Cindy faced her chores
Without one single tear;
She mused, "It's Power that I need
To help me out, I fear;
My time is brief--each passing minute
Holds a waltz or conga in it!"

She flipped a switch--and kilowatts
Came rushing to her aid--
In no time all her tasks were done!
Our clever little maid
Then hastened to the Gold Braid Ball
And was the Beauty Queen of all!

And housewives who are wise will heed
The moral of this rhyme--
Electric service waits your touch
To save you toil and time--
Dependable--and price is low--
Folks in this company keep them so!

LEWIS
SUPERHEATERS
A Revelation In Modern Oil Heating

This new radiator-like stove heater radiates heat across the floor without deflectors or fans.

This heater is so constructed that distillate is converted into "oil-gas" by superheated air, offering unusual economy through the whirling "Sirocco" burner.

You must see this new oil burning stove to fully appreciate it. Just the right size for office, gasoline service station, or small home. Has the capacity for heating more than 5,000 cubic feet of floor space comfortably regardless of outside temperature.

If it's economy that you are seeking, see this stove. There are no wicks to clean, feed cannot clog. It is quiet and odorless.

You'll like the low price, too, of only $79.00.

THE TECUMSEH HERALD

NINETY-SIXTH YEAR—NUMBER FIVE | TECUMSEH, MICHIGAN, THURSDAY, NOVEMBER 1, 1945 | FIVE CENTS PER COPY

Community Chest Fund Still Lags

NEARLY $3,000 IS STILL NEEDED TO REACH $5,000 QUOTA IN TECUMSEH

Unless a miracle happens, Tecumseh will fail to meet its $5,000 quota to the Community Fund.

If it does fail, it will be the first time since the beginning of World War No. 2 that Tecumseh has been unable to meet any patriotic quota, be it War Bonds, Red Cross, Community Fund or Blood Bank.

To date, Mrs. R. H. Moore, general chairman, said, Tecumseh has subscribed only $2,077 of its $5,000 quota. The drive ends November 1, and only a few solicitors remain in the unreported column.

"We may be able to reach the $3,000 mark, if last minute calls yield contributions large enough, but even that amount would leave us $2,000 behind the original quota. We intend to make every effort possible to increase the amount as much as we can, but it now appears very likely that this community will fail to reach its goal," Mrs. Moore concluded.

While some contributions to the Fund this year are larger or as large as they were two years ago, many others are decidedly smaller, a canvass of solicitors' records show. Then, too, it was said, some others have completely overlooked the campaign.

The local Community Fund this year assumed the quota of the Lenawee County Patriotic League and instead of operating two campaigns, one for the League and one for the Fund, they were joined in a single effort. When the Fund campaign is finished, $770 of the money raised will be sent to the League headquarters at Adrian as Tecumseh's quota to that organization. The remaining money will stay here to be used by local organizations.

Participating in the Fund here are the Boy Scouts, the Girl Scouts, the Camp Fire Girls, the Tecumseh Recreation Center, the Child Study Club and worthy emergency welfare cases. The fund is administered entirely by a board composed of Tecumseh residents.

Will Install Officers of R. A. M. Chapter Here

Mrs. Lena Pennington Is Buried at Chelsea

Mrs. Lena M. Pennington, aged 65 years, wife of William Pennington, died Friday morning in the Saline hospital. She was born December 26, 1879, at Pinckney, and spent most of her life at Macon.

She is survived by four daughters, Mrs. Margaret Crittenden of Saline, Mrs. Anna Lewis of Jackson, Mrs. Vera Lemerand of Britton and Mrs. Rose Covell of Ridgeway; three sons, Louis of Jackson, Glenn of Ridgeway, and LaVern of Macon; 15 grandchildren and two brothers, Joseph Dryer of Chelsea and Edward Dryer of Jackson.

Funeral services were held Monday afternoon in the Niblack Funeral Home at Britton, with burial in the Chelsea cemetery.

SCOUTS SAY THANKS

Tecumseh Boy Scouts and members of the Scouting committee, today expressed their thanks to everyone who has assisted the organization during the past two years. Special thanks were given to Fay Whelan, who assisted the Scouts with paper drives, as well as to Paul Maves, A. W. Porter, Clarence Beach, Halsey Eggleston and the Troop Leader, Bert Dannells. The Cameron Drug Co., also was thanked for its several donations of equipment to the Scouts.

PAST CHIEFS CLUB

The Past Chiefs Club was entertained Monday evening in the home of Mrs. Verdi Skinner, with Mrs. James Brady, jr., assisting. During the business meeting it was voted to give $2 for the Community Fund. Later, games were played, with prizes being won by Mrs. Dora Aten, Mrs. Ethelinda Church and Mrs. Esther Beckman. Refreshments were served.

FAIR AND SUPPER

The Pythian Sisters are sponsoring a fair and cafeteria supper in the K. of P. Hall, Witherall building, today and this evening, for the benefit of the building fund. The lodge hopes, in the not-to-distant future, to establish a new community room or building, looking especially toward special activities for local youth.

BROWNIES PICNIC

Hundreds See New 1946 Ford

The new 1946 model Ford car went on display last Friday at Butler Motor Sales, local dealers. Hundreds of persons saw the new model, the first to be displayed locally since the war by any motor manufacthrer.

New Chevrolet Cars Will Be Shown Soon

Louis S. Schneider, Chevrolet dealer here returned from Detroit today where he attended a preview of the new 1946 Chevrolet at the company's zone headquarters. He was reluctant to discuss the mechanical and style features of the new car, but it is apparent that he expected the formal announcement and public showing of the car to be at an early date.

Mr. Schneider said he and other dealers in the area are confident that the 1946 Chevrolet will maintain its volume sales record, which Chevrolet reached in 10 of the last 11 prewar years of automobile production, to meet the unprecendented pent-up demand for new cars.

Following the same policy as in former years, the new Chevrolet will be displayed simultaneously in dealers' showrooms throughout the country, Mr. Schneider said.

Radio and local newspaper announcements will be made, telling when prospective customers may see the new car for the first time. These announcements are expected to be good news to motorists and to dealers, alike.

Cadet Nurse Speaks To Local Girl Scouts

Troop 2, Girl Scouts of America met Wednesday in the parish house of St. Peter's church. Miss Betty Ann Huey, a senior cadet nurse from Henry Ford Hospital, Detroit, who is spending three months in training in the Tecumseh Hospital, was the speaker. She gave a talk and demonstration on infant care which will enable the girls to partially fulfill requirements for their child care badge.

Bonnie Beasley and Shirley Teske acted as hostesses and served chocolate milk and cookies.

DANNELLS ENTERTAIN HONORING HER SISTER

Mr. and Mrs. M. L. Dannells entertained a group of thirty-five relatives Sunday, at a dinner in celebration of the 50th wedding anniversary of her sister and husband, Mr. and Mrs. George Deter of LaGrange, Ind. The dinner was held in a cafe in LaGrange and open house was observed in the Deter home in the afternoon with 100 guests calling. A three-tiered gold cake centered the lace covered table which was served with gold punch for the reception. Mr. and Mrs. Dannells, Mr. and Mrs. B. C. Dannells, Mr. and Mrs. M. L. Dannells, Jr., and Gordon Rieman attended from Tecumseh. Miss Barbara Dannells from Albion College and Mr. and Mrs. G. Robert Dannells of Toledo also were guests.

CARL RODIE DIES SUDDENLY ON THURSDAY

Carl Rodie, 48 years old, an employee at the Meyer Aircraft Co., was found dead in his bed about noon Thursday, in his rooming house on W. Shawnee street. He had not been well for some time, but had worked the night before, as usual.

He is survived by one brother and one sister, who live near Ann Arbor. Funeral services were held in Ann Arbor.

Braves Trounce Dutchmen, 60-0

TO MEET MORENCI, THERE, TOMORROW, TO PLAY-OFF TIE IN LEAGUE

by Jim Sissen

Coach Fred Raizk's Tecumseh Indians really turned on the heat last Friday night to grasp their sweet revenge from the invading Manchester Dutchmen 60-0. Last season, the Indians were cheated out of a tie for championship but the lowly Tecumseh boys have now evened the count, and then some, as they ran up the highest score of the season, and several seasons back.

Wasting no time, Tecumseh carried the ball over in successive plays from the first and each time they took possession of the pigskin, excepting once when they fumbled, more markers were added to their total. Fourteen points set the home boys out in front in the opening period and three more touchdowns with two conversions pushed the margin to 34 markers at halftime.

The Dutchmen never had a chance as the powerful Orange and Black offenive never let up. Thirteen more points were racked up in the third period and the same amount totaled 50 in the final quarter.

Poley started the scoring with the first touchdown and was credited with plunging another and passing to Baker and Randall for two others. He also tallied an extra point. Baker, besides scoring on Poley's pass, skirted around and through the faltering Manchester line for two T. D.'s and a conversion. Barber also contributed his share to the Tecumseh cause by driving into the end zone twice and a third time for an extra point. Murdoch passed to Sisson for the other points including an aerial for a conversion.

The Tecumseh reserves, too, saw plenty of action except the Freshmen group who had a game scheduled the following morning with Milan. This contest was roughly played and turned in favor of the opponents 19-7.

These wins keep Tecumseh still up in the league standings although they are not on top because only three games have passed on their schedule of conference meetings. Although the Indians had lost a game early in the season and may end up in only a tie for championship, there is little doubt in most spectators' minds but that Tecumseh is the leading eleven in the conference.

Tomorrow night, the Redskins travel to Morencf for their encounter with the Bulldogs who are tie with the Braves in the league and who have caused them much trouble in the past. As past experience shows, they are still capable of upsetting any team and will force the Indians to keep on their toes.

PRESBYTERIAN LEAGUE

The Presbyterian League will meet Tuesday evening, November 6, at the home of Mrs. Bert Oosterhout, with Mrs. Harold Wilson and Mrs. Charles Kempf assisting. Ethel Truesdale will be in charge of devotions and Cora Pfaus is chairman for the program. Members are asked to bring a gift for the primary Sunday school room.

THANKS TEA

The W. S. C. S. of the Methodist church will have a Thank Offering tea Wednesday, November 7 at 2:30 in the church parlors. The public is invited. The Rev. John W. Obee will tell of his experiences while a resident of Japan. Special musical numbers will also be given.

AUXILIARY TO MEET

The American Legion Auxiliary will hold their regular meeting Monday evening, November 5, at the home of Mrs. Ethel Goddard, 207 W. Chicago Blvd., with Mrs. Irene Wilson assistant hostess.

Missing Pilot Gets 2 Honors

LIEUT. CHARLES WILSON AWARDED DISTINGUISHED FLYING CROSS, GOLD STAR

Lieut. Charles W. Wilson, fighter pilot in the Pacific area and who has been missing since last April, has been awarded the Distinguished Flying Cross and the Gold Star and the decorations have been received here by Mrs. Wilson who, with their two children, reside on W. Chicago boulevard.

Lieut. Wilson, son of Mr. and Mrs. Leon Wilson, formerly of Tecumseh, now of Gaylord, joined the Naval Air Corps soon after his graduation from Michigan State College in 1941. In an encounter with the Japs early last April, his plane was hit and burst into flames. He drove the ship into the sea, and searching parties failed to find the officer afloat on the water. The sea, however, was extremely rough.

The citation accompanying the Distinguished Flying Cross reads:

"For heroism and extraordinary achievement in aerial flight as a pilot in Fighting Squadron Forty-five, attached to the U.S.S. San Jacinto, in action against enemy Japanese forces in the Formosa, Philippine Islands, French Indo-China, Haian, Nansei Shoto, Tokyo, Iow Jima, Kyushu and Koebe Areas from January 4 to March 28, 1945. Courageous and unwavering in the performance of duty, Lieut. Wilson boldly participated in twenty-strikes against enemy shipping, airfields and installations, inflicting extensive damage on the targets assigned. His outstanding skill and cool initiative were contributing factors in the success of his squadron throughout this period of intense hostilities against the Japanese forces and his aggressive fighting spirit and heroic conduct in the face of grave peril reflect the highest credit upon Lieut. Wilson and the United States Naval Service."

The citation accompanying the Gold Star, issued in lieu of the Third Air Medal, reads:

"For meritorious achievement in aerial flight as a pilot in Fighting Squadron Forty-five, attached to the U.S.S. San Jacinto in action against enemy Japanese forces in the Formosa, Philippine Islands, French Indo-China, Hainan, Nansei Shoto, Kyushu, Tokyo, Iwo Jima and Kobe from January 4 to March 21, 1945. Boldly participating in fifteen strikes against enemy shipping, airfields and installations, Lieut. Wilson carried on gallantly in the face of extreme danger and, by his outstanding skill and courageous performance of duty, contributed materially to the extensive damage inflicted on the targets assigned throughout this period of intense hostilities against the Japanese. His valiant fighting spirit and heroic conduct during the fulfillment of these hazardous missions reflect the highest credit upon Lieut. Wilson and the United States Naval Service."

The citations are signed by Jas. Forrestal, Secretary of the Navy.

Miss Ruth Ramona Sipe Bride of Richard Brighton

Mr. and Mrs. Otto Sipe are announcing the marriage of their daughter Ramona, to Richard Brighton, son of Mr. and Mrs. Emmet Brighton of Route 1, Tecumseh, which took place Saturday evening October 27 at seven o'clock. The double ring ceremony was read by the Rev. Norman Mac Naughton, at his home in Adrian, in the presence of the parents of the bride and groom.

The bride is a graduate of the Tecumseh high school, with the class of 1941 and until recently has been employed at the D. and C. store. The groom, for the past four years, has been in service, with the 33rd Armored Division, 22 months of which was in the European theatre. He received his honorable discharge in Auguest, and is employed at the Hayden Mill.

The couple will make their home in Tecumseh.

HOME FROM ARMY

Pfc. Paul Covell of Fort Benning, Georgia, has been discharged from the service. His brother, Pf/Sgt. Carl Covell arrived October 19, from Samoa and is spending a 30-day furlough with his family, before reporting to New River, North Carolina. Both boys are the sons of Mr. and Mrs. Clem Covell.

DIES IN URBANA

Word has been received here of the death of Edward Olin Wood, Jr., of Urbana, which occurred October 20. He is survived by his wife, Helen Conklin Wood, and two sisters in Los Angeles, California.

BULLETIN

Fifteen German prisoners of war were killed, 14 of them instantly, when the transport truck in which they were riding was hit by a westbound N.Y.C. passenger train at a crossing about a mile east of Blissfield, at 4:40 p.m., Wednesday.

Twenty-four P.W.'s, an Army guard and the truck driver, Pascual Martinez of Blissfield, were in the vehicle when it was hit. The guard and driver are in a critical condition. Of the 11 survivors, five are in Bixby hospital, Adrian, and six in a Toledo hospital.

The P.W.'s had been at work in a beet field in the Blissfield area and were being returned to the camp when the accident happened.

All of the dead were removed to the Prisoner of War camp. Coroner Ed M. Braun of Adrian, state police and sheriff's officers are conducting an investigation.

$163,700 Bond Drive Launched

EARLY SALES INDICATE THAT TECUMSEH WILL MEET ITS VICTORY LOAN GOAL

While it is still too early to make an accurate prediction, W. L. Berkhof, chairman, and John R. Thompson, co-chairman, of the War Finance Committee here, seemed confident today that Tecumseh would meet its Victory Loan quota of $163,700, of which amount $47,200 is in "E" bonds.

"Victory Bonds are beginning to sell in Tecumseh, in fact there were a number of opening day buyers last Monday, and I feel confident that this community will not lag behind in its sales," was Mr. Berkhof's comment. "In the previous loans, we bought bonds to help finance the war effort. We bought them generously. Tecumseh never failed to meet and to exceed its quota.

"Now comes the Victory Loan, the loan that will supply the cash needed to return the boys to their homes, to make it possible for our government to do a job of rehabilitating them," Mr. Berkhof continued. "This cash is urgently needed because there is still a tremendous job to be done. I'm sure that Tecumseh realizes this need and that it will buy the bonds generously."

Nation-wide, the quota in the Victory Loan campaign is eleven billions of dollars. Lenawee county's share of the quota is $2,243,000 of which amount the City of Adrian bears more than 50 per cent.

Tecumseh's quota in this drive is considerably smaller than it has been in any previous loan, this being especially true in the amount of "E" bonds. In the last War Bond drive, Tecumseh nearly doubled its quota in the sale of "E" bonds.

Quotas in communities in this area are as follows:

Clinton, $62,000; Macon, $2,300; Ridgeway, $400; Blissfield, $146,000; Hudson, $156,500.

FUNERAL SERVICES HELD FOR THOMAS J. RIXOM

Funeral services were held Saturday afternoon at the Niblack Funeral Home in Britton for Thomas J. Rixom, 62, who died suddenly at his home near Britton, last week Tuesday morning. The Rev. Mr. Hallauer of the Britton Congregational church officiated and burial was in the family lot in Ridgeway cemetery.

The bearers were Donald Gieske, Raymond Puffer, Dr. Wm. Britton, Richard Karner, Kenneth Kanow and Wilton Gittus. Friends and relatives attended from Ontario, Canada, Detroit, Toledo, Monroe, Dundee, Milan, Blissfield, Tecumseh, Adrian, Ypsilanti, Ann Arbor, Clinton and Tipton.

PLAN TO REMODEL M. E. CHURCH KITCHEN

The Semper Fidelis class met Tuesday evening with Mr. and Mrs. Vernon Rupp, for a Halloween party. Ray Krempel, president, conducted the business meeting. Plans were made for a rummage sale to be held November 9 and 10 with the proceeds to be used for remodeling the Methodist church kitchen. Sam Lykken was made chairman with the men of the class to help him with arrangements. The next party will be held November 27, at the home of Mr. and Mrs. Robert Bryan with a box social.

KITCHEN SHOWER

Mrs. Leon Johnston entertained a group of ladies, of the Friends church Thursday evening, honoring Mrs. Richard Woodcox with a kitchen shower, for their new home which they recently purchased. The evening was spent socially and the hostess served refreshments.

Spooks Parade Enjoyed By Kids

HALLOWEEN CELEBRATION HERE ALSO INCLUDED THEATRE PARTY AT STRAND

The ghosts and goblins were out in force last evening—hundreds of them—when Tecumseh's younger generation participated in the annual celebration of Halloween, sponsored by the Rotary Club, assisted by the Community Fund and the Village Council.

The program of entertainment got under way about 7:30 when a parade, headed by the Tecumseh High School Band, formed on North Pearl street. The costumed merry-makers, ranging in age from four years to high school seniors, marched through the business district, past a judges stand, and at Ottawa street, countermarched back to the Strand theater where a full-length show awaited them through the cooperation of Walter Nichols, the manager.

At the theater, prizes of cash were awarded to the winners of the costume parade. The winners were selected by a group of judges from the Parent-Teacher Association and the Child Study Club. The judges were Mrs. Percy Bowen, Mrs. Walter Pfaus, Mrs. Albert Bagshaw, Mrs. Virgil Tucker, Mrs. Hoyt Raymond and Mrs. W. N. Winfield.

A cash prize of $2 was given for the youngest boy and the youngest girl in costume, the most comically dressed boy and girl and the most cleverly dressed boy and girl.

In years before the war, the Rotary club sponsored party has generally included a bonfire at the school park, a weiner roast, doughnuts and cider. This year, however, because of the shortages of food, it was necessary to abandom that type of program. It is understood that Rotary plans to return to the former type party, if possible next year.

This year's party was in charge of the Rev. B. O. Bashore as chairman. He was assisted by a committee of Rotarians including Paul Maves, W. L. Berkhof, Clyde Barber, Lester Rogers, LeRoy Tibby, E. M. Campbell, Bruce Hoffman, Leslie Becker and A. L. VanWinkle.

The purpose of the party was to eliminate vandalism and destruction of property in the village on Spook's Night.

Miss Margaret Exelby Weds Edward Leighton

A pretty wedding ceremony took place in the Christian church at Britton Saturday afternoon at four o'clock when Miss Margaret Alice Exelby, daughter of Mr. and Mrs. Ford Exelby of Britton, became the bride of Edward Leighton, son of Mr. and Mrs. Edward Leighton of Tecumseh. The double ring service was performed by the Rev. Gerald Hallaur before an altar decorated with flowers, palms and lighted tapers.

The bride, given in marriage by her father, wore a white satin and net gown, a floor-length fingertip veil, caught with a tiara of pearls and carried a bouquet of roses, orchids and stephanotis. Mrs. Robert King, jr., of Adrian, matron of honor, wore a blue taffeta gown and carried Johanna Hill roses. The bridesmaid, Miss Louise Leighton, sister of the groom, wore a pink dress identical to that of the matron of honor and carried blue chrysanthemums and white carnations. Miss Polly Ann Eberhardt, cousin of the bride, as junior bridesmaid, wore a yellow dress, and little Patricia Kay Eberhardt, three years old, wore a floor length dress of pink taffeta and carried white chrysanthemums and pink rosebuds. Joseph O'Pravil of Tecumseh, attended the bridegroom.

Mrs. Exelby, the bride's mother, wore a black dress with light blue beaded trim and Mrs. Leighton, mother of the groom, also chose black for the wedding. Each wore corsages of pink roses.

Mrs. Melva Weichner presented a program of organ music and Miss Joyce Keibler of Adrian sang "Because," and "I Love You Truly." The ushers were Elmer Eberhardt and Willard Exelby, S1/c, brother of the bride, who made a surprise trip home, flying from Key West, Fla.

Some 150 guests attended a reception in the church parlors after the ceremony. Mrs. Glen Gripton served the wedding cake and Mrs. Stanley Smith and Mrs. Gerald Benedict presided at the coffee urns. The newlyweds left immediately afterward on a trip in Northern Michigan.

Mrs. Leighton is a graduate of Britton high school, the State Normal College at Ypsilanti and is a teacher in the Adrian schools. Mr. Leighton graduated from Tecumseh high school, and recently was discharged from the Army after four and a half years of service, mostly in Europe. He is employed at Tecumseh Products Co.

TOMORROW'S FAILURES

There are two types of individuals operating both big and little business today. One group is composed of tomorrow's successful men, the other, tomorrow's failures.

"Making hay while the sun shines," is an old saying that applies in almost every walk of life today. Especially is this true of business and professional men who are meeting the public daily.

Now, while customers and clients are plentiful is the time to make friends. And the best way to make friends is to give the best possible service even though swamped with work and business.

Tomorrow's failures are busy ringing up sales—and making enemies by discourteous, inefficient treatment of those who tolerate such conduct because they have no choice at the moment.

And as sure as the sun rises and sets, these who are digging their own business grave through ill treatment of customers, will be the loudest critics of tomorrow's successful business men. The old charges of monopoly and unfair trade practices will fly thick and fast, one of these days.

Perhaps when that time comes, the public will remember what it endured during the war boom. It will remember the indifferent treatment, and the surly folk who brushed them off.

Yes, tomorrow's failures are busily at work today, too busy to make hay while the sun shines.

Pay Bills Promptly, and Pay them by Check

* * *

Persons who desire to keep their credit good should pay their bills promptly and, the business-like way to pay them is by check.

Why don't you open a checking account in this bank and pay your bills "the business-like way?" A checking account enables you to keep an accurate record of your expenses; your cancelled checks are a permanent receipt of payments you have made; and your check stubs tell you instantly when and what for you spent your money.

With a checking account, you can send money through the mail without fear of loss.

with Storm Sash and Insulation

Save up to 30%

in Heating Cost!

Yes, you can save up to 30% in the cost of heating your home this winter if you will install insulation and storm sash. Those figures have been proved by heating engineers.

And, insulation not only works for you in cold weather, by keeping your home warm and comfy, it does double duty. In the summer, it keeps out intense heat, making your home much cooler—more liveable.

Ask the man who has insulated. He'll tell you a far more convincing story than we can.

We Generally Can Give
One Week Cleaning Service

When you send your garments to us for cleaning and pressing, we generally can give you "one week service" regardless of the amount of work your clothing requires.

We are proud of this prompt service and we believe that our customers like it, too. In a large measure, we attribute our steadily growing business to the fact that the folk in Tecumseh and its trading area have learned that they can depend upon us for prompt delivery as well as the assurance that when we return clothing to them, it is faultlessly cleaned and pressed.

Send us your next bundle of clothing for service. We know we can satisfy you, too.

It's Big-It's Beautiful-It's BUICK

THIS, we reasoned, is no time to offer folks a car that stops with artful face-lifting.

It has been nearly four years since our last new Buick was built – it wouldn't be shooting square now to give you less than our honor-bright best.

So we overhauled our whole factory to advantage it with the latest in war-developed machines and processes.

We scoured the country for the stoutest metals anyone can buy today.

We set ourselves precisions that in some cases exceed those of aircraft engine production.

And we eagle-eyed every one of this Buick's 12,000 parts to see if it could be bettered in any way, big or little.

The result is that through every stunning inch of this bright new honey runs solid, dependable Buick *character*, honest and uncompromised.

It's in swift clean lines. In seats that are three-persons wide. In stout, time-defying frames and underpinning. Above all – in the lift and life of a Fireball straight-eight that's even livelier than in 1942.

The cars your Buick dealer will have are big. They're beautiful. They're *Buicks*.

In fact – the best Buicks yet!

When better automobiles are built BUICK will build them

There's More to Good Food Than the Cooking!

Yes, it's true, there is more to good food than the cooking; ask any housewife, she'll tell you quickly and truthfully.

No housewife, regardless of her cooking skill, is able to take inferior quality foods and "dress them up" so that they will be the equal in taste to the better foods that are nationally advertised.

That is one of the reasons we have clung rigidly to quality foodstuffs in our store. We know that housewives like to serve tempting dishes. And housewives have learned that food they buy from us is always QUALITY.

If you are interested in quality foods, we invite you to shop with us, too.

NOTICE OF HEARING

A hearing on the proposed amendment to the Tecumseh Township Zoning Ordinance, as recommended by the Township Zoning Board, will be held in the Council Chambers of the Village of Tecumseh, on South Evans Street, November 24, 1945, at seven-thirty o'clock in the evening of said day, at which time all persons interested may appear and will be given an opportunity to be heard.

It is proposed that the following described property be changed from commercial to industrial.

All that portion of Section Thirty-four (34) lying South of the corporation line of the Village of Tecumseh bounded on the West by the extension of Evans Street and on the East by Mohawk Road so-called.

It is proposed also to amend Section VII of the Commercial "A" Zone classified under the heading of "USES" particularly Paragraph V, thereof, so as amended it will read as follows:

The executive, or administrative offices or departments of professional, Philanthropic and commercial activities, theaters and other places of amusement and recreation conducted primarily for the residents of the locality; mercantile establishments for the sale of goods at retail; and the repair, conversion, alteration, finishing, assembling, fabrication or storage within the building of goods primarily for the residents of the locality or for sale at retail on the premises, provided there is not in connection therewith the operation of any machinery or the conduct of any process or activity or the storage of used machinery and equipment or other articles or display of goods in such manner as to be noxious or offensive by reason of unsightliness or the emission of odor, fumes, dust, smoke, waste, vibration or activity involving the use of machinery in excess of five horsepower or employing more than five mechanics or workers on the repair, conversion, alteration, finishing, assembling or fabrication of goods shall be begun or enlarged except with the approval of the Board of Appeals.

Plan and text of the proposed changes may be inspected during business hours at the office of the Tecumseh Township Supervisor.

L. W. LARSEN
Chairman Tecumseh Township Zoning Board.
Dated: October 24, 1945.

LEWIS SUPERHEATERS
A Revelation In Modern Oil Heating
This new radiator-like stove heater radiates heat across the floor without deflectors or fans.
This heater is so constructed that distillate is converted into "oil-gas" by superheated air, offering unusual economy through the whirling "Sirocco" burner.
You must see this new oil burning stove to fully appreciate it. Just the right size for office, gasoline service station, or small home. Has the capacity for heating more than 5,000 cubic feet of floor space comfortably regardless of outside temperature.
If it's economy that you are seeking, see this stove. There are no wicks to clean, feed cannot clog. It is quiet and odorless.
You'll like the low price, too, of only $79.00.

Community Fund Drive Extended

LESS THAN HALF OF QUOTA RAISED; NEW CAMPAIGN TO BE LAUNCHED

With less than one-half of the $5,000 quota subscribed, officials of the Tecumseh Community Fund today decided to extend the campaign for funds until Saturday, November 17, in an effort to stimulate contributions and, if possible put the drive over the top.

"We already are feeling the need for funds locally as a result of the war, and I believe that if the campaign is extended a few more days we will realize considerably more money from contributors," John R. Thompson, chairman of the Fund, declared. Mr. Thompson indicated that officials of the Fund and campaign officials would be called together for a meeting this week.

This year, the Community Fund assumed the quota of the Lenawee County Patriotic League and decided to operate only one money-raising campaign. It is the plan, after the drive has been finished, to send a check to the League for its quota, amounting to $770.

Aside from the League, others sharing in the fund are the Boy Scouts, the Girl Scouts, the Tecumseh Recreation Center, the Child Study Club, the Camp Fire Girls, and needy welfare.

"As the war ends and the boys return, there is going to be a decided upturn in the demands made upon the fund for emergency welfare," one worker declared today. "I believe," he continued, "that if more residents realized how heavy these demands will be they would be more generous with their contributions."

The Fund is administered entirely by Tecumseh residents, and the only cash that leaves Tecumseh in the present campaign is the $770 for the Patriotic League.

Mrs. Mary Cook Dies Result Of Auto Mishap

Mrs. Mary Cook, 53, wife of George Cook of north of Britton, died Sunday afternoon in St. Vincent's hospital, Toledo, the result of injuries suffered in an automobile accident in Toledo Saturday afternoon. Mr. Cook and her son John Corican also were injured and both are patient at St. Vincent's where Mr. Cook is in a serious condition. They are her only survivors.

Mrs. Cook's body was brought to the Niblack Funeral Home in Britton.

Mrs Hoyt Whelan is hostess and Mrs. Guy Pocklington chairman for the regular meeting of Tecumseh Monday Club on November 12. A Will Carleton centennial program will be presented. Those desiring transportation are to call Mrs. Whelan.

New Chevrolet Car Is On Display Here

The new Chevrolet car for 1946 arrived this morning at Schneider Bros. Garage, Inc., local dealers. Chevrolet is the second company to display its car locally. Mr. Schneider also announced that the new 1946 Chevrolet truck had arrived.

"There are many fine improvements in the new car for this year, the first car that has been built by General Motors since the war started," Mr. Schneider said. "Improvements are mainly in engineering and incorporate many of the advancements made by science during the war years."

As to price and delivery, the local dealer was unable to say. He declared that he hoped to be able to announce the price shortly, and that delivery would start as soon as factory production increases.

Fourth of Bond Quota Reached

SUCCESS OF VICTORY LOAN LOCALLY BELIEVED CERTAIN BY LEADERS

Approximately one-fourth of Tecumseh's Victory Loan Quota has been subscribed and the success of the campaign seemed assured to directors of the drive when they announced today that the sale of bonds had been brisk during the first week of the drive.

"Our sales to date approximate $40,000," John R. Thompson, co-chairman of the drive, declared. "I think that is an excellent showing for the first week in the campaign, and I feel confident that we will reach our goal."

Tecumseh's quota in the Victory Loan amounts to $163,700, against a county quota of $2,243,000. Thus far, only three communities in the county, Fairfield, Manitou Beach and Palmyra, have reached their goal.

Brton, with a quota of $6,200, has sold about $1,200 in bonds; Clinton, with a $62,000 quota has sold about $6,000 and Ridgeway with a $400 quota about half the amount.

The City of Adrian has the largest quota in the county, $1,515,000 and sales there to date amount to about $100,000.

Prize Winners Named In Halloween Parade

More than 400 Tecumseh young folk participated in the civic Halloween celebration here last week, sponsored by the Rotary club, assisted by the village and the Community Fund. The party included a masked parade through the business district, headed by the high school band, prizes and a theatre party at the Strand.

Cash prizes awarded at the theatre amounted to $2 each and were awarded as follows: for the most cleverly dressed boy and girl, the most comically dressed boy and girl, and to the youngest boy and girl in costume. The winners were Jerry Butler, Janet Buehrer, Francis Fox, Marietta Service, Judy Haynes and Duayne Hay.

The Rev. B. O. Bashore was chairman of the Hallowen party, assisted by a committee of Rotarians.

Tax Collection Nearly Perfect

ALL BUT $245.75 IN TAXES LEVIED BY THE VILLAGE HAVE BEEN PAID

A tax collection that is 99.34 per cent perfect for the Village of Tecumseh was reported by Kenneth D. Hall, treasurer, when he made his annual statement to the village council, in session Monday evening.

The village this year levied a tax of $35,375.17 and thus far Mr. Hall has collected $35,129.42, or all but $245.75 of the amount. This is the most favorable collection that has been reported in the village in many years, if not in its history.

The council also amended the zoning ordinance, permitting the construction of Business 'A' property on South Ottawa street, between Pottawatamie and Cummins street. This section formerly was zoned for Residence 'B' property. The action was taken after a heavy majority of the property owners in the area had signed a petition to the effect that they did not oppose such a change.

There was little other business to come before the town's official family. Current bills were audited and ordered paid and the reports of committee chairmen and department heads were read and placed on file.

Bride-To-Be Is Honored At A Party In Britton

Miss Doris Rieve, whose marriage to Richard Mattis of Tipton will take place November 10, was given a surprise bridal shower Saturday evening by Misses Beatrice Daykin and Mary Jane Smith at the Daykin home in Britton.

Thirty-five were present from Tecumseh, Tipton, Clinton, Ann Arbor, Detroit, Britton and Los Angeles, Calif., and Miss Rieve was presented with a variety of lovely gifts. Games were played and the prizes were also presented to the bride-elect. Lunch was served by the hostesses assisted by Mrs. Lela Guy and Miss Lela Howard.

Miss Rieve who is the daughter of Mr. and Mrs. Fred Rieve of Britton, has been employed as a beauty operator in the Beatrice Beauty Shop here. Mr. Mattis is the son of Mr. and Mrs. Howard Mattis of Tipton and has recently returned from service.

WASHTENAW DOCTOR TO TALK TO AUXILIARY

Dr. Otto Engleke of the Washtenaw county public health department, will be the speaker at the meeting of Tecumseh Hospital Auxiliary to be held Tuesday evening, November 13 in the Red Cross rooms in the Ford building.

CULBERTSON P. T. A.

The Culbertson P.T.A. met Friday evening at the school house, for their regular meeting and social. After the business meeting the following program was presented by Mrs. Dona Wallace and Mrs. Mary Cleveland; piano solo, Patricia Long; readings, Mrs. Emma Day; duet, Mr. and Mrs. Wilbur Boyce; skit, Mrs. Iva Griggs, Mrs. Edith Hunt and Mrs. Mary Cleveland. Refreshments were served by the hosts, Mr. and Mrs. John Quigley and Mr. and Mrs. LaVern Murphy. The next meeting will be held with Mr. and Mrs. Elmer House as hosts.

FAREWELL PARTY

Mr. and Mrs. George Kimerer entertained 65 friends from the Ridgeway Nazarene church in their home Monday evening at a farewell party for Mr. and Mrs. Robert McDonald and Mr. and Mrs. Floyd Shirley who are leaving soon for California to make their home. Games were enjoyed and refreshments served and each couple was presented with a Bible and a purse of money.

JUNIOR LEAGUE MEETS

The Westminster Junior League met Tuesday evening with Mrs. James Barton and Mrs. Robert Manchester in the Barton home on West Pottawatamie street. Members answered roll call with "Reasons for Being Thankful" and Mrs. Lena Judd conducted devotionals. A social hour with refreshments concluded the meeting.

GRANGE IN SESSION

The November meeting of Lenawee County Pomona Grange is being held today at the Gorman Grange hall when Clarence Kleidinst, the new master, will be installed, succeeding James Marr, master the past 10 years.

ADVERTISED IN ERROR

In the Kroger advertisement in this issue, grapes are advertised in error. In their place should be fresh California carrots, 2 bunches for 19c. The price of Maine potatoes should read 55c a peck.

Union Thanksgiving Service Is Announced

Union Thanksgiving services will be held at the Friends church from 10 till 11 a.m., Thanksgiving Day, November 22.

The Rev. John R. Scarlett will give the sermon.

Butler Store Opens Saturday

HOME AND AUTO SUPPLY SHOP ALSO WILL BE HOME OF FIRESTONE STORE

The new Butler Home and Auto Supply Store, the home of Tecumseh's new Firestone Store, will be opened formally to the public on Saturday morning, C. O. Butler, the owner, said today. Previously, the Firestone store has been housed in part of the Ford Motor Sales. While the new store is located in a section of the Ford Building and is operated by Mr. Butler, it is now a separate and distinct enterprise, he said, with Robert Manchester as the manager.

"We have felt for some time that our Firestone store should be considerably enlarged and a greater stock of merchandise offered to the public but, because of the war, such progress was impossible," Butler declared. "Now, however, that the war is over, we are bringing to Tecumseh an entirely new store with a greatly increased stock of goods."

On Saturday, the opening day, the store will offer considerable hard-to-find merchandise, particularly electrical. There also will be many free gifts and souvenirs for everyone.

The new store building, with its main entrance on Chicago boulevard, just one door east of Butler Motor Sales, has been completely redecorated to accommodate the new shop. New fixtur have been installed as well as a new lighting plan.

Baptist Church Plans Family Night, November 14

The Baptist church will hold the first family night of the year on Wednesday evening, November 14.

A co-operative supper will be served at 6 o'clock followed by a program at 8 o'clock.

Alfredo Moralles will be the guest speaker, his topic, "Midwest Education and the Philippines." Mr. Moralles is a native of the Philippines and a graduate of the Philippine University. He received his master's degree at the University of Michigan and will receive his Ph. D. at the end of this semester. He expects to return to the Philippines and aid his people in realizing their dream of Democracy.

A special plea is being made by the church for pictures of Baptist servicemen or discharged veterand. The pictures are to be given to Miss Kathleen Powell. Work on the new poster will begin soon.

The St. Cecilia choir of the Baptist church under the direction of Mrs. Robert Gillespie, will present a musical program at the Congregational church in Clinton, November 18.

The Baptist Youth Fellowship met Sunday evening at the church with Jane Hoekstra in charge. Further plans for the coming months were discussed. Rev. Bashore will lead next week's meeting. The B.Y.F. group attended the associational rally at Temperance Thursday evening. This was the annual meeting and Donald Everhart was re-elected vice president of the association.

The Ladies Union of the Baptist church met Thursday evening with Mrs. B. J. Roberts with twenty in attendance. Mrs. J. C. Brown led the devotions and Mrs. C. H. Williamson gave a review of "White Women on the Congo."

The December meeting will be held at the home of Mrs. R. W. Herrick.

The Good Cheer class met Friday evening at the home of Miss Elizabeth Chase. The evening was spent sewing.

The Happy Home Builders class of the Baptist church met Monday evening at the home of Mrs. Paul Sheldon for a chop suey supper. Thirty-six attended.

D. A. R. TO MEET

Abi Evans chapter, D. A. R., will meet Friday afternoon, November 9 at 2:30 in the home of Mrs. Arthur H. Brown. Floyd Elliott, Mrs. Richard Carter, Mrs. Kenton Hunt and Miss Edith Ingersoll.

WORK MEETING

Tecumseh Service Mothers Club will hold a work meeting Wednesday evening, November 14, at the home of Mrs. Glenn Driscoll on West Brown street.

Tecumseh Tied For Grid Honor

INDIANS PLAY BLISSFIELD, THERE, FRIDAY; LAST GAME OF SEASON

by Jim Sisson

Again, the Tecumseh high school football squad turned up the field to score six touchdowns along with the same amount of conversions and route the Morenci Bulldogs 42-0. Under the leadership of Coach Fred Raizk, the Tecumseh Indians again climb into first place in the county league by easily piling up their third conference victory, but ar sharing the honors with Clinton and Hudson.

Last Friday, on the new Bulldog gridiron, the home town Braves shoved the Morenci eleven out of their chances for first pla.e by [illegible] all the way in the contest and holding their opponents back from even threatening. Starting in the first period, fullback Dermont Poley carried the ball over from the 2-yard stripe with Co-capt. Bob Baker converting, both on hard line smashes. Baker plunged over again in the second stanza from the six with Poley tallying the extra point on another forward drive to set the Indians out in front at halftime 14-0.

The Teepee Boys stepped up the scoring in the second half as both passes and running plays clicked. Following aerials by quarterback John Murdoch, Poley once again drove through tackle into the end zone followed by Baker who rang up the conversion. Baker then, in the same quarter, toted the pigskin over the center of the line on a quick opening play for the fourth touchdown. John Murdoch slashed over on a quarterback sneak to chalk up the extra point.

Leading by 28 markers, Coach Raizk sent in his substitutes to take over the situation which they handled very well. The final period opened with Poley speeding 35 yards to the goal for his third touchdown with Baker again plowing over with a successful conversion. To complete the night's scoring, Bill Brown came back from the line and spearheaded his own scoring drive from the 9 yard line. Murdoch, on another sneak converted the fourty-second point. Marvin Herbert, Indian left half, stacked up a nice total of yards too, although he did not score.

The Tecumseh forward wall, too, should be commended on their bang up job of blocking and leading the backs on their drives along with penning in the Morenci backfield.

Tomorrow, in their last game of the season, the Indians invade Blissfield for the traditional contest. The Sugar Boys, now recuperating in a two-week rest, have yet to win this season, but judging from the intense rivalry in the past and with the aid of their vacation the Blissfield boys will be out for revenge and their first victory with everything they have.

New Officers Preside At O.E.S. Meeting Here

Tecumseh Chapter, 51, O. E. S., met Thursday evening in regular session with the new officers presiding. During the business meeting it was voted to give $10 to the Patriotic League. The program consisted of readings by Mrs. Hoyt Whelan after which Mrs. John H. Smith and committee served refreshments.

There will be initiation at the next meeting on December 6, and a potluck lunch will be served.

The Lenawee-Monroe Association will meet November 27 in Blissfield.

BUYS LAKE HOTEL

Lake View hotel and dance pavilion at Manitou Beach, purchased several months ago by Don H. Brown, formerly of Tecumseh, is being remodeled and enlarged. The hotel is being enlarged to 55 x 121 feet with two stories and rooms for 30 guests. Five new bathrooms and five showers will also be added. The enlarged restaurant and dance floor connected with the tap room are on the first floor. Contractors from Tecumseh are in charge of the work.

NEIGHBORHOOD CLUB

The Comfort Neighborhood Club held an all-day meeting yesterday at the home of Mrs. Norman McConnell, with a cooperative dinner at noon. The lesson on "Kitchen Cupboards" was in charge of Mrs. Harvey Lewis and Mrs. Norris Dart.

EXECUTIVE MEETING

The executive board of the Lenawee County Federation of Women's Clubs is meeting today at the library in Adrian. The business session at 10 o'clock will be followed by a potluck dinner at noon and an afternoon program.

Rotary Governor Guest of Club Here, Tuesday

Harry O. Comrie-Palmer of Windsor, governor of the 153rd district of Rotary International, made his official visit to the Tecumseh Rotary Club when it convened in regular session, Tuesday evening at Brees House.

In a brief address to the club following dinner, Mr. Palmer stressed the need for goodwill, fellowship and understanding throughout the world, and declared that if peace is to come to all nations the principals of Rotary must be applied. He complimented the local club for its community activities.

Before the meeting, the governor met with Earl L. Wickwire, president of the club, its board of directors and committee chairmen for a roundtable discussion. Plans for the future activities of the club were discussed.

Auxiliary Has Plans for 1946

COMMITTEES NAMED BY NEW PRESIDENT; SEEK GIFT BOXES FOR VETS

The November meeting of Underwood-Orr Post, American Legion Auxiliary, was held Monday evening at the home of Mrs. Don Goddard with Mrs. M. W. Wilson and Mrs. Ralph Oliver assisting. Twenty members attended.

Another magazine drive is being sponsored by the Auxiliary to purchase more hospital beds for use in the community. They now have two beds which are in constant use. The unit voted $50 for the Childrens' Billet at Otter Lake.

Mrs. L. Mix, the new president, appointed the following committees to serve with her during the coming year: Americanism and Girl's State, Julia Anderson, Mildred Butler and Helen Oliver; child care, education of war orphans, Jerry Haight, Ethel Hammack and Mae Baldwin; constitution and by-laws, Ayesha Laidlaw and Alice Schneider; community service and music, Madge Lewis, Jessie Slusyter and Myrna Tingley; Gold Star, Alice Schneider and Ivah Marsh; legislation, Ruth Rentschler; membership, Elizabeth Hammell, Olga Smith and Goldie Watkins; national defense, Mae Dickinson, Elva Mae Dickinson, Mildred Gove and Lucy Skinner; national news, Gertrude Schneider and Nettie Smith; Pan Americanism, Ethel Goddard and Helen Oliver; Poppy and Posters, Alta Thompson, Dora Warren, Bertha Kimball and Ruth Fay; sewing and Battle Creek gift shop, Pearl Brown, Marian Harrington, Florence Howe and Jennie Curtiss; flowers, Jennie Hodges; scholarship, Ayesha Laidlaw; rehabilitation, Hilda Will, Ethel Goddard, Ruth Rentschler and Doris Bagshaw; war activities, Ruth Keyser, Helen Bowen and Margaret Aebersold; publicity, Dora Warren; fracture bed, Hilda Will and Florence Adamson; benefit games, Madge Lewis.

The Post and Auxiliary are again appealing to the citizens of the community to donate gift boxes for the thousands of men and women confined in service, veteran and private hospitals throughout the state of Michigan. Gifts suitable for hospital patients should be packed with a list of articles attached to the box cover and turned over to the local post or unit before December 10 which is the final date for acceptance. Do not include candy, food, liquor, civilian apparel, magazines, puzzles, scrap books and used items. A card of identification should be included and the boxes should cost between three and four dollars. Boxes may be left at either Bancroft Cleaners or at Sluyter Electric Shop.

Members of the Auxiliary will join the Legionaires in attending Armistice Day services Sunday, November 11 at the Friends church.

The December meeting of the Auxiliary will be held at the home of Mrs. Ned Baldwin.

Charter Is Restored To Royal Arch Masons

At a meeting held Monday evening at the Masonic Temple, the charter of Tecumseh chapter, No. 42, Royal Arch Masons, was restored and officers were installed by grand officers. Dinner preceded the meeting.

The chapter surrendered its charter seven years ago and during the past year a petition was circulated for its reorganization. At a meeting held in October, officers were chosen and the meeting planned.

Officers of the new chapter will serve until the annual meeting in December.

The W. C. T. U. will meet Tuesday afternoon, November 13 at 2:30 at the home of Mrs. Margaret Kidman.

Paper Pick-up Here Nov. 23-24

SCOUTS ANNOUNCE TWO-DAY DRIVE IN EFFORT TO RAISE NEEDED CASH

Tecumseh Boy Scouts, acting in cooperation with the newly re-organized local Wolverine Council Committee, announced this week a two-day drive for the collection of waste paper and old rags. The collection will be made on Friday and Saturday, November 23 and 24, and the entire village will be canvassed on both days.

"We need cash with which to build a new Scout cabin and buy other equipment that the boys need, and we are taking this means of raising the money. We hope that the public will cooperate with us in the paper drive, and in return we are assuring residents that we will do the best job that we know how in making the collection," a member of the committee said.

The scouts are asking that insofar as possible, residents bundle their waste paper or place it in boxes, and tie it with string. Such a program will speed up the collection considerably and will keep the paper from blowing away. Paper should be placed on porches or at the curb, it was said.

Two trucks have been donated to the Scouts for the two-day collection and a sufficient number of boys will be on hand to do the work.

"We hope to be able to collect several tons of paper during the two days," a committeeman said. "Previous drives in Tecumseh have returned as much as 30 or 30 tons of paper in a single day. We believe that there is considerable waste paper stored in attics, basements and garages, just waiting for a collection day to be announced."

Typhoon Victim Writes Parents

PFC. ROB'T MOHR ESCAPES UNINJURED THE STORM ON OKINAWA

Mr. and Mrs. Roland Mohr have received a letter from their son, Pfc. Robert W. Mohr, former high school athlete here, saying that he came through the typhoon on Okinawa uninjured, and telling something of the storm. His letter in part follows:

"At last I have a chance to sit down and write a few lines to let you know the latest developments. I have moved again, this time to Tackikawa Airdrome. (He is with the 5th Bomber Command).

"My stay on Okinawa wasn't very long, just a little over two weeks but long enough to be hit by the worst typhoon here in 20 years. I saw our little tent home ripped to shreds by the 133 mile wind. Ours wasn't the only one though, just about everybody lost their shelter. It flattened our camp in a hurry. Another fellow and myself took shelter in a two-and-a-half ton truck cab for two days and nights. We had two meals during that time; two K-rations handed out from what was left of our mess hall, which wasn't much. Did you ever try living in a truck cab for two days? I could hardly move when we got out. A large number of the fellows took to the hills and lived in the tombs and the caves. Anyway, I have had my fill to typhoons for quite some time to come.

"Things were quite rough here because of the storm and its after effects and two days later they started moving our outfit out. I came here (Tachikawa) on a C-47. It's funny how an airplane ride of five hours can change things. I'm now living in Jap barracks. This was a cadet field during the war and they also built planes. It's comparable to our own Wright Field.

"This place has felt the effects of a few bombings. It will require a lot of work before we can use the hangers but the Japs will do it.

"Tokyo is only 20 miles from here. It's rather cold here, just about like fall at home. We had good food today. Fresh eggs for berakfast. Chicken and fresh baked potatoes for supper. I think the potatoes actually tasted better than the chicken, at least its been longer since I've had fresh potatoes."

A FREE COUNTRY?

The labor situation in the United States today causes any person with the welfare of his country at heart, to think of its future with a feeling almost of fear. We see powerful labor unions calling strikes which force hundreds of thousands of men to be idle. If there are a million men in the United States today without work, who do not care to join the unions, they will not be permitted to take jobs in "struck" plants. Little dictators all over the country can lawfully prevent a man from exercising his constitutional right to earn a living, unless he "joins" and "pays" for the privilege, regardless of his wishes in the matter.

The whole situation is preposterous: First, because one man or a group of men can tell another man or a group of men that they cannot work, and by right of might get away with it. Second, because an unregulated "international" organization can, by collusion and agreement within our borders, close an entire industry. Third, because our national labor policies actually prevent a "struck" company from hiring American citizens who might "dare" to go through "picket lines" of strikers. Fourth, because we consider passing full employment compensation when our national labor policy permits unregulated labor monopolies to prevent unemployed men from working if they so desire, or employers from hiring them if they need them.

And we talk about setting a pattern for world peace and freedom. What pattern of freedom can we offer from our own land where a man hasn't the right to work without joining specified organizations and paying for that privilege whether or not he so desires?

A Savings Account Lends Genuine Security—

There is nothing that we know about that gives one more genuine security than a savings account. This is especially true if it is a "growing account," one that has been added to regularly over a period of time.

If you do not have such an account in this bank we suggest that you open one this week or next pay day. Then add to it regularly. You'll be surprised how it will grow and, what is more, how much genuine satisfaction there is in knowing that you are saving for the future.

Insulate Now Before Winter

INSTALL STORM SASH AND DOORS

With winter just around the corner, and with coal none too plentiful, you should give plenty of thought right NOW to insulation, storm sash and storm doors.

Insulation saves up to one-third in heating cost. It can be installed easily—you can do it yourself. It's cost is small. Storm sash and doors are available at our mill in all standard sizes.

Prepare NOW for a more comfortable and economical winter by doing these things.

NOV. 21, 1945
AN IMPORTANT DATE FOR THOUSANDS OF **ARMY VETERANS**
NOW IN CIVILIAN LIFE

Between now and November 21, thousands of Army veterans will reenlist in Uncle Sam's new volunteer peacetime Army. Because—men who have been discharged between May 12 and November 1 of this year and reenlist on or before November 21 will be able to return to the Army with the *same grade* as they held when discharged.

Men with six months of satisfactory service discharged as privates will, on reenlistment before November 21, be given the grade of private first class.

Men now in the Army who apply for discharge after NOVEMBER 1 for the purpose of reenlisting in the Regular Army will also retain their present grades, if they enlist within 20 days after discharge and before FEBRUARY 1, 1946.

"BEST JOB IN THE WORLD"

These special privileges are typical of the new law recently passed by Congress. Few opportunities for a lifetime career offer as many attractive advantages.

Can you think of any other job that would give you good pay, your food, clothing, quarters, free medical and dental care, world-wide travel, 30 days' furlough every year, education and training in any of nearly 200 skills or trades, *and enable you to retire with a life income any time after 20 years' service?*

There isn't any! That's why a job in the Regular Army has been called "The Best Job in the World."

HIGHLIGHTS OF THE NEW ENLISTMENT PROGRAM

1. Enlistments for 1½, 2 or 3 years. (1-year enlistments permitted for men with 6 months' service.)

2. Men reenlisting retain their present grades, if they reenlist within 20 days after discharge and before Feb. 1, 1946. The same applies to men discharged between May 12 and Nov. 1, 1945, who reenlist before Nov. 21, 1945.

3. An increase in the reenlistment bonus to $50 for each year of active service since the bonus was last paid, or since last entry into service.

4. 20% extra pay when overseas.

5. Paid furlough, up to 90 days, depending on length of service, with furlough travel paid to home and return, for men now in the Army who enlist.

6. Mustering-out pay (based upon length of service) to all men who are discharged to reenlist.

7. Option to retire at half pay for the rest of your life after 20 years' service — or three-quarters pay after 30 years. (Retirement income in grade of Master or First Sergeant up to $155.25 per month for life.) All previous active federal military service counts toward retirement.

8. Benefits of GI Bill of Rights.

FLINT HELPED TO FREE PRISONERS IN JAPAN

ABOARD THE DESTROYER JOHN BOLE—(Delayed)—John T. Flint, seaman, second class, 308 North Pottawatamie, Tecumseh, Mich., served on this destroyer when she moved with a task force of more than 50 ships into Jinsen, Korea, in September to liberate the country from the Japanese.

Some 15,000 American sailors and soldiers were put ashore to occupy the capital city of Keijo, 23 miles away, to the cheers of the natives. A crowd estimated at 100,000 gathered in the vicinity of the capital to watch the lowering of the Jap flag and the raising of the Stars and Stripes.

Thousands of American prisoners of war, many listed as missing, were assembled, identified and dispatched on their way home.

RELEASED FROM SERVICE

A MANY-PURPOSE UTILITY BUILDING, LOW IN COST, EASY TO ERECT, EASY TO MAINTAIN

Here is a great new aid to farming—a *low-cost*, all-steel utility building that can serve a dozen different purposes.

The "Quonset 24" can be supplied with or without front sliding doors or solid front panels—in as many 12-foot extensions as desired. With front sliding doors it provides a safe structure for implements, automobiles, trucks, tools, or for storage of any kind. The end section, when enclosed, makes an ideal toolroom or workshop. With an open front it can be used as a loafing barn for animals, or a weather shelter for implements, tools and vehicles.

Stran-Steel construction makes it secure against any weather, and easy to maintain at low cost. Construction is easy and inexpensive, as Stran-Steel framing goes up quickly; a patented nailing groove in arch ribs, joists and studs permits the outside panels to be *nailed directly to the steel frame.*

Width is 24 feet. Open-front structures are supplied in 12-foot lengths or in multiples of 12 feet (12, 24, 36, 48 feet, etc.); structures with sliding doors are supplied in 24-foot lengths, with as many 12-foot extensions as desired. Inside steel partitions are available to enclose any 12-foot section. Solid end-panels are standard, but walk-doors and windows are available at slight extra cost.

Let us give you complete information on this great building today.

THE "QUONSET 40"

A big farm building structure 40 feet wide, and in any length desired, in 20-foot extensions. All-steel; with clear, unobstructed interior. Weather-proof and storm-proof; easy to maintain. Adaptable to many farming purposes.

THE "QUONSET 20"

20 feet wide; length as desired, in 12-foot extensions. Walk-door and two windows in front panel standard; side windows available if desired. Stran-Steel framing, all-steel outer wall panels.

YOU NAIL TO STRAN STEEL

"Quonset" buildings and Stran-Steel framing are products of Great Lakes Steel Corporation, a unit of National Steel Corporation

Thank Service Here Thursday

UNION OBSERVANCE OF HOLIDAY WILL BE HELD IN FRIENDS CHURCH

A Union Thanksgiving Service, at which the Rev. John R. Scarlett, rector of St. Peter's Episcopal church, will be the speaker, will be held in the Friends church, next Thursday morning from 10 to 11 o'clock, it was announced today. The community at large is invited to attend.

Other local ministers will participate in the service. The Rev. B. O. Bashore will read the Scripture lesson, the prayer will be by the Rev. James C. Murdoch, and Dr. Norman Mac Naughton will pronounce the benediction. The Rev. Edward Escolme will preside at the service. The thanksgiving offering will go to the Tecumseh Ministerial Association, to be used in its various cooperative activities.

The local Christian Science church will hold a special Thanksgiving service at 8 o'clock, Wednesday evening, November 21, at 111 North Union street.

Tecumseh's observance of the first Thanksgiving Day since the end of the World War will, for the most part, consist of family reunions in the homes. Scores of veterans of the war, home on furlough or leave, or who have been discharged, will celebrate the day with their families for the first time in from one to four years.

"It will be a grand holiday in our home," one young mother was heard to remark. "My husband and the father of our three kiddies will be home this year, for the first time in three years at Thanksgiving. Of course we've got our turkey, and we plan to make the day one of reunion. It will be the first time that our youngest son has ever had Thanksgiving dinner with his dad."

Turkeys this year, too, are far more plentiful than they were a year ago or even two years ago, and, believe it or not, the price is lower. Nationally, it is said that there are 50 per cent more turkeys this year than there were a year ago. Markets report a heavy demand for the birds, even for the large ones weighing up to 25 pounds.

Will Carleton Program Enjoyed By Monday Club

Tecumseh Monday Club met Monday afternoon in the Methodist church parlors when a Will Carleton program was presented. Mrs. Hoyt Whelan announced the program which included "The Life of Will Carelton" by Mrs. H. H. Loveland; reading "The Lightning Rod Dispenser," Mrs. B. O. Bashore; reading "Out of the Old House Nancy," Mrs. Fred Sheldon; reading "The First Settler," Mrs. H. Whelan.

Mrs. R. S. Moore was in charge of music and led in singing of "The Star Spangled Banner," "When Johnnie Comes Marching Home" and 'a round "Buy, Buy, Buy a Bond;" and Mrs. Edward Beal sang "One Hundred Years Ago" by Carrie Jacobs Bond, with Mrs. Naomi Williamson as accompanist.

Members of the Clinton Culture Club will be guests at the next meeting on November 26, when the Past Presidents will present the program. Mrs. R. W. Herrick will be hostess and Mrs. E. D. Brown, chairman for this meeting.

FOOTBALL SQUAD AT BRITTON IS HONORED

Members of the six-man Britton high school football squad were honored at a turkey dinner Monday evening at the Britton hotel given by Sherman Blouch, store owner there and who assisted in the coaching of the team. The Rev. B. O. Bashore, pastor of the Tecumseh Baptist church, was another guest.

Members of the squad attending were Kenneth Smith, Ronald Frayer, Jack Meyers, Richard Vallie, RobertOusterhout, Walter Glenn, Russell Wood, Gladwin Spohr, Stewart Niblack, Sanford Smith, Lawrence Grady, Robert Croll, Lauren Gall and Harold Auten, manager.

Six-man football was revived at the Britton school this year, after a two-year layoff. The school won two games and lost three.

TO ENTERTAIN LEAGUES

The Westminster Junior League of the Presbyterian church will entertain the Presbyterian League and the leagues of the Episcopal, Methodist and Baptist churches next Tuesday evening at 8 o'clock in the church auditorium. The program will consist of pipe organ numbers by J. Hudson Snow, solos by Miss Barbara Russell and readings by Mrs. Mary Schuhle, all of Adrian College.

Armistice Day Observed By The Public Schools

Except for a program at the public schools, Armistice Day passed in Tecumseh without other public observance, on Monday.

In the schools, the chapel period was given over to patriotic program at which the Rev. Edward Escolme, pastor of the Friends church, was the speaker. The ceremoney opened with the pledge to the flag, the singing of the national anthem, and several patriotic numbers by the high school band. Group singing was directed by Mrs. John McColl and James Sisson, president of the Student Council, presided. There was a moment of silence, in memory of those who sacrificed their lives in World War I.

Baptists Enjoy Family Meeting

NATIVE OF PHILIPPINES GUEST SPEAKER AT CO-OPERATIVE CHURCH SUPPER

The first family night of the year was held Wednesday evening at the Baptist church. A co-operative supper at 6 o'clock was followed by a special program with Alferdo Moralles, a native of the Philippines, as guest speaker. Mr. Moralles, a graduate of the Philippine University, was accompanied by his finances, Dr. Belin Purdo, a dentist and an authority on public health, who also spoke briefly. The St. Cecelia choir, under the direction of Mrs. Robert Gillespie sang "My Cathedral" and "Here Am I, Send Me." Mrs. Helen Carter sang "There is a Land of Pure Delight."

The Good Cheer class will meet Friday evening at 7:30 with Mrs. E. H. VanVleet when Red Cross sewing will be completed.

The World Wide Guild and True Blue Class will meet with Mrs. Sybil McConnell tonight at 6:15 for a chop suey supper followed by the regular meeting.

The Ladies' Junior League met Tuesday evening at the home of Mrs. Pauline VanValkenburg, with Mrs. Doris VanValkenburg and Miss Kathleen Powell the assistant hostesses. Mrs. Lyle Grigg was in charge of the meeting.

St. Cecelia choir of the Baptist church will present a program at the Congregational church in Clinton on Sunday evening, November 18. The choir is under the direction of Mrs. R. B. Gillespie.

D.A.R. Votes To Sponsor 2 Brownie Scout Troops

The November meeting of Abi Evans chapter, D.A.R., was held Friday aftrnoon at the home of Mrs. Arthur H. Brown with 13 members present.

The regent, Mrs. Joseph H. Smith, presided at the business session when it was voted to sponsor the Brownie Scouts for one year. Mrs. Neal Pearson and Mrs. George Wittrup, chapter members, are assisting with the work of the two troops. Mrs. Brown reported on the work of the Approved Schools. The D.A.R. supports entirely or assists in the support of 14 schools in the southern states. The chapter voted to send a box of clothing and Christmas gifts to the Kate Duncan Smith school.

Mrs. Edward Beal accompanied by Mrs. Kenton Munt sang two folk songs of the mountaineers and Mrs. Wittrup read a poem on Christmas preparations in the southern schools. At the close of the program tea was served by Mrs. Lavern Russell of Britton and Mrs. Charles Mensing. The assisting hostesses were Mrs. Floyd Elliott, Mrs. Hunt, Mrs. Richard Carter and Miss Edith Ingersoll.

The next meeting will be held the evening of December 14 at the home of Miss Jennie Gillespie when members are to bring old teapots and tell something of their history.

L. A. S. MEETING POSTPONED

The Presbyterian Ladies Aid Society will meet November 28 at the home of Mrs. Ted LaBounty, instead of November 21 as originally planned. The meeting is postponed because of Thanksgiving. Mrs. Hoyt Raymond will conduct devotions and Mrs. Winifred Bates will have charge of the program.

TUESDAY PAPER

Because of the Thursday Thanksgiving Day holiday, The Herald next week will be published on Tuesday afternoon instead of Thursday morning, in keeping with its usual custom. The change is necessary to assure complete distribution before Thursday. Advertisers and correspondents will cooperate by having their copy in The Herald office not later than Monday, November 19.

Fund Quota Is 50 Pct. Raised

ANOTHER $2,500 IS NEEDED IF TECUMSEH IS TO MEET GOAL, HOWEVER

Tecumseh neared the half way mark today in its $5,000 quota for the Tecumseh Community Fund, but another $2,500 is needed if this community is to reach its goal, John R. Thompson, president of the Community Fund board of trustees, declared.

"We extended the date for the closing of the campaign to raise funds until next Saturday, November 17, with a hope that we would be able to come considerably closer to our quota, but we must hurry if we are going to make that desire a realization," was his comment. "We have only three more days to go, and we need two and a half thousand dollars."

Mrs. Robert H. Moore, chairman of the campaign for funds, said that practically all of the solicitors working in the drive have made their reports. She said that there still are some contributions to come from industry and business.

"We are hopeful," Mrs. Moore said, "to swell the total by several hundred dollars before Saturday, but how much we will receive is still problematical."

All but $770 of the money raised in the campaign remains in Tecumseh for local activities. The $770 goes as Tecumseh's share of the Lenawee county quota to the Patriotic League. Other organizations participating in the fund are the Boy Scouts, the Girl Scouts, the Camp Fire Girls, the Tecumseh Recreation Center and the Child Study Club.

Worth-while welfare claims also are paid out of the Fund through action taken by its board of directors, it was pointed out. This includes any needy local claim that may be presented to the Fund's directors, which they believe should be shared by the community at large. It is expected that these demands will increase as veterans return from service.

Charles H. East, 92, Macon Resident, Dies

Charles H. East, aged 92 years, a resident of Macon township nearly all his life, died Saturday at the home of his daughter Mrs. Edna Agner near Milan where he was taken two weeks ago. Mr. East fell in his home September 24 and suffered injuries from which he never recovered. He was born in Monroe and came to Macon township with his parents when six weeks old. He was a member of the East Free Methodist church.

Survivors are two daughters, Mrs. Agner and Mrs. Gertrude Young, both of Milan, two sons, Earl of Macon and John of Ridgeway, and several grandchildren. Mrs. East and two sons George and Charles preceded him in death.

Funeral services were held Tuesday at the East Free Methodist church with Marjorie Hawkins, pastor of the Cone Methodist church officiating. Burial was in Lake Ridge cemetery.

BRITTON SUPERINTENDENT IS ROTARY CLUB SPEAKER

George Beal, superintendent of the public schools at Britton, was the speaker at the regular dinner meeting of the Rotary Club, Tuesday evening at Brees House. He was the guest of the Rev. B. O. Bashore.

Mr. Beal, a native of the Upper Peninsula, discussed the early history of that section and the Straits area, ruled by the French and the British in the days of the Indians. His talk was both interesting and educational.

OBSERVES 78TH BIRTHDAY

Mrs. Anna Murphy celebrated her 78th birthday Thursday, November 8, and at noon was honored at a luncheon given by her niece, Mrs. Willard Wedemeyer and Mrs. Hamilton Moore at the former's home near Macon. Fourteen friends attended. In the evening Misses Mary and Agnes McWilliams entertained a group of 12 at dinner honoring Mrs. Murphy who was presented with gifts at both affairs.

CHAS. HARKINS DIES

Friends in Tecumseh have been notified of the death of Charles Harkins, which occurred at his home in Mt. Pleasant November 6. Mr. Harkins was the husband of the former Jennie Drake of Tecumseh and was quite well known here.

BRIGHTON—HEISTAND

Miss Ruth Brighton, daughter of Mr. and Mrs. Emmet Brighton of Tecumseh, and Charles E. Heistand of Adrian recently returned from 38 months overseas, were married November 4 by Rev. G. A. Valentine at his home in Adrian. They will make their home in Adrian.

Merchant Ship 1st In Singapore

SEAMAN ROBERT COFFEY TAKES EXCEPTION TO AP NEWS REPORT

Seaman Robert Coffey, a member of the crew of the SS Sackett Harbor of the Merchant Marines, takes issue with the Associated Press regarding the date of the arrival of the first American ships in Singapore since the Japanese occupation. In a letter to The Herald, dated October 26 in Abondon, Iran, he writes:

In a news broadcast dated October 24, under an AP headline, it stated as follows: "The first American ships to reach Singapore after the Jap occupation arrived Wednesday, October 24, escorted by the Battleships Virginia and Tennessee.

If there is any news value to the fact that we were the first ship there you are welcome to it. We arrived at 3:30 a.m. on October 12 and departed at 5:30 p.m., October 14. These facts are recorded on the ship's log.

The Navy has done a great job in this part of the world and should receive a great share of th credit receive a great share of the credit where credit is due and concede the fact that a Merchant ship arrived in Singapore first. We traveled from Leyte to Singapore, unescorted by the Navy, and navigated through numerous mine fields. Our second mate is 20-year-old Edward Sweeney of Cleveland. It was he who navigated these mine fields from charts made from Japanese information.

Young Coffey is the son of Mrs. Grace Coffey of Tecumseh and his wife Christine resides in Los Angeles.

Bond Sale Over Half Way Mark

PURCHASES IN EXCESS OF $83,000 REPORTED IN TECUMSEH AREA

Tecumseh has passed the halfway quota mark in the sale of Victory Bonds, John R. Thompson, co-chairman of the War Finance Committee, declared this morning.

"We are doing very, very well with our bond sales," Mr. Thompson declared, and I feel quite confident that we will not only make our quota but that we will exceed it. Sales this week have been rather brisk, and I believe that it is altogether possible that we will hit the $100,000 mark by Saturday."

Tecumseh's quota in the sale of Victory Bonds amounts to $163,700. As of last night, Mr. Thompson reported that sales here amounted to about $82,000. The bond sale continues until the first of the year, and directors of the campaign are very hopeful that in December many bonds will be purchased as Christmas gifts.

"Our quota this time is somewhat smaller than it has been in other loans and I am very desirous that Tecumseh go well over the top," was the comment of W. L. Berkhof, chairman of the War Finance Committee, here.

"We must not forget to buy the small bonds, the $18.75 bonds that are worth $25 at maturity," he continued. "It is these bonds that the government is especially anxious to sell; bonds that everybody can afford. In other loans, we have made an excellent showing in this classification. In the Seventh Loan we nearly doubled our 'E' bond quota, and I hope that we will set another record this time.

The quota for Lenawee county amounts to $2,243,000. As yet, reports from the county show that sales have not hit the million mark.

Miss Doris Rieve Is Bride of Richard Mattis

The wedding of Miss Doris Rieve daughter of Mr. and Mrs. Fred Rieve and Richard Mattis, son of Mr. and Mrs. H. J. Mattis of Tipton, took place Saturday afternoon, November 10, at the home of the bride's parents south of Britton, the immediate families attending. The double ring service was read by the Rev. A. B. Johns of Britton, before the living room window where a large basket of yellow and white chrysanthemums and daisies, potted ferns and tall candelabras with lighted tapers formed an attractive background. Preceding the ceremony, Mrs. Johns sang "Wonderful Love" and "Oh Promise Me" accompanied by Miss Joyce Gripton who also played the Lohengrin Wedding March for the processional.

The bride wore a floor length white brocade satin gown and finger tip lace bordered veil, and carried white bebe chrysanthemums centered with a lavender orchid and tied with a shower of white ribbon. She also wore a string of pearls, the gift of the groom. Miss Marion Rieve was bridesmaid and George E. Mattis attended his brother as best man.

Following the ceremony a wedding dinner was served at the Methodist church parlors in Britton by Misses Dorothy Hoagland, Fern McCarbery and Connie Packingham. Tables were centered with mums and lighted candles and the bride's table with a bride's cake.

In the evening a reception was held at the I.O.O.F. hall in Britton for relatives and friends from Ann Arbor, Adrian, Tecumseh, Britton, Carleton, Tipton, Onsted, Manitou Beach, Sand Lake and South Rockwood. A telegram of congratulations was received from Pfc. Raymond Mattis of Camp Stoneman, Calif.

Mr. and Mrs. Mattis in company with Mr. and Mrs. Duane Brady of Ann Arbor are spending two weeks in Northern Michigan and on their return will live in Britton for the present.

Interest Is Increasing In Waste Paper Pickup

Considerable interest is being shown in connection with the Boy Scout waste paper pickup, scheduled for Tecumseh on Friday and Saturday, November 23 and 24, newly reorganized committee of the Wolverine Council, Tecumseh, is backing the project in an effort to increase the local troop's finances.

All money derived from the sale of the paper collected here on the two days will go to the troop"s cabin building fund. The Scouts hope, by next spring, to be able to build their own cabin in this area.

Trucks have been donated to the Scouts for the collection work and a complete canvass of the town on both days is promised. Residents are asked to either tie or pack the paper in containers, to keep it from blowing away, and to leave the paper on porches or on the boulevards.

Leon J. Waldron Dies Suddenly at His Home

Leon J. Waldron, aged 47 years, died suddenly Thursday morning of coronary thrombosis at his home in Howell.

Mr. Waldron was a son of the late Jonas K. Waldron and wife and was born in Tecumseh March 30, 1898. He graduated from Tecumseh high school in 1917 and from Detroit Business Institute in 1918. He was a member of Tecumseh Lodge, F. & A. M., and while in Tecumseh was a member of the Baptist church. During World War I he served about a year in the navy. On February 2, 1935 he was married to Ruby Reckner Werve of Tecumseh and for several years they operated a restaurant in Detroit, moving to Howell two years ago where they operated the Cozy Cafe.

Besides the widow he leaves his adopted daughter Mrs. Patricia Dammeyer and an infant grandson Eric John, a brother Harry Waldron of Howell, two sisters, Mrs. Florence VanValkenburg and Mrs. Ivah VanValkenburg, both of Tecumseh, also several nephews and nieces. His parents and a sister Mrs. Alma Foor preceded him in death.

Funeral services were held Sunday afternoon at the MacDonald Funeral Home in Howell and were conducted by Rev. H. W. Pailthorp with Masonic services at the grave in Lakeview cemetery. Bearers Henry Cotter, Charles Monroe, Stanly Berriman, Russell Woodruff, Jay Sweeney and Herb Sneed. Relatives and friends from Tecumseh, Wauseon, Adrian, Flint and Durand attended the services. Those from this vicinity included Mr. and Mrs. Faye VanValkenburg and son Gerald, Mr. and Mrs. Leon VanValkenburg, Mr. and Mrs. Raynor VanValkenburg, Mr. and Mrs. Dean VanValkenburg, Mrs. Bertha Hoag, Mrs. Margaret Kidman, Mr. and Mrs. Floyd Bryan, Mr. and Mrs. Charles Mensing and Maynard Mulvany of Tecumseh, Mr. and Mrs. Burton Foor of Bridgewater, Mr. and Mrs. Willis Sproull of Clinton, Mr. and Mrs. Percy anValkenburg and Mrs. Roger VanValkenburg of Adrian.

3-Way Grid Tie For THS Indians

CLINTON, HUDSON AND TECUMSEH DIVIDE HONORS AS COUNTY CHAMPS

by Jim Sisson

Running up 61 points against Blissfield, the Tecumseh High football schedule closed with the team's top scoring spree. Coach Fred Raizk's boys also held the Sugar Boys scoreless to mount up a grand season total of 195 points, holding their opponents to 19 markers, and take honors in a tie for county championship with Clinton and Hudson. Losing in the conference to Hudson, who was later trounced by Clinton, the Indians appeared to be the best squad in the county and possessed the best record. The Indian's record was as follows:

Tecumseh		Opponents
7	Milan	13
0	Hudson	6
6	Adrian	0
19	Clinton	0
60	Manchester	0
42	Morenci	0
61	Blissfield	0
195		19

In the muddy contest last Friday night, Tecumseh quickly started their scoring. Bob Baker, Indian halfback candidate for the all-county eleven, smashed over the first score followed by Dermont Poley, also a contestant for the all-county squad, who plunged through the second 6 points as both conversion attempts failed. Baker hit through the line twice more and Poley once with all extra points as the big first quarter ended Tecumseh 33, Blissfield 0. Tecumseh substitutes poured into the contest in the second stanza but were unable to score throughout the twelve minutes.

The third period brought Baker across the goal again followed by quarterback John Murdoch who ranf up the extra point. Marvin Barber, Brave left half, then skirted his end to rack up his markers and Poley drove over the conversion. Poley again plowed over the fourth quarter and scored the extra point as did Baker for the final markers and the largest score of several seasons, 61-0.

With the closing season the Teepee Boys will lose from their first string ranks: Co-capt. Bob Baker, right half; Dermont Poley, fullback; John Murdoch, quarterback; and Ted Sisson, right end. Returning veterans to the squad for another year's workout are: Bill Hayden, end; Bob Dinse, tackle; Bill Brown, guard; Ben Hammack, center; Tom Judd, guard; Roger Williams, tackle; and Marvin Barber, left half.

The all-county teams have not yet been selected but the Indians are expecting to fill several of the positions and with the veteran group returning are expecting an excellent season next year.

PTA Will Meet

D. R. WILLIAMS WILL SPEAK ON WILDLIFE OF CANADIAN NORTHWEST

BAKE THE PIE FIRST

Statistics are admittedly tricky, but in the light of the government's cost absorption policy decreeing that retailers must absorb increased costs, including wage increases in manufacturing industries, the following comment in the United States News is interesting:

"Any broad wage increases at this time will result in corresponding price increases . . . Raw material prices already are about 16 per cent above 1942. Unit wage costs, on an average, are nearly 12 per cent above 1942. Yet, finished goods prices are only three per cent higher than 1942. Finished goods prices actually are about 10 per cent under what they would normally be without price control . . . That's for industry as a whole. It shows the squeeze already applied to profit margins. . ."

Unquestionably mass production and mass distribution in time can be the means of attaining higher wages and a generally higher living standard. This has been the experience of the past. It can be true of the future, but may not be if everyone continues to demand a cut of the pie before it is baked. of wage demands is based on what In other words, the present wave industry is expected to do in the future—not what it is doing now. If forced to labor under such a handicap, producers and distributors will not be likely to attain the high volume activity so badly needed.

Tells of China And Communists

J. M. ARTMAN, JR., NOW IN TIENTSIN, WRITES HOME TO HIS PARENTS

Mr. and Mrs. J. M. Artman of Tecumseh, learned something about the Japanese, the Chinese and the Communists in China when they received a letter this week from their son, J. M., jr., who is now in Tientsin. Young Artman, a warrant officer with the United States Marine Corps, Reserve, has charge of the installation and maintenance of more than 200 miles of telephone and radio communication, between Marine divisions in Northern China.

His letter in part says:

We, (the Advance Shore Brigade of the 3rd Amphibious Corps) landed on the shores of China on Sunday, November 1. I was in the second boat that landed, and believe me the water was rough, when I went down the net from the big ship, the small boat was bouncing five to eight feet up and down in the water, which means you have to watch your step when you step off the net. I came ashore with the first wave, none of us knew what we were coming into, in fact where we landed there were plenty of Chinese communists and a great many bandits. However, no one bothered us.

It was some sight coming up the river, which was lined with Chinese junks, the shores lined with Chinese, all cheering and waving flags. They are happy to see the American troops, and they expect us to clear out both the Japs, and the Communist troops, who have not stopped fighting the Japs. Not over 10 percent of the Japs are disarmed in this section.

I just got back from Lang Fang, while there I had occasion to call on the Jap garrison, which hadn't been surrendered yet. The C.O. (commanding officer) presented me with a Japanese Sumarri Saber, served me tea and cake and was exceedingly polite. However, I wondered at the time how many marines he was responsible for killing. When the surrender ceremony was on the other morning, I was out on reconaisance and missed it, however, I got stuck in a rice paddy up to the top of the wheels of my jeep and soon a big crowd of Chinese gathered (one never knows where they all come from) and lifted us out, jeep and all and set us back on the road again. These Chinese are the slowest mortals on earth, every little thing calls for a big argument and much chatter, it takes at least three minutes to give their local telephone operator a number. If they have a box to carry they chatter awhile and then they put it on the back of one and the rest run alongside him chattering to him, giving him moral support, I guess. If there is a job for ten men they argue about who is to do it, until some one gets a number one boy with a club to make them do it.

We officers in the Signal Bn. have the old English officers' quarters and mess here in Tientsin. We are having good food, and are getting our plumbing and heating back in—the Japs took it out of most buildings to make war supplies.

Tientsin is a city of about one and one-half million, mostly Chinese with a large group of Russian emigres, so called white Russians, many of them Jewish. There are numerous English, Scotch, and Germans, with a large group of French.

Have no word when I will come home, in fact it will be some time until we can ship those with points out, as there is no transportation available. Reserve officers are signed on for ten years, that is why I don't figure in the point system. As I have a reserve commission, I will not go out of the corps but will go on inactive duty status."

Don't Feed Slackers!

Let Them Feed You!

Let's face facts. Proteins are very scarce. Half the world is hungry. It's actually criminal to waste fed on "boarders" in your flock.

HERE ARE 4 WAYS TO SPOT THE ROBBERS!

Head Snaky
The head of a poor layer is snaky and narrow. The comb is shriveled. Eyes are sunken and dead.

Body Rounded
The body of a poor layer is rounded and tapers to the rear. Breast shallow and flat. Neck often long.

Vent Dry
If the vent is dry and yellow, and abdomen is hard, skin thick, and less than 3 fingers distance between keel and bones, then cull her.

Legs Yellow
The legs and toes of a poor layer are round and beefy. They are yellow in yellow skinned breeds. Toe nails are long. Cull her, too.

A Non-Layer Will Cost 64 Pounds Of Feed A Year.

You can always do this...

If your home has been plunged into gloom by bulbsnatching (the habit of robbing one light socket to fill another), you can always take your chair out in the driveway and read by the headlights of your car.

But it's a lot simpler to go to the store and buy enough lamp bulbs to fill all the empty sockets in your house and have enough left over for a good supply of spares.

NINETY SIXTH YEAR—NUMBER EIGHT | TECUMSEH, MICHIGAN, TUESDAY, NOVEMBER 20, 1945 | FIVE CENTS PER COPY

Tecumseh Over Top On Bonds

TOTAL PURCHASES TO LAST NIGHT AMOUNTED TO $164,300 LOCALLY

For the eighth consecutive time, Tecumseh has oversubscribed its War Bond quota, Joh R. Thompson, co-chairman of the War Finance Committee here, announced this morning. Tecumseh's quota in the Victory Loan amounted to $163,700 and purchases through Monday totaled $164,300, Mr. Thompson said.

"We have not met our 'E' bond quota in the present drive, however," Mr. Thompson declared. "Of a quota of $47,000 in 'E' bonds, sales to date have reached only about $30,000."

The Victory Loan campaign runs through the month of December, and Mr. Thompson is hopeful that Tecumseh will in this loan, as it has in every other loan, far oversubscribed its quota. He is especially anxious that the small bond buyers do their part and over-subscribe the 'E' quota.

W. L. Berkhof, chairman of the Finance Committee, expressed his appreciation for the fine showing that Tecumseh has made in the Victory Loan.

"I felt certain from the start that this community would not shirk its duty in the Victory campaign," Mr. Berkhof said. "Tecumseh," he continued, "has made an enviable record throughout the war. Always, this community has met its bond quotas and oversubscribed them. The veterans who are returning from the battle fronts certainly will find that their home town never let them down."

Other communities over the top in the bond drive in the county include Blissfield, Clayton, Fairfield, Manitou Beach, Palmyra and Britton.

Miss Violet Haight Weds Donald Le Furge

Miss Violet Haight, daughter of the late Mr. and Mrs. Benj. Haight of Tecumseh and Donald I. Le Furge, son of Mr. and Mrs. William Le Furge of Ann Arbor, were married Friday evening, November 16, at the bride's home at 311 N. Maumee street. Th Rev. James Cameron Murdoch read the marriage service in the presence of the immediate families. The living room was decorated with evergreens and white chrysanthemums with lighted tapers in the background.

The bride wore a street length dress of brown faille with brown accessories and a shoulder bouquet of orchids. Her bridesmaid, Mrs. Bernice Fox of Ann Arbor, sister of the groom, wore black crepe with gold trimming and a corsage of red roses. Clifford J. Haight of Cleveland, brother of the bride, attended the groom as best man. Mr. LeFurge recently returned from 42 months overseas duty with the army.

Following the ceremony refreshments were served at a lace covered table centered with a large wedding cake and lighted tapers. Guests were present from Cleveland, O., Ann Arbor, Britton and Detroit.

Mrs. Ernest Taylor of Britton entertained at a miscellaneous shower for the bride-to-be last Tuesday evening at her home in Britton. Guests attended from Ann Arbor, Macon, Britton and Tecumseh.

Mr. and Mrs. Bert Bruder Enjoy Early Thanksgiving

Mr. and Mrs. Bert Bruder, Rt. 2, enjoyed an early Thanksgiving on Sunday, the occasion being the return of their son, Corp. Delmar E. Bruder, and their son-in-law, Corp. Edward Furlong of Ypsilanti, from overseas service.

Corp. Bruder spent 33 months overseas with the 5th and 7th Armies. He wears seven battle stars and the arrowhead. He was in the invasions of Italy, Sicily and France, he also was in Africa and Germany. Corp. Furlong, with the 79th General Hospital, was 24 months overseas in France, England and Scotland.

At the dinner at the Bruder home Sunday were the immediate family including Mr. and Mrs. Gerald Carey and family of Ypsilanti, Mr. and Mrs. Clifford Bruder of Leslie, Mr. and Mrs. Chalmer Bruder of Willis, the Furlongs and Mr. and Mrs. H. F. Moore of Britton.

BOX SOCIAL

The Semper Fidelis class of the Mthodist church will hold a box social Tuesday evening, November 27 at the home of Mr. and Mrs. Robert Bryan.

Community Fund Gifts Fail To Reach Quota

Tecumseh's Community Fund campaign ended last Saturday with a total subscription of $2,459, John R. Thompson, chairman of the board, announced today. This amount is $41 less than one-half of the $5,000 total sought.

Of the total amount subscribed, $770 was sent to Adrian to meet Tecumseh's quota to the Lenawee County Patriotic League. The remainder of the fund is being kept here for local needs, including Boy and Girl Scouts, Camp Fire Girls, the Tecumseh Recreation Center, the Child Study Club and welfare work.

The fund is administered entirely by local men, elected at regular meetings in September.

Gifts For Yanks Are Sought Here

DECEMBER 10 IS THE LAST DAY TO MAKE CONTRIBUTIONS LOCALLY

Would you like to make a gift to a Yank who gave?

If you would, and it is hoped that there are thousands of others in the nation who also will feel the same, the American Legion and Auxiliary of Tecumseh are making it easy for you to fulfill your desire. You may leave completed gift boxes or individual gifts at the Sluyter Electric Shop, Bancroft Cleaners or with Mrs. Paul Keyser, who is chairman of the gift program locally.

There is only one thing that you must keep in mind. December 10 is the final date of acceptance. On the day following, gifts received here will be forwarded for distribution.

"Through the 'Gift to the Yanks who gave' program, the Legion and Auxiliary are extending to the public an opportunity to show their gratitude to these men and women who still are suffering because they gave so much to keep America a country where a Merry Christmas can be enjoyed," Mrs. Keyser declared. "It is pretty tough to lie in bed and wait for the wounds to heal sufficiently to be permitted to go home, when the pals you served with are here for home and all that home means. The Legion and Auxiliary, with the hearty support of the comedian, Eddie Cantor, are all of the folk at home, intend to see to it that half a million of our wounded and sick in hospitals and institutions, will be made happy at Christmas through the program."

Gifts suggested for men include: Pen and pencil sets, lighters, pipes, bill folds, toilet kits, belts, knives, tie pin sets, books, key cases, games, sun glasses, bed lamp, watches, stationery. For women: Stationery, games, combs and brushes, soap, sun glasses, powder, nail polish, manicure sets, etc.

Gifts that are boxed should be itemized on the outside so that it will facilitate distribution.

Methodist Church Choir at Ann Arbor Festival

Twelve members of the Methodist church choir and 17 other members of the church were in Ann Arbor Sunday evening for the fifth annual Festival of Choral Music of the Ann Arbor district, held at the Methodist church in that city. There were 600 persons in the choir conducted by Hardin von Duersen, director of the choral union, and 25 choirs from the district participated. An audience of 1400 attended.

Members of the local group who took part were Mrs. Kenton Hunt, Mr. and Mrs. Edward Beal, Mrs. Nina Heath, Mr. and Mrs. F. C. Dickinson, A. B. Harding, Lavern Austin, Mrs. R. S. Moore, Miss Bertha LaPointe, Mary Brown and Gloria Underwood.

A CORRECTION

In the A. & P. Tea Company's advertisement on page three, yellow cream corn is advertised in error. Instead, Bell's poultry seasoning should be listed, 1 ounce packages, 10c.

MONDAY CLUB TO MEET

Tecumseh Monday Club will meet November 26 at the Methodist church parlors when members of the Clinton Culture Club will be guests. Mrs. R. W. Herrick is hostess and Mrs. E. D. Brown is chairman of the program which will be presented by the past presidents.

WED IN CALIFORNIA

Mr. and Mrs. L. E. Brown announce the marriage of their daughter Geraldine Naomi James P. Murray of Los Angeles, Calfi., which took place October 20 in that city.

The bride, former proprietor of the Brown Wig Beauty Shop, is a graduate of Tecumseh high school and since going to Los Angeles in 1942 has been employed as secretary to Dr. R. P. McReynolds. Mr. Murray graduated from Hartford, Conn., high school and is now a member of the editorial staff of the Los Angeles Examiner.

IN TRAINING SCHOOL

Stanley Keith Swain, son of Mr. and Mrs. Stanley Swain of Santa Cruz, Calif., former residents of Tecumseh, has been assigned to a maritime training school at New Orleans, La., for six weeks training. From there he will go to the southwest Pacific where he will be stationed with the Army Transport Service Command for one year.

GETS DISCHARGE

Corporal James C. Murdoch of the First Regiment of Canada, has received his discharge from service after three years overseas and has enrolled at McGill University in Montreal, Canada, to begin his studies January 7. Corporal Murdoch spent the weekend with his parents Rev. and Mrs. J. C. Murdoch.

TO GET DISCHARGE

Raymond Charles Osburn, son of Mrs. Purnell Osburn, who for the past four years has served in the ACF and has recently been stationed at Fort Lewis, Wash., will revert to inactive status on February 12, 1946, when he and his family will return to Tecumseh to make their home.

Reporters See Bright Future

ARE HOPEFUL FOR ABUNDANT YEARS IF LABOR STRIFE IS SETTLED

After 32 days of searching inquiry in 60 factories and 23 major American cities, 16 of the nation's top-rank reporters have completed a flying tour of the country with "a fair grasp of management's problems" in getting the assembly lines of peace rolling again.

Summing up findings for his colleagues, Stanton Delaplane, Pulitzer Prize winner of The San Francisco Chronicle, said in a post-tour press conference in Washington:

"In all cases we found management agreed on one thing America is due for years of abundant living and without inflation, if labor strife can be settled and the Government will set prices so materials suppliers can contract safely to deliver to manufacturers.

Many Interviews

"Besides the plant operations, top executives of all the companies were available to us for interviews that went deep into company policies on wages, hours, prices and competition."

The newsmen went into the deep South, the Middle West, the West Coast and the industrial East—into plants of the oil companies, airplane manufacturers, the steel companies and the rubber industry and into smaller plants with varied and complicated reconversion problems.

Principally they wanted to know, after completing the tour whether industry will get price relief, and whose is the responsibility for ending the crucial wave of strikes.

They heard OPA Administrator Bowles say that "we have to get back to a free economic competitive system a fast as we can," and Commerce Secretary Wallace say he believed unemployment would peak at six to eight million by next spring.

And they heard President Ira Mosher, of the National Assn. of Manufacturers which arranged the flying tour for the correspondents, disagree with Wallace and say:

"If nothing is allowed to interfere seriously with the reconversion program—and that covers a wide field as, for instance, the national pricing policy system of controls, and labor strife—then in my opinion there will be no excuse for unemployment figures reaching any such total at all."

MANCHESTER FARMER ATTACKED BY BULL

Mahlon Smith, a farmer from near Manchester, has been a patient in Tecumseh hospital for several days for injuries received when attacked by an enraged bull while attempting to feed the animal salt. He was thrown through the barn door and suffered a broken arm and crushed shoulder, besides serious cuts and bruises.

WED IN DEERFIELD

Miss Florine Lidster of Britton and Carl Forche of Derfield were married November 14 by the Rev. Fr. George H. Kerby at St. Alphonsus church in Deerfield. They were attended by Miss Katherine Forche, sister of the groom and Alfred Lidster, brother of the bride.

TRUE BLUE CLASS

The True Blue Class of the Baptist Sunday school was entertained Thursday evening at the home of Mrs. Syble McConnell and son Jack. A chop suey supper was followed by a social evening.

NEW PASTOR

Rev. Fr. John A. McMillan, pastor of St. Mary's Catholic church in Manchester, is leaving to take a parish in Romeo. Rev. Fr. Walter Hennes of St. Francis de Sales in Detroit, will be the new pastor at St. Mary's.

Guess Who?

Seaman Rob't. Coffey

Photo shows Seaman Robert Coffey, a member of the crew of the SS Sackett Harbor, Merchant Marines, and the son of Mrs. Grace Coffey of Tecumseh. The young seaman lays claim to the fact that his ship was the first to enter Singapore after the Japanese occupation. You might not recognize him from the picture, but it seems that beards (if you can grow one) are very smart in all branches of the service.

Do Not Forget Paper Pick-up

SCOUTS WILL MAKE COLLECTION IN TECUMSEH ON FRIDAY, SATURDAY

Don't forget the waste paper pick-up in Tecumseh on Friday and Saturday, November 23-24.

Have your discarded papers and magazines on your porches, or on the lawn or boulevard in front of your home.

Have the bundles tied, or in containers to keep the paper from blowing away.

Two complete pick-ups will be made throughout the village; one on Friday, the other on Saturday.

The paper pick-up is being made by Tecumseh Boy Scouts who are anxious for every pound of paper that they can secure. The reason for the anxiety is money. They hope to make several hundred dollars from the collection this week, and they will add this money to their building fund, in which there is already several hundred dollars.

"The Boy Scouts in Tecumseh are anxious to build a cabin of their own; to have a place where they can go for meetings. The boys are ambitious, thrifty and anxious to work for their money. I do hope that the community will wholeheartedly support the paper pick-up," was the comment of one of the officials.

The Scouting movement recently was reorganized in Tecumseh and there are now sufficient boys interested to form two troops. The Scouts here are members of the Wolverine Council, made up of troops in Lenawee and Monroe counties.

WED BY JUSTICE

Clifford Robinson and Iva Noreen Robinson, both of Wayne, were married last Wednesday evening by Justice of the Peace Florence Howe at her home on West Pottawatamie street.

PAST CHIEFS CLUB

The Fythian Past Chiefs Club will meet Monday evening, November 26 at the home of Mrs. Lynn Harris with Mrs. Claud Gray assistant hostess.

HOSTESS TO CLUB

Mrs. Wilbur Boyce was hostess to the Northeast Extension Club Monday evening at her home north east of town. "Making Accessories" was the lesson topic.

Okinawa Winds Reached 150 mph

LIEUT. ARTHUR BAASKE TELLS OF SEEING HIS TENT HOME DESTROYED

Mr. and Mrs. Otto Baaske have received a letter from their son, Lt. Arthur R. Baaske who is with the Marine Air Corps and was stationed on Okinawa during the recent typhoon. A part of the letter concerning the typhoon follows:

"Windy" Okinawa
Oct. 14, 1945

Dear Mom, Dad and Sis—As you have probably heard by now over the radio, our little piece of land that we call home out here, was hit by a typhoon and a pretty bad one at that. We had a 145 mph. wind here. I'll start from the beginning of the typhoon. First of all I didn't get a scratch on me, which I think is pretty good luck as some of the fellows didn't come through so good.

The winds started getting stronger about 8:30 Monday night but we got a pretty good night's sleep in spite of it. When I woke up Tuesday a.m., the wind was still pretty strong. We came back from breakfast and started to tie down our tent. Staked it down with quarter-inch cables on each corner, then put braces on the inside from the middle of the floor running up to the sides of the hut. When we got through it looked like a spider web.

At lunch time the wind was about 50 mph and we thought we had better eat because it might be our last meal for a couple of days, which turned out to be true. After chow Tuesday I sat inside the hut about 15 minutes but it was jumping around so you couldn't get comfortable, so I put on my flight suit, took my book and a candle and went out into my fox hole to read. My foxhole is about 15 feet long, 5 feet wide and 4 feet high of which 2 feet is under ground. I put two benches in it the length of the fox hole on both sides, so it was pretty comfortable. The only trouble when it rained it leaked like a sieve. I soon fell asleep. When I awoke about an hour and a half later the fellows were piling into my fox hole and said the wind had blown all their huts down and they had no place to go. I had 12 fellows in there. I looked out to see if I still had a hut and sure 'nuf it was still there. Then I remembered I had a quart of Schenleys in the hut—I dashed out and brought it back and we all had a drink. Every one seemed to feel a little better. About a half hour later a big wind came through and I looked out just in time to see my little home raise 25 feet in the air and had for the south. Then it began to rain like h—. Of course the fox hole began to leak and we all got soaked. We stayed there until 5:30 that night when we decided to head for some place a little drier and headed for a metal building down below the hill used for a hospital. Boy! I thought I'd never make it. We were running in mid air half the time but finally got there and had hot coffee. I never loved coffee so much in my life as right then. It certainly hit the spot.

We spent the night there, sleeping on the floor or any place we could find. Wednesday morning the wind had died down quite a bit so I decided to go and see what was left of my home. Nothing was left—everything I owned had "gone with the wind." I finally did find my two green bags but the only thing in them was my green uniform and they were just soaked.

We didn't get anything to eat except crackers and jam and a cup of coffee that day. My roommate and I found a piece of canvas big enough to set up a small tent so we could have something over our heads that night and we found a couple of army cots, so we were well fixed compared to some of the others. I slept like a baby that night. The next morning we started to build another hut from the wreckage and have it almost finished. We are now having three meals a day and water to drink. It doesn't taste very good but when you're hungry, you can't be choosey. I couldn't' write any sooner—nobody had paper, envelopes or stamps. Have received no mail since Oct. 7 due to the typhoon. Keep writing.

Your loving son,
Art.

SHOOTS RARE OWL

Sumner McColumn who lives on a farm southeast of Clinton discovered and shot a large owl in his barn, recently. The bird was a Great Northern owl, very rare in this section. It had a wing spread of 66 inches and plumage resembling a barred rock chicken. Another bird of the same specie only smaller, was killed at Tecumseh Gravel pit about the same time. Both birds were taken to a taxi-dermist in Jackson.

PUBLIC OPINION

Ignorance never settles a question. This has been proven again and again throughout history. Public opinion usually is in advance of the law. And public opinion is based upon what people think and know about a question.

It is reason, and reasoning, that is needed at the present time when our knowledge of all subjects—history, trade, labor, industry—must all be in global character. We cannot afford to pigeon-hole a single fact. We cannot afford to isolate our minds. We cannot afford to assume knowledge.

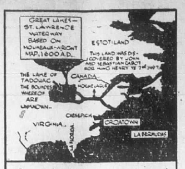
We must know the background as well as the foreground, for in the last analysis the peace of the world, the peace of the future will not be in the keeping of the rulers of the states, but in the keeping of the people who support those rulers.

No dictator can stay in power without the public behind him. People may not always have the government that they deserve, but they will always have the government they applaud.

Of a self-governing people, of a free people, one says that they know what they believe. Their beliefs are their purposes. Let men be good and the government cannot be bad.

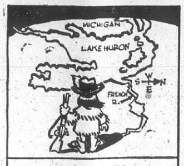
Get ALL the facts. Listen and study and then make up your mind; for YOU are public opinion.

Michigan and the Old Northwest--"Lake Huron Discovered"



Coastal tribes had reported vast inland seas. Champlain founded Quebec, 1608.

In 1612 Champlain had sent Etienne Brulé to live among Huron at Lake Simcoe.



While enroute to Huronia he discovered Lake Huron at French River mouth.

Brulé's journey from Quebec was difficult. In 1615 Brule crossed Lake Ontario.

Industrial Strife Is Hiding Farm Unrest From The Public

RURAL AREAS MUST SHARE IN PRICE BOOST IF PEACE IS TO BE LASTING

By Gene Alleman
(Special To The Herald)

LANSING, Nov. 20—The Michigan merry-go-round continues to whirl at an ever increasingly dizzy pace.

It's the promised post-war world that has become suddenly a period of emotional letdown after years of war excitement and an income letdown after years of plush, inflated paychecks financed chiefly by piling blindly more and more billions upon the public's debt.

From the atomic bomb down to matters of lesser import, public confusion reigns supreme. Washington leadership is anything but positive; in fact, woefully wobbly. Labor and management have their respective viewpoints. Class hatreds are being revived now that the war is over and the pressure for victory has come abruptly to an end.

Headlines of metropolitan journals vary between a revolting ax murder and new labor strikes. It's the great day of peace!

Employees of Consumers Power company go on a strike, rejecting a compromise offer of a mediator, all because the proposed pay increase fell short two cents of the union's demand.

A mediator proposed settlement of 13 cents an hour; the company agreed; the union held out for 15 cents. Hence, the threat of an industrial tie-up and widespread hardships, like a pistol at your head, just to get two cents more an hour.

Are nerves on edge? Something is obviously wrong somewhere. We'll be charitable and blame it on the jitters.

Michigan has been banking heavily on the automobile industry to lead the way back to prosperity.

Our banks are loaded with money. Deposit boxes are jammed with war bonds. Everyone is anxious to buy this and that as soon as possible. The stage is set for a genuine period of good times for everyone who really wants to work.

Then comes the UAW demand for 52 hours' pay for 40 hours' work, or the equivalent of a 30 per cent increase in the worker's income computed at overtime rates for 48 hours' war work. Now the UAW doesn't expect to get 30 per cent, but that's their bargaining bid.

"If you don't give us 30 per cent, we'll call a strike vote," is the ultimatum.

And so strikes are coming.

Well, where does the Michigan farmer enter this picture?

That's what a lot of growers would like to know. They are being advised on reliable authority to expect a decline in the price of their farm products in the post-war world, although temporary new highs may be attained during an interim.

History reminds us that farm commodity prices, following the November 11 armistice in 1918, sagged slightly and then up to a peak in the early summer of 1920. Then prices crashed.

Post-war inflation then was of short duration. Many farmers paid dearly for speculation in land. The same logic applies today, regardless of hopes for perpetual Washington price controls and whatnot. The government is now committed to maintain farm commodity prices at 85-90 per cent of parity until December 31, 1947.

Farm experts advise that low cost, efficient producers will continue to make money in the post-war world. But they can expect LESS income, not more.

If such is the case, is it not reasonable to predict that farm unrest will be aggravated by a FURTHER unbalancing of the national economy?

We use the word "further" on good authority. At least, we assume that when it comes to facts, three of Michigan's top educators—Dr. Alexander G. Ruthven of the University of Michigan, Dr. John A Hanna of Michigan State College and Dr. Eugene B. Elliott of the state department of public instruction—know what they're talking about.

Consider then the significance of the following words which appeared in a joint statement signed by these educators for "Rural Michigan," a work book available to Michigan citizens through the generosity of the W. K. Kellogg Foundation of Battle Creek.

Ponder them well:

For the past decade or two, farmers and small town residents have comprised a fifth of the nation's population. They have received only about one-tenth of the national income. Such 'shortchanging' should not be brushed off by statements regarding the values of farmer's home ownership, his household partnership, his life in the out-of-doors, or his relatively independent mode of life.

"In rural areas of Michigan live one and three quarter millions of people. It must be the primary concern of all to make life in these sections richer, more attractive, more satisfying, more secure. That some of these essentials are lacking is manifested by the large number of people—young people especially—who migrate to the city for comforts and privileges denied them on the farm."

And so we come to an interesting question, as labor strike clouds grow black on the Michigan horizon. Here it is:

If Michigan farmers were already getting less than their share of the national income and if they can expect less income in the post-war world, instead of more, how much less would they have if work wages of organized industrial workers are pushed upward? Wages are prices. You can't boost one without boosting the other. Farmers are not going to stand by idly and let the city worker, because of the power of a union and the threat of a strike, get a larger share of the national income.

That much we confidently predict.

Clothes Cleaned Regularly

Wear Longer, Look Better---

Tests, actual and scientific, have proved conclusively that clothing that is kept clean wears much longer—in fact nearly twice as long as clothing that is neglected.

And this longer wear is in addition to the improved appearance of the garments through cleaning and pressing.

If you are interested in making your clothes do double duty, we would suggest that you send them to us regularly for our careful cleaning service.

You'll like our prompt delivery service, too.

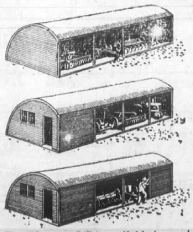
Here is a sturdy, 24'-wide steel building—framed with Stran-Steel and covered with special sheet steel—that can be modified and adapted to give you exactly what you want for implement storage, tool shed, garage, workshop, loafing barn, or any of a score of combined uses.



Do you want a simple shelter with an open side? Then you can buy this building without panels or doors on its straight side—a simple, economical shelter.

Do you want a partially closed shelter? Then order the "Quonset 24" with one or more solid side panels and an interior steel partition—leaving the rest of the straight side open. A walk-door in the end-panel provides entrance.

Do you want a roomy building with plenty of door space? Then buy the "Quonset 24" with any desired combination of sliding doors and solid panels on the straight side.

The "Quonset 24" is available in *any length you want* in units of 12', with any desired arrangement of sliding doors and solid panels *on the straight side*, and with a walk-door and windows optional in the end-panel. It brings you all the advantages of Stran-Steel construction, proved in tens of thousands of military "Quonsets"—fire-safety, durability, uniform strength, resistance to deterioration. Come in and discuss this low-cost, low-maintenance steel building that is designed to meet your needs.

NOTICE OF HEARING

A hearing on the proposed amendment to the Tecumseh Township Zoning Ordinance, as recommended by the Township Zoning Board, will be held in the Council Chambers of the Village of Tecumseh, on South Evans Street, November 24, 1945, at seven-thirty o'clock in the evening of said day, at which time all persons interested may appear and will be given an opportunity to be heard.

It is proposed that the following described property be changed from commercial to industrial.

All that portion of Section Thirty-four (34) lying South of the corporation line of the Village of Tecumseh bounded on the West by the extension of Evans Street and on the East by Mohawk Road so-called.

It is proposed also to amend Section VII of the Commercial "A" Zone classified under the heading of "USES" particularly Paragraph V, thereof, so as amended it will read as follows:

The executive, or administrative offices or departments of professional, Philanthropic and commercial activities, theaters and other places of amusement and recreation conducted primarily for the residents of the locality; mercantile establishments for the sale of goods at retail; and the repair, conversion, alteration, finishing, assembling, fabrication or storage within the building of goods primarily for the residents of the locality or for sale at retail on the premises, provided there is not in connection therewith the operation of any machinery or the conduct of any process or activity or the storage of used machinery and equipment or other articles or display of goods in such manner as to be noxious or offensive by reason of unsightliness or the emission of odor, fumes, dust, smoke, waste, vibration or activity involving the use of machinery in excess of five horsepower or employing more than five mechanics or workers on the repair, conversion, alteration, finishing, assembling or fabrication of goods shall be begun or enlarged except with the approval of the Board of Appeals.

Plan and text of the proposed changes may be inspected during business hours at the office of the Tecumseh Township Supervisor.

KROGER CO. TO BUY $3,000,000 IN BONDS

A total of approximately $3,000,000 in Victory Bonds will be bought by the Kroger Grocery and Baking Company during the current bond ... Kroger manager in charge of stores in this area, announced today.

Subscription will be on the basis of $1,000 for each Kroger store, and will be allocated to counties in which the stores are located so that local War Finance committees will receive credit on their quotas.

This policy of local allocations, followed in previous War Loan drives, has been favorably received, Fuller said, adding that for Tecumseh branch Kroger's total Victory Bond subscription will be $106,000. Individual purchases of bonds by employees of the firm will swell the total, he said.

NINETY-SIXTH YEAR—NUMBER NINE | TECUMSEH, MICHIGAN, THURSDAY, NOVEMBER 29, 1945 | FIVE CENTS PER COPY

Ration Book 4 Should Be Kept

WILL BE NEEDED TO PURCHASE SUGAR, OPA DIRECTOR WARNS

A warning to save War Ration Book No. 4 was issued today by W. E. Fitzgerald, Detroit OPA district director, on the heels of the announcement by the U. S. Secretary of Agriculture that all meat rationing had ended. "This leaves only sugar on the ration list," the OPA chief pointed out, "and as long as it remains rationed, buyers will have to present their ration books and coupons as in the past to make sugar purchases."

Fitzgerald further requested that all retailers turn in their red points or coupons to their ration banks in compliance with the order removing meats, butter, margarine, shortening and salad and cooking oils from the ration list.

In Tecumseh, dealers said, the removal of meats and shortening from the rationing board had little effect on buying. "The public was not short or ration points to buy, it was the merchant who was short of meats," was the way one dealer summed up the situation.

Consolidation of all Michigan OPA activities under the Detroit district office has been announced by John F. Kessel, OPA Regional Administrator.

In announcing the change, Kessel said, "The merger of all Michigan OPA functions under the Detroit Office is in conformity with OPA's national policy to effect a reduction in expenditures. With rationing reduced to a minimum, there is less need for as many administrative offices as were required during the war period."

Fitzgerald stressed the fact that the end of red point rationing will permit the Detroit state office to concentrate its full force on the price control program throughout the entire state. "We propose to insure the continuance of the fine standards of living enjoyed by the people of Michigan through maintenance of an effective price control program," he said.

The consolidation restores Detroit to the role of state office which it played in the early days of rationing and price control. The city was established as the state office in January, 1942, until the rapid development of the rationing and price control program forced a division which ultimately set up district offices in Saginaw, Grand Rapids and Escanaba in the Fall of 1942. Fitzgerald, who had joined the Detroit office as food rationing executive in January, 1943, became district director in July of the same year upon resignation of Arthur H. Sarvis, of Flint.

Music Club Presents Program of Indian Songs

Tecumseh Music Club met Tuesday evening at the home of Mrs. R. S. Moore and presented a program of Indian music. A short talk on "Indian Music" by Mrs. Moore preceded the program which consisted of the following numbers:

"March of the Indian Phantoms" (Kroeger) Mrs. James Clymer; alto solo "Beware of the Hawk, My Baby," (Victor Herbert) Miss Bernice Parker; piano solo "Dagger Dance" (Herbert) Mrs. Wilfred Waldron; vocal trio "Hiawatha's Lullaby," Mrs. Moore, Mrs. F. C. Dickinson and Mrs. Mina Heath; soprano solos "The Doeskin Blanket" (Cadman) and "Her Blanket" (Lieurance) Mrs. Thomas Gallant, Jr.; piano solo "From an Indian Lodge" (McDowell) Mrs. Ralph Comfort; soprano solo "The Moon Drops Low" (Cadman) Mrs. Berry Hayden; piano duet "Indian Scalp Dance" (Lieurance) Mrs. Kennard Wise and Miss Elizabeth Segerz; soprano solo "Indian Spring Bird" Miss Crystal Wise; soprano solo "From the Land of the Sky Blue Water" (Cadman) Mrs. Maynard Mulvany; contralto solo, "Medicine Man's Song" (Cadman) Mrs. Harley McConnell; chorus "By the Waters of Minnetonka."

In conclusion refreshments were served from an Indian decorated table. Several attending were in Indian costume.

Bond Sale Here Hits $178,000

LENAWEE COUNTY NEARING HALF-WAY MARK IN ITS QUOTA OF $2,243,000

Tecumseh's Victory Bond sales continue to climb and have reached the $178,000 mark, John R. Thompson, co-chairman of the War Finance Committee, said last night. This amount is about $15,000 in excess of the $163,700 quota.

Lenawee county, with a quota of $2,243,000 has reached the million dollar mark, or nearly half way in the campaign. Eight communities in the county have met or exceeded their goal but the city of Adrian, with a quota of $1,515,000, has not yet reached the $400,000 mark, and the village of Clinton, with a $62,000 quota has sold only about $12,000.

Blissfield, with a quota of $146,000 has sold about $256,000 in bonds, or about $110,000 in excess of its allotment. Other communities over the top in the bond sales are Addison, Cement City, Clayton, Britton, Fairfield, Manitou Beach, Palmyra and Riga.

Willis E. Finch Dies; Was Former Resident

Word has been received here of the death of Willis E. Finch, a native of Tecumseh which occurred November 15, after a brief illness in the Osteopathic Hospital in Lancaster, Pa., where he had made his home for many years.

Mr. Finch was born in Tecumseh October 25, 1872, and was a son of the late Ornan B. and Delfah Bryan Finch. He graduated from Tecumseh high school in 1892 and entered Michigan State College in East Lansing a year later. In 1896 he began employment with the Stimpson Computing Scale Co. in Tecumseh doing engineering and development work. He later moved with this company to Elkhart, Ind., and still later to Detroit. He spent practically his entire business life in the computing scale industry and much of its modern development is due to his ability as an inventor and designing engineer.

Survivors are the widow Martha G. Finch of Lancaster, a son in Atlantic City, two brothers, Delmar B. Finch of Charleston, W. Va., and Prof. Vernor Finch of Madison, Wisc., and a sister Mrs. Erva Slayton of Charleston, W. V. He is a cousin of Floyd Bryan of Tecumseh.

PAST CHIEFS CLUB

Mrs. Lynn Harris and Mrs. Claud Gray entertained the Pythian Past Chiefs Club Monday evening at the Harris home. This was the annual meeting and officers elected are Mrs. Marie Raymond, president; Mrs. Dora Aten and Mrs. Jessie Manwaring, vice presidents; Mrs. Esther Beckman, secretary, and Mrs. Velma Gray, treasurer.

Cards were played and prizes were won by Mrs. Guy Belding, Mrs. Raymond and Mrs. George Church. Refreshments were served by the hostesses.

The December meeting will be a dinner at the Brees House with Mrs. Raymond and Mrs. Aten as hostesses.

PAST MATRONS CLUB

The Past Matrons Club of Tecumseh chapter, Order of the Eastern Star, will meet Friday evening at Brees House for dinner at 7 o'clock with Mrs. E. E. Hendershot as hostess. Dinner will be followed by the annual meeting and election of officers.

COMMITTEE CHOSEN

Mrs. Frank Sutton is chairman of the Tecumseh Hospital sewing committee for the month of December. Other members of the committee are Mrs. Bert Gray, Mrs. John Nyland, Mrs. Lulu Ruthruff, Mrs. Guy Pocklington and Mrs. Ellsworth Collins.

Mrs. Mary Pinkstone, 86, who makes her home with her daughter and husband Mr. and Mrs. Wm. O'Reilley in Macon, fell in the home Thanksgiving Day and fractured her hip. She is a patient at Tecumseh hospital.

Sane Holiday Driving Urged

HEAVY DEATH AND ACCIDENT TOLL IN MICHIGAN LAST YEAR WAS RECORD

Quoting Michigan State Police figures showing that 84 persons were killed and 2,428 injured in automobile accidents within the state last December, the Auto Insurers Safety Association, in a statement jut issued, calls upon motorists to exercise special caution during the coming Holiday season.

"The Holiday season traditionally is one of joy, with many persons driving home for family reunions, but too frequently these trips result in tragedies," the Safety Association stated. Drivers should start earlier for their destination, in order that they will not be so hurried. High speeds and lack of caution cause most accidents, and tragedies at this time of the year are doubly sorrowful. This above applies to all motorists."

The statement reminded drivers that slippery streets and highways call for lessened speeds and make it doubly imperative that the car be kept under control.

The Auto Insurers Safety Association comprises a group of 26 insurance companies operating in the Lower Peninsula, formed a year ago to cooperate with the Michigan State Police, Michigan Safety Council and Michigan State Highway Department in reducing traffic casualities. An educational campaign each year is financed by these companies.

Officers of this safety group are: President—Edward H. Brink, Preferred Auto Insurance Co., Grand Rapids; Vice President—William C. Searl, Auto Owners Insurance Co., Lansing; Secretary-Treasurer—John S. Kerper, Employers' Mutual Casualty Co. of Des Moines, Ia., Lansing.

Lenawee Nurses Meet For Dinner, Business

The Lenawee District Nurses Association met Tuesday evening November 20 at the Family Inn north of Adrian with 45 members and guests present. Mrs. Thelma Brewington, executive secretary of the Michigan State Nurses Association gave an interesting talk on the present program of personnel Policies and Practices for graduate nurses in Michigan hospitals.

The M.S.N.A. Personnel Policies committee, together with a committee from the Michigan Hospital Association have set up a tentative schedule for minimum salaries and practices for approval by Michigan nurses and hospitals.

A group of Tecumseh nurses attended the meeting.

B. & P. W. CLUB MEETS

The Business and Professional Woman's Club met Monday evening at Brees House for their regular dinner meeting with Mrs. Harry Duncan, Misses Bette Purkey and Kathleen Powell as hostesses.

During the business session the club voted to give $10 to the Starr Commonwealth. A letter was read from the directress of a French hospital which was destroyed by the Germans and it was decided to bring articles for babies to the next meeting to be sent to this hospital. Members are also to bring canned fruit for the overseas relief drive.

Miss Clara Gillespie gave a reading, "Sgt. Gregg's Train Ride Home," accompanied by Miss Sam Sisson at the piano.

Scouts Collect 10 Tons Paper

OVER $100 ADDED TO CABIN FUND; ROTARY BECOMES INTERESTED

With more than $100 added to the Boy Scout Cabin Fund, as a result of the waste paper collection here last Friday and Saturday, local Wolverine Council officials and members of the Rotary Club, which organization sponsors Scouting in Tecumseh, began making plans for the construction of a Scout Cabin here, and if possible to complete the project by early summer.

"We now have about $700 in the cabin fund," Paul Maves, chairman of the local Scouting committee, said. "We hope, between now and next Spring, to have sufficient funds to make the cabin a realization."

The waste paper collection last week netted between 10 and 11 tons of paper which was sold immediately. Some 30 Scouts and the local officials worked throughout the two days to make the pick-up. Two trucks were loaned to the organization by Fay Wheelan.

"We want to thank the public generally for their cooperation in the drive," Jerry Spafford, a member of the committee, said. "We tried not to miss a single house, and if we did we are sorry. However, we plan more of these pickups, the present program is personnel Policies and Practices for graduate nurses in Michigan hospitals.

The Rotary club, which organization is sponsoring scouting in Tecumseh, gave over its program time at its meeting Tuesday to a discussion of how best to handle the construction of the cabin, where it should be located, etc. Plans and specifications of a cabin such as is desired here, are being obtained, and undoubtedly a report of progress will be made to that organization within a few weeks.

The Rotarians also discussed the possibility of building a Rotary Club House in Tecumseh next year, and the advisability of also constructing a cabin for Girl Scouts or Camp Fire Girls. It is possible that a site can be obtained sufficiently large enough to permit the construction of all three of the buildings simultaneously.

MARRIED IN SALINE

Miss Juanita Jean Fielder, daughter of Mr. and Mrs. William Fielder of Tecumseh and Eugene W. Sisty, son of Mr. and Mrs. John Sisty of Dundee were married Monday evening, November 26, by Rev. R. S. Hocking at the Methodist parsonage in Saline. They were attended by the bride's sister and husband, Mr. and Mrs. Glenn Crittenden of Macon.

HOSTESS AT DINNER

Mrs. Howard Francis entertained the pupils of the Colvin School and their teacher Mrs. Vera Schroeder recently at a hot dog roast and spaghetti dinner, followed by a nature hike. Many specimens of nests and galls were found.

Santa Clause is Coming to Tecumseh; Will Arrive Saturday, December 8th

STREETS IN DOWNTOWN AREA TO BE DECORATED, FIRST TIME SINCE WAR

Yes, Santa Claus is coming to Tecumseh this year and the streets in the business area will be decorated with Christmas trees and thousands of twinkling, twinkling multi-colored lights for the first time in five years, Wade L. Jones, village clerk and secretary of the Chamber of Commerce, said today.

News of the expected visit by Santa became known late yesterday when Mr. Jones announced that he had received a wire from St. Nick, advising him that he would arrive here on Saturday evening, December 8.

"Tell all of the boys and girls in Tecumseh and its trading area that they should plan to be on hand to meet me," Santa's wire read. "I want the boys and girls to tell me just what they would like for Christmas because this year, with the war just over and toy production limited, it's going to be a job for me to make everybody happy."

"We have known for two or three days that Santa intended to pay us a visit but just when he would arrive we could not say until we received the message," Mr. Jones said. "Santa is going to fly to Tecumseh, and we'll meet him at the airport with one of the fire trucks and bring him back to the business district at about 8 o'clock. Santa will be in the downtown district for probably two hours and that will give all of the boys and girls an opportunity to meet him."

Street decorations in the business district will be put in place sometime next week and the lights will be turned on for the first time on December 8. The decorations will consist of large Yule trees at each ornamental light post and in these will be hidden strings of several hundred colored lights.

It will be the first time since 1941 that Tecumseh has decorated its streets at the Holiday Season, or has had an official visit by Santa Claus.

GOV. KELLY ISSUES PROCLAMATION, SETTING ASIDE WEEK OF DEC. 2

Calling upon the residents of the State of Michigan to set aside the week of December 2nd to the 8th as "Home and Family Week," Gov. Harry F. Kelly, by proclamation, has called upon the people of the state to "study and reflect upon the values and needs of the home and family," for its perservation and improvement.

In response to the proclamation made by the governor, the Tecumseh public schools are planning to give special consideration to the home as a basic social unit. Teachers are planning to stress, in particular, the following topics:

1. The nature of the family group
2. The home as a training agency
3. The responsibilities of students in the development of a good home
4. The characteristics of a good home
5. The "Golden Rule" and family play, recreation, and courtesy as proper bases for good family spirit.

The special emphasis which will be placed upon home and family living during the week will be supplemented by a number of activities including students and their parents. One of these will be a style show planned by the members of the Homemaking Department under the direction of Mrs. Laidlaw, to which parents of the girls and staff members are invited. Dresses and suits which have been made by the girls will be modeled and an opportunity will thus be afforded for parents to learn more about the activities of the school in the home and family living area.

A banquet for the football boys and their fathers is also being planned under the direction of the Football Boys Mothers' group. A series of complimentary hot lunches for elementary grade school children is also being planned as an introduction to the hot lunch program by Mrs. Laidlaw and the girls of the Homemaking department. These lunches will emphasize the need of a balanced diet in the home for healthful living.

Gov. Kelly's proclamation follows:

Home is a word common to all languages. In all countries and among all peoples, the home is the basic unit of human living. The American home is the most important factor in determining the strength, welfare and happiness of the state and nation.

The family is the object of our deepest affection and concern. As we again set ourselves about the tasks of peace, and as the reunion of families, separated by war, happily becomes a daily occurrence, it is impressed upon us that the home should be a place of large spiritual dimension, truly a sanctuary of affection, harmony and contentment.

As there is no substitute for the home and family in the development of the character of our youth and a national morality of high ideals and a belief in God which is all-important to our state and nation;

Therefore, I, Harry F. Kelly, Governor of the State of Michigan, set aside the week of December 2 to 8, 1945, as Home and Family Week, and I call upon all our people to study and reflect upon the values and needs of home and family and ask that all unite their efforts for the preservation and improvement of home and family life.

INDIANS TO PLAY 15 GAMES IN SEASON; TEAM COMPETITION STRONG

On November 19, Coach Fred Raizk issued his call for basketball contenders at Tecumseh High. At that time, only two weeks remained to whip a quintet into playing shape for their first contest against Dundee next Tuesday. The delay, which hinders the work on the long road ahead, was unavoidable because of late football games.

Five lettermen reported at the THS gym for their first workout in hopes of cooperating into the first five. But the berths on the starting quintet are not so easy to gain as each of the award earners met the competition of new varsity candidates. John Murdoch, all county guard, is kept busy by sophomore Bill Brown who is pursuing first string honors. Captain Bob Randall is finding no picnic at his forward berth with Bill Hayden also striving for the same. With pivot posts at stake, Ben Hammack and Dermont Poley are forced into their best performance by LaMar Cheever and Roger Williams. Bob Baker, the fifth letter earner, is being pressed by Jim Sisson, both after a guard position.

Several combinations are made up in the above cagers, all of which will be thoroughly tested to compose a winning group. The practices show many beneficial possibilities, but also display numerous weaknesses which will have to be ironed out.

With the oncoming schedule at hand Coach Raizk commented on his boys as a championship squad IF they come through in their best style and misfortune is lost behind them. This year's schedule is made out for fifteen engagements instead of the usual fourteen. Following the regular season the Brayes will be further challenged. The schedule follows:

Dec.	4—Dundee	there
	7—Clinton	there

PRODUCTION CREDIT ASSOCIATION TO MEET

Leonard H. Fellews, president of the Southeastern Michigan Production Credit Association, announced this week that the annual meeting of the stockholders is to be held on Monday, December 3, in the Congregational Church at Clinton. Dinner will be served promptly at 12 noon with the meeting being called to order at 1 p.m. The main business of the afternoon will be the election of two directors to fill terms expiring at this time.

J. S. Montgomery, secretary of the Production Credit Corporation of St. Paul, Minnesota, will be the main speaker. There will be reports given by the president and secretary.

LIFE-LONG MASONS TO BE HONORED BY LODGE

Tecumseh Lodge No. 69 F. & A. M. will hold a meeting Saturday evening, December first, at which they will honor their life members. Masons and their wives will attend this open meeting.

A prominent speaker has been obtained from Detroit for this occasion and entertainment will include piano and vocal numbers by the Ionic Lodge, Detroit, and some selections by a quartette from Tecumseh.

Those wishing to attend should make reservations with Archie Porter, Porter Printing Company, or Fred Dickinson at the Post Office on Thursday.

PRESBYTERIAN LEAGUE

The Presbyterian League will meet Tuesday evening, December 4 at the home of Mrs. Clark Rathbun with Miss Ruby Preston and Mrs. John H. Smith assisting hostesses. Mrs. John R. Lott will have charge of devotions and Mrs. BurtOusterhout, the bazaar.

WORTH THE RISK

After an extensive study of the subject of postwar price control, the Brookings Institute has issued a detailed analysis which concludes with the blunt statement that "Beyond the setting of initial prices for products whose manufacture was suspended during the war, the continuation of price control is impracticable. Without wage stabilization and without rationing, the OPA is not in any case in a position to hold the price line. And the process of continuously reviewing and readjusting a multitude of prices to meet the needs of a rapidly changing situation, would be so time-consuming that the expansion of production and employment would inevitably be retarded."

This is not the opinion of a prejudiced pressure group. It is the considered judgment of a group of qualified research specialists. It indicates that whether the country so desires it or not, price control will have to be abandoned. Either that, or an airtight dictatorship will have to be established to buttress price control.

If price control is abandoned in favor of allowing natural laws of supply and demand to govern price fluctuations in a free market, it will be an encouraging indication that the United States intends to preserve representative government and the political liberty of the people even at the sacrifice of a measure of so-called economic security. The reward is well worth the risk.

Make Your Home Warmer in Winter

Enjoy Cooler Rooms in Summer

Don't take our word alone for the money-saving, comfort-bringing values of insulation. Rather, ask the family that is living in an insulated home!

Ask the head of this family how much he saves annually in fuel. His reply will be "up to one-third of previous costs." He'll also tell you how much more comfortabe his home is in winter.

And then inquire about summer temperatures. You'll find that insulation keeps your house much cooler in summer—another comfort you'll enjoy.

IT'S NOT TOO LATE TO INSULATE. If you care to you can do it yourself. The whole family can help. The cost? Attic insulation in the average home costs less than $100.

Cleaning Adds Wear to Children's Clothing--

It has been proved time and again that careful cleaning and pressing will add many, many months of wear to any garment. This is especially true when it comes to children's school clothes.

Why don't you join with hundreds of other customers and send your children's clothing to us regularly for cleaning, pressing and reshaping. The cost of having this work done is only a trifle and the added wear—to say nothing about the satisfaction of that new-like appearance—will more than repay you.

LEGAL NOTICES

STATE OF MICHIGAN
THE CIRCUIT COURT FOR THE COUNTY OF LENAWEE
IN CHANCERY
ELIZABETH M. GRIMOLDBY, by Next Friend,
Plaintiff,
vs
CHARLES T. GRIMOLDBY,
Defendant.

Suit pending in the Circuit Court for the County of Lenawee, in Chancery, on the 23rd day of October, 1945.

In the above entitled cause it appearing that the defendant, Charles T. Order of Appearance
NATHAN TOWN, MRS. NATHAN TOWN, DANIEL PORTER, MRS. DANIEL PORTER, WILLIAM B. TOWNE, W. B. TOWNE, ALICE D. ALCHIN, or their respective unknown successors, heirs, devisees, legatees and assigns,
Defendants

At a session of said court held at the Court Room in the City of Adrian, on the 19th day of October, A. D., 1945.

Present: Honorable G. Arthur Rathbun, Circuit Judge.

In this cause it appearing from the bill of complaint on file that it is not known whether the above named defendants are living or dead, or whether they, or any of them, have heirs, devisees, legatees or assigns, and that the names of the persons who are included as defendants therein without being named cannot be ascertained, after diligent search and inquiry.

On motion of L. B. Kuney, attorney for the plaintiff, IT IS ORDERED that the appearance of the said defendants be entered herein within three months from the date of this order, and that plaintiff cause this order to be published according to law.

G. ARTHUR RATHBUN,
Circuit Judge.

MINUTES OF THE BOARD OF EDUCATION

November 13, 1945

The meeting was called to order by the vice-president, Mr. Spafford. Members present were Mr. Spafford, Mr. Satterthwaite, Mr. Lindsley and Dr. Brown.

The minutes of the last meeting were read and approved.

Upon motion made by Mr. Lindsley and seconded by Mr. Satterthwaite, the bills, as incorporated into the minutes, amounting to $1,871.60 were approved and ordered paid.

The report of the superintendent regarding the toilet room improvements at the Central building was discussed. The report indicated that the improvements which are desirable would mean an expenditure of approximately $500.00. In view of the fact that a recent ruling of the Michigan Supreme Court makes the amount of tax revenue which will be available to schools somewhat problematical, it was moved by Mr. Lindsley and seconded by Mr. Satterthwaite that action on the proposal be delayed until the time of the next board meeting when further information regarding district tax revenue may be available. The motion was carried.

It was moved by Mr. Lindsley and seconded by Mr. Satterthwaite that the preliminary proposal of an Adult Education program as outlined by the superintendent be authorized. The motion was carried.

Upon motion made by Mr. Satterthwaite and seconded by Mr. Lindsley the meeting was adjourned.

P. C. Satterthwaite,
Secretary.

We pay tribute to the Heroes who fought and died so valiantly . .

Our Hope is For an Everlasting Peace!

In less than four weeks we will celebrate Christmas—the first Christmas that has found the United States free from war in four years.

In this great Holiday Season, our first since Victory, let us in our joy not forget those brave men who made the Supreme Sacrifice. Let us not forget, also, the many homes that have been broken as a result of such sacrifices; of the many homes separated from loved ones who are still in service.

As this great Holiday approaches let us dedicate ourselves to finishing the job bequeathed to us by them—the job of winning an everlasting Peace.

VICTORY LOAN

The price of winning Victory was high in both lives and dollars. By buying Victory Bonds you pay tribute to our heroic dead, you speed the return of those still on foreign soil, you help to secure the future of America. Buy a Victory Bond today.

NINETY-SIXTH YEAR—NUMBER TEN | TECUMSEH, MICHIGAN, THURSDAY, DECEMBER 6, 1945 | FIVE CENTS PER COPY

Santa Is Coming Here, Saturday

DOWNTOWN STREETS TO BE DECORATED FOR FIRST TIME SINCE WAR

Yes, it's really true. Santa Claus will be in Tecumseh Saturday evening at 8 o'clock and, for the first time since before Pearl Harbor, the downtown district will be decorated with thousands of multi-colored twinkling lights, in keeping with the holiday season.

The visit of Santa was announced last week by Wade L. Jones, village clerk and secretary of the Chamber of Commerce. Mr. Jones said that he had had a wire [illegible] he would come to Tecumseh by plane, landing at the airport shortly before 8 o'clock Saturday evening. He will be brough to the business district on one of the fire trucks and will remain here for about two hours, it was said.

"Tell all of the boys and girls in Tecumseh and its trading area that they should plan to be on hand to meet us," Santa's wire said. "I want the boys and girls to tell me just what they want for Christmas because this year, with the war just over, it's going to be a job for me to make everybody happy."

The street decorations in the business district will be put in place today, Friday and Saturday, and the lights will be turned on, illuminating the stores of Yule trees adorning each ornamental lamp post, for the first time Saturday night.

"Tecumseh will take on its pre-war appearance this year," Jones said in making the announcement. "It will be the first time since 1941 that the streets have been decorated and lighted at the Christmas season, or that the town has had an official visit by Santa. Undoubtedly, many, many children will see Santa this year in Tecumseh for the first time in their lives and that is going to mean considerable to boys and girls of three, four and five years of age."

Cleveland Bible Choir Will Present Program

The Cleveland Bible College choir will present a program of sacred music at the Tecumseh Friends church next Sunday evening at 7:30 p. m. This is one of the special pre-Christmas programs that has been arranged by the Friends church. Miss N. Jeannette Moore, the head of the music department at the college will direct the mixed choir of about thirty voices. The Girls' Chorus presented a program in the Friends church last May on the evening of Mother's Day, but this is the first time in several years that the choir has visited the local Friends church. The public is cordially invited to hear this choir.

BAPTIST CHURCH NOTES

The Ladies Union of the Baptist Sunday school will meet Thursday evening, December 13, at the home of Mrs. R. W. Herrick.

The Baptist Youth Fellowship met at the church Sunday evening with Rev. B. O. Bashore leading the discussion on "Foxhole Religion."

Those attending the associational Baptist Youth Fellowship roller skating party will meet at the church this (Thursday) evening at 6:30.

The B.Y.F. will be guests of the Presbyterian young people next Sunday.

R. A. R. TO MEET

Abi Evans chapter, D.A.R., will meet Friday evening, December 14 at 8 o'clock at the home of Miss Jennie Gillspie. Mrs. F. C. Only Two Days Remain For "Gifs To The Yanks"

Local residents are reminded by the American Legion and Auxiliary that there are only two more days in which to contribute to the "Gifts to the Yanks Who Gave" program. The boxes which have been placed in local stores will be picked up and packages will be made ready for mailing on Saturday.

The Auxiliary at its meeting Monday evening decided to take money from the Poppy fund, so they may be able to double last year's quota for gifts.

Mrs. Paul Keyser is local chairman of the project and completed gift boxes or individual gifts may be left with her or at either the Shuyler Electric Shop or Bancroft Cleaners. Parcels must [illegible] this by Saturday which is the final date for acceptance.

Mrs. John Nyland Dies In Hospital

FUNERAL SERVICES TO BE HELD THIS AFTERNOON; BURIAL IN BROOKSIDE

Mrs. Gertrude Nyland, aged 64 years, wife of John R. Nyland, died early Tuesday morning in St. Joseph hospital, Ann Arbor, where she was taken November 26 after several weeks illness.

Mrs. Nyland was formerly Gertrude Bower, daughter of the late Rev. Leslie Bower and wife. The Rev. Mr. Bower was a former pastor of the Tecumseh Baptist church. Mrs. Nyland was born in Grant, Michigan, June 13, 1881 and in November 1905 she was married to Mr. Nyland.

Surviving are four nieces, Mrs. Florence Shoemaker of Buffalo, N. Y., Mrs. Earl Pennington of Ridgeway, Mrs. Helen Smith of Wakeman, Ohio, Mrs. Louise Samuel of Arlington, Va., two nephews, Henry Raymond of Seneca and Dewey Bower of Jackson.

Funeral services will be held this (Thursday) afternoon at the Belding Funeral Home with the Rev. W. A. Rex of Defiance, Ohio, officiating. Burial will be in Brookside cemetery.

Woman Is Injured As Result of Auto Mishap

Cars driven by Maynard Mulvany and Gus Bronke collided about 8:30 Tuesday morning at the corner of Maumee and Pottawatamie streets, damaging both cars. Mr. Mulvany who was taking Mrs. Mulvany to her work at Tecumseh Hospital, was blinded by the sun on the windshield and did not see the Ford panel truck approaching from the south.

Mrs. Mulvany was thrown from the car by the impact and although not seriously injured was bruised and suffered a cut on her left hand. The front of the Mulvany car was badly smashed and the fender on the Ford truck was considerably damaged.

Two More Honors For Lt. Wilson

MISSING PILOT RECEIVES NAVY AIR MEDAL AND GOLD STAR AWARDS

Two more honors have been awarded to Lieut. Charles W. Wilson, fighter pilot in the Pacific area who has been missing since last April, it was announced this week by the United States Navy. Both awards have been received here by Lieut. Wilsons' wife, Mrs. Maxine Wilson, who with their two small children, resides on W. Chicago boulevard.

The first award, the Air Medal, was presented in the name of the President of the United States by the Commander of the First Carrier Task Force in the Pacific, Vice Admiral M. A. Mitscher. The citation reads:

"For distinguishing himself by meritorious acts while participating in aerial flights in operations against the enemy in the vicinity of the Philippine Islands, Formosa, and French Indo-China. As pilot of a carrier based plane during the period 4 January 1945 to 12 January 1945 he participated in five strikes against enemy shipping, airfields and installations, inflicting extensive damage. His skill and courage were at all times inspiring and in keeping with the highest traditions of the United States Naval Service."

The second award of the Gold Star, granted in lieu of a second air medal, also was presented by Admiral Mitscher. The citation reads:

"For distinguishing himself by meritorious acts while participating in aerial flights in operations against the enemy in the vicinity of the Philippine Islands, Formosa, French Indo-China, Hainan Islands, Nansei Shoto, Tokyo and Iwo Jima. As pilot of a carrier based plane during the period 4 January 1945 to 21 February 1945 he participated in ten strikes against enemy shipping, airfields and installations, inflicting extensive damage. His skill and courage were at all times inspiring and in keeping with the highest traditions of the United States Naval Service."

During the latter part of October, Mrs. Wilson received two citations from the Navy which had been awarded to her husband. One was the Distinguished Flying Cross, the other a Gold Star in lieu of a second award.

Lieut. Wilson is the son of Mr. and Mrs. Wilson of Gaylord, formerly of Tecumseh. He joined the Naval Air Corps soon after his graduation from Michigan State College in 1941. In an encounter with the Japs early last April, his plane was hit and burst into flames. He drove the ship into the sea and searching parties failed to find the officer afloat on the water. The sea, however, was extremely rough. Since that encounter with the enemy, Lieut. Wilson has been reported by the Navy as "missing in action."

XMAS PARTY PLANNED FOR LEGION AUXILIARY

The American Legion Auxiliary met Monday evening at the home of Mrs. Ned Baldwin with 25 members in attendance. The War Activity Committee announced that containers from stores would be collected Saturday and the unit would make up the amount for the "Gifts for Yanks" to double the last year's quota.

A Christmas party for all Legion and Auxiliary members and their families was planned for Thursday evening, December 13, with an invitation extended to all ex-service men, their wives and families. Potluck dinner will be served at 6:30 the auxiliary furnishing the meat, rolls and coffee. Those attending are to bring table service and a dish of food to pass. Mrs. E. J. Aebersold, Mrs. Lyman Curtiss, Mrs. Louis Schneider, Mrs. Otto Baanke and Mrs. Ralph Oliver are the committee in charge.

Mrs. Louis Schneider gave an excellent report of the mid-winter conference held last weekend in Bay City. Refresments were served in conclusion.

First Post-War Auto Delivered In Tecumseh

The first post-war car to be sold in Tecumseh was delivered to Dr. William Britton last Saturday, by Butler Motor Sales, local Ford dealers.

"We have received only two cars since the end of the war," C. O. Butler, of Butler Motor Sales, declared. "Dr. Britton has had his order in for a new Ford for several years. He was first on the list and consequently we made delivery." The other car is being kept on the sales room floor.

Mr. Butler said that the sale to Dr. Britton was the first new car sale he had made since manufacturers discontinued the 1945 models.

Community Fund Boosted $1,000

PRODUCTS COMPANY MAKES CONTRIBUTION SENDING TOTAL TO $3,504

Tecumseh's Community Fund was given another boost this week when it was announced that the Tecumseh Products Company had made a $1,000 contribution, bringing the total subscription to the fund to $3,504. The Products contribution was the largest single gift reported.

The Community Fund drive has officially ended, it was said, and a check for $770 has been forwarded to the Lenawee County Patriotic League as this community's share of the county quota to the League. The balance of all of the money raised in the Fund drive remains here for Tecumseh's use.

The Fund quota was $6,000 and Tecumseh succeeded in raising about 70 per cent of the amount, a larger percentage than was reported from other communities in similar endeavors.

Anti-Radar Devices To Aid Post-War America

Coinciding with the national announcement of the development of anti-radar devices by the Radio Research Laboratory at Harvard University, Prfo. Wm. G. Dow of the Department of Electrical Engineering, University of Michigan, addressing the Tecumseh Rotary club, Tuesday evening, declared that peacetime uses of radar counter-measures are of greater importance than those of the radar program itself. Prof. Dow recently returned to Michigan after serving for more than two years in consulting capacities with the Radio Research Laboratory, a part of the time in England. He was accompanied to Tecumseh by Ira Smith, registrar of the U. of M.

Prof. Dow told how the Allied government successfully "jammed" Axis radar, making it practically unimportant, and declared that this saved thousands of American lives and millions of dollars in equipment.

In post-war, he said, anti-radar devices may be used by telephone and radio corporations to unlimited advantage. The development of the "resnatron," a new continuous wave vacuum tube, means for the American public the vailability of 100 times as many radio and television "channels" as were possible before the war.

GILMAN—HOLBROOK

Doris Jean Gilman, daughter of Mr. and Mrs. Frank C. Gilman of Clinton and William H. Holbrook, son of Mr. and Mrs. R. H. Holbrook of Lansing were married Saturday evening, December 1, at the Clinton Congregational church. The Rev. O. H. Priest read the double ring service.

Patsy Ann Holbrook of Delaware, O., was maid of honor; Hazel Ruettinger and Ruth MacNeal of New York City, Patricia Spore of Dearborn and Roberta Honsby of Clinton were bridesmaids. Richard Holbrook of New Haven, Conn., attended the groom as best man and H. L. Tobe and Carl Hartusch and Tom Gilman of Lansing and John Gilman of Clinton were ushers.

A reception for 175 guests was held in the church parlors following the ceremony.

Mr. and Mrs. Holbrook will make their home in Cambridge, Mass., after the first of the year and Mr. Holbrook will resume his studies at Harvard University.

Indians Lose Cage Opening

WILL INVADE CLINTON TOMORROW NIGHT FOR FIRST LEAGUE GAME OF SEASON

Fighting to the finish but unsuccessfully, the Tecumseh high school Indians lost their first cage game of the season, Tuesday evening, to Dundee by a score of 24 to 22. The game, played at Dundee, was non-league. The Vikings scored the winning markers in the last minutes of play when two free throws were sunk. The Braves' Reserve squad triumphed in the preliminary game, 21 to 9.

Tomorrow night the Indians will invade the Clinton gymnasium to fight one of their traditional battles in cage warfare. The rivalry will be at its peak again with both quintets fairly evenly matched, according to all information at hand.

Coach Fred Raizk has his Braves almost settled as to starting positions but is still uncertain as to who is to fill one pivot post permanently; however, following these games the important decision will probably be made. The Clinton five hasn't, as yet, been engaged this season but their lineup will no doubt include three returning lettermen.

In the past six seasons, the two competitors have met in twelve encounters with the squads splitting even at six each. With these memories of the past and golden thoughts of the future, both Indians and Redskins will open all out attacks to drive for an edge in the contests and for the championship trophy which looms far ahead.

Being reminded that Clinton won the championship last season with Tecumseh runner up, a sports fan would probably forecast Tecumseh and Clinton as the most promising quintets for the 45-46 season. This game may make the difference in the final standings as both cage teams are expecting high berths on the L. C. A. A. ladder.

Dorothy Jean Hoagland Bride of Elwood Tucker

Dorothy Jean Hoagland, daughter of Mr. and Mrs. Lawrence Hoagland of Britton and Elwood Tucker, son of Mr. and Mrs. Harry Tucker of Tecumseh, were married Wednesday evening, November 28, at the Martha-Mary Chapel in Macon. The Rev. Gerald Hallauer of the Britton Congregational church read the double ring service.

Preceding the ceremony Mrs. Ford Exelby played several selections and Mrs. Forrest Weichner sang two numbers.

Shirley Priest of Clinton was maid of honor; Mary Beth Hendershot and Norma Tucker the bridesmaids; little Sherry Tucker was flower girl; Lee Musson and Larry Patterson were ring bearers; Bernard Tucker and Dale McCarbery the ushers. The groom was attended by his brother Wilford Tucker as best man.

Following the ceremony a reception for 150 guests was held in the Tecumseh Grange hall.

Both young people are graduates of Britton high school and the bride has been empolyed in the offices of Ford Farms in Macon for two years. Mr. Tucker was recently discharged after three years overseas. They will make their home in Macon.

CHEEVER—ISSEN

Miss Elizabeth Issen, daughter of Mr. and Mrs. George Issen and Ronald Cheever, son of Mr. and Mrs. Millard F. Cheever, all of Britton, were married Saturday afternoon at the Immanuel Lutheran church on the Ridge by the Rev. Theodore Iben. They were attended by Mrs. Joseph Boxwell of Toledo and John Beal. George Issen and Joseph Boxwell were the ushers. Following the ceremony a reception was held at the home of the bride's parents.

Mr. and Mrs. Cheever will make their home in Britton and Mrs. Cheever will continue teaching in the Ridgeway school. Mr. Cheever was recently discharged after three years army service and will resume his work at the Britton Produce Company.

MARRIAGE ANNOUNCED

Subdivision Plan Is Rejected By Council

A tentative plan for subdividing a plot of ground south and west of the Quaker Oats Company's plant, a part of which is inside the village limits, was presented to the council for consideration by Richard Roe, attorney representing the Home and Garden Corporation, Detroit, Monday evening. It is understood that the Detroit firm would offer acre and half acre lots for sale in the area, looking to a home-building program in the future.

The council held that the plat proposal was incomplete and referred it back to the corporation without opinion.

[illegible] acted except for reports of department and committee heads which were read and placed on fil.

Postoffice Is Open Saturdays

FULL DAY OF SERVICE WILL AID EARLY MAILING OF XMAS PACKAGES

P. A. Bowen, postmaster, announced today that the postoffice would be open all day on Saturday from now until Christmas in an effort to better accommodate holiday mailing. The upswing in both first class mail and parcel post already is being felt at the office, Mr. Bowen said, and incoming mail trucks are loaded to capacity.

"The government is predicting the largest Christmas mailing season in the history of the country," Mr. Bowen said, "and I would not be surprised if that would be true right here in Tecumseh. I would urge the early mailing of gifts, especially those going any distance, to assure delivery promptly and before the holiday."

Mr. Bowen again stressed the importance of properly wrapping and securing packages, and the need for printed addresses.

Funeral Services Held For Mrs. Mary Pinkstone

Mrs. Mary Pinkstone, aged 86 years, died last Wednesday at Tecumseh hospital, where she had been a patient since a fall on Thanksgiving Day, when she suffered a broken hip.

Mrs. Pinkstone, widow of James A. Pinkstone, was born in New York and came to Clinton in 1904. She had made her home for six years with her daughter Mrs. Wm. O'Reilly in Macon.

Besides Mrs. O'Reilly she leaves a daughter Mrs. E. W. VanDeusen of Rochester, N. Y., two sons Walter of Swanton, O., and Harry of Fayette, O., and two sisters both in Schenectady, N. Y.

The body was removed to the Hause Funeral Home in Clinton where Rosary services were held Thursday evening. A solemn requiem high mass was sung Friday morning at St. Dominic's Catholic church with Rev. Fr. Wallace VanDeusen, a grandson from Rochester, assisting Rev. Fr. Juras and Rev. Fr. McGoldrick. Bearers were Ambrose Kehoe, Arthur Staib, John Turk, Edward Kehoe, Edgar King and James Cullen and burial was in the parish cemetery.

Victory Bond Sale Is Active

TECUMSEH NOW $12,000 OVER QUOTA; QUAKER OATS BUYS $25,000

The sale of Victory Bonds in Tecumseh is still active and this community is more than $12,000 over its quota, John R. Thompson, co-chairman of the War Finance Committee, reported today. Mr. Thompson said that the sale of bonds locally now exceeded $180,000. Tecumseh's quota is $163,700.

The largest single sale of Victory Bonds announced here was a $25,000 block purchased by the Quaker Oats Company. This amount is in addition to about $2,500 worth of bonds purchased by employee of the company through a payroll deduction program.

While Tecumseh is over its quota in the sale of bonds, Mr. Thompson pointed out that the sale of "E" bonds here still is lagging behind. Locally, the quota of "E's" amounts to $47,000 and there still remains about $14,000 of this amount to be sold.

A FORTUNATE NATION

A striking fact of the tumultuous war years through which we have just lived, a fact which no one can truthfully deny, is that the people of the United States wanted for nothing. They kept 20 million autos running. Their homes remained brightly lighted and well heated. Their diet, in spite of griping, was nothing less than abundant. They had plenty of clothes and plenty of luxuries. The families of men in the service were, by and large, the only ones who had the vaguest notion of the horrible sacrifices and destruction being endured elsewhere. This is not a criticism of the home front. It is merely stating facts. It was because of continuing high living standards that we were able to turn in a war production miracle.

It is worth reflecting upon the reasons for the maintenance control to insure stability. They were also hundreds of thousands of miles of paved highways, railways, countless fleets of trucks, trains, planes, ships; there were countless business organizations, manufacturing plants, and millions of individual producers topped by a mass distributing system of hundreds of thousands of retailers. All of this vast activity functioned with clocklike precision. Temporary stresses and strains were absorbed without a hitch.

Now that the war is over, we can begin to appreciate this intricate machine. What it did in war it can do on an even greater scale in peace, providing we don't underestimate its ability and turn to paternalistic government in a futile search for perfection.

How Much of Your Salary Do You Save, Regularly?

* * *

We don't mean to be personal, but it's mighty important that everyone save a part of what they earn—and do it regularly.

The reason that it is necessary that we save is to assure us that at some future time—usually when we least expect it—that we have ready cash for emergencies; sickness, taxes, accidents.

It's mighty comforting to know that you have funds in the bank—instantly available at the stroke of the pen—when you need it.

Why not open an account this week and add to it each pay day?

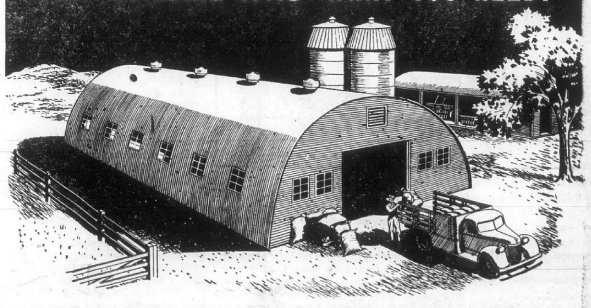
Your Judgment Will Tell You . . . THIS BUILDING *HAS* WHAT YOU NEED!



THE STRAN-STEEL "Quonset 40"

We'll tell you what this famous "Quonset 40" has to offer, and let you decide whether it "has what it takes" to increase the value, productiveness and efficiency of your farm operations.

SPACE — The "Quonset 40" is 40 feet wide and as long as you want it—40'x40', 40'x60', 40'x80', 40'x100' and so forth. Interior is clear-span, so that every inch of space is usable.

LOW COST — The "Quonset 40" is the first high-quality steel building to be made available *at low cost*. This is made possible by the *unmatched efficiency* of the Stran-Steel framing system, with its nailing groove that permits siding and roofing to be *nailed* directly to the framing members.

DURABILITY — The "Quonset 40" is framed with steel and covered with steel to give you the sturdiest, most durable building ever produced for the farm. It is fire-safe, sag-proof, rot-proof, warp-proof—strong with the uniform strength of steel.

PROVED IN USE — Tens of thousands of "Quonsets" have been produced by Great Lakes Steel Corporation to meet the needs of the armed forces in all climates.

"Quonset 20" — Here are the same features and advantages as in the "Quonset 40" in a smaller building—20' wide and as long as you want it. Framed with durable Stran-Steel.

"Quonset 24" — This adaptable, 24'-wide building is available with open side—with sliding doors—or with solid side panels. It provides an ideal building for many farm uses.

Natian's Economy of the Future Rests with Outcome of Auto Strike

PRICES MUST BE ADJUSTED UPWARD IF 30 PER CENT PAY BOOST IS GRANTED

By GENE ALLEMAN
(Special To The Herald

LANSING, MICH., Dec. 6—Assuming that there are two sides to everything—even to the Michigan automobile strike—we this week undertake the difficult task of appraising the wage controversy between Michigan automobile companies and the U.A.W.-C.I.O. union.

First, we assume that it is a proper and fundamental duty of the press to report facts objectively. This, in itself, is not easy to do. Eye-witnesses to an accident often tell different stories. A jury consists of 12 individulas, not just one, as a safeguard against miscarriage of justice.

Second, we assume that an enlightened public opinion—created by both emotional declarations of the two parties and by the facts as others see them—will be the major and final factor determining outcome of the Michigan strike.

That's where YOU come into the picture. And that's where YOUR government prodded by YOUR opinion, may intervene.

The Michigan automobile business dates back to 1899 when the Olds Vehicle company, which had moved from Lansing to Detroit, began regular production of automobiles. In 1910 the newly-formed General Motors Corporation took over the Olds work. In 1901 Henry Ford produced his first car; the company, a family-held corporation, was chartered in 1919.

As an historian would see it, this is rapid transformation. Here is a comparatively NEW industry.

It resulted in a boom for Detroit whose population jumped from 285,704 in 1900 to 1,568,662 in 1930—the span of a single generation! Other cities—Flint, Saginaw, Pontiac, Lansing, Grand Rapids—experienced a similar growth.

Because the automobile industry employs mass production methods, its labor demand has been largely for UNSKILLED workmen. Highly skilled mechanical jobs are relatively few. We recall one Lansing automobile industrialist saying that an average farm boy could learn to be a good automobile worker in 30 days, but that if he were a GOOD farm boy, he could do it in three days.

Because no great skil was required, the auto industry sought to supply its labor needs in midwestern and southern states; Michigan, Pennsylvania, Kentucky, Tennessee and the "Deep South." This migration to Michigan unfortunately did not stimulate deep roots here; much of the labor has been transient and marginal.

Another characteristic of the industry has been its periodic fluctuations of employment. New models. A change may lay off thousands. When Ford changed from the famous Model T, some 60,000 workers were idle for months.

The unskilled nature of the work, plus periodic unemployment, did not make for steady income. The N.R.A. study of wages in the auto industry shows that 45 per cent of the workers received an annual income of less than $1,000.

Here you have a new industry, employing unskilled workers and subjecting them to periodical loss of income.

It seems inevitable that labor unrest would breed in such fertile soil. Remember 1937 and the sit down strikes in Michigan? Here was evidence that the pendulum had swung far to the left. The United States supreme court declared that the action to be illegal.

But it is significant to note that the C.I.O. labor movement in Michigan is less than a decade old in experience. Here also is a NEW development.

The newness of the U.A.W.-C.I.O. in fact, is perhaps its greatest strength and also its greatest weakness.

Led by the Reuther brothers, the union has boldly demanded a straight 30 per cent increase in the worker's hour rate—or 48 hours' pay for 40 hours' work. Further than that, the union insists that the corporation's profits is a matter of propr tary interest of the workers—certainly a socialistic idea and one that fits well into the thinking of the Reuther brothers.

General Motors countered with an offer to increase the hour rate 10 per cent and to assure a 45-hour workweek. Whereas the hour rate has been $1.12 to $1.15 (according to the union) or $1.18 (according to GM), the new hour rate would be $1.26½. The take-home pay would be $57.30 (allowing for the same absenteeism at 45 hours as existed at 48 hours) compared with the union's demand for $59.80 for 40 hours' work. Allowing for absenteeism, the workers' take-home pay last June (1945) was $55.64. Thus, the GM offer would result in MORE take-home pay than the worker received during war-time.

The struggle is akin to David's combat with Goliath in that General Motors' financial position is reported by the New York Times as being at $2.2 billions in total assets and $1.1 billion in liquid assets, while the union's total resources if distributed to all union members would be only around $36 each.

And now for the writer's own personal interpretations.

If the union is successful in getting anything like a 30 per cent boost in wage rates, the effect will be widespread upon our national economy. Prices inevitably must be adjusted upward. Result will be inflationary.

If wages are linked to profits, then the worker must be willing to expect the formula to work both ways. When profits do down, the workers' wages must go down.

The union's weakness, as we see it, lies in its radical and irresponsible leadership. Back of the Reuther boys' thinking in the U.A.W.-C.I.O. is a desire to nationalize the automobile industry. That is state socialism which opens the door to totalitarian government and death of the free enterprise system.

The public has much at stake in the outcome of the Michigan automobile strike.

"Me... I'm staying in the Army!"

★

THERE ARE PLENTY OF REASONS... AND HERE THEY ARE!"

1 "First, I keep my present grade. That means a lot.

2 "By reenlisting for 3 years I can pick my own branch of service in the Air, Ground or Service Forces, and can go to any overseas theater I wish.

3 "I get my mustering-out pay, even though I'm reenlisting. Also, I get $50 a year reenlistment bonus for each year I've been in the Army. My dependents receive family allowances for the full term of my enlistment. And I'll be eligible for GI Bill of Rights benefits when I get out of the Army.

4 "My food, clothes, quarters, medical and dental care are all supplied to me. And I can learn any of 200 skills or trades in the Army schools.

5 "All of us who are reenlisting are going to have from 30 to 90 days' furlough *at home* with full pay and our travel paid both ways. And we'll have 30 days' furlough every year with pay.

6 "Any time after 20 years I can retire at half pay increasing year by year to three-quarters retirement pay after 30 years of service. And the time I've already served in active military or naval service counts toward my retirement time. *Added up—reenlistment seems pretty sound to me!"*

60c Out Of Each $1.00 Egg Cost Goes For Feed

Feed is the most important and costly item in a poultry flock. And the main thing to keep in mind when buying feed is not "How Many Pounds of feed can I buy with my poultry dollar?" The real question is "How much health, vigor, vitality, and actual egg production can I buy with my poultry dollar?"

Since it is estimated that 60% of the cost of eggs is in the feed itself, why not buy only the very best egg producing mash possible. We suggest

Speeding Has Doubled Number of Accidents

Came V-J Day in Mid-August and America rejoiced.

Came lifting of wartime speed regulations and America was launched on a joyride that threatens to become a national calamity.

In Michigan, auto accidents during September cost 105 lives and injured 2,792 persons in communities covered by Michigan State Police reports.

Injuries in rural areas nearly doubled and the rate still soars. . . . Prior to gas rationing more Americans were killed annually through auto accidents than lost their lives in World War I. Must we have a return of speed laws or will American common sense re-assert itself.

Winter Tax Is Up $5 Thousand

INCREASE DUE TO MILL TAX FOR SINKING FUND FOR NEW SCHOOL

That long white envelope you have or will soon be receiving is not a Christmas greeting card in the true sense, it's just a reminder from the township treasurer that winter taxes are now due and payable in Tecumseh township.

The rate here this winter is $20.60 per $1,000 assessed valuation, an increase of $5.10 per $1,000 over the rate of a year ago. Of this amount of increase, $5 goes into the school district's sinking fund, looking toward the building of a new high school here in the future. The ten cent boost is "just a button off your vest" in the mathematics used by the county committee in arriving at an equalization figure.

Tecumseh township has an assessed valuation of $3,367,680, an increase of about $100,000 over the 1944 figure. This boost is due, according to Le Roy Titley, supervisor, to increased personal and real values, mostly industrial.

In the township at large, the $20.60 rate will raise $63,568.51. This sum will be divided as follows: For county use, $12,276. For township use, $3,367.68, an amount slightly higher than usual but necessary to replenish the treasury due to the fact that the fire truck, recently purchased, was paid for in full with cash. School operating costs in the township amount to $30,453.30. The five mill sinking fund and a one mill library fund will return $16,825.74 and for county drains the amount is $645.60.

School operating costs in District No. 7, Tecumseh village school district, amounts to $27,762.47, and the library fund in this district totals $2,804.29.

The tax rate in mills for the Village of Tecumseh and School District No. 7, follows: County, 3.7 mills; township, 1 mill; school, 9.8 mills; library, 1 mill; school sinking fund, 6 mills, making a total of 20.6 mills.

Grant H. Ousterhout, 73, Ridgeway Resident, Dies

Grant H. Ousterhout, 73, a resident of Ridgeway township all his life, died Monday night at Tecumseh hospital after a short illness, although he had been failing for some time. Mr. Ousterhout was former supervisor of Ridgeway township, former manager of the Britton Telephone Co., highway commissioner and member of the Britton school board.

He leaves the widow and two sons Thurlow of Detroit and Harold of Britton, a daughter Mrs. Marian Curtis of Detroit; a brother Vern of Ypsilanti and several grandchildren.

Funeral services will be held this (Thursday) afternoon at 2:30 at the Niblack Funeral Home in Britton. Rev. O. E. Priest will officiate and burial will be in Ridgeway cemetery.

$1,000 Damage To Plane In Fire At The Airport

Sparks from the chimney of the Meyers Aircraft Company's plant started a fire in the wings of a Meyers trainer plane, parked near the building, which caused $1,000 damage, about 10 o'clock, Monday morning. The fire was put out with hand extinguishers before the flames spread to the body of the ship. The wings, however, were completely destroyed.

The ship is owned by Bruce Hoffman and Otto Meyers, officers of the Meyers company. Mr. Hoffman said today that the ship was not protected by fire insurance.

Yank Gift Boxes Are Packed Here

LOCAL PROJECT NETS $92 AND ENABLES SENDING OF 68 PRESENTS TO VETS

Mrs. Paul Keyser, chairman of the "Gifts for Yanks Who Gave" project locally, reports $92 collected. Sixty-eight boxes were packed, eight for girls and 60 for men, ranging in value from $3.50 to $8.

Mrs. Keyser in behalf of those 68 patients who will be remembered on Christmas Day, expresses her thanks to the merchants and individuals and all who helped make the drive successful. Gifts were received from the Royal Neighbors and the American Legion Auxiliary from Clinton, the War Service Mothers of Tecumseh, and the American Legion Club who gave $42 of the $92 collected. The remainder of the amount needed to cover the cost of the boxes was drawn from the Auxiliary Poppy fund.

Geo. Green Tells of Life In Panama Canal Zone

Something about the history, life and customs of the Panama Canal Zone was told interestingly to members of the Tecumseh Rotary Club by Geo. E. Vreen, jr., a member of the club who only recently was discharged from the Navy, when he spoke following the club's Tuesday evening dinner at Brees House. Mr. Green spent several months in the Canal Zone and had interesting side tours, including a trip through the Canal.

Lt. Col. R. G. B. Marsh, a former president of the club, resumed his active membership Tuesday, having been discharged from the Army after some four years of duty. Col. Marsh is a practicing physician and surgeon here, and he is returning to his profession immediately. With Mrs. Marsh and his family he is occupying his home on W. Logan street.

Lieut. Wm. Wright of the Navy, was a guest of his father, D. F. Wright, at the meeting. Lt. Wright has been discharged from service.

A committee was named by the club president, Earl L. Wickwire, to investigate and report later upon the feasibility of building a community house here. The committee is made up of E. M. Campbell, J. Floyd Elliott, Paul Maves, R. H. Moore and John Zeigler.

DAUGHTERS OF ST. PETER NAME NEW OFFICERS

The Daughters of St. Peter held their December meeting at the rectory with Mrs. John R. Scarlett as hostess. A potluck dinner was served and during the business meeting the following officers were elected: Mrs. Cecile Smith, president; Mrs. B. C. Dannells, vice president; Mrs. Glenn Driscoll, secretary; Mrs. Anna Hardenburg, treasurer.

PYTHIAN CHIEFS MEET

The B.P.C.P.S.C. of the Pythian Sisters met last Wednesday evening at the home of Mrs. Duncan Oliphant, most excellent chief, when Past Chiefs were special guests. Mrs. Oliphant was assisted by Mrs. Luther Wood, retiring president and Mrs. Henry F. Kempf, president-elect of the club. Tables were arranged for cards and prizes were won by Mrs. Glenn Wilson of Clinton, Mrs. Ervie Raymond and Mrs. George Green. Twenty-three were present and lunch was served at tables with holiday decorations.

The club will meet again January 16, the place to be announced later.

PRE-CHRISTMAS

The "Exaltens of Christ" a group of singers and musicians from Detroit will present a pre-Christmas program of vocal and instrumental selections next Sunday evening at 7:30 o'clock at the Tecumseh Friends church. These workers have many friends in Lenawee county. Last Sunday evening a large congregation greeted the Cleveland Bible College choir.

Santa's Visit Brings Crowds

HUNDREDS OF CHILDREN SEE ST. NICK FOR FIRST TIME; SHOPPERS CROWD STORES

Hundreds of children—and adults too—saw Santa Claus when he made his first official visit to Tecumseh since 1941, Saturday evening. Downtown streets were crowded with youngsters and their parents, many of the tots, two and three years of age, catching a glimpse of St. Nick for the first time in their lives.

Santa arrived in Tecumseh by airplane and was met at the airport by one of the fire trucks and was brought to the towntown district. He remained here for about two hours, visiting with the children.

"Electric planes and trains seem to be very popular with the children of Tecumseh," Santa confided, "but this year, with the war just over, it's going to be difficult to fill many of the kiddies' orders. I'm afraid many of them are going to have to wait for a year or two before production of toys is sufficient to meet their demands. You know Santa's workshop was affected by the war just as was all other industrial plants."

The downtown district of Tecumseh is decorated this year with Christmas trees on every ornamental lamp post, in which are concealed hundreds and hundreds of twinkling multi-colored lights. The lights were turned on Saturday night for Santa's visit and will be lighted each evening until after New Year's.

Christmas shopping in the stores here is reported to be brisk, in fact heavier than it was even a year ago. Merchants are doing their best to supply shoppers' wants and merchandise is arriving daily in all of the stores, filling up vacancies caused by previous sales.

While electrical appliances are difficult to buy, dealers report that many shoppers are purchasing gift certificates instead of appliances and will present these at Christmas time, the donor waiting until next year for the actual gift.

Mrs. Gertrude McKendry Dies at Her Home Here

Mrs. Gertrude McKendry, aged 77 years, widow of the late William McKendry, died Monday morning at her home west fo town. Mrs. McKendry was formerly Gertrude Tilton and had lived in the community all her life.

Lenawee's Bond Quota Over Top

COUNTY APPROXIMATELY $1,000,000 IN EXCESS OF VICTORY LOAN GOAL

Lenawee county has exceeded by approximately $1,000,000 its Victory Loan quota, A. A. Palmer, general chairman, has announced. The county quota amounted to $2,243,00 and sales up to Wednesday amounted to some $3,200,000.

Every community in the county met and exceeded its quota, Mr. Palmer said in making the announcement. It was the eighth time that Lenawee has met and exceeded a war bond quota. The City of Adrian had the largest quota in the county, $1,515,000 and sales there amounted to about $1,700,000.

Tecumseh, two weeks ago, oversubscribed its quota in the Victory loan. The goal here was $106,000 and sales to date near the $260,000 mark or nearly $100,000 in excess of the quota.

Indian Cagers Lose To Clinton

WILL PLAY FIRST HOME GAME OF SEASON HERE FRIDAY WITH BLISSFIELD

The Tecumseh cage five bowed for their second loss as the Clinton quintet became the victor last Friday by the margin of 39-25. Coach Fred Raizk's boys invaded the Clinton court handicapped by the absence of Dermot Poley and by the previous illness of Bob Baker, who finally went into the game and gave a good account of himself.

The Clinton five took advantage of every point and pushed into the lead early and by halftime the home town squad was trailing 18-10. The Indians found it impossible to overcome the difference of the two scores and the contest wound up with the Clinton boys on top.

Ben Hammack, Tecumseh guard, led the Indians' scoring with 8 points by three field goals and two charity throws. Baker, who came in as a substitute, chalked up 6 markers on two field tosses and the same number of free throws.

The Tecumseh rooters were given some consolation as the Indian Reserves drove up a winning score of 21-9 for their second win. Dinse took scoring honors for the Braves' second stringers.

Tomorrow night Tecumseh plays host to the Blissfield quintet, who lost its only contest so far. The preliminary contest begins at 7:15 p. m., in the THS gymnasium.

Neck Is Broken In Plane Crash

ARMY FLYER CRITICALLY HURT WHEN P-40 UPSETS AT TECUMSEH AIRPORT

Lieut. Geo. Rassa, 22, of Baltimore, Md., suffered a broken neck last Thursday afternoon at Tecumseh Airport when the P-40 "Warhawk" he was flying upset and crashed in landing. Lieut. Rassa was removed to Tecumseh hospital in an ambulance and later was taken to Percy Jones Hospital, Battle Creek. His condition yesterday was reported as "doing as well as could be expected."

The plane the officer was flying had been purchased by the Clinton public schools, to be used by students in shop training. It was flown from Ft. Leavenworth, Kansas, to Jackson, the day before the accident and Rassa volunteered the flight from Jackson to Tecumseh, "just to help the kids get their plane quicker."

Enroute from Jackson to Tecumseh, Rassa flew over Clinton and gunned the motor to let the villagers know he was there.

When the pilot was pulled from the wreckage of the ship, paralyzed below the chest, he was heard to remark that "he was sorry the kids' ship was cracked up, but I gave 'em a good buzz when I went over Clinton." "He was a real sport, a brave fellow," one airport attendant said.

The Warhawk, according to its record, saw service in China and in other war theaters. The big ship, weighing 6,600 pounds cost the government in excess of $50,000. It was sold to the school for $100 plus a ferrying fee of $117, it has been removed to Clinton by truck.

The Army is conducting an investigation into the cause of the crash. Whether the plane's brakes locked, or whether the pilot applied them too rapidly after landing has not been established.

6 Are Injured In Auto Mishaps

Six persons were hurt in two accidents here during the past week and all were removed to Tecumseh hospital for treatment.

Mabel Huntley 12 and Margaret Huntley 8, were brought to Tecumseh hospital Thursday evening after their car in which they were riding collided with a truck east of Clinton. The truck had stopped and Alice Collman, driver of the other car, was unable to stop in time to avoid the collision. Mabel was cut about the head and Margaret suffered a ruptured ear drum, cuts about the face and mouth and a possible skull fracture.

Wayne Westcott, Harland Lewis, Willis DeLine and Elic Rakcoys, all of Addison, were brought to Tecumseh hospital Thursday morning for injuries received when their car went into a ditch and struck a tree after the lights went out. The accident occurred near the Fee Gardens on M-50 west of Tipton. Westcott, Lewis and DeLine all suffered broken legs, and Rakcoys suffered a serious cehst injury and a badly cut tongue. All were badly bruised.

The Clinton State Police investigated the accident which occurred at 6:15 a.m., as the group were on their way to work at Tecumseh Products Co.

AEBERSOLD—FRANKE

Miss Erika Franke, daughter of Mr. and Mrs. Edmund Franke of Fairfield and Dale H. Aebersold, son of Mr. and Mrs. Clarence Aebersold of Tecumseh were married November 30 by Rev. E. F. Manske, at the St. Johns Lutheran parsonage in Adrian. They were attended by Mr. and Mrs. William Franke.

On their return from a trip in Southern Ohio, they will make their home in Adrian. Mr. Aebersold who was recently discharged from service is employed by Tecumseh Products Company.

WHERE ARE WE DRIFTING?

In every direction we are faced with the seeming inevitability of increased government control, although we talk about less control. We resemble a person looking back at something he wants as he walks away from it. The answer to such a paradox must be that we want less government control badly, but not as badly as we want other things.

For example, while we dislike the drift toward autocratic government, we dislike the danger of inflation more, and resort to government control in hope or averting it. Again, while we dislike the same trend evident in compulsory arbitration of labor disputes, we dislike the disputes more than we dislike to be governed by decree.

Until we feel that stopping the drift toward dictatorial government is more important than anything else, the drift will not be stopped, neither will inflation nor labor trouble.

The question before the American people is simple: "Where are we drifting?" Or, are we moving so rapidly toward our destination that it is hard for us to see it through the haze of the smoke screens being thrown up in all directions from Washington?

Shingles---Roof or Sidewalls Should Be Laid This Month

It's true. If you are considering laying a new roof on your home, or improving its appearance and "heatability" with sidewall shingles, you should not delay longer. The work should be started NOW and, if possible, completed this month. We have White Cedar shingles, or we can furnish Arrow-Lock or Tite-On asphalt shingles for your roof. For sidewall work, we suggest Gla-Tex asbestos shingles.

It's Not Too Late To Insulate

No, its' not too late to insulate because you still can save many, many dollars in fuel costs this winter, to say nothing of the added comfort of your home. Insulation, you know, is quickly installed and is comparatively inexpensive.

Slippery Streets Add to Holiday Accident Toll

Snow and ice, those twin accomplices of SPEED, the KILLER, seem to take fiendish delight in adding to their toll during the Holiday season.

Perhaps it's because auto fatalities are doubly tragic at this season of the year.

Skidding, born of speeding in most instances, cost 84 lives in Michigan last December.

But, Hazardous as they are, slippery streets and highways need not reap the harvest that they do.

Safe driving practices—driving slowly when approaching intersections; always keeping the car under control, will prevent such tragedies.

STATE OF MICHIGAN
THE CIRCUIT COURT FOR THE COUNTY OF LENAWEE
IN CHANCERY

ELIZABETH M. GRIMOLDBY, by Next Friend,
Plaintiff,
vs.
CHARLES T. GRIMOLDBY,
Defendant.

Suit pending in the Circuit Court for the County of Lenawee, in Chancery, on the 23rd day of October, 1945.

In the above entitled cause it appearing that the defendant, Charles T. Grimoldby, is a resident of this state and that process for his appearance has been duly issued, and that the same could not be served by reason of his absence from or concealment within the State of Michigan and by reason of his continued absence from his place of residence; therefore, on motion of Richard F. Roe, attorney for plaintiff,

It is ORDERED that the defendant, Charles T. Grimoldby, enter his appearance in said cause within three months from the date of this order, and that this order be published or served according to law.

G. ARTHUR RATHBUN,

"I SEE AN AUTOMATIC BLANKET IN YOUR FUTURE"

"You are happy. You wake up each morning smiling, full of life and new energy. Your automatically controlled electric blanket provides smooth, even warmth all night long . . . not too warm, not too cold. Yes, this new sleeping luxury keeps you feeling fit and properly rested.

"Perhaps you don't know about this magic blanket yet... Well, it looks like any good blanket — but it gives you 'just right' warmth *automatically*, no matter how the room temperature may change during the night."

"The small control pictured here is the 'brain' of this magic blanket. It stands sentinel, guarding against chill and cold while you sleep. These amazing new automatic electric blankets will be on the market soon . . . look for them. You'll want to enjoy this greater sleeping comfort."

60c Out Of Each $1.00 Egg Cost Goes For Feed

Feed is the most important and costly item in a poultry flock. And the main thing to keep in mind when buying feed is not "How Many Pounds of feed can I buy with my poultry dollar?" The real question is "How much health, vigor, vitality, and actual egg production can I buy with my poultry dollar?"

Since it is estimated that 60% of the cost of eggs is in the feed itself, why not buy only the very best egg producing mash possible. We suggest

HAYDEN'S EGGMASH

Pep up your layers with Chek-R-Ton. Mix 3 lbs. per cwt. of feed for 7 days. It does the trick!

And always

"HASTEN TO HAYDENS"

WAITING TO BE FILLED

There are still many important shoes to be filled before we can again provide unlimited telephone service for everyone. Many of the men we require to build, install and repair telephone equipment are still in service. As a result, both men and some equipment are still irreplaceable. But you can be sure that as quickly as these vital men return, we will provide telephone service just that quickly for people now waiting for it.

Cold, Sickness Closes Schools

HEALTH OFFICER ORDERS ADJOURNMENT UNTIL AFTER THE HOLIDAYS

The Tecumseh Public Schools were ordered closed Tuesday afternoon by Dr. H. H. Loveland, health officer, until Wednesday, January 2. Dr. Loveland's action was taken after a conference with school officials which showed that 28 per cent of th student body was absent from classes Tuesday morning, due to sickness, and that illness among students, due to cold and influenza, apparently is on the increase.

"We are closing the schools," W. L. Berkhof, superintendent said, "in an effort to check the spread of the colds and influenza. Not only will the schools be closed, but all social and athletic functions in connection with the school also will be cancelled. This includes the Christmas Party, scheduled for Friday night, and the basketball game, to be played at Addison. We hope that the Christmas party may be held at some later date."

On Tuesday, Mr. Berkhof said, 205 students and four teachers were absent from classes because of illness. The teachers ill are Miss Agnes Hansen, Miss Bernice Parker, Mrs. Lois Service and Mrs. Homer Colson.

Classes meeting in the central school building were adjourned on Monday morning until 1 p. m., because of difficulty in heating that building during the below zero temperature of the day. Some difficulty has been experienced in heating the building since, due to a down-draft in the ventilating system, but this can be overcome, it was said.

Dr. Loveland seems to be of the opinion that the cold and influenza epidemic has about reached its peak. He said that only four or five cases of pneumonia had been reported in this vicinity and that there is not nearly as much influenza as there is just "old fashioned colds."

Dr. M. R. Blanden said that he had seen scores of persons who are ill with colds and he seems to think that the number of cases is growing steadily. There are not as many cases of influenza, he said, as there are colds, tonsilitis, etc. "Only a small percentage of those who are ill, have the flu," he said, "but the disease is no respector of persons. Both young and old are confined."

Mr. Berkhof returned to his office at the school on Tuesday after a four-day illness with a cold.

The school here would have recessed on Friday afternoon for the Christmas-New Year's holidays, the recess lasting until the day after New Year's.

B. & P. W. Club Enjoys Annual Xmas Party

The Business and Professional Woman's Club met Monday evening at Brees House for its regular dinner meeting and annual Christmas party. Twenty-eight members and guests were seated at tables decorated with lighted tapers, sparkling Christmas balls and cheery greeting cards.

At the finish of the steak dinner a group of children from the fifth grade directed by Mrs. John McColl, sang a French carol, with the duet sung by Mrs. McColl and Miss Jane Hoekstra. The group also sang a French round and Miss Hoekstra read a Christmas poem in French which she translated into English.

After a short business session presided over by Mrs. Cecile Smith a Christmas program was presented. With Mrs. Margretta Brisbin at the piano and Miss Mabel Lockwood leading, a candlelight surprise carol sing was enjoyed, the surprise coming when various ones were called upon to sing a solo or be one of a duet. The program included two piano solos, "Christmas Eve" and "Away in a Manger" by Marlou Gilman; "Story of Christmas in France" by Mrs. Naomi Sallows; vocal solos, "I'll Be Home for Christmas" and "I'm Dreaming of a White Christmas" by Marilyn Brown.

Gifts were brought for a maternity hospital in France and canned goods for overseas relief. Anyone wishing to contribute to these boxes may leave gifts for France at Van's Pastry Shop and canned goods at the Watkins Shop anytime this week.

Electric Bills Will Be Cut 20% In December

Approximately $1,000,000 is being distributed among Consumers Power customers this month in the form of reduced bills.

Foreseeing that most of the money would go to the federal treasury under wartime tax laws, the Michigan Public Service Commission last week directed the company to give it to its customers instead. The company immediately announced that it would comply with the Commission's order.

Every electric, gas or steam heating customer will benefit through the reduction. December bills are being figured in the regular way. Then 20 per cent is subtracted from the total due.

In announcing the acceptance of the Commission's order, D. E. Karn, vice president and general manager of Consumers, pointed out that the company's net income after taxes is lower now than before the war, despite the fact that the volume of business has increased tremendously, making necessary a large investment in additional lines and facilities.

Local Defense Group Honored

CERTIFICATE OF MERIT ISSUED TO TECUMSEH CIVILIAN DEFENSE COUNCIL

A Certificate of Merit signed by Governor Harry Kelly and Capt. Donald S. Leonard, state director of Civilian Defense, has been awarded to the Tecumseh Defense Council in recognition of its efforts during World War II.

The certificate, received today by J. Floyd Elliott, Chairman of the Defns Council, stats:

"The Michigan Office of Civilian Defense awards this Certificate of Merit to the Tecumseh Defense Council in recognition of loyal and unselfish service rendered by the Council and its Civilian Defense Volunteers during World War II. Such service stands as a mark of distinction and patriotic devotion in the Nation's achievement of Victory."

Although Civilian Defense has been inactive since the surrender of Japan, its formal dissolution as a legal entity will take place this month, the interval between having been allowed to give Councils time to liquidate their organizations and dispose of funds on hand. This has now been accomplished in all but a few instances.

In a number of communities various Civilian Defense programs have been taken over by other agencies, particularly in the field of protection such as fire and police auxiliaries. Programs, which had served their purpose, or for which there were no other local sponsors, were discontinued in September.

In a letter accompanying the Certificate of Merit, Capt. Leonard said:

"The contribution made by Civilian Defense Volunteers and their leaders to winning the Victory in World War II, and in maintaining our Country in a state of defense preparedness, will forever stand as an impressive tribute to their patriotism and loyalty.

"Their generous donation of time and energy to carry on the many essential home front tasks assigned to them made them participants in the greatest example of civilian cooperation and organization of all time.

"It therefore give me pleasure to forward to you a Certificate of Merit awarded to your Defense Council and the Volunteers within its jurisdiction. To that I want to add my personal expression of pride and gratitude for the fact that the outstanding and exceptional record of Michigan's Civilian Volunteers was unsurpassed in the Nation."

Chairman Elliott said the certificate will be framed and hung in Council Chambers.

Farm Fire Loss Exceeds $10,000

ROSCOE HEWLETT HOME DESTROYED; OVERHEATED CHIMNEY BLAMED

Fire, which started from an overheated chimney, shortly after eight o'clock Sunday evening destroyed the farm home of Mr. and Mrs. Roscoe Hewlett on the Macon road, about a half-mile east of the Airport. The loss, partly covered by insurance, is estimated at between $10,000 and $15,000.

The fire was discovered by the Hewlett family when they smelled smoke. They at first believed it might be from an oil stove in the basement, where more than 1,000 bushels of potatoes were stored. An investigation showed, however, that the fumes were coming from a fire that was smouldering in the attic of the house, near the chimney. An effort was made to extinguish the fire with the aid of a bucket brigade and a call was sent to the Tecumseh and Clinton fire departments. The flames spread rapidly through the partitions of the dwelling and upon the arrival of the departments, firemen found that efforts to save the house were futile. They were able to save several thousands of dollars worth of barns and other buildings, located nearby.

Mr. and Mrs. Hewlett and their daughters, Martha and Mary, were able to save most of the furniture on the first floor of the house. Mr. and Mrs. Hewlett also saved most of their clothing. Their daughters, however, whose bedrooms were located on the second floor, lost most of their clothes, and no furniture on the second floor was saved.

The Hewlett home was a landmark in this vicinity. It was built more than 100 years ago by a Col. Allen. The 11-room dwelling was finished with solid black walnut doors and woodwork and a large staircase also was of black walnut. The farm will be remembered by some as the A. D. Hall and Thos. Murphy property. Mr. Hall purchased the farm, then known as he Judge Hoag farm, in 1853, moving there in the spring of 1854.

Mr. Hewlett is well known in his section as a grower of potatoes.

The Hewletts today expressed their appreciation to the firemen for their prompt desponse to the alarm and for their fine work in saving the barns and other buildings. They also spoke kindly of the efforts of others, including a number of young boys, who added materially in helping to remove furniture from the house. They also were grateful to Mrs. Lee Purkey, who furnished hot coffee to firemen and others at the scene.

The Hewlett family is now staying with relatives. Mr. Hewlett plans to rebuild the property as quickly as possible but due to stortages of lumber and other materials just when this can be done he does not know.

St. James Church Plans A Christmas Festival

A Christmas tree with Santa Claus concluded the afternoon's netertainment.

Zero Weather Grips County

TECUMSEH FEELS LOWEST TEMPERATURES OF WINTER WITH SIX BELOW READING

Sub-zero temperatures, the lowest reading of six below zero last Saturday morning, gripped Tecumseh, Lenawee county and all of lower Michigan this week—the oldest weather this community has experienced this winter. Although the weather man said that the back-bone of the cold wave was broken on Wednesday, he also indicated that low temperatures might be expected until after the Christmas holiday.

Tecumseh arose four mornings in succession within the week to find the mercury in the thermometers below the zero mark. Sunday's low reading was four below, Monday it was two below and Tuesday, three below.

The cold wave caused the customary up-swing in business for the garages, coal and oil supply dealers, some garages reporting that customers left "standing orders" for the service truck to call each morning at their homes to start their cars. Traffic was slowed to a snail's pace Sunday and Monday by the cold, and many motorists, who had neglected the anti-freeze in car radiators, found themselves in on end of difficulty.

A few minor traffic accidents were reported over the county, but there was no serious injuries.

Joseph C. Satterthwaite Weds Mrs. Leyla Caspard

Joseph C. Satterthwaite, son of J. Newton Satterthwaite, and Mrs. Leyla Ilbars Caspard of Washington, D. C., were married Tuesday afternoon, December 18, at the home of his father on North Union street. The ceremony was performed by the Rev. Edward Escolme, pastor of the Friends church, before a small group of relatives and friends.

Mr. and Mrs. Satterthwaite left later for Chicago but will return here to spend Christmas, returning to Washington Tuesday night.

The bride, who was born in Rostov-on-Don, Rassia, is a graduate of the American Womens College of Istanbul, Turkey, where her mother, Mrs. Rada Ilbars, resides. Before coming to the United States last year she was a member of the British Council in Ankara, Turkey. She has been a member of the Secretareat of the United Nations Relief and Rehabilitation Administration during the past year.

The groom is a graduate of Tecumseh high school and the University of Michigan. He has served at several foreign posts as a member of the American Foreign Service, his last post having been that of First Secretary of the American Legation at Damascus, Syria. Since last September he has been serving in the State Department in Washington, where he and his wife will make their home during the period of his present assignment.

NAVY LIEUTENANT IS ROTARY CLUB SPEAKER

Lieut. W. H. Hermes of Bedford, Pa., formerly with the SeaBees, told of life and the natives of the Pacific when he addressed members of the Rotary club, Tuesday evening, following dinner at Brees House. He was the guest of Vance Ogden.

Lieut. Hermes spoke interestingly of the places he visited in the Pacific, including the Fiji Islands and Guadalcanal. He told something of the climate, of the native customs and described the natives found there. "The SeaBees ar a great lot of fellows," he declared. "In our outfit there was someone who could do anything from fix your wrist watch to manufacture an electric freezing unit. You just couldn't stump them."

Tuesday's meeting was the last that will be held by the club until after the holidays. The next meeting, January 8, will be in charge of Ralph Comfort.

Churches Will Observe Xmas

PROGRAMS IN SONG AND STORY WILL BE PRESENTED DURING COMING WEEK

Christmas programs in song and story will be presented in the various churches during the coming week with appropriate Christmas sermons in each church on Sunday morning.

The first of the programs was held Sunday evening at the Presbyterian church when the annual candlelight service sponsored by the Westminster League, was presented by St. Andrews choir under the direction of Mrs. F. C. Dickinson with Miss Leo Bess Chappell of Morenci as guest soloist.

The Christmas program by the Presbyterian church school will be held Friday evening, December 21, at 7:30.

On Christmas Eve services will begin at 10:45 with a program of chimes and organ music, dedicated to the memory of Mrs. Lilah Campbell. The worship service and Holy Communion begins at 11 p. m. and ends at midnight. St. Andrews choir will sing.

At the Baptist church a family night and Christmas party was held last evening when potluck supper was followed by a Christmas program. Servicemen and women on the church honor roll were special guests and a Christmas tree and Santa Claus was a feature for the children.

The Christmas entertainment to be presented by the Methodist church school on Sunday evening, Dec. 23, will be in the nature of a dramatization of Bible scriptures, selected by Wilfred Waldron concerning the theme: "There Shall Be One God." Preceding the program the families and friends will have a coooperative supper at six o'clock in the social room. Coffee and desert will be furnished by the church board of education. Vernon Rupp will show an interesting movie for the pleasure of the children and Santa Claus will arrive later in the evening. The community is invited.

At the Friends church a special Christmas message "Greeting the Christ Child" will be given by the pastor Sunday morning at 11 o'clock followed by Sunday school. The Sunday school program will be presented Sunday evening at 7 o'clock with a pageant "Gifts of Christmas Tide" followed by a special treat for the children. There will be no Christian Endeavor.

Grace Evangelical Lutheran church will hold their Christmas program on Christmas Eve at 8 o'clock when the story of the Savior's birth will be presented in song and verse by the children of the Sunday school. The program "And it came to pass" give the congregation an opportunity to join the Sunday school in singing songs of praise and adoration. At the close of the program gifts and candy will be distributed to the children. Friends and visitors are invited.

Divine worship with Holy Communion will be held Christmas morning at 10:30 o'clock. Announcement for communion may be made Saturday, December 22.

At St. Peter's Episcopal church the children's Christmas program will be held Sunday evening at 7 o'clock with numbers by the children also carol singing and colored slides. A candlelight service will be held Christmas Eve with carol service at 11 o'clock and Holy Communion at 11:30 and on Christmas morning Holy Communion will be celebrated at 10 o'clock.

a Jolly Christmas

To One And All

CHILDREN looking out of the window at a desolate landscape try to catch a glimpse of a mythical sleigh drawn by mythical reindeer. But there is naught that is mythical about the spirit of Christmas that transforms the commonplace. That Christmas of 1945 may be for you the happiest Christmas of all is our sincere wish.

OUR IGNORANCE

Ignorance is a contagious disease, particularly when it is hitched up to an unwillingness to learn.

One writer puts it this way: "Ignorance is the school or race prejudices, and provincialism is its tutor. Its memory is stuffed with lies and its mind is warped by emotionalism. Pride is its book and snobbery is its pen. All the hatreds and fears, all the cruelties and prejudices of childhood are perpetuated by it. It blinds the intellect and it hardens the heart. Its wisdom is wonderful and fearful; for it never learns what is true, and it never forgets what is false.'

'The ignorance of the other man is not OUR personal problem. It is our own ignorance that must be met and mastered. We can be so big, we mustn't be tiny—we can be so big, we neither look up nor down at other people—but straight ahead at eye level with our fellow men. That is the mark of an educated man.

We must know not only our own side of the case, but we must study the other fellow's side. As we learn to know each other, prejudice is broken down and attitudes change. But it requires a willingness to learn and understand.

There are many different yardsticks for understanding, but none has ever surpassed the Golden Rule. And in this Christmas season is a good time to begin its use. If we would do this, jealousy and envy that is ignorance, would not stifle and deaden our better impulses.

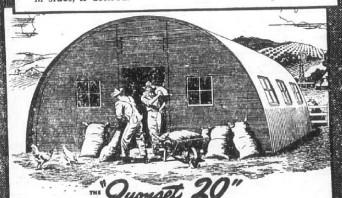
"Quonsets"

FOR THE FARM!

Here are three all-steel, arch-rib buildings that are "naturals" for many farm uses. Tested and proved under widely varying conditions by the armed forces throughout the world, these "Quonsets" provide fire-safety and freedom from rot, sag, warp and termite destruction. They are economical to buy and maintain. Constructed with Stran-Steel *nailable* framing members, these highly flexible buildings are easy to erect, can be added to simply and economically.

THE "Quonset 40"

40' wide by any length desired, in extensions of 20. Fire-safe, sag-proof, rot-proof, warp-proof. Quick and easy to erect, maintain, and add to when required. 12'x12' sliding door, four windows and ventilating louvers in each end-panel are standard. Additional windows can be installed in sides, if desired.



THE "Quonset 20"

If a smaller building will meet your requirements, the all-steel, arch-rib "Quonset 20" should fill the bill. 20' wide by any length, in extensions of 12. Physical properties are identical to those of the "Quonset 40." Walk-door, two windows and ventilating louvers in end-panel are standard. Side windows are available, if desired.

THE "Quonset 24"

An ideal building for implement, auto, truck or farm produce storage. 24' wide by any length, in extensions of 12'. The "Quonset 24" is available with or without front sliding doors or solid front panels. Walk-door and windows for end-panels, as well as solid steel interior partitions for any 12' section, are also available, if desired.

Let's talk over your building needs today!

OUR FOREFATHERS

celebrated Christmas sometimes under the greatest of difficulties, to say nothing of danger. Today, in warm, lighted homes we welcome the arrival of Yuletide, without thought of those early hardships. It might make our Christmas a little happier, our hearts a little more thankful, to take thought of these things.

In the reverent spirit of this glorious season we now wish each and every one of you the deep joys which only Christmas can bring.

How many jobs will there be in your future?

THE ANSWER depends largely on one thing —*the job you choose today!*

No man wants to hop from one job to another . . . trying to find a job that really suits him . . . always sweating it out between jobs.

No—the *smart* man wants something else! He wants *one* job where he'll have steady work . . . a job that gives him security and a chance to get ahead and sink some money in the bank.

If you're that man and you're looking for such a job, you'll find it at the Goodyear plant! Here's what you get at Goodyear . . .

A STEADY JOB!

As you know, cars are going to be in great demand for a long time to come—which means plenty of tires will have to be made *from now on*. By starting with Goodyear *now*, you'll be taken on as a *regular employee*—not as a temporary worker!

NO EXPERIENCE NECESSARY!

You will be paid a regular, hourly wage while you learn—until you're ready to step into the job you're training for. The average training time is 30 days, depending on the job.

GOOD WAGES!

We pay rates as high or higher than the rates for similar jobs anywhere in the vicinity. Not only that—but as you get better at your job you automatically earn *more!*

AND YOU GET VACATIONS WITH PAY!

The Goodyear plant is conveniently located, easy to get to. And it's a pleasant place to work —a modern plant (most of it one story) with good light and the most modern equipment.

So don't put it off—you'll find the kind of future—*and* the security—you're looking for at Goodyear! Come in and see us *today!*

Christmas is the season of the open heart and the open door. Let none stand out in the cold or be unremembered.

In this community of good fellows, where each helps share the other's happiness and all do their part towards making the Christmas season enjoyable for each and everyone, it is a privilege to be in a position to serve you. We take great pleasure in wishing you a Merry Christmas.

Auto Accidents Mar Yuletide Happiness

Motorists of Michigan—Let extra precautions govern your driving during this happy Yuletide Season.

Be on the alert for the exuberant child with her new Christmas sled and the elderly woman, arms laden with gift packages.

Eighty-four pedestrians were killed by automobiles in Michigan last December—eighty-four homes made sorrowful.

Most pedestrian accidents can be avoided.

Remember — the pedestrian has the right-of-way. Keep your ear always under control. Be prepared to make the sudden stop if called upon to do so that will save a life. KEEP SPEED, the KILLER, out of your car.

YULETIDE HAPPINESS
☆
At this time when Christmas trees are beginning to glow in the windows everywhere, and the holly wreaths are going up, we want to send you our best wishes for a very Happy Christmas. You have made 1945 a very pleasant year for us, for which we are duly grateful.

Light after Darkness
This is our brightest Christmas in a long, dark time. Every light on every tree—every window that greets night with cheerful challenge—is a shining symbol of the passing of war's shadow.
There is radiant happiness in family gatherings this year. Men are coming home from war. And those who hear their Christmas carols under strange skies are closer, nearer to home than they have been in a great while.
For many, this will be a wistful Christmas—but a Christmas brave and strong in the knowledge that those who bought victory so dearly will make tomorrow's world a brighter place for us all.

CONSUMERS POWER COMPANY

To each of us the word Christmas summons many happy memories. To some it recalls a ride over the frozen countryside to grandma's, sleighbells tinkling all the while. To others it recalls happy reunions in mirth-filled living rooms, gay banquets and glowing Christmas trees. But to all it recalls days of charm and endearment, the happiest days of our lives.
May you know this happiness in all its fullness once again, dear friends, this Christmas season of 1945.
ALLISON'S
R. W. Puffer, Mgr.

AS the light of Christmas again brightens our faces and lightens our hearts, we turn our thoughts from ourselves to help others. For this is the spirit that first saw the light of day in a stable at Bethlehem, two thousand years ago, and which has endured ever since.
May God bless and protect you and your dear ones and bring happiness to your home this Christmas season.

First Anniversary Is Marked By Lady Eagles

The Ladies Auxiliary of Eagles celebrated their first anniversary Friday evening with a dinner party in their hall with their husbands as guests. Tables were decorated in keeping with Christmas and a Christmas tree added to the holiday spirit. Seventy-five were seated for the baked ham dinner. The large birthday cake was the gift of Dorothy Tirb of Clinton. Following dinner dancing was enjoyed. The committee in charge included Mrs. Ruth Richardson, Mrs. Doris Skinner and Mrs. Lena Judd.

Mrs. Roma Waters was guest of honor, as instituting deputy at the time of organization and was presented with a corsage and a gift. Mrs. Lucy Skinner, president of the auxiliary, was also presented with a corsage and gift.

On Saturday evening the Aerie held a Christmas party for 125 children who enjoyed a Christmas tree with candy, nuts and fruit and a gift for every child. Christmas carols were sung by the group after which Santa Claus arrived.

NINETY-SIXTH YEAR—NUMBER THIRTEEN | TECUMSEH, MICHIGAN, THURSDAY, DECEMBER 27, 1945 | FIVE CENTS PER COPY

Xmas Eve Sleet Halts Traffic

BUS SCHEDULES ARE CANCELLED AS ROADS BECOME COATED WITH ICE

The first sleet storm of the winter and the most severe storm of its kind encountered by motorists here in two years, swept over this section of Michigan on Christmas eve, paralyzing traffic and temporarily halting bus scredules. In metropolitan Detroit, between 9 and 11 p. m., Monday night, 107 traffic accidents were reported to police, and Michigan State Police in this section said that it would be impossible to accurately estimate the number of minor mishaps that occurred on the highways. There were no serious accidents in this vicinity, however.

The storm arrived at about 6 o'clock Monday night and continued to grow worse until about midnight. The rain that began to fall, froze on windshields and highways and by 10 p.m., traffic was practically at a standstill.

Motorists reported that state and federal trunk lines on Christmas morning were impassable until they had been sanded or treated with chloride. On M-50, between Adrian and Tecumseh, dozens of cars and trucks were in the ditch during Christmas morning but about noon the rising temperature melted the ice. The rain continued during the greater part of the forenoon.

The storm and impassable highways caused many disappointments on Christmas day, due to the fact that travel was next to impossible. Many local residents reported that friends and relatives from away who planned to attend Christmas dinners here, found it impossible to keep the engagements.

Mrs. Mary E. Spence Dies on Christmas Day

Mrs. Mary E. Spence, aged 55 years, wife of Floyd E. Spence, died Christmas Day at her home in Franklin township after three years of failing health. Mrs. Spence was formerly Mary Galloway, daughter of Mr. and Mrs. William Galloway and was born in Sumpter township, Wayne county, January 16, 1890. She was married in 1906 to Mr. Spencer and they had since made their home in this community. She was a member of the Macon Methodist church and W.S.C.S.

Survivors are the husband, four daughters Mrs. Clifford Mansfield, Mrs. Casper Michelsen and Mrs. Meryl Draper of Ann Arbor, and Mrs. Lloyd Clark of Tecumseh, two sons Clyde of Monroe and Floyd, Jr., of Tecumseh, four sisters, four brothers and eight grandchildren.

The body will be at the Collins Funeral Home until 1 o'clock Saturday and funeral services will be held at 2:30 at the Macon Methodist church. Rev. Edward Escolme will officiate and burial will be in Brookside cemetery.

MISS ELEANOR REED BRIDE OF RAYMOND HICKS

Miss Eleanor I. Reed, daughter of the late Dr. and Mrs. W. D. Reed of Tecumseh and G. Raymond Hicks, son of the late Rev. and Mrs. G. G. Hicks, were married December 22 at the St. George Chapel in Newport, Rhode Island. A reception was held later at the St. George school where the bride has been teaching and where Mr. Hicks is head of the music department.

Mrs. Hicks is a graduate of Tecumseh high school and received her master's degree at the University of Michigan. Mr. Hicks received his master's degree at Albion College and is now working for his doctor's degree.

They left for a trip to Florida and Cuba during the holiday recess.

POW CAMP CLOSED

The German prisoner of war camp located near Blissfield since last May was closed Thursday. The camp was dismantled and all prisoners and enlisted men were returned to the base camp at Fort Custer for the winter. During the harvest season 625 prisoners, 75 enlisted men and four officers were at the camp.

Mrs. Joe Springer was hostess Thursday to the members of the JS Club from Adrian for their annual Christmas party. Dinner was followed by an exchange of gifts and an afternoon of cards.

GETS DISCHARGE

William M. Lamson, F 1/c, received his discharge from naval service at Great Lakes, Ill., December 20 and has returned to his home here.

3 Fire Calls Answered By Local Department

The fire department was called to the John Walden farm on the Murphy road about 8:30 Monday morning where a blaze had started around a chimney on the second floor. Only slight damage resulted.

At 7 o'clock Christmas morning the department was called to Macon where a brick building 15x20 feet, which housed the heating plant at the Henry Ford home, was destroyed by fire. The building housed a large brick furnace and was a total loss. The cause of the fire is unknown.

At 41 o'clock, a call was answered at the B. C. Dannells home on N. Union street where an overheated oven caused slight damage.

Happy New Year to you!

$1,000 Fire Loss

OIL STOVE BLAZE DAMAGES HOME ON EAST KILBUCK STREET, SUNDAY EVENING

A fire which started from an overturned oil stove, caused $1,000 damage at the home of Mrs. Florence Harrington, Sunday night about 10 o'clock. Mrs. Earl Timm was moving a portable oil heater when the clamp handle gave way overturning the stove and tank. Rugs were used to smother the flames but soaked with oil and ignighted. The bedroom furniture was lost in the blaze and considerable clothing was damaged beyond repair. The bathroom and hall were also badly damaged. The loss was partially covered by insurance.

Glenn Daniels Dies In Tecumseh Hospital

Glen Daniels, 56, proprietor of the restaurant at Cambridge Junction, died Monday morning at Tecumseh hospital where he had been a patient since Saturday.

He leaves the widow formerly Daisy Shay of Wolf Creek, one son and one grandson.

The body was removed to the Dunn Funeral Home at Onsted where funeral services will be held this (Thursday) afternoon at 2 o'clock with burial in Onsted cemetery.

BETTY BELL IS HOME AFTTR DUTY IN WAVES

After 31 months active duty, Betty Bell, SK 1/c was honorably discharged from the WAVES December 20 at the U. S. Naval Separation Unit in New York City. Miss Bell, daughter of Mrs. Maude Bell, was indoctrinated at Naval Training School at Hunter College and then sent to Storekeeper School at Bloomington, Ind. She was then assigned to the Naval Uniform Division in New York City as inspector of Navy Nurse and WAVE uniforms. Her plans for civilian life include the study of millinery and eventually designing.

Her brother Fred L. Bell, MM 1/c, was discharged in November.

TWO BAPTIST CLASSES HOLD XMAS PARTY

The True Blue class and World Wide Guild of the Baptist church met Thursday evening at the home of Mrs. Robert Gillespie. As a part of the program and devotions Mrs. B. O. Bashore read the Christmas story.

During the social hour gifts were exchanged and refreshments served and a farewell gift was presented to Mrs. Gillespie for her years of faithful service with the class. The St. Cecilia choir formed by Mrs. Gillespie will now be directed by Mr. Hazard, director of the Senior Choir.

SHOWER FOR NEWLYWEDS

Mrs. John Gooding was guest of honor at a miscellaneous shower given Friday evening by Misses Phyllis Thielan, Ann Laicdenslager and Francis Wagner at the Thielan home in Adrian.

Bridge was the diversion and prizes won were presented to the honor guest who also received a shower of gifts. Refreshments were served from a holiday decorated table.

MEN'S CLASS DISCUSSES THE POST-WAR CHURCH

The Baraca Men's Class of the Baptist church met Thursday evening at the home of George Schumm. A class discussion was led by Captain Jack Green of Monroe, who spent 19 months overseas. He spoke on the Pacific campaign and what the G.I. expects of the church.

Each person who attended the meeting brought a toy for the church nursery school. Refreshments were served at the close of the meeting.

$9,000 IN GIFTS

Cash Christmas gifts totaling $9,000 are being distributed to employees of Toledo branch this week, Carl S. Fuller, branch manager announced.

Employees of the firm in 18 states, including both retail stores and factory operations, are sharing in a $450,000 appropriation provided for this purpose by the directors at a recent meeting.

OFFICERS CHOSEN

The Semper Fidelis Class of the Methodist church has elected the following officers: William Mullin, president; David Dick, vice president; Mrs. Kenton Hunt, secretary, and Delmar Crisp, treasurer. The meeting was held at the home of Mr. and Mrs. Owen Partridge and included an exchange of Christmas gifts and refreshments.

House Shortage Becoming Worse

RETURNING SERVICE MEN, INCREASED EMPLOYMENT ADD TO PROBLEM

Although Tecumseh has suffered from a housing shortage for at least five years—long before the war—the situation is now more acute than it was even during the war days, and daily it is becoming more serious, a survey discloses.

There seems to be little doubt among those who are close to the situation but that Tecumseh could use three to four hundred new homes immediately and as for the future, the number varies from five to seven hundred. It is being predicted freely that Tecumseh, within a five year period, will at least double in population. If this growth is realized, then 700 to 800 new homes would be needed to meet the demand.

The increased demand for housing at the present time comes from two sources—service men returning from the war and increased local employment. Daily, real estate offices and others here receive from 10 to 20 inquiries for houses to rent, and, as one man put it, houses to buy are almost as scarce as those to rent. A year ago or more there was a rather rapid turnover in property ownership but in the past three or four months, it seems, the trend has been to "hang on" to property rather than dispose of it.

"I have had a chance to sell my home a dozen times," one man said today, "but if I did sell it, where would I live. I don't know of too many houses that could be bought."

The scarcity of lumber and other building materials as well as of carpenters and labor still makes home construction next to impossible. It is understood that one or two houses may be built during the winter, but the big up-swing in construction will come in the spring.

How many new houses will be built next spring depends, of course, largely upon the supply of both labor and materials but it now seems quite certain that a hundred or more new homes will go up here before the end of 1946. One contractor alone, it is reported, is completing the construction of more than 50 dwellings and there are at least that number of individuals who are awaiting the go sign in the building industry.

Aside from the housing shortage, it also was pointed out that there is a very definite need for sleeping rooms for rent. While scores of residents have rented rooms in their homes, and others have made some of the larger dwellings into apartments, all of these have been occupied.

Nurses Aides Honored at Dinner on Thursday

Members of the Tecumseh corps of Nurses Aides were honored at a dinner last Thursday evening at Brees House, when they were presented with certificates of merit by the Michigan Department of Civilian Defense, in recognition of their efforts at Tecumseh Hospital during the war emergency. The presentation was made by Miss Gertrude Spaulding, hospital superintendent. Each lady also received a fever thermometer as an additional recognition.

Miss Spaulding, in making the presentation, expressed the appreciation of the hospital for the excellent work that the local corps has accomplished. She called attention to the fact that the war emergency has not yet ended, and asked that the organization remain intact until Spring or mid-summer, to permit the hospital to bring its nursing staff up to pre-war strength.

Miss Clara Waldron, of the American Red Cross, also spoke briefly, expressing that organization's appreciation for the work done by the local group. Mrs. Geo. H. Rathbun, a member of the Nurses Aides, also spoke briefly.

Members of the hospital board of trustees were guests at the dinner.

Watch Night Service Planned By Baptists

Eleven members were in Ypsilanti last Monday evening, guests of the Ypsilanti lodge, when the third degree was conferred on Virgil Kash and Clayton Greenwald.

State's Health Very Favorable

DEATH RATE FOR 1945 BELOW AVERAGE; HEART, CANCER LEAD DEATH CAUSES

The year 1945 was a favorable one in Michigan from a public health standpoint according to a report of Dr. William DeKleine, commissioner of the Michigan Department of Health. The general death rate is expected to drop slightly below last year's rate of 10.05 per 1000 population to about the five year average of 9.9. The infant death rate, considered by health workers to be the most delicate index of the health status, this year will be the lowest in Michigan's history. There was no overall increase in the communicable diseases with the exception of diphtheria.

The ten leading causes of death continued in the same order as in 1944. As usual heart disease led all other causes of death in Michigan with cancer second. During the first nine months there were 12,625 deaths due to heart disease against 12,900 for the same period last year. Cancer killed 5,243 persons during the nine month period compared to 5,176 last year. Apoplexy was in the third place for the nine-month period with 3,866 deaths, followed by accidents, 2,439; inflamation of kidney, 1,960; pneumonia, 1,348; tuberculosis, 1,326; diabetes, 1,112; premature births, 1,009; and hardening of the arteries, 754.

For the first 10 months of 1945 deaths of infants under one year of age were at the rate of 36.12 per 1,000 live births, compared to the 10 year average of 42.02. Also at a record low are maternal deaths which were at the rate of 1.5 per 1,000 live births against the 10 year average of 3.01.

Total number of babies born in 1945 will reach 112,000 judging by the figures for the first ten months. This is a slight drop from the previous five year average—Communicable Diseases.

Cases of most communicable diseases were below average during the year. Diphtheria, an exception, reached its highest point since 1937 with 559 cases reported in the first 11 months compared with 343 during the same period of 1944. However, a major epidemic was apparently averted by a wide-scale immunizing program carried on by health officers and physicians all over the state. In September diphtheria was running more than twice as high as in 1944. By December 1 this had been slightly reduced. However, since the regular diphtheria season usually reaches its peak in December and January the possibility of an epidemic is not yet past. Requests for the health department's free toxoid for diphtheria immunization more than doubled this fall over 1944.

Cases of Brucellosis (undulant fever) totalled 238 during the first 11 months of the year compared with 84 for the same period of 1944. The majority of these cases were discovered in rural areas among persons drinking unpasteurized milk.

Typhoid fever was at an all time low with only 51 cases reported against 71 last year.

Incidence of measles was at the lowest point in eight years with only 5,312 cases reported in the first 11 months. However, toward the end of the year there was a marked increase in cases and a widespread measles outbreak is predicted for 1496. For modifying the disease the health department has a supply of gamma globulin, available to all physicians in the state without charge. This product was offered free for the first time this year in cooperation with the American Red Cross. The product was obtained as a bi-product from blood donated by volunteers thru the American Red Cross for the armed forces.

Indian Cagers Hope For Title

HIGH SCHOOL QUINTET OPTIMISTIC DESPITE THE FACT TAT OPENERS WERE LOST

by Jim Sisson

Although the Tecumseh high school basketball quintet has lost two of the three league contests played thus far, they are taking a ray of hope from the record and are desirous of still ringing up a league championship for the Indians. Both of the games lost thus far were on foreign courts, and the 1944 championship squad encountered similar defeats.

In the season of 43-44, the basket shooting Braves dropped games to Morenci and Blissfield, respectively, as they opened a discouraging schedule. The Tecumseh boys then raised themselves to the long end of the following scores in order, and with the aid of other defeats in the battered league, they emerged the champions of Lenawee. This lends the spark of hope that may drive the Indians to another trophy.

Coach Fred Raizk is more cheerful than the record might suggest, for his boys are rapidly improving. The Manchester contest proved the Redskins much better at ball handling but unable to find the range at the hoop. This will bring constant practice at bucket firing in the future.

John Murdoch, flashy guard for the Indians, seems to be the only one who can hit the hoop consistantly. He found difficulty in the opening contests but dropped 12 markers in the Blissfield engagement and racked up 18 points to keep Tecumseh in the Manchester game. On both occasions he grabbed high honors for the Braves.

Bob Baker and Ben Hammack, however, have lit up the courts spasmodically. Hammack became the spark plug by piling up eight markers to be Tecumseh's high man when the Indians gave in to Clinton. Baker warmed the bucket to help crumble the Blissfield efforts, and came in second best with 13 points to his credit. He also aided in muffing the second half Manchester offensive as he scrapped for the ball, but all was in vain as Tecumseh failed to catch up.

Captain Bob Randall and Dermont Poley are running up against old man trouble in aiming at the basket. Lately, neither have collected any great amount of points, especially in the first halves of the contests.

LaMar Cheever has become Poley's chief worry as he showed up several times in the Indian lineup as Poley's substitute. On each occasion he displayed an impressive performance, but Poley still seems capable of holding the starting berth.

The only Tecumseh squad that needs no help is the Reserve five which holds a clean slate in four starts. They seem to be carrying on the reputation of the two previous seasons in which they suffered only one defeat in 28 games.

Now the Braves are resting their troubles as they await the engagement with the Hudson five on January 11. No date has been set, as yet, to play off the postponed Addison contest.

Leon A. Dickison, 82, Is Buried at Tipton

Leon A. Dickison, aged 82 years, died early Saturday morning at the home of his daughter and husband Mr. and Mrs. Don Hunt in Tipton after four days illness. Mr. and Mrs. Dickison came from Fife Lake a year ago to make their home with their daughter. Mrs. Hunt died in June following a paralytic stroke.

Survivors are the daughter Mrs. Marion Hunt, four grandchildren, Ivan Hunt, Mrs. Charlotte Wright and Mrs. Florence Miller of Tipton and Mrs. Corleone Smith of Blissfield and six great grandchildren.

Funeral services were held Monday afternoon at the Belding Funeral Home. Rev. B. O. Bashore officiated and burial was made in Tipton cemetery.

Bearers were Nelson Wright, Ivan Hunt, Stanley Miller, George Allen, Robert Smith and Maurice Hunt.

NEW YEAR AND FREEDOM

Freedom, the word that meets us every time we twist the radio dials or pick up a newspaper, is a word that we want to think about seriously during the New Year.

What is freedom that is our dearest possession?

Freedom is to speak and think without restriction and without fear.

Freedom is to associate with men of all races and creeds in fellowship of cooperative effort for the good of all.

Freedom is to be tolerant, to grant to others the rights and consideration we want for ourselves.

Freedom is to have the right to work, and to change our work or place of working as we deem best.

Freedom is the sovereignty of man as against the domination of the state.

Freedom is the rule by reason, not by force.

Freedom is to have reliance and trust in the pledged word.

Freedom is to worship God according to the dictates of our own conscience.

This is freedom, the freedom for which our forefathers fought and died, thef reedom for which they worked to make this country out of a virgin wilderness. It is our most precious inheritance. May we be worthy of it!

Fast Driving Can Spoil a Christmas

Christmas is the Holiday of Homecomings and Happiness.

Yet Christmas for many homes in past years has been a day of tragedy and sorrow. Auto accidents have wrecked the homecoming.

SPEED, the KILLER, has taken his toll. The cheery holly wreath has faded into a somber crepe; the gay green and blue and orange lights to flickering candles. Tinsel drops mockingly from the tree.

Last December, 84 persons were killed and 2,428 others were injured in traffic accidents in Michigan. Since V-J Day, crowded highways and excessive speed have accelerated the accident rate.

Don't risk death for yourself and sorrow for those who love you.

Drive with care; avoid speed.

GREENFIELD'S FAMOUS FOODS

AS we write this message to the legion of Greenfield patrons in Michigan, a New Year is on the threshold. It is fitting, therefore, that we offer heartiest greetings . . . and a sincere wish that 1946 brings you a heaping portion of health, happiness and prosperity.

Greenfield's volume of patronage in 1945 exceeded all previous records, despite critical labor and material shortages. Over FOUR AND A HALF MILLION meals were served. Likewise, in the purchase of Michigan grown foodstuffs, new highs were set by many thousands of dollars. Our greatest pride, however, is in the many complimentary expressions from guests and their recommendation of Greenfield's to friends.

Please accept this as a special invitation to visit Greenfield's on your next visit to Detroit. We're sure you'll enjoy the wide variety of famous foods, prepared by expert culinary staffs and skilled dietitians. Satisfying portions and popular prices are other features that will make your visit a happy event.

STATE OF MICHIGAN
THE CIRCUIT COURT FOR THE COUNTY OF LENAWEE
IN CHANCERY

ELIZABETH M. GRIMOLDBY, by Next Friend,
Plaintiff,
vs
CHARLES T. GRIMOLDBY,
Defendant.

Suit pending in the Circuit Court for the County of Lenawee, in Chancery, on the 23rd day of October, 1945.

In the above entitled cause it appearing that the defendant, Charles T. Grimoldby, is a resident of this state and that process for his appearance has been duly issued, and that the same could not be served by reason of his absence from, or concealment within the State of Michigan and by reason of his continued absence from his place of residence; therefore, on motion of Richard F. Roe, attorney for plaintiff,

It is ORDERED that the defendant, Charles T. Grimoldby, enter his appearance in said cause within three months from the date of this order, and that this order be published or served according to law.

G. ARTHUR RATHBUN,
Circuit Judge

MINUTES OF THE BOARD OF EDUCATION

December 11, 1945

The meeting was called to order by the President, Mr. Touborg. Members present were Mr. Touborg, Mr. Satterthwaite, Mr. Lindsley and Mr. Spafford. Member absent, Dr. Brown.

The minutes of the last meeting were read and approved.

Upon motion made by Mr. Satterthwaite and seconded by Mr. Lindsley the bills, as incorporated into the minutes, amounting to $2,258.75 were approved and ordered paid.

An analysis of school finances for the balance of the current school year was presented to the Board by the Superintendent. This summary reveals that anticipated receipts including the balance as of December 1 will amount to approximately $59,140.04. Anticipated normal expenditures for the same period will be approximately $54,000 leaving an anticipated total balance of $5,140.04 of which amount $3,500 must be allocated to the Building and Site Fund, $100.00 to the Library Fund, and $1,540.04 to the General Fund.

After further careful consideration of the proposed toilet room improvements at the Central building, it was moved by Mr. Satterthwaite and seconded by Mr. Spafford that the superintendent be directed to obtain further estimates of the costs of the improvements from local contractors with a view toward completing at least the proposed improvements of the compartments. The motion was carried.

The superintendent then presented to the Board the necessity of reaching some decision regarding the next step which should be taken toward the completion of plans for the proposed new school building if our district is to benefit from the planning aid which is available. Following careful consideration of the entire problem, it was moved by Mr. Spafford and seconded by Mr. Lindsley that a survey of existing new school plants in our area be made by members of the Board of Education to determine advisable improvements in the proposed school plans and also to assist in the final selection of an architect for the project. The motion was carried.

A motion was made by Mr. Satterthwaite and seconded by Mr. Lindsley that the Board of Education appropriate $50.00 toward the cost of the Annual School Christmas Party. The motion was carried.

Upon motion made by Mr. Satterthwaite and seconded by Mr. Spafford, the meeting was adjourned.

P. C. Satterthwaite, Secretary.
